County Administrative Office

Gregory C. Devereaux
Chief Executive Officer

June 2014

I hereby submit the 2014-15 Adopted Budgets, guided by the Countywide Vision. The Countywide Vision calls for the creation of a “complete county” that capitalizes on its many assets to collaboratively establish a sustainable system of economic opportunity, education, well-being and amenities. The Countywide Vision and the Board adopted County Goals and Objectives provide County government with clearer direction as it makes budget decisions.

This document includes the 2014-15 Adopted Budgets for the County, Board Governed Special Districts and Other Agencies governed by the Board of Supervisors. In prior years these budgets have been presented in separate budget documents.

In this document you will see that County departments, Board Governed Special Districts and Other Agencies built their 2014-15 spending plans to achieve the County Goals and Objectives. For 2014-15 each department has re-examined performance measures to ensure they are attainable and relevant to the department’s core mission, and that they tie directly to the 2014-15 County Goals and Objectives.

The 2014-15 Adopted Budget of \$4.9 billion is balanced and is consistent with policy direction received from the Board of Supervisors. No reserves are being used to fund ongoing costs. There is limited use of one-time sources to fund operating costs. The 2014-15 Adopted Budgets address the following key issues:

- Funding of the first phase of the High Desert Detention Center staffing with ongoing sources
- Fully funding the annual earned leave liability with ongoing sources
- Revenue reductions in Law and Justice programs
- Funding key transportation projects in Public Works
- Shortfalls in the County Museum
- Asset replacement needs

THE BUDGET IN BRIEF

This budget book presents the County General Fund and County Restricted General Funds. It also presents Capital Project Funds, Special Revenue Funds, Enterprise Funds and Internal Service Funds for all entities presented in the 2014-15 Adopted Budget book including the County, Board Governed County Service Areas, San Bernardino County Fire Protection District, San Bernardino County Flood Control District, Big Bear Valley Recreation and Park District, and Bloomington Recreation and Park District. Other agencies presented in this budget book include County Industrial Development Authority, Economic and Community Development Corporation, In-Home Supportive Services Public Authority, and Inland Counties Emergency Medical Agency. The total requirements for these funds in 2014-15 are \$4.9 billion, which includes amounts that are not planned to be spent, that are budgeted as contingencies or contributions to reserves. Excluding these amounts, total projected expenditures for 2014-15 are \$4.4 billion.

General Fund requirements total \$2.7 billion and are funded by countywide discretionary revenues (primarily property taxes), departmental revenues, and other funding sources of the General Fund. Of this \$2.7 billion, only \$521.1 million is truly discretionary.

	Requirements (In Millions)		
	2013-14 Final	2014-15 Adopted	Change
General Fund	\$ 2,811.2	\$ 2,670.6	\$ (140.6)
Restricted General Funds	109.5	55.0	(54.5)
Capital Project Funds	226.9	218.0	(8.9)
Special Revenue Funds	1,073.3	1,070.7	(2.6)
Enterprise Funds	727.3	650.2	(77.1)
Internal Service Funds	213.9	225.1	11.2
Permanent Funds	1.6	1.6	0.0
	<u>\$ 5,163.7</u>	<u>\$ 4,891.2</u>	<u>\$ (272.5)</u>

The \$140.6 million decrease in General Fund requirements includes a reduction of \$59.9 million due to decreased intergovernmental transfers required for Disproportionate Share Hospital (DSH), Delivery Reform Incentive Payments, and Medi-cal managed care programs in the Health Administration budget unit. This includes a reduction due to the return in 2013-14 of excess DSH funds received for 2011-12 and 2012-13. DSH is a federal matching program that assists the County in funding uninsured patients.

General Fund requirements are also decreasing as a result of decreased contributions to General Fund Reserves of \$85.0 million. This is due to 2013-14 contributions of \$120.6 million approved by the Board in the Third Quarter Budget Report. These contributions to Reserves were funded by substantial one-time monies received in 2012-13 related to the dissolution of Redevelopment Agencies and a rebate from the County's Workers Compensation program. In the County General Fund, budgeting for future projects, economic uncertainties, and unallocated resources will shift from appropriating these amounts in contingencies to contributing these amounts to reserves. This change in philosophy will appropriately characterize the multi-year nature of projects, economic impacts and needs to be addressed with limited General Fund resources. Changes to align the County's budget and finance policies to this shift in philosophy will be brought to the Board for approval in the upcoming fiscal year.

The \$54.5 million decrease in Restricted General Funds is also caused primarily by the return to the State, in 2013-14, of overpayments made to the County in 2011-12 and 2012-13 of Disproportionate Share Hospital (DSH) payments described above.

The \$8.9 million decrease in Capital Project Funds is primarily due to the completion of the High Desert Detention Center (formerly known as Adelanto Detention Center) in 2013-14.

The decrease of \$77.1 million in Enterprise Funds is primarily due to a reduction in operating expenses at the Arrowhead Regional Medical Center (\$34.0 million) due to less than anticipated patient volumes as a result of the Affordable Care Act and the conclusion of the Low Income Health Program (LIHP) and its associated costs. Additionally, requirements of the Arrowhead Regional Medical Center are decreasing by \$39.1 million due to the one-time repayment in 2013-14 to the State of an overpayment

of 2011-12 and 2012-13 Disproportionate Share Hospital (DSH) revenues and the completion of various capital projects.

Internal Service Funds requirements are increasing \$11.2 million primarily due to the addition of the Information Services Department's (ISD) new internal service fund in 2014-15. The Application Development Unit has been moved from the General Fund to an internal service fund as this unit provides services to County departments and recovers all costs via a billable hourly programming rate.

	Budgeted Staffing		
	2013-14 Final	2014-15 Adopted	Change
County General Fund	13,795	13,759	(36)
County - Other Funds	6,041	6,264	223
Special Districts and Other Agencies	1,246	1,283	37
	21,082	21,306	224

Budgeted staffing for 2014-15 is 21,306, an increase of 224 positions from the 2013-14 Final Budget. General Fund staffing is decreasing by 36 positions, primarily resulting from the transfer of staff from the Application Development unit of ISD to an Internal Service Fund. This decrease is offset by an increase in staffing in the Human Services' Transitional Assistance Department, due to changes in programs and the State's focus on Work Performance Rates.

Staffing in Other County Funds is increasing by 223 positions from 6,041 to 6,264, which includes the transfer of employees from the Application Development Unit of ISD to an internal service fund. Arrowhead Regional Medical Center (ARMC) is increasing staff to address existing operational needs related to regulatory requirements, quality improvement, and to maintain staffing ratios based on volume. Additionally, staffing is increasing in the Behavioral Health Mental Health Services Act fund for the expansion of regional clinical services, clinical assessment services, recovery based engagement support teams and administrative support. Increased staffing in Preschool Services will enable the department to serve an additional 250 children as a result of the restoration of federal sequestration funds.

Special Districts and Other Agencies is increasing by 37 positions primarily due to the addition of positions in the Fire Protection District to provide support to the Land Use Fuel Clearing Program, provide full time supervision to the Inmate Fire Crew Program that will be in full force by the end of 2015, and to reflect the expansion of the contract with the Fontana Fire Protection District.

HIGHLIGHTS OF 2014-15 ADOPTED BUDGET

Following are highlights of programmatic and budgetary proposals included in the Adopted Budget as they relate to the 2014-15 County Goals as adopted by the Board of Supervisors on February 25, 2014.

Implement the Countywide Vision

- The County Administrative Office will continue to support operation of the Countywide Vision Element Groups as they, in partnership with SANBAG, pursue activities to advance the adopted Regional Goals.

Create, Maintain, and Grow Jobs and Economic Value in the County

- Economic Development Department will continue to compete globally for investment and job growth by developing strong regional and national business relationships and providing resources, programs and incentives to maximize job creation.
- Economic Development Department will expand a domestic tourism strategy to brand San Bernardino County's desert and mountain regions to generate awareness and economic activity for the County's tourism assets.
- The Real Estate Services Department partnered with the City of Ontario to bring the public a new state-of-the-art Public Health Clinic, Lab, and Women Infants and Children's facility, slated to open in Ontario in fall 2014, creating new investment and office construction in the community.
- The Economic Development Agency (EDA) will continue to support businesses entering and operating in the County by ensuring that Workforce Investment Act (WIA) funding assists with business services and training for specific workforce skills. Through these efforts, EDA will work to keep existing businesses thriving and create an environment that is appealing to businesses looking to relocate.
- Through a partnership with the Transitional Assistance Department (TAD), the Workforce Development Department (WDD) will deploy \$3.0 million dollars to place up to 750 CalWORKs youth in paid work experience.
- Workforce Development Department (WDD) has received a revenue agreement of \$500,000 with the State Department of Corrections and Rehabilitation to provide Employment Services to the soon-to-be released prison population.

Improve County Government Operations

- The County Administrative Office will ensure employees know that they and their work are valued. One step towards that objective in 2014-15 will be the launch of the 'Employee Showcase' as a forum for County employees to present innovative ideas in support of the County Goals to senior managers and the Chief Executive Officer.
- Finance and Administration will continue to implement strategies to improve efficiency and effectiveness. The key component of reaching that objective will be presenting accurate and timely budget and financial information to the County Administrative Office and the Board of Supervisors.
- A team consisting of the Auditor-Controller/Treasurer/Tax Collector, County Administrative Office, Finance and Administration, Human Resources, and Information Services Department will evaluate proposals for the County's Enterprise Financial Management System and a vendor will be selected. Implementation will begin in 2014-15. The new financial system will streamline business processes and provide better management information.
- Auditor-Controller/Treasurer/Tax Collector budget includes a new Systems Accountant II position in Property Tax to assist with system processes and increased complex workload

relating to the dissolution of Redevelopment Agencies, and an Accountant II in Central Payroll to comply with reporting requirements associated with the Affordable Care Act.

- Facilities Management, in collaboration with the Information Services Department and Architecture and Engineering, integrated six different heating, ventilation and air conditioning (HVAC) building automation systems in 31 buildings into one networked system, utilizing the County's Wide Area Network and allowing remote control, diagnostic and system failure alerts to improve the efficiency and response times to County buildings for HVAC issues. In 2014-15, additional funding has been allocated in the Capital Improvement Program (CIP) to upgrade HVAC controls at six County buildings.
- Beginning in 2011-12, the Board allocated \$44.5 million in one-time discretionary general funding to acquire space in San Bernardino and Victorville and to complete tenant improvements, seismic retrofits and modernization of certain existing buildings in San Bernardino. Funding of \$3.7 million has been added from the annual CIP base budget allocation and \$1.6 million is added in 2014-15, bringing the total funding for the estimated \$89.5 million total project cost to \$49.8 million. In addition to the amount budgeted in the CIP, the County has set aside \$4.0 million in reserves for this project. In 2014-15, tenant improvements will be completed for the 303 W. 3rd Street and 268 Hospitality Lane buildings in San Bernardino, design will be completed for 222 Hospitality Lane, 316 Mtn. View Avenue and for the County Government Center campus street and parking lot improvements.
- The County Library continues its plans to enhance service by replacing outdated computer hardware and software over the next several years, restoring the Library's material budget, and adding high demand items to the collection, including an expanded digital book collection.
- Public Health Department budget includes a consultant to help facilitate a Local Public Health System Assessment that will assist the department through its strategic planning efforts, and also assist in the department's accreditation efforts, which are intended to ensure the department is focused on constant quality improvement and improved transparency and accountability to its stakeholders. In addition, the budget includes a reorganization of the Health Policy and Development Division, which is intended to ensure that all departmental efforts and initiatives are aligned and working towards achieving the Wellness Element of the Countywide Vision.
- The Information Services Department (ISD) Application Development division is being transitioned from the General Fund to an Internal Service Fund (ISF) beginning in 2014-15. As the division's computer programming labor services are rendered, customers will be billed, which will fund this department. This change will make the user department budgets more reflective of the true cost of operating and will allow Application Development to use retained earnings to fund future equipment purchases in a more timely and cost efficient manner. This transition requires a loan of \$2.3 million from the Telecommunication Services fund (IAM ISD) for an estimated two months' operating expenses for the new ISF.
- The Land Use Services Department, in partnership with the Information Services Department, Department of Public Works, as well as other County departments, began implementation of Accela Automation, an enterprise land management system that facilitates interdepartmental communication and cooperative processing in a shared data environment. This solution will be key to the County's success in achieving its goal of operational efficiency and a business-

friendly approach for the review and processing of land use applications and permits. The 2014-15 budget includes an allocation of \$2.2 million in Discretionary General Funding to the Reserve for the Permit System Upgrade, bringing the total funded amount for this project to \$4.9 million.

Operate in a Fiscally Responsible and Business-like Manner

- Arrowhead Regional Medical Center (ARMC) budget includes the addition of 18 limited term clinical and support positions to reduce the use of overtime, temporary help, and nursing registry to provide improved response to volume fluctuations and operational needs as a result of the implementation of the Affordable Care Act.
- The Regional Parks Department has been working to reduce utility costs at its park locations, and in particular at Prado Regional Park. Prado receives water and sewer service from the Inland Empire Utilities Agency (IEUA), a municipal water district. The County entered into an agreement in 1976 with the Chino Basin Water District for water and sewer service, which was assumed by IEUA in 1998. Regional Parks is working as part of a County team to negotiate a new water and sewer agreement to reduce costs for the park.
- Investment of capital resources to reduce energy costs continues through the energy efficiency program partnership with Southern California Edison and Southern California Gas. In 2013-14, Architecture and Engineering completed six projects that reduced energy consumption, resulting in estimated ongoing utility savings of \$120,000 per year and incentives from the utility companies of \$180,000. In 2014-15, the department anticipates completion of four projects with annual savings of 1.4 million kilowatt hours, \$190,000 annual savings, and over \$600,000 in incentives.
- Special Districts Department's budget reflects an increase in reserves for water and sanitation districts of \$2.6 million. The department implemented a policy to have all water and sanitation districts contribute an amount equal to 40% of their operating funds to capital replacement reserve funds. These funds will help ensure the long term sustainability of the district's infrastructure.
- After saving approximately \$1.2 million on the property insurance premium, Risk Management will continue negotiating insurance renewals to reduce premium costs and obtain more favorable coverage terms for the County. Additionally, Risk Management will be providing Workers' Compensation coverage for Preschool Services contracted employees as of July 1, 2014 at significant premium savings for the department.
- The Purchasing budget includes the addition of one buyer position, which is funded by Fleet Management, in order to provide enhanced procurement services to Fleet Management.

Ensure Development of a Well-Planned, Balanced, and Sustainable County

- The 2014-15 Adopted Budget includes a one-time allocation of \$308,537 of discretionary general funding from the County General Fund Reserves for the Land Use Services - Planning Division to continue to update the General Plan, to create more specific community plans to better reflect the unique character of all areas of the County, and to amend the development code and master plans. These revisions will ensure the most appropriate standards are being

applied in all areas of the County and will be accomplished over an estimated three-year period. The additional funding requirements necessary to complete this project are estimated at \$6.6 million. \$5.1 million of this amount resides in County General Fund Reserves, and \$1.5 million is the amount allocated in the department's budget in 2013-14 that remained unspent at the end of that fiscal year.

- The Registrar of Voters budget fluctuates based on a 4-year election cycle, with the Presidential Election being the largest and most costly of the major elections. The department is transitioning from a 2 major election cycle in 2013-14 to a one major election cycle in 2014-15. The 2014-15 budget includes provisions for one minor and one major election as follows: July 8, 2014, for the City of Chino Special Election (minor); and the November 4, 2014 Gubernatorial General Election (major). The minor election is 100% reimbursable; however the major Gubernatorial General Election is only 27% reimbursable, which requires significant Net County Cost funding for the year.
- The County Museum budget reflects reductions in sources of approximately \$518,000 primarily due to state and federal contracts ending with no replacement contracts currently approved, and by scaling back fee and program revenue projections to a conservative level. One vacant position is deleted as a result thereof, and this is the second consecutive fiscal year that the Museum has experienced a significant revenue downturn. Net County Cost of \$2.7 million represents an increase of \$570,958 in one-time bridge funding necessary to sustain Museum operations at the current level while a comprehensive study is conducted with respect to reorganizing and developing innovative solutions for the Museum's financial challenges. Included in Net County Cost is a \$125,000 one-time amount for the transition of the Victor Valley Museum.
- Regional Parks will continue to expand amenities at the Calico Ghost Town campgrounds by using Off-Highway Vehicle funding to improve and add camping cabins, renovate restrooms, and to improve the Calico Bunkhouse. These improvements will result in additional revenues for the department and the concession operators, as well as encouraging new domestic and international tourism from "Families in Travel".
- Regional Parks, through ongoing communication and a broadening partnership with venue operators, will make improvements in order to enhance the visitor's experience. Live Nation will increase musical entertainment and festivals at the Glen Helen venue. Lake Gregory Recreation Co., the new operators and managers of Lake Gregory Regional Park, have made many improvements, including a huge, inflatable water feature "Splash Island" and updated catering services at both the San Moritz Lodge and the Cove Snack Bar.
- Community Development & Housing will implement the Bloomington community and neighborhood revitalization efforts by securing the remaining financial resources and commencing construction of the 106 unit, multi-generational housing community and the new 6,500 square foot Bloomington Branch Library on Valley Boulevard.
- Special Districts Department's budget includes \$28.0 million of capital improvement projects in 2014-15, of which, \$20.4 million is programmed in construction funds and \$7.6 million in operating funds. Capital improvement projects programmed in the department's construction funds include the design and construction for the relocation of the Big Bear Alpine Zoo, additional improvements at Kessler Park in Bloomington Recreation and Park District, and road

paving and slurry seal projects. Additionally, the department has numerous sewer and water system improvement projects programmed.

- Special Districts Department's operating funds budget includes \$7.6 million in capital improvement projects for Architecture and Engineering and Regional Parks such as the Lake Gregory Dam project, which is funded by a one-time contribution of \$4.0 million in discretionary general funding, Glen Helen Waterline project, which is also funded by a one-time contribution as well as the Glen Helen Lift station and Mojave Narrows improvement projects.
- The Public Works - Transportation budget includes over \$25.0 million in major infrastructure projects in 2014-15, funded in part with a one-time contribution of \$5.7 million in discretionary general funding to complete construction of the following:
 - ❖ Glen Helen Parkway grade separation,
 - ❖ Contribution towards the Slover Avenue and San Bernardino Avenue widening projects,
 - ❖ Local match for the Glen Helen Parkway bridge replacement project,
 - ❖ Funding for bridge studies on the National Trails Highway, and
 - ❖ Construction of a sidewalk near the Joshua Tree National Park Visitor's Center.
 - ❖ Other major infrastructure projects include:
 - Contributions to the Cherry Avenue at Interstate 10 interchange improvements,
 - Contributions to the Yucca Loma Bridge/Yates Road widening project,
 - A signal on Central Avenue at Phillips Boulevard, and
 - Grant matching contributions for the National Trails Highway raised pavement markers and flashing lighted crosswalks on Pacific Street and Beech Avenue.
- The Public Works - Transportation budget will maintain the County roadway system pavement in good to very good condition by completing \$18.0 million in pavement improvement projects, including surface treatments on 107.9 miles and rehabilitating and overlaying 12.4 miles of roads. Additionally, to improve the access to the Sheriff facility, a previous one-time contribution of \$6.0 million in discretionary general funding will help fund improvements on Institution Road to reconstruct and improve the roadway surface.
- The Public Works - Solid Waste Management Division plans to complete capital improvement projects and continue routine landfill gas and groundwater operations, maintenance, and monitoring which includes: \$1.7 million for the final closure construction of the South and West slopes of Unit 1 at Mid-Valley Sanitary Landfill (MVSL); \$2.3 million for liner construction at MVSL, and \$1.2 million for expansion activities at Apple Valley, Barstow, San Timoteo, and Landers Sanitary Landfills; \$11.8 million in environmental mitigation and monitoring activities including construction of landfill gas extraction systems (LFGES) at Big Bear and Barstow Sanitary Landfills, monitoring and maintenance of the LFGES and groundwater monitoring systems at active and closed landfills and disposal sites within the County's waste disposal system, and construction of the Heaps Peak East Slope Stabilization project; and \$3.1 million for the construction of new entrance roads and scale houses at the Heaps Peak Transfer Station and the San Timoteo Landfill.
- The Public Works – Flood Control District (District) budget includes \$49.5 million in capital improvement projects in 2014-15. The District anticipates completion of the Mountain View Acres Storm Drain project and the Alabama Culvert project. The District also plans to start

construction on the Wilson Creek Channel project, Mojave River Levee Phase II project and the Cactus Basin #3 project.

Maintain Public Safety

- On February 6, 2014 the Sheriff/Coroner/Public Administrator opened Phase 1 of the High Desert Detention Center (HDDC – Formerly known as Adelanto Detention Center) Expansion Project. Phase 1 allows the department to increase capacity by 222 beds over the prior facility, bringing the system's total maximum inmate capacity to 6,653 beds. Staffing for Phase 1 of the project was funded with Public Safety Realignment Funding (AB 109) in 2013-14 and has transitioned into ongoing discretionary general funding as part of the 2014-15 Adopted Budget. The total project cost was \$144.0 million for construction, plus \$1.5 million for Sheriff transition planning costs, funded with a combination of a \$100 million grant from the State of California under the Public Safety and Offender Rehabilitation Services Act of 2007 (AB 900) and \$45.5 million by the County from discretionary general funding. The total expansion project is planned to be staffed in a phased approach which will result in a total of 2,098 beds at the HDDC.
- The Land Use Services - Code Enforcement division streamlined the Rehab/Demo program and successfully met its goal to reduce the amount of time to complete demolition projects by 10%. Additionally, the Land Use Services – Fire Hazard Abatement division achieved their 99% target of successful abatements for properties identified as having hazardous conditions. The 2014-15 Adopted Budget contains continued funding for the department to continue achieving these standards.
- An additional \$6.3 million in ongoing discretionary general funding has been provided to the Probation Department to offset reductions in federal Title IV funds (\$5.8 million) and fee generated revenue (\$0.5 million). This funding will enable the Department to continue to supervise adult and juvenile probationers at an appropriate level to reduce recidivism.
- An additional \$1.0 million in ongoing discretionary general funding has been provided to the Public Defender (\$0.6 million) and District Attorney (\$0.4 million) to compensate for the elimination of state reimbursements for costs regarding sexually violent predators.
- Overall, service levels of the County Fire Protection District have increased in Fire Prevention, Fire Suppression, and Emergency Services, with a net staffing increase of 24 positions. These increases are primarily due to the addition of 9 positions in Fire Hand crew to provide more support to the Land Use Fuel Clearing Program; the addition of 2 Engineers and 1 Captain to provide full time supervision to the Inmate Fire Crew Program that will be in full force with 5 crews, for a total of 75 inmates, by the end of 2015; the expansion of the Fontana contract by 9 positions in Station #72 and the addition of 4 Paid Call Firefighters in the Crest Forest Contract; the addition of 2 contract Emergency Services Specialists to provide support for the High Desert and Valley Emergency Operations Centers; and finally, replacing all Limited Term Fire Fighter/Paramedic Ambulance staff with career class Ambulance Operators to stabilize the workforce in the stations that provide ambulance services.
- Ongoing discretionary general funding of \$20.0 million continues to be allocated for the 800 MHz Upgrade Project to address the aging public safety radio system. Information Services Department, Real Estate Services, and Architecture and Engineering are working on

acquiring/leasing new sites and modifying leases for existing sites to undertake tower construction and upgrades. Purchases of digital radios and equipment are underway with features and capabilities that have already improved law enforcement safety. The revised estimated cost of the project is \$158.2 million, with \$64.0 million funded to date and \$20.0 million funded in the 2014-15 Adopted Budget. Expenditures include funding for infrastructure to support the upgrade at the High Desert Government Center Public Safety Operations Center, a consultant contract with Motorola to assist in the planning and implementation of the system upgrade, a contract with Aviat Networks for equipment and services, and purchase orders for annual maintenance and support. The upgrade project will be implemented in five phases over a seven-year period.

- In 2014-15, design will be completed and construction of a 20,000 square foot expansion of the Sheriff's Crime Lab will commence in October 2014 and be completed in September 2015. The \$17.0 million project budget for the crime lab was funded from discretionary general funding in 2012-13 and 2013-14. Various other projects that improve Sheriff and detention facilities are planned for 2014-15.
- The Law & Justice Group Administration will coordinate efforts between all Law & Justice departments to reduce costs while maintaining a high level of service by identifying and securing new grant opportunities. This will be accomplished by holding regular meetings with representatives from the Law and Justice departments to discuss grant opportunities and evaluate requests to fund state-of-the-art equipment and programs.
- During 2013-14 the Sheriff/Coroner/Public Administrator's Detentions budget unit transferred 15 deputy positions to patrol in order to enhance service in unincorporated parts of the County. These positions remain in the patrol budget unit as part of the 2014-15 Adopted Budget.

Provide for the Health and Social Services Needs of County Residents

- Child Support Services anticipates the revenue received from state and federal sources will remain at the level initially adopted in 2013-14. In addition to the loss of one-time funds (\$336,000) received in 2013-14, the Department faces increasing expenditures, such as a \$444,000 increase in COWCAP charges, which includes increased audit and unemployment insurance costs, additional hours of systems development services, and the elimination of an adjustment that decreased COWCAP charges in the prior year. Faced with increased costs and flat funding levels, the Department has taken steps to reduce costs in several areas, such as deleting 4 positions.
- During 2013-14, Public Health's Community Vital Signs Initiative brought together 1,000 community stakeholders, representing healthcare, education and public safety, the business sector, the planning and transportation community, faith-based and community-based organizations, local jurisdictions, and policy makers to discuss, comment and prioritize 34 indicators affecting the health of our communities. In 2014-15, the Initiative will continue its role in advancing the Wellness Element of the Countywide Vision by reconvening stakeholders to develop a Community Health Improvement Plan. This Plan will map current resources and identify strategic action steps and policy recommendations that are reflective of the top priorities identified in 2013-14.

- State and federal funding increases due to the economic downturn are included in the Human Services - Administrative Claim, primarily in Transitional Assistance programs, and subsistence programs of CalWORKs, AFDC-Foster Care, Aid to Adoptive Children and Kinship Guardianship Assistance to assist residents in need. In addition to the 27,000 families recently enrolled due to healthcare reform (October 2013 through March 2014), Human Services anticipates: 3,000 additional CalWORKs cases (6% increase), the need for Welfare to Work (WtW) supportive services due to reengagement; 5,900 additional Medi-Cal cases (3% increase); and 13,000 additional Cal Fresh cases (11% increase) over the prior year.
- Real Estate Services negotiated new leases for various health and social service departments including larger offices for the Transitional Assistance Department (TAD) to accommodate the growing client list for services in Colton (46,000 square feet), Needles (10,000 square feet), Yucaipa (20,000 square feet) and Redlands (27,000 square feet); and a new state-of-the-art Public Health Clinic, Lab, and Women Infants and Children's facility that will open in the fall of 2014 in Ontario (57,930 square feet).
- ARMC will focus on the conversion of patients from self-pay to Medi-Cal to maximize the utilization of Federal and State programs to ensure receipt of all available resources under the Affordable Care Act in order to maintain clinical capacity to meet the health needs of County residents.
- ARMC budget includes the redesign of the three Family Health Care Clinics' staffing to follow the Population Care model and provide specialized levels of care that focus on the most acutely ill ambulatory patients.
- The Public Defender will utilize County programs to move clients to self-sufficiency by providing social service referrals to further client treatment and/or stabilization. In particular, a Social Service Practitioner will be on-site for parole hearings to meet with clients and make them aware of the various programs available to them through Human Services, Behavioral Health, and Public Health.
- Preschool Services will have \$2.1 million in funding restored, that was reduced in 2013-14 due to Federal Sequestration. The restoration of funds will be used to reinstate the number of children served, rebuild staff to support the restored level of services, and reestablish vendor contracts.
- Department of Aging and Adult Services (DAAS) anticipates the reinstatement of Federal funds for the nutrition program that was previously reduced due to Federal Sequestration. DAAS programs are expected to remain at 2013-14 service levels, while the number of senior meals provided by the Department's Elderly Nutrition Program is expected to increase.

Pursue County Goals and Objectives by Working with Other Government Agencies

- ARMC will work collaboratively with the California Association of Public Hospitals, the State, and the Centers for Medicare & Medicaid Services in the development of the next Medicaid Waiver in order to maximize future revenues. There will be stringent clinical performance measures linked to the reimbursement of costs within the next Waiver.

CHALLENGES IN FISCAL YEAR 2014-15 AND BEYOND

In the coming years, the County faces the challenge of continuing to provide quality services to its residents while managing the impacts of revenues not increasing sufficiently to cover increased costs. In addition, other major challenges facing the County include state budget impacts.

State Budget

On June 20, 2014, Governor Brown signed the 2014-15 State Budget Act into law, which enacted a \$156.3 billion spending plan. The State reports that the 2014 Budget Act advances a multiyear plan that is balanced, pays down budgetary debt from past years, saves for a rainy day, and shores up the teacher pension system. The Budget Act increases spending for education, the environment, public safety, the judiciary, public works, healthcare, social services and affordable housing. Additionally, the Budget Act includes provisions to pay down outstanding mandate repayments to counties, the early repayment of transportation loans and grant programs to support Community Corrections Partnerships, jail construction, recidivism reduction, and sustainable communities cap and trade infrastructure projects.

The 2014 Budget Act includes \$100 million in state mandate repayments and \$37 million to repay local governments for transportation borrowing, resulting in an anticipated \$4.9 million service and loan repayment to the County. The Budget assumes total Medi-Cal enrollment is expected to rise from 7.9 million before implementation of the Affordable Care Act to 11.5 million in 2014-15. Under the Affordable Care Act, the State is redirecting 1991 Health Realignment funding for indigent care as healthcare coverage increases, this will result in a \$3 million loss to the County under this redirection. The County anticipates receiving \$41 million associated with mandated health and human services program restorations, operations and administration, largely due to increased workloads associated with the implementation of the Affordable Care Act. Additionally, gas tax revenue projections will reduce revenue to the County by \$5.4 million.

Community Corrections Partnerships AB 109 Public Safety Realignment funding is estimated to be reduced 7.2% statewide in 2014-15. This includes a reduction to both the AB 109 base allocation and AB 109 growth amount that was received in 2013-14. Based on the State's 2014-15 allocation methodology, this will result in a reduction of \$6.0 million in AB 109 funds available to the County in 2014-15. The County allocated additional one-time Discretionary General Funding to cover potential shortfalls in AB 109 funds in 2014-15 and it is anticipated that the full allocation will be restored in 2015-16.

Sales Tax Volatility

Historically it has been assumed that counties are more reliant on relatively stable property taxes for the provision of services, however, with the realignment of many state services, counties have become increasingly dependent on sales tax revenue. When combining 1991 and 2011 Realignment revenues, which are primarily funded with sales tax (\$514.1 million), with County sales tax (\$20.2 million) and Proposition 172 Half-Cent Sales taxes (\$156.0 million), the portion of requirements funded primarily with sales tax represents 14.1% of the County budget. While sales taxes are not projected to decrease in 2014-15, they tend to be much more volatile and quicker to react to changes in the economy, resulting in a higher risk of funding losses in future years.

Retirement Costs

Due to the 2008-09 market losses, the County will still experience high retirement contribution rates over the next fiscal year to ensure retirement liabilities will be funded at a proper level. The County's Retirement Fund is required to earn 7.5% each fiscal year in order to adequately fund retirement liabilities. Additionally, Retirement Board earnings assumptions, mortality, and other actuarial experience changes have resulted in annual costs to the County that will continue into future fiscal years.

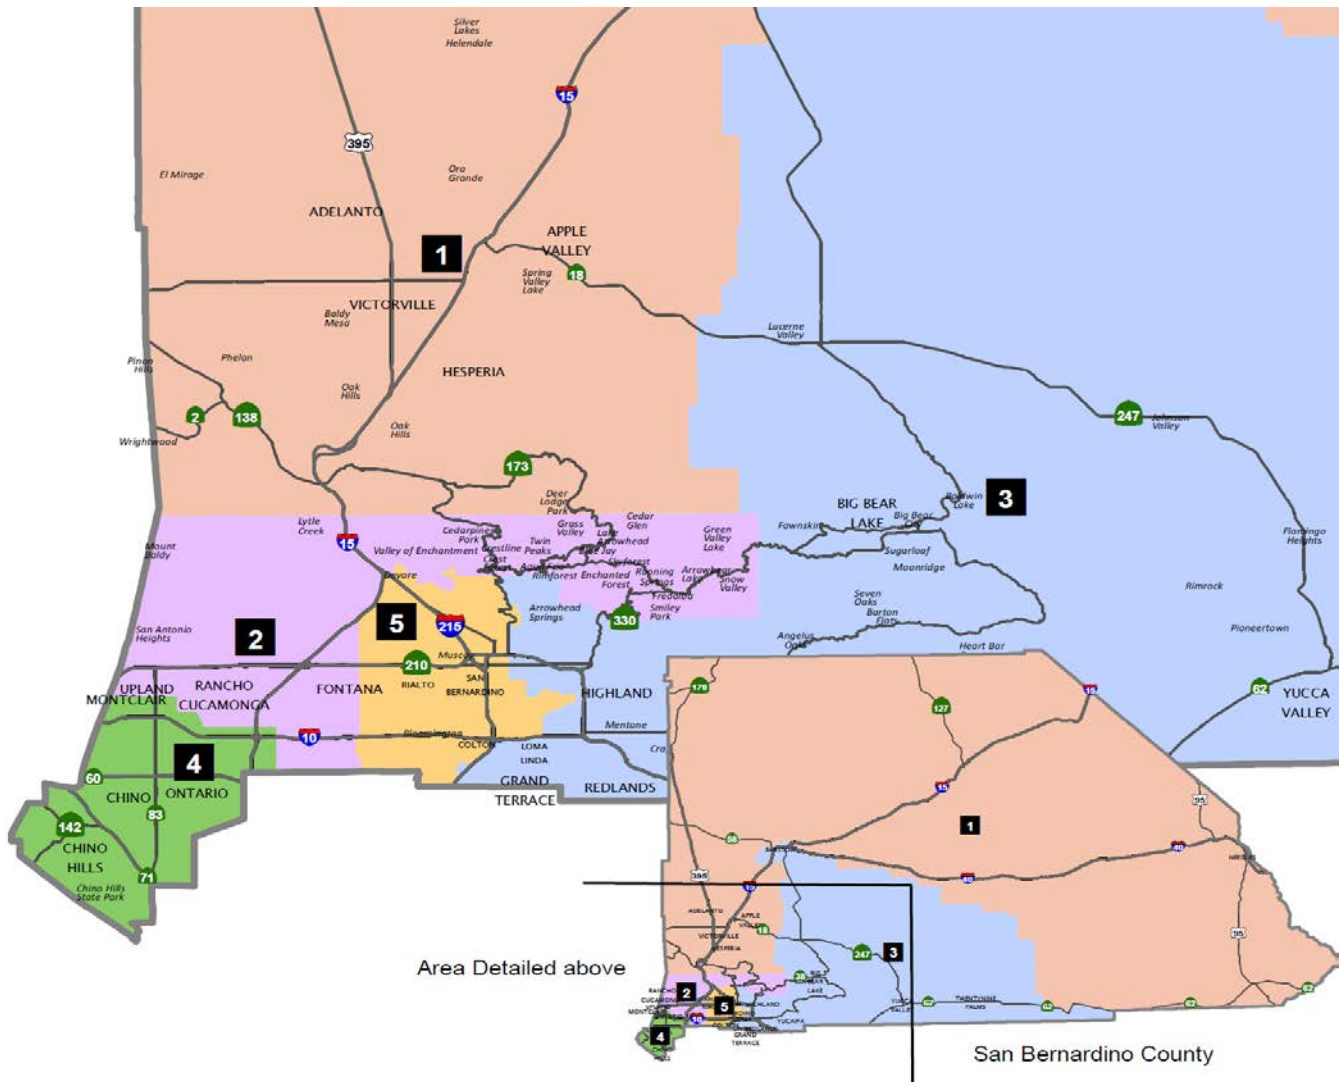

CONCLUSION

The County fiscal plan developed by the County Administrative Office outlines measures to address the anticipated cost increases for the next five years so that both the Board and staff can continue to focus on rebuilding the County. The 2014-15 Adopted Budget focuses on major policy issues and key projects that require additional funding. The County is committed to making the most of its funding to provide necessary public services in an effective and efficient manner and fulfilling its role in the achievement of the Countywide Vision.

COUNTY OF SAN BERNARDINO COUNTYWIDE FACTS AND FIGURES

THE COUNTY OF SAN BERNARDINO COMPARISON TO OTHER COUNTIES

SAN BERNARDINO COUNTY ORGANIZATIONAL CHART

COUNTY OF SAN BERNARDINO

The County of San Bernardino's 2014-15 Adopted Budget covers the period from July 1, 2014 – June 30, 2015. Beginning in 2014-15, all County entities' budgets have been consolidated into one budget book. Historically, Other Agencies and Board Governed Special Districts, including those managed by the Special Districts Department, County Fire, and Flood Control, have not been included in the summary of the total County budget. The 2014-15 Adopted Budget represents a consolidation of all County entities which includes \$4.9 billion in budgeted requirements and sources as well as 21,306 in budgeted staffing. The budget consists of several funds including the general fund, restricted funds, capital project funds, special revenue funds, internal service funds, enterprise funds and permanent funds. Each department is responsible for operating within their budget and has the authority to spend up to the approved budget.

When developing their individual budgets, each department considers the Countywide Vision and goals and objectives of the County of San Bernardino approved by the Board of Supervisors (Board):

Countywide Vision

In 2010, the Board set out to establish a Countywide Vision for the future of the county as a whole, seeking input from the community through an online survey, town hall meetings and more than two dozen industry-specific focus groups. The County partnered with the San Bernardino Associated Governments (SANBAG) representing the county's 24 cities and towns on this effort that culminated in development of the Countywide Vision Statement and report, which were endorsed and adopted by the Board on June 30, 2011.

We envision a complete county that capitalizes on the diversity of its people, its geography, and its economy to create a broad range of choices for its residents in how they live, work, and play.

We envision a vibrant economy with a skilled workforce that attracts employers who seize the opportunities presented by the county's unique advantages and provide the jobs that create countywide prosperity.

We envision a sustainable system of high-quality education, community health, public safety, housing, retail, recreation, arts and culture, and infrastructure, in which development complements our natural resources and environment.

We envision a model community which is governed in an open and ethical manner, where great ideas are replicated and brought to scale, and all sectors work collaboratively to reach shared goals.

From our valleys, across our mountains, and into our deserts, we envision a county that is a destination for visitors and a home for anyone seeking a sense of community and the best life has to offer.

The Countywide Vision report and related documents are available for review at www.sbcounty.gov/vision.

County Paradigm and Job Statement

Following the adoption of the Countywide Vision, the Board adopted the County paradigm and job statements on April 10, 2012. These statements describe County government's role in achievement of the Vision.

Our Paradigm: The County of San Bernardino is a regional government. We understand that every aspect of the quality of life in a community is part of an interrelated system. The County takes responsibility for ensuring that the community has determined how, when and by whom each element of that system is being addressed in pursuit of our shared Vision of the county and the future we desire.

Our Job: Our job is to create a county in which those who reside and invest can prosper and achieve well-being.

2014-15 County Goals and Objectives

The Board has annually established goals for the County since 2010. These goals seek to improve County government by providing a unified focus for all departments, clarifying roles and responsibilities, ensuring alignment and proper allocation of fiscal and human resources, and fostering collaboration with other governmental agencies.

The Board approved the following 2014-15 County Goals and Objectives on February 25, 2014.

Implement the Countywide Vision

- *Continue the County role of convening conversations on community collaboration and collective action.*
- *Continue to support operation of the Countywide Vision Element Groups as they pursue activities to advance the adopted Regional Goals.*

Create, Maintain, and Grow Jobs and Economic Value in the County

- *Focus Economic Development Agency (EDA) efforts on competing globally for investment, retraining and finding employment for those who have lost jobs or are under-employed, developing a more highly-educated and trained workforce, and creating an effective approach to tourism.*
- *Continue business retention and expansion programs while implementing office and industrial attraction strategies emphasizing provision of high paying jobs.*
- *Provide stable governmental leadership, consistent decision-making and efficient processing to inspire confidence in investors.*
- *Work with the Board to ensure that it has provided clear policy guidance for development, then create a system that provides for implementation and decision-making at the lowest level of the organization legally allowed.*
- *Review and revise fees, processes and decision-making to ensure a business friendly environment.*
- *Utilize County programs and resources to support the local economy and maximize job creation.*

Improve County Government Operations

- *Create clear lines of authority and clarify roles, responsibilities and governance of all County departments and programs.*
- *Develop an approach to evaluate the performance of department heads who report to the Board.*
- *Develop consistent messaging for the organization.*
- *Ensure that employees know that they and their work are valued.*
- *Monitor and evaluate operations and implement strategies to continually improve efficiency and effectiveness.*

Operate in a Fiscally-Responsible and Business-Like Manner

- *Develop a long-term budget plan which brings the County into operational and programmatic balance.*
- *Live within our means, fully funding the maintenance of infrastructure and facilities, the provision of state-of-the-art basic operating systems, liabilities, and reserves; while forming capital to strategically invest in the future.*
- *Invest County resources in ways which create more ongoing revenue to reinvest in maintaining services.*
- *Eliminate silos and consolidate and centralize administrative functions, including financial management and oversight.*
- *Implement information management best-practices that would unify technology platforms and move toward a standardized enterprise approach.*
- *Promote public/private collaboration and projects that help to meet the needs of county residents.*

Ensure Development of a Well-Planned, Balanced, and Sustainable County

- *Fund an update to the General Plan, update the Development Code and Master Plans, and create more Community and Specific Plans in order to move away from a "one size fits all" approach and recognize the unique character and needs of all unincorporated areas of the County.*
- *Work with cities to ensure that County zoning and development standards in their spheres of influence are more compatible.*
- *Prioritize investments in services and amenities for County unincorporated communities.*

Maintain Public Safety

- *Work with all elements of the County's public safety services to reduce costs while maintaining the highest level of service that funding will support.*
- *Develop a better understanding of the effects of increases or decreases of resources in one area of law and justice on all other areas.*

Provide for the Health and Social Services Needs of County Residents

- *Maximize the utilization of Federal and State programs and funding to address the needs of County residents.*
- *To the maximum extent legally allowed, utilize County programs to move participants to self-sufficiency.*

Pursue County Goals and Objectives by Working with Other Governmental Agencies

- *Work with Federal, State and regional governments and organizations to ensure San Bernardino County receives its fair share of resources and to help shape legislation and regulations which affect the County.*
- *Work with all Federal and State agencies owning land in the County, to maximize the benefit to the County.*
- *Support SANBAG's efforts to expand its role as the Council of Governments in the County.*
- *Develop a closer working relationship with cities, tribes and other governmental agencies.*

Performance Measurements

One of the objectives established for 2013-14 was incorporation of the Board-adopted County Goals and Objectives into the County budget document and linking department performance measures to them as part of the quarterly budget review process. Three performance measurements for each department tied to the County goals and objectives were incorporated into the 2013-14 County budget.

As part of the continuing effort to align resources with operational priorities, each department was asked to review existing performance measurements to ensure alignment with the 2014-15 County Goals and Objectives. These measurements should be realistic, easily quantifiable, and reflect progress on long-term multi-year strategic initiatives or the accomplishment of shorter-term tactical goals, that directly correlate to the identified County objectives and reflect activities within the department's control. Performance measurement progress continues to be reported as part of each quarterly budget report.

The 2014-15 Adopted Budget book includes prior year accomplishments, departmental strategies to achieve County Goals and Objectives and departmental performance measures to demonstrate if departments are meeting the County Goals and Objectives. The following chart provides a sample of specific department performance measures for 2014-15:

SYNOPSIS OF SAN BERNARDINO COUNTY GOALS, OBJECTIVES, AND PERFORMANCE MEASURES		
DEPARTMENT	OBJECTIVE	PERFORMANCE MEASURE
IMPLEMENT THE COUNTYWIDE VISION		
Public Health	Continue the County role of convening conversations on community collaboration and collective action.	Complete the 2014-15 work plan for addressing community priorities of the Wellness Element Group of the Countywide Vision (2014-15 Target: 100%).

BUDGET PLANNING CALENDAR

ONGOING

Policy Direction - The Board of Supervisors provides ongoing policy direction to the Chief Executive Officer.

Significant Budgetary or Programmatic Impacts – Significant budgetary or programmatic changes and potential impacts are immediately communicated to the County Administrative Office and the Board of Supervisors to allow for timely decision-making and policy direction.

Year-End Estimates - Departments provide year-end estimates of revenues and expenditures to Finance and Administration on a monthly basis and any significant changes are addressed timely.

Quarterly Budget Reports - Each quarter the County Administrative Office brings an agenda item to the Board of Supervisors requesting modification to the adopted budget. These quarterly budget adjustments serve as a management tool to help each department assess the current environment, and anticipate and respond appropriately to that environment. In addition, the quarterly budget adjustments provide the Board of Supervisors with the most current information on County department revenues (sources) and appropriation (requirements) with which to base decisions, and serve as a guideline to lead the County in preparing the upcoming budget.

As part of each quarterly budget report, departments also report on the progress of Board approved performance measures, which tie specifically to Board adopted County goals and objectives. The update includes accomplishments to date, projections of accomplishments by the end of the fiscal year, and an explanation of progress for each measure.

OCTOBER THROUGH DECEMBER

Capital Improvement Plan – Departments submit annual capital improvement requests for improvements to land or structures that exceed \$5,000. These requests include a project description and justification, financial impact, and funding source. The requests are evaluated and prioritized by Finance and Administration and provided to the Chief Executive Officer for comments and recommendations, and presented to the Board of Supervisors for final approval. In addition, departmental five-year capital improvement plans are updated to re-evaluate priorities based on changing circumstances, staffing levels, and available funding.

JANUARY AND FEBRUARY

Fee and Internal Service Rate Development – Departments develop their recommended fee changes and internal service rate adjustments for the upcoming budget year and submit them to Finance and Administration for review and recommendation to the Chief Executive Officer, and to the Board of Supervisors for final approval. Departments are required to compute their full cost of service, capturing both direct and indirect costs associated with fees and internal service rates. Departments are able to recommend an alternate fee amount to the Board of Supervisors, if based on their knowledge, implementation of a full cost fee or internal service rate would not be beneficial.

Five-Year Fiscal Forecast – Finance and Administration develops a Five-Year Fiscal Forecast of financial operations for general fund programs, projecting major revenues (sources) and expenditures (requirements), based on current service levels and expected future changes to those programs or service levels. The analysis includes the identification of trends, significant impacts, and recommendations, which are presented to the Chief Executive Officer for recommendation to the Board of Supervisors for final approval.

Budget Prep System – The in-house budget system is updated for changes in the various Memorandums of Understanding between the County and the various employee representation units.

MARCH AND APRIL

Budget Prep System – The system is opened up for departmental input in preparation of the budget submittal and internal training is conducted for all users of the system.

County Fiscal Plan – The upcoming five-year County fiscal plan is developed based on revenue projections and estimates for cost increases of ongoing costs for the five years. This plan includes the allocation of discretionary general funding (net county cost) and provides estimates of any remaining funding or shortfall needed to maintain current services.

Preparation of Recommended Budget – Departments develop their respective recommended budgets and submit them to Finance and Administration for review, and to the Chief Executive Officer for recommendation, and to the Board of Supervisors for final approval. General fund departments must budget within their respective net county cost allocations given to them based on the County fiscal plan. Special Revenue Funds, Internal Service Funds, and Enterprise Funds may budget requirements in excess of current year sources which reflects an operational decision to utilize assets that have been carried over from the prior periods.

APRIL THROUGH JUNE

Internal Service Rates – The rates charged by departments for services provided to other departments are brought before the Board of Supervisors for approval. In addition to rates for internal service funds, rates for services provided by general fund departments, such as Facilities Management, Human Resources, and Architecture and Engineering are also approved.

Fee Workshop – The Board of Supervisors receives a presentation on the County's proposed fee schedule and discusses and provides input for the development of the County's fee ordinance for the upcoming fiscal year.

Fee Hearing – The Board of Supervisors conducts a public hearing on the Recommended Fee changes for the upcoming fiscal year. Approved fee changes are included in the Recommended Budget submittals to the Board of Supervisors.

Fiscal Overview – The Board of Supervisors conducts a special meeting to receive a presentation from the Chief Executive Officer on the County's current and projected financial condition. The presentation includes a preview of the Recommended Budget including proposed budget programs, potential issues and also provides the Board of Supervisors the opportunity to discuss and provide input for development of the County's Recommended Budget.

Submission of Recommended Budget – The Recommended Budget Book is finalized and presented to the Board of Supervisors. The County Administrative Office publishes notices and schedules public hearings to discuss the Recommended Budget.

Budget Hearing and Adoption of Adopted Budget – The Board of Supervisors conducts a public hearing on the Recommended Budget. At this time, the Board may modify the Recommended Budget. All Board approved changes are incorporated into the Adopted Budget.

JULY THROUGH SEPTEMBER

Budget Prep System – Finance and Administration makes final budget changes to the Budget Prep System for items approved by the Board of Supervisors, including final fund balance adjustments.

Preparation of Adopted Budget Book – Finance and Administration updates the Recommended Budget Book to reflect final changes.

General Fund Budget Process

The County Administrative Office has the responsibility of developing the County fiscal plan for all general fund departments. This plan begins with a Five-Year Fiscal Forecast which is detailed in the Discretionary General Funding and Restricted Funds section of this budget book. This forecast highlights what costs are planned to be incurred and the revenue projections in the upcoming fiscal year, as well as the next four fiscal years. The County uses this forecast to build their fiscal plan for the five years beginning 2014-15.

The County fiscal plan also focuses on the two restricted funding sources, Proposition 172, and 1991 and 2011 Realignment. **Proposition 172** assists in funding the Sheriff/Coroner/Public Administrator, District Attorney, and Probation departments. **1991 Realignment** assists in funding the general fund departments of Human Services (well-being services for citizens), Behavioral Health, and Public Health for mental health, social services, and health programs. **2011 Realignment** assists in funding the general fund departments of Human Services, Sheriff/Coroner/Public Administrator, Probation, District Attorney, Public Defender and Behavioral Health for public safety, health and welfare programs.

For some departments, budgets are also built utilizing revenues generated from fees. On April 15, May 6, and May 20, 2014 the Board of Supervisors discussed fee changes as well as the fee process and held a fee hearing. The fee hearing is designed to take public testimony related to fee changes for the 2014-15 fiscal year. The majority of approved fees become effective July 1, 2014.

Other Funds Budget Process

In addition to the general fund, the County of San Bernardino has capital project funds, special revenue funds, enterprise funds and internal service funds. All of these funds are restricted to the revenue sources they receive. Each department having these types of funds is responsible for developing its budget based on the revenue (sources) available to them. These sources include projected revenue to be collected in 2014-15 and any revenue not spent and carried forward from prior years (for example, fund balance for special revenue funds). These budgets will also be discussed during the Budget Hearing. When the Board of Supervisors adopts the recommended budget, they also approve the necessary fund balance adjustments to governmental funds to agree to the Auditor-Controller/Treasurer/Tax Collector's actual fund balance.

Other Entities Budget Process

In 2014-15, Board Governed Special Districts and Other Agencies (referred to collectively as "entities") were consolidated into the uniform, Countywide budget process. These entities include special revenue funds, capital project funds, internal service funds, enterprise funds and permanent funds. Acting as the appropriate governing body, the Board is presented with and adopts a recommended budget for each respective entity.

2014-15 Adopted Budget Changes

The 2014-15 Adopted Budget, including all entities and funds discussed above, was formally adopted on June 17, 2014. At that time, the Board approved additional changes to the 2014-15 Recommended Budget, including \$5.4 million in adjustments to requirements related to a variety of additional Capital Improvement Program (CIP) projects. This primarily included additional Sheriff's Detention related CIP projects using Public Safety Realignment Growth funds (\$3.8 million).

Additionally, included in the County's 2014-15 Recommended Budget was a contribution to a new Asset Replacement General Fund Reserve totaling \$5.6 million. Instead, that contribution was reduced by \$3.7 million (to \$1.9 million) to fund the following costs:

1. \$2.2 million to fund the increased cost of a Permit System Upgrade, which was contributed to the Computer Systems: Permit Systems Upgrade Reserve.
2. \$1.1 million to be used by the Special Districts Department to connect a water line and purchase water from the West Valley Water District to be used by the County's Glen Helen facilities.
3. \$275,000 to the Regional Parks Department to fund the Lake Gregory management fee.
4. \$100,000 to fund an additional CIP project for the design of a floor to improve security for staff detainees receiving medical treatment at Arrowhead Regional Medical Center. This amount is included in the \$5.4 million in additional CIP projects referenced above.
5. \$65,000 to fund the University of California – Riverside Cooperative Extension Program in 2014-15.

Amending the Adopted Budget

An operating budget is adopted each fiscal year for all Governmental Funds. Expenditures are controlled at the appropriation unit level within budget units for the County. Any increases in appropriation in a budget unit after adoption of the adopted budget will be submitted on a quarterly budget report placed on the agenda of the Board of Supervisors and a four-fifths vote is necessary for approval.

Transfers of appropriation within the same budget unit may be approved by the County Administrative Office depending upon the appropriation unit, unless noted below:

Transfer of Salaries and Benefits Appropriation:

- Transfers out require Board of Supervisors approval and should be included in a quarterly budget report.

Transfers of Fixed Asset Appropriation:

- Transfers in and out among the different fixed asset appropriation units are approved by the County Administrative Office as long as the total fixed asset appropriation does not increase.
- Transfers out of Fixed Asset Appropriation-
 - Transfers out increasing a non-fixed asset appropriation unit within individual Capital Improvement Program (CIP) project budgets are approved by the County Administrative Office as long as the total project budget does not increase.
 - Transfers out increasing a non-fixed asset appropriation unit are required to be included in the quarterly budget reports for Board of Supervisors approval, except within the CIP, as detailed above.
- Transfers in of Fixed Asset Appropriation-
 - Transfers in from a non-fixed asset appropriation unit to fund a unit value less than \$10,000 may be approved by the County Administrative Office.
 - Transfers in from a non-fixed asset appropriation unit to fund a unit value of \$10,000 or more are required to be included in the quarterly budget reports for Board of Supervisors approval.

Transfers impacting Operating Transfers Out Appropriation:

- Any changes to Operating Transfers Out are required to be included in the quarterly budget reports for Board of Supervisors approval.

BUDGET BOOK FORMAT

Budget units presented in this book are displayed at a fund/department level. Although some departments incorporate additional organizational levels when developing their budgets, the fund/department level of presentation was selected to provide consistency between all budget units. A sample of the departmental budget format is included in this overview.

* In the Discretionary General Funding and Restricted Fund section of this budget book, Family Support Realignment (\$13,989,650), which was implemented as a result of 2011 Realignment, is categorized as 2011 Realignment. In this Budget Summary, Family Support Realignment is categorized as 1991 Realignment due to accounting requirements of the State.

** For 2012-13, the two Fund Balance budget line items represent either the actual use of fund balance (if positive amounts) or the actual increase to fund balance (if negative amounts) throughout the fiscal year.

*** 2012-13 Budgeted Staffing reflects the Final Budget amounts, as actuals for staffing vary throughout the fiscal year.

Beginning in 2014-15, all County entities' budgets have been consolidated into one budget book. Historically, Other Agencies and Board Governed Special Districts, including those managed by the Special Districts Department, County Fire, and Flood Control, have not been included in the summary of the total County budget. As a result of the consolidation of all Board governed entities, amounts from prior year budgets in this summary have been restated to reflect this change.

The schedule above represents the entire County Budget from actual expenditures and revenue for 2012-13 through the 2014-15 Adopted Budget. The 2014-15 Adopted Budget for the County includes \$4.9 billion in budgeted requirements and sources as well as 21,306 in budgeted staffing. Further detail on the County's Adopted Requirements, Sources, and Budgeted Staffing for the upcoming fiscal year is provided on the following pages.

Overview of 2014-15 Requirements and Sources

As the largest political subdivision of the State, counties are vested by the California State legislature with the powers necessary to provide for the health and welfare of the people within its borders. The \$4.9 billion 2014-15 Adopted Budget reflects the planned allocation of resources necessary to carry out this mission for the citizens of San Bernardino County in accordance with the Countywide Vision and Goals and Objectives established by the Board of Supervisors on February 25, 2014. The County's 21,306 budgeted positions are responsible for a wide variety of services to residents, from responding to calls for help in emergencies (Sheriff's and Fire Department) to giving businesses the tools they need to succeed (Economic Development Agency) to providing a home for children in need (Human Services – Subsistence). The following budget is adopted in order to continue to provide the County's many important services in a fiscally responsible manner.

Total Requirements of \$4.9 billion consist primarily of Staffing and Operating Expenses, which represent 80.56% (\$4.2 billion) of total requirements (excluding the effect of reimbursements). Staffing Expenses of \$1.8 billion

consist of salaries of \$1.2 billion and benefit costs of \$679.3 million. Departments with significant budgeted staffing expenses include the Sheriff/Coroner/Public Administrator (\$420.3 million, 3,647 positions), Human Services Administrative Claim (\$335.8 million, 4,644 positions), and Arrowhead Regional Medical Center (\$249.9 million, 3,691 positions). The largest benefit related cost for the County is employee pensions (retirement), which makes up 58% (\$391.3 million) of all costs associated with employee benefits. The increase in staffing costs of \$21.7 million is primarily due to increased salary costs of \$7.8 million for additional staff for Human Services Departments (101 positions) and the Fire Protection District (24 positions), as well as additional retirement costs (\$15.4 million) resulting from significant market losses to the County pension fund in 2008-09, which the County is required to pay back over several years.

Operating Expenses in the County include costs for services and supplies, internal service fund charges, travel, transfers to the other County departments, and other charges. These expenses represent the largest share of costs within the County at \$2.4 billion, which is primarily a result of the County being charged by the State with the administration of Human Services programs. Many of these programs provide subsistence payments to help residents in need throughout the County.

The overall reduction in requirements of \$272.5 million can be attributed primarily to reductions in Operating Transfers Out of \$143.1 million, Operating Expenses of \$91.5 million, and \$85.0 million in County contributions to reserves. Between Operating Transfers Out and Operating Expenses, the largest overall reduction is related to a decrease in projected Disproportionate Share Hospital (DSH) Payments of \$136.4 million. DSH is a federal matching program that assists the County in funding indigent patients. The program required substantial return of matching funds to the State in 2013-14 as a result of overpayments made to the County in 2011-12 and 2012-13.

Contributions to County general and specific reserves decreased due to one-time contributions of \$120.6 million approved by the Board in the 2013-14 Third Quarter Budget Report. These contributions to Reserves were funded by substantial one-time monies received by the County in 2012-13 related to the dissolution of Redevelopment agencies and a rebate from the County's Workers Compensation program. Similar to County Contingencies, Contributions to Reserves represent sources that are not planned to be spent during the fiscal year. Excluding these two categories of requirements, the total budget available for expenditure in 2014-15 is \$4.4 billion. Further detail on General Fund Contingencies and County Reserves can be found in the Discretionary General Funding and Restricted Funds section of this Adopted Budget Book.

The three major funding sources of the County include revenue from other governmental entities (State, Federal or Government Aid), funding for direct services provided (Fee/Rate), and taxes. At \$1.6 billion, State, Federal or Government Aid represents 32.20% of County sources. The Human Services operational group receives the largest amount of funds from other governments, with \$416.2 million received from the State and \$626.5 million received from the federal government. Fee/Rate revenue of \$893.3 million represents 18.29% of County sources and includes funding from licenses, permits, fines, fees, rates, and other charges for direct services provided by the County. Much of this funding (\$192.2 million) is received by internal service fund departments, such as the Information Services Department and Risk Management Department, that provide direct services to other County departments. Other notable departments that receive funding to provide specific services include the Sheriff's Department (\$128.3 million), which provides law enforcement services for 14 incorporated County cities, and the County's Solid Waste Department (\$69.6 million) that is responsible for the operation and management of the County solid waste disposal system.

While historically it has been assumed that counties are reliant on relatively stable property taxes for the provision of services, with the realignment of many state services, counties have become increasingly dependent on sales tax revenue. When combining 1991 and 2011 Realignment revenues, which are primarily funded with sales tax (\$514.1 million), with County sales tax (\$20.2 million) and Proposition 172 Half Cent Sales taxes (\$156.0 million), the portion of requirements funded primarily with sales tax represents 14.1% of the County budget. While sales taxes are not projected to decrease in 2014-15, they tend to be much more volatile and quicker to react to changes in the economy, resulting in a higher risk of funding losses in future years.

The County's aggressive approach to increasing County reserves in 2013-14 and 2014-15 reflects a fiscally conservative recognition of the resource shift from historically stable to risky tax sources. The reduction in General Fund Unassigned Fund Balance of \$84.1 million is a result of the need to increase County reserves. Instead of being "unassigned", this fund balance has instead been committed to various County specific purpose reserves through the County Quarterly Budget reports and the 2014-15 Adopted Budget.

Total Requirements include appropriation adopted by the Board of Supervisors, operating transfers out, and contributions to reserves. Operating transfers out provide a mechanism to transfer funding between budget units and are not appropriation to spend.

Total Sources include projected revenue and operating transfers in, which provide a mechanism to transfer funding from one budget unit to another within the County. Additionally, sources include the fund balance/use of unrestricted net assets for all non-general funds, the general funds available unassigned fund balance, and the use of County reserves.

REQUIREMENTS SUMMARY

The 2014-15 Adopted Budget includes requirements of \$4.9 billion, which is a net decrease of \$272.5 million or 5.28% compared to the 2013-14 Final Budget.

*2012-13 Budgeted Staffing reflects the Final Budget amounts, as actuals for staffing vary throughout the fiscal year.

Below are explanations of the major expenditures that are included in the \$4.9 billion 2014-15 Adopted Budget and changes from the 2013-14 Final Budget.

County Operations

Administration has requirements of \$279.7 million and contains County departments and functions that provide leadership and support to departments that provide direct public services to County residents. The leadership section of this operational group includes the Board of Supervisors (\$7.2 million), which is the governing body of

County government, and the County Administrative Office (\$4.5 million), which directs and coordinates departmental activities according to the law and strategic goals set by the Board of Supervisors. Various support functions include civil legal services provided by County Counsel (\$8.8 million), employment and employee related services provided by Human Resources (\$19.4 million), and information technology support provided by the Information Services Department (\$72.4 million). The largest department in the Administration operational group is the Department of Risk Management, which has requirements of \$102.8 million and administers the County self-insured workers' compensation, public liability, property conservation, safety and risk reduction programs as well as its insured programs.

Overall, the change in budget from the 2013-14 Final Budget for this operational group is \$4.6 million, which represents a 1.61% reduction in requirements. This is the result of a decrease in the Information Services – Telecommunication Services budget unit of \$4.7 million primarily due to the purchase of three years of SMARTnet wide area network maintenance and support for Information Services and other County departments in 2013-14. Another notable change that does not affect budgeted amounts is related to a shift of the Information Services Department's Application Development unit from the General Fund to an Internal Service Fund within Administration. It has been determined that this division should be budgeted as a new Internal Service Fund since the group primarily provides services to County departments and recovers all costs via a billable hourly programming rate.

Capital Facilities Leases has requirements of \$13.0 million and funds the cost of long-term capital lease payments for major County facilities financed by the General Fund. Lease payments include the Justice Center/Chino Airport Improvements and the West Valley Detention Center.

Economic Development Agency has requirements of \$76.1 million and provides services that seek to create, maintain, and grow the economic value of the County. Such services include small business assistance and technical support, permitting assistance, international trade services, and business site selection assistance. Notable departmental requirements include \$50.8 million for Community Development and Housing services funded primarily by federal Community Development Block Grant funds and \$21.8 million for the Department of Workforce Development, which is funded by federal Workforce Investment Act revenue to provide services to County residents including job search, skills assessments, vocational training, job readiness skills, and connection to employers.

The net reduction in requirements of \$5.1 million is primarily related to the completion of a major Housing and Urban Development Program by the Department of Community Development and Housing in 2013-14.

Fiscal has requirements of \$74.1 million and includes the Auditor-Controller/Treasurer/Tax Collector (\$38.6 million) as well as the Assessor/Recorder/County Clerk (\$35.6 million). These departments provide services to the public and other County departments related to the establishment and collection of County property taxes along with other fiscal services that ensure the proper reporting and usage of taxpayer funds. Specifically, the Auditor-Controller/Treasurer/Tax Collector processes, safeguards and provides information regarding County financial activities, manages the County treasury pool, collects and distributes property taxes and other obligations owed to County agencies and courts. The Assessor/Recorder/County Clerk performs mandated assessment of properties, recording of real estate and other documents, and County clerk functions.

Total requirements are decreasing \$1.2 million or 1.58% compared to the 2013-14 Final Budget. This is primarily related to a variety of one-time costs and projects funded by the Auditor-Controller/Treasurer/Tax Collector in 2013-14.

Arrowhead Regional Medical Center (ARMC) has total requirements of \$497.6 million and provides medical services to County residents. ARMC is an acute care facility that provides a full range of inpatient and outpatient services, has three off campus community health centers, and provides Department of Behavioral Health's inpatient activities and numerous specialty activities. For 2014-15, ARMC will continue to focus on the conversion of patients from self-pay to Medi-Cal to maximize the utilization of Federal and State programs to ensure receipt of all available resources under the Affordable Care Act.

ARMC is decreasing requirements a net \$69.7 million, which represents a 12.28% decrease. This is primarily due to a decrease of \$34.0 million in operating expenses, due to less than anticipated patient volumes as a result of the Affordable Care Act and the conclusion of the Low Income Health Program (LIHP) and its associated costs. Additionally, Operating transfers out are decreasing by \$39.1 million due to a one-time repayment in 2013-14 to

the State of an overpayment of 2011-12 and 2012-13 Disproportionate Share Hospital (DSH) revenues and the completion of various capital projects.

Human Services is the largest operational group within the County with requirements totaling \$1.8 billion. This group provides health and social service programs to County residents through a number of County departments. Health services are provided primarily through the Department of Behavioral Health (\$375.7 million) and Public Health (\$109.0 million). Social services are provided primarily through the Human Services Administrative Claim budget unit (\$503.2 million), Human Service Subsistence Payments budget units (\$522.6 million), the Preschool Services Department (\$49.0 million), Child Support Services Department (\$40.0 million), and the Aging and Adult Services Department (\$8.9 million).

Human Services is decreasing budgeted requirements by \$14.2 million primarily due to a decrease of \$59.9 million in the Health Administration budget unit resulting from a reduction in Disproportionate Share Hospital (DSH) payments. DSH is a federal matching program that assists the County in funding indigent patients. This reduction is offset by health related budget increases in the Department of Behavioral Health, which is increasing requirements a net \$35.5 million. Between its Mental Health Services Act Special Revenue Fund and General Fund budget units, the Department is adding 44 budgeted positions mainly to provide additional clinic services throughout the County. Additionally, operating costs for the Department are increasing to provide care for additional patients as a result of the Affordable Care Act. In the area of social services, the Human Services Administrative Claim budget unit is increasing requirements by \$8.5 million due to an increase in staffing expenses associated with retirement costs and the addition of 32 budgeted positions for the Transitional Assistance Department. The Human Services – Subsistence funds are also increasing requirements by \$5.4 million, which is due to a combination of caseload and grant cost increases.

Law and Justice has requirements of \$874.5 million and provides public safety services to County residents. The Sheriff/Coroner/Public Administrator (total of \$555.2 million) provides law enforcement services for the unincorporated areas of the County and certain services on a countywide basis (\$204.6 million). Another primary function of the Department is to provide Detention facilities (\$183.0 million) for all of the County pre-sentenced inmates as well as sentenced inmates that no longer go to State prison as a result of the realignment by the State of adult offenders (2011 Realignment). The Department also provides law enforcement services to 14 County cities through contractual agreements (\$128.3 million). The Probation Department (\$161.2 million) provides supervision of adult and juvenile probationers throughout the County as well as for recently realigned State parolees (2011 Realignment). The District Attorney's Office (\$76.0 million) is responsible for prosecuting crimes committed within the County, and the Public Defender (\$35.5 million) provides legal counsel for indigent defendants within the County.

Requirements are decreasing by \$12.5 million in this operational group primarily due to the funding of several one-time projects in 2013-14 by the Probation Department using 2011 Realignment funds. Such projects included \$5.1 million to acquire an office building for the West Valley Day Reporting Center and \$1.8 million for the cost of converting the Library Administration building in San Bernardino to a day reporting center. Although the Sheriff did not have a substantial change in overall requirements, the Department's Detention budget unit was allocated \$11.5 million in additional Discretionary General Funding in 2014-15 to fund the full year cost of staffing 222 new beds at the County's expanded High Desert Detention Center (formerly Adelanto Detention Center). The expanded facility was opened mid-year in 2013-14 using one-time 2011 Realignment growth funds, and therefore did not require a large increase in overall requirements for 2014-15. However, the allocation of Discretionary General funding will enable the Department to staff the additional 222 beds on an ongoing basis.

Operations and Community Services has requirements of \$380.6 million and provides both internal support of County operations as well as external services to the public that promote the quality of life and well-being of County residents. Services that support the general operation of County government include custodial, grounds, and maintenance by Real Estate Services - Facilities Management Division (\$14.2 million), the payment of County utilities (\$20.4 million), and real estate services (\$20.7 million). Departments that provide direct services to the community include Agriculture/Weights and Measures (\$7.0 million), the County Library (\$20.2 million), Land Use Services (\$22.6 million), Registrar of Voters (\$8.5 million), Regional Parks (\$18.2 million), and the County Museum (\$3.3 million). Notably, this group also includes the Department of Public Works – Transportation (\$143.2 million) and Public Works – Solid Waste Management (\$89.6 million). The Transportation Division is responsible for the operation, maintenance, and improvement of the County's road system that currently includes approximately 2,768 miles of roadway. Solid Waste Management is responsible for the operation and

management of the County solid waste disposal system, which consists of six regional landfills, nine transfer stations, and thirty-three closed landfills or disposal sites.

The net reduction in requirements is \$16.6 million, which represents a decrease of 4.17% from the 2013-14 Final Budget. The most notable change for 2014-15 is associated with a reduction in Public Works – Transportation of \$19.8 million due to decreases in operating expenses and contingencies because of fewer new major infrastructure projects and the end of State Proposition 1B funded pavement improvement projects in 2013-14.

Capital Improvement Program has requirements of \$194.5 million and is used to account for funding resources designated for the acquisition or construction of major capital facilities. Further detail on major capital projects for 2014-15 are shown in the Capital Improvement Program section of this summary on page 52.

Other Funding of \$229.1 million primarily represents the Countywide Discretionary Fund (\$69.9 million), General Fund Contingencies (\$54.4 million), and various restricted funds within the General Fund including Proposition 172 Half-Cent Sales tax (\$24.3 million), 1991 Realignment (\$18.4 million), and the Automated Systems Development Fund (\$11.9 million). Other Funding also includes Contribution to Reserves of \$48.2 million. Requirements within the Countywide Discretionary fund are used primarily to transfer Discretionary General Funding to various budget units outside the General Fund to fund various programs and projects, such as a multi-year 800 Mhz Radio Re-banding Project (\$20.0 million), numerous capital improvement projects for County facilities (\$12.0 million), and a subsidy to the Fire Protection District (\$18.0 million).

Restricted Funds (General Fund) consist of four limited use budgets – Proposition 172 Half-Cent Sales tax, 1991 Realignment, 2011 Realignment, and Automated Systems Development. Proposition 172 revenue assists in funding the Sheriff/Coroner/Public Administrator, District Attorney, and Probation departments. Realignment assists in funding law and justice, mental health, social services and health programs within the County. Automated Systems Development is funding that is set aside for the purpose of developing, upgrading, and/or replacing the County Financial Accounting System. Further detail on all Restricted Funds can be found in the Discretionary General Funding and Restricted Funds section of this Adopted Budget Book.

The net change to Other Funding of \$141.9 million primarily represents a reduction in Contribution to Reserves of \$85.0 million. This is due to the contribution of \$120.6 million to general purpose and specific County General Fund reserves approved by the Board in the 2013-14 Third Quarter Budget Report. Further detail on County Reserves can be found in the Discretionary General Funding and Restricted Funds section of this Adopted Budget Book. Additionally, 1991 Realignment requirements are decreasing \$57.1 million primarily due to funds being transferred in 2013-14 to Arrowhead Regional Medical Center in order for the hospital to return matching Disproportionate Share Hospital (DSH) program funds to the State as a result of overpayments made to the County in 2011-12 and 2012-13.

Special Districts/Other Agencies Operations

Special Districts Department/Airports Special District has requirements of \$120.8 million and is managed primarily by the Special Districts Department (\$111.2 million) with \$9.6 million in requirements managed by County Airports. Airports manages County Service Area 60, which funds the operation, capital projects and maintenance of the Apple Valley Airport that was built in 1970 and is a public use airport providing general aviation services to the High Desert region.

The Special Districts Department provides for the management, funding, and maintenance of general, parks and recreation, road, sanitation, street lighting, and water districts for 102 Districts, County Services Areas (CSA) and Improvement Zones within the County. On December 29, 1969 the Board of Supervisors established CSA 70 Countywide to provide a centralized mechanism for administration of personnel and operations which serve all of the Board governed CSAs. Staff within CSA 70 Countywide provide centralized and regional management services, administration, engineering, fiscal, human resources, lien administration, park maintenance, payroll, information services, road maintenance and inspection services. Along with \$74.3 million in requirements that are budgeted for all departmental operations, the Special Districts Department maintains several budgets totaling \$36.9 million for the primary purpose of maintaining an adequate level of funds set aside to protect the districts from unforeseen increases in expenditures or reductions in revenues, or other extraordinary events, which would harm the fiscal health of the districts.

The net reduction of \$13.4 million is primarily due to the completion, cancellation or postponement of several capital improvement projects in 2013-14 by the Special Districts Departments. Completed projects include a fencing project for CSA 70 D-1 Lake Arrowhead, a skate park for CSA 56 Wrightwood, the Erwin Park Clubhouse renovation in Big Bear Recreation and Park District, Phase I completion of the meter/service line replacement project in CSA 70 Zone J Oak Hills, and partial completion of Kessler Park in Bloomington Recreation and Park District and the CSA 70 W-4 Pioneertown offsite pipeline supply project.

Fire Protection District has requirements of \$196.7 million and provides fire protection and emergency services throughout the County. The District covers 18,353 square miles, operates 63 fire stations and 11 facilities within four Regional Services Zones, serves 64 unincorporated communities, and the cities of Grand Terrace and the Town of Yucca Valley. Additionally, County Fire provides fire protection services by contract to four cities and two independent fire protection districts. The District is an all-risk fire department providing management for fire suppression, emergency medical services, ambulance services, hazardous materials (HAZMAT) response, arson investigation, technical rescue including water borne, flooding and mudslide, winter rescue operations, and terrorism and weapons of mass destruction.

Requirements are increasing a net \$9.7 million, which represents a 5.17% increase compared to the 2013-14 Final Budget. The most notable change within the District is an increase of 14 budgeted positions in the Valley Regional Service Zone, which is primarily due to the addition of 3 Firefighters, 3 Engineers, and 3 Captain positions for the Fontana Fire Protection District. These positions will be funded with contract revenue received from the Fontana Fire Protection District.

Flood Control District was created in 1939 under special State legislation and has requirements of \$157.0 million. The District has developed an extensive system of flood control and water conservation facilities, including dams, conservation basins, debris basins, channels and storm drains. The purpose of these facilities is to intercept and convey flood flows through and away from developed areas of the County, as well as to promote water conservation and improved water quality. Major construction projects in 2014-15 include Basin Construction projects at Cactus Basin #3, Donnell Basin Phase I, and Amethyst Basin as well as Channel Construction at Elder Creek, Mountain View Acres, Kitchen Dean Wash, Rialto Channel at Riverside Avenue, and Rimforest Drainage Mitigation.

The net increase of \$600,082 is primarily due to new equipment and vehicles being purchased in 2014-15 in order to replace outdated units.

Other Agencies has total requirements of \$12.8 million and contains four Other Agency budget reporting entities in the County, including the In-Home Supportive Services Public Authority (\$8.2 million), Inland Counties Emergency Medical Agency (\$4.5 million), County Industrial Development Authority (\$56,533), and Economic and Community Development Corporation (\$93 dollars). The In-Home Supportive Services program was created in 1973 to serve elderly, blind, and/or disabled individuals who are not able to remain safely in their home without assistance. The Inland Counties Emergency Medical Agency (ICEMA) was developed under a Joint Powers Agreement with San Bernardino, Inyo and Mono Counties and is charged with the coordination, evaluation, and monitoring of emergency medical services within public and private pre-hospital providers, specialty hospitals, paramedic base hospitals, and the effectiveness of Emergency Medical Services (EMS) educational programs and medical disaster preparedness. The County Industrial Development Authority and Economic and Community Development Corporation were agencies created to provide various methods of financing on behalf of private enterprise in order to promote and enhance economic development and increase opportunities for useful employment.

Net reductions in requirements of \$707,563 can be attributed to a reduction of \$913,909 in ICEMA primarily related to a reduction in the purchase of equipment and supplies for the Hospital Preparedness Program, reduced transfers for building lease expenses, and a reduction in computer software expenses.

**Governmental Fund Types**

General Fund: The General Fund is used to account for resources traditionally associated with government, which are not required legally or by sound financial management to be accounted for in another fund. The General Fund is the County's primary operating fund and requirements are separated into discretionary, categorical, and restricted. General Fund – Discretionary are those budget units that the Board of Supervisors predominately have oversight on the sources and requirements. General Fund – Categorical are those budget units that are typically mandated in nature, such as human service programs. General Fund – Restricted consists of Prop 172, 1991 and 2011 Realignment, and Automated Systems Development.

Special Revenue Funds: Special Revenue Funds account for the proceeds of specific revenue sources that are legally restricted to expenditures for specified purposes (other than for major capital projects).

Capital Project Funds: Capital Project Funds account for financial resources designated for the acquisition or construction of major capital facilities other than those funded by Enterprise and Internal Service Funds.

Permanent Funds: Permanent Funds account for legally restricted resources provided by trust in which the earnings but not the principal may be used for purposes that support the primary government's programs.

Proprietary Fund Types

Enterprise Funds: Enterprise Funds account for operations that are funded and operated in a manner similar to private business enterprises where the intent of the governing body is that the costs (expenses, including depreciation) of providing goods or services to the general public on a continuing basis be funded or recovered primarily through user charges.

Internal Service Funds: Internal Service Funds account for the funding of goods or services provided by one department or agency to other departments or agencies of the governmental unit on a cost reimbursement basis.

The matrix below lists the group/agency as depicted in the organizational chart of the County. For each group/agency listed, the various fund types utilized are shown with their total requirements (including Operating Transfers Out).

* In the Discretionary General Funding and Restricted Fund section of this budget book, Family Support Realignment (\$13,989,650), which was implemented as a result of 2011 Realignment, is categorized as 2011 Realignment. In this Budget Summary, Family Support Realignment is categorized as 1991 Realignment due to reporting requirements of the State.

** For 2012-13, the two Fund Balance budget line items represent either the actual use of fund balance (if positive amounts) or the actual increase to fund balance (if negative amounts) throughout the fiscal year.

The revenue and other funding sources schedule above includes all County funds. This schedule includes operating transfers in, which are the mechanism for providing funding from one budget unit to another within the County. Additionally, this schedule summary provides the fund balance/use of unrestricted net assets for all non-general funds, the general fund's unassigned fund balance, as well as the use of County reserves. Descriptions of major sources of funding in the 2014-15 Adopted Budget and changes from the 2013-14 Final Budget are included below.

Revenue

Taxes of \$733.6 million consist of approximately \$479.3 million in Property Tax (\$450.8 million) and Sales/Other Tax (\$28.5 million) that is deposited directly into the Discretionary General Fund for allocation by the Board of Supervisors. Additionally, as a result of the consolidation of other Board Governed entities into the County budget summary, an additional \$83.5 million in Property Tax is reported for the Fire Protection District (\$35.9 million), Flood Control District (\$40.6 million), and Board Governed Districts managed by the Special Districts Department and Airports (\$7.0 million). Finally, Taxes also consist of Proposition 172 Half-Cent Sales Tax (\$156.0 million) and Sales Tax – Measure I Road Operations funds (\$7.0 million).

The net increase of \$36.0 million is primarily related to a \$23.3 million projected increase in Property taxes that are deposited into the Discretionary General Fund. This is the result of a projected 3.5% increase in the assessed valuation of properties within the County and a slight increase related to the dissolution of Redevelopment Agencies. Additionally, it is estimated that the Proposition 172 Half-Cent Sales Tax will increase by \$8.2 million in the upcoming fiscal year. For more detail on Discretionary General Fund related taxes, refer to the Discretionary General Funding and Restricted Funds section of this 2014-15 Adopted Budget book.

1991 Realignment revenues of \$209.1 million are decreasing over the prior year final budget by \$39.1 million primarily due to funds being transferred in 2013-14 to Arrowhead Regional Medical Center in order for the hospital to return matching Disproportionate Share Hospital (DSH) program funds to the State as a result of overpayments made to the County in 2011-12 and 2012-13. Although technically not categorized as the receipt of taxes, 1991 Realignment is received from the State and is primarily derived from sales taxes to pay for mental health, social services and health programs within the County. Because sales tax tends to be much more volatile and quicker to react to changes in the economy, its usage results in a higher risk of funding decreases in future years. These decreases will likely coincide with an economic downturn where there is an increased need for programs funded with this revenue. For more detail on 1991 Realignment funding, refer to the Discretionary General Funding and Restricted Funds section of this 2014-15 Adopted Budget Book.

2011 Realignment revenues of \$304.9 million are decreasing over the prior year final budget by \$15.5 million. Although technically not categorized as the receipt of taxes, this funding is received from the State and is primarily derived from sales taxes to pay for law and justice, mental health, and social services programs within the County. Because sales tax tends to be much more volatile and quicker to react to changes in the economy, its usage results in a higher risk of funding decreases in future years. These decreases will likely coincide with an economic downturn where there is an increased need for programs funded with this revenue. For more detail on 2011 Realignment funding, refer to the Discretionary General Funding and Restricted Funds section of this 2014-15 Adopted Budget Book.

State, Federal, and Other Government Aid represent the largest revenue source within the County totaling \$1.6 billion. The Human Services operational group receives the largest amount of funds from other governments, with \$416.2 million received from the State and \$626.5 million from the federal government. There is an overall decrease of \$46.1 million from the prior year final budget in this revenue category, which represents a decrease of 2.85%.

The overall decrease is comprised of both increases and decreases in various programs.

Primary increases in State, Federal or Government Aid include:

- **Human Services** operational group increased by a net \$50.5 million primarily due to additional funding for the Department of Behavioral Health's Mental Health Services Act fund, which is projected to increase by approximately \$24.4 million based on the 2012-13 personal income tax surcharge cash distribution being higher than anticipated. Much of this additional funding has been placed in contingencies for 2014-15. Additionally, the Department of Behavioral Health's General Fund budget unit is increasing by \$16.0 million due primarily to increases in Medi-Cal reimbursements related to the Affordable Care Act implementation.

Significant decreases in State, Federal or Government Aid include:

- **Fire Protection District** is decreasing by a net \$5.4 million primarily related to the completion of the 2011 and 2012 Homeland Security Grant Program (HSGP) projects in 2013-14. The District is still anticipating receiving various 2012, 2013, and 2014 HSGP funds, which are used by the District to help strengthen the County against risks associated with potential terrorist attacks.
- **Law and Justice** Operational Group is decreasing by a net \$17.7 million primarily due to reductions in the Probation Department of \$6.7 million and the Sheriff/Coroner/Public Administrator of \$9.5 million. The Probation Department anticipated a \$5.8 million decrease in Title IV – E foster care revenue received for juveniles on probation. Additionally, the revenue decrease for the Sheriff/Coroner/Public Administrator's is primarily due to a reduction in revenue from the Federal U.S. Marshall for federal inmates held in the County jails. The number of federal inmates has steadily declined since 2012-13 and the loss for 2014-15 represents a net reduction of 160 federal inmates. The loss of Title IV-E and U.S. Marshall revenue is offset by increased allocations of funding from the Discretionary General Fund, which enable the Departments to continue to provide much needed services to County residents.
- **Operations and Community Development** Operational Group is decreasing this source by a net \$20.9 million primarily due to reductions in the Public Works - Transportation budget unit associated with decreased reimbursements from outside agencies due to the completion of projects, such as the Lenwood Road and Alabama Avenue emergency projects and the Cherry Avenue widening and Cherry Avenue at Interstate 10 interchange project.

Fee/Rate includes the following types of revenues: licenses, permits, fines, fees, rates, and other services. Total revenue of \$893.3 million is anticipated to decrease from the 2013-14 final budget by \$26.0 million. Much of this funding (\$192.2 million) is received by internal service fund departments, such as the Information Services Department and Risk Management Department that provide direct services to other County Departments. Other notable departments that receive funding to provide specific services include the Sheriff's Department (\$128.3 million), which provides law enforcement services for 14 incorporated County cities, and the County's Solid Waste Department (\$69.6 million) that is responsible for the operation and management of the County solid waste disposal system.

The following provides the most significant increases in this revenue category.

- **Administration** Operational Group is increasing by a net \$24.1 million due to an increase in the Risk Management – Insurance Fund. The Department is increasing sources in this category as a result of additional premium allocations to departments for the Workers' Compensation, General Liability, Law Enforcement Liability and Auto Liability Programs that will help them reach the 80% confidence level of funding that is required by Board Policy 05-01.
- **Law and Justice** Operational Group's Sheriff/Coroner/Public Administrator is increasing sources by \$6.1 million due to additional charges to contract cities for the provision of law enforcement services. The increased funding for services is the result of additional workers compensation charges, increased retirement costs, and other increased operating expenses.

The following provides the most significant decreases in this revenue category.

- **Human Services** Operational Group's Health Care Administration budget is decreasing sources by \$59.1 million due to a reduction of intergovernmental transfers for Disproportionate Share Hospital (DSH), Delivery System Reform Incentive Payments (DSRIP), and Medi-Cal managed care programs. To receive intergovernmental transfers, this budget unit advances funds to the State, which in turn are used to draw matching health care funds for Arrowhead Regional Medical Center (ARMC) from the federal government. These matching funds are used by ARMC to provide for uncompensated costs of care. Once the matching funds are received by ARMC, the Medical Center deposits funds equal to the amount originally advanced to the State back into the Health Care Administration budget and ARMC retains the matching funds. It is anticipated that the uncompensated cost of care will be reduced as a result of the Affordable Care Act, resulting in the decrease in this revenue source.

Other Revenue of \$122.9 million primarily includes interest earnings, rents and concessions, and tobacco settlement funds. This revenue source is anticipated to decrease by a net \$32.4 million over the prior year final budget. Notably, the Flood Control District is reducing other revenue by a net \$9.9 million related to a decrease in anticipated land sales for 2014-15. Additionally, the Information Services Department Internal Service fund budget units are decreasing other revenue by \$4.7 million, which primarily represents the use of retained earnings required in 2013-14 to purchase three years of SMARTnet services for wide area network maintenance and support for the County. Finally, Public Works – Solid Waste Management is reducing other revenue by \$4.2 million, which also primarily represents the use of retained earnings required in 2013-14. The department used retained earnings in 2013-14 for work on various groundwater and landfill gas systems and for non-routine work on the installation, operations, and maintenance of groundwater treatment systems throughout the disposal system.

Other Funding Sources

Operating Transfers In of \$213.2 million is a funding source that provides a mechanism to transfer funding from one budget unit to another within the County. Two of the most notable groups with large Operating Transfers In include the Capital Improvement Program (\$53.6 million) and the Countywide Discretionary Fund (\$26.8 million). Operating Transfers In are the main funding source for the Capital Improvement Program as the program is funded primarily through monies received from other County Departments and the County General Fund for specific projects. The Countywide Discretionary Fund receives this funding primarily from the County's Master Settlement Agreement fund, which transfers revenues received from a settlement with the tobacco industry, which in turn is used by the General Fund to pay for a portion of debt service on the Arrowhead Regional Medical Center facility, increased health care costs within the Department of Public Health, and a realignment local match requirement.

The net reduction in this funding source of \$53.0 million is a result of a decrease in Operating Transfers In to the Capital Improvement Program budget of \$40.2 million, which is primarily representative of a larger number of one-time projects funded by the Discretionary General Fund in 2013-14. Such 2013-14 projects included \$4.5 million towards the relocation of the Sheriff's Aviation division to San Bernardino International Airport, \$4.5 million towards the purchase of buildings in Victorville, and \$15.7 million towards the expansion of the Sheriff's Crime Lab.

Fund Balance/Use of Unrestricted Net Assets of \$725.1 million represents unspent funds carried over from 2013-14 that are available to be budgeted for all Restricted, Special Revenue and Capital Improvement funds in the County and the use of unrestricted net assets that are available in Internal Service and Enterprise funds. The net increase of \$18.0 million represents an increase in this funding source that is available for appropriation. Although County governmental funds are required to budget all available fund balance, approximately \$405.4 million of total countywide fund balance is budgeted in contingencies, which is not allocated for any specific use and will require further Board approval to be spent in 2014-15.

General Fund Unassigned Fund Balance of \$110.3 million represents unspent General Fund balance carried over from 2013-14. Of this amount, \$48.2 million is contributed to a variety of specific purpose reserves in the General Fund and \$8.9 million is necessary to fund the County's mandatory 1.5% contingency, which per Board Policy 05-01 is in the General Fund to accommodate unanticipated operational changes, legislative impacts, or other economic events affecting County operations that could not have been reasonably anticipated. This amount is decreasing by \$84.1 million from the prior year final budget as a result of additional amounts being set aside in General Fund Reserves. Instead of being "unassigned", this fund balance has instead been committed to various County specific purpose reserves through the County Quarterly Budget reports. Further detail on County reserves can be found in the Discretionary General Funding and Restricted Funds section of this Adopted Budget Book.

Use of Reserves of \$5.6 million represents the use of Discretionary General Funding that had been set aside for the Glen Helen Grade Separation project (\$5.3 million) and the County General Plan Update (\$0.3 million). This represents a decrease of \$30.3 million from the prior year final budget, as the County used the Excess Teeter Reserve (\$13.0 million) and the Future Space Needs Reserve (\$22.9 million) in 2013-14 to fund one-time capital projects and other one-time expenditures. Further detail on County reserves can be found in the Discretionary General Funding and Restricted Funds section of this Adopted Budget Book.

The bar graph below includes total budgeted revenue and other funding sources from the 2012-13 Final Budget to the 2014-15 Adopted Budget. 2012-13 amounts will not match previous information on prior pages because the bar graph below reports on budgeted revenue and amounts in the previous tables reflect actual revenue received.

BUDGETED STAFFING SUMMARY

Budgeted staffing is accounted for using headcount; each position, whether full time or part time, is counted as one. The pie chart below depicts the budgeted staffing by group/agency for the 2014-15 fiscal year. The following bar graph illustrates the budgeted staffing for the 2014-15 fiscal year as well as the prior two fiscal years.

Budgeted staffing for **caseload driven/grant, or special funded programs**, increased overall by a net 222 positions. Significant changes from the previous year's final budgeted staffing in caseload driven, grant or special funded programs include the following:

County - General Fund

- **Human Services Administrative Claim** had a net increase of 32 budgeted positions. The net increase is primarily the result of an additional 33 positions in the Transitional Assistance Department. The State elimination of the CalWORKs Young Child Exemption (which exempted individuals from having to receive training from Human Service employees), the engagement of currently sanctioned CalWORKs customers and the State's focus on Work Performance Rates requires increased Welfare to Work case management activities by the department.
- **Behavioral Health** increased by 18 budgeted positions. This is primarily due to the anticipated increase in demand for services as a result of the Affordable Care Act and the department's Choosing Healthy Options to Instill Change and Empowerment (CHOICE) program (7 positions). Additionally, the department added 7 new positions associated with increased demand for clinical services and 4 positions to support expanded services in collaboration with the Transitional Assistance Department for the Family Stabilization program.
- **Public Health – California Children's Services** increased budgeted staffing by a net 8 positions. This division of the Department of Public Health is a state program that provides case management, diagnosis and treatment services to individuals up to 21 years old with severe qualifying medical conditions and whose families are unable to pay for all or part of the care. The increased staffing is the result of a combination of caseload growth and the need to address lower than State standard staffing related to the previous economic downturn.
- **Probation – Administration, Correction, Detention** deleted a total of 5 vacant budgeted positions. Of the five, 3 Probation Officer II positions were eliminated due to less funding available from the State for the Department's House Arrest Program. Two Background Investigators were deleted because of decreased workload.

County - Other Funds

- **Arrowhead Regional Medical Center (ARMC)** increased a net 70 budgeted positions (111 additions offset by the deletion of 41 positions). The new positions were needed to address existing operational needs related to regulatory requirements, quality improvement, and to maintain staffing ratios based on volume. The deleted positions were eliminated based on an operational assessment of staffing requirements.
- **The Department of Behavioral Health – Mental Health Services Act** budget unit is increasing by a net 26 positions. This is primarily related to the need to add 29 new positions for the expansion of regional clinical services, clinical assessment services, recovery based engagement support teams, and administrative support.
- **Preschool Services** added a net 32 budgeted positions, which will enable the Department to serve an additional 250 children as a result of the restoration of federal sequestration funds.

Special Districts and Other Agencies

- **Fire Protection District** added a net 24 budgeted positions. This is primarily due to the addition of 9 positions in the Fire Hand Crew needed to provide more support to the Land Use Fuel Clearing Program, 3 positions to provide full time supervision to the Inmate Fire Crew Program that will be in full force by the end of 2015, and an additional 9 budgeted firefighter positions related to the expansion of the contract with the Fontana Fire Protection District.
- **Other Agencies - In-Home Supportive Services – Public Authority** added 7 budgeted positions as a result of the Authority assuming Provider Payroll, Enrollment and Orientations responsibilities from the Department of Aging and Adult Services. Additional contract positions are required in order to meet the increased workload.

Budgeted staffing for **all other programs** increased a net 2 budgeted positions. Significant changes from the previous year's final budgeted staffing in all other programs include the following:

Information Services Department Application Development unit was shifted to a new Internal Service Fund in 2014-15, resulting in the movement of 87 positions from the County General Fund to County - Other Funds. It has been determined that this division should instead be budgeted as an Internal Service Fund since the group primarily provides services to County departments and recovers all costs via a billable hourly programming rate. Therefore, all staff in this unit were moved to the Internal Service Fund.

Countywide staffing changes are outlined by County department in the following chart:

Projects Administered by Architecture and Engineering

The Architecture and Engineering Department manages major county projects which include construction and rehabilitation of facilities, and repair projects. The 2014-15 budgets for these projects are summarized in the schedule above. The schedule above does not include operating transfers out or reimbursements as part of total requirements. Instead, the schedule represents total budgeted project costs.

Architecture and Engineering projects include \$204.5 million in projects managed through Capital Funds and \$4.6 million in projects managed through Arrowhead Regional Medical Center Enterprise Funds, for a total budget of \$209.1 million.

In the 2014-15 Adopted Budget, \$52.6 million in new projects administered by Architecture and Engineering are funded primarily using County Discretionary General Funding. Major projects include the annual Discretionary General Funding allocation of \$20.0 million for the 800 Megahertz (MHz) Upgrade Project and \$1.4 million for the General Fund portion of parking and road improvements for the Fleet Management/County Fire/Public Works parking lots at Third and Lena Road in San Bernardino. In addition, the base budget for CIP of \$12.0 million, also funded with Discretionary General Funding, includes \$3.6 million of deferred maintenance at various County and Regional Park facilities; \$2.4 million for heating, ventilation and air conditioning upgrades and maintenance; \$1.9 million for interior renovations to improve County facilities; \$1.6 million for the County Buildings Acquisition and Retrofit Project including paving, sidewalks, and new landscaping improvements at the County Government Center Campus; \$0.7 million for site infrastructure such as water line repairs, sidewalk replacements and security enhancements; \$0.6 million for pavement management and rehabilitation at various facilities; \$0.6 million for boiler replacements at West Valley Detention Center; \$0.3 million to repair and/or replace various roofs; and \$0.3 million for Americans with Disabilities Act improvements to improve accessibility and fire/life safety projects as they occur during the year.

Projects approved in prior years but not yet completed total an additional \$156.5 million. The major multi-year carryover projects are the 800 MHz Replacement Project, the County Buildings Acquisition and Retrofit Project, the Sheriff's Crime Lab Expansion, and the Sheriff's Aviation Relocation from Rialto Airport to San Bernardino International Airport.

For a complete listing of capital improvement program highlights for the projects administered by Architecture and Engineering see the Capital Improvement Program Section of this budget book.

Projects Administered by Other County Departments

Transportation and Solid Waste projects are administered by the Department of Public Works. Requirements for these projects are accounted for in special revenue funds and budgeted in the respective departments budgets. Budgets for both the Transportation and Solid Waste departments are found in the Operations and Community Services section of this budget book. Total projects budgeted in 2014-15 (both new and carryover) for Transportation is \$56.8 million, and for Solid Waste is \$14.8 million. Transportation project types include major rehabilitation and overlay, surface chip and seal, and major infrastructure improvements. Solid Waste Management project types include closure construction, liner construction, and construction of landfill gas extraction systems.

There are also projects that are administered by other departments such as Airports and Fleet Management, which are budgeted in various special revenue funds and internal service funds, and included in the respective department's budget pages. For 2014-15, projects administered by other departments total \$1.7 million.

For a complete listing of capital improvement program highlights for projects administered by other county departments see the Capital Improvement Program Section of this budget book.

Projects Administered by Flood Control and Special Districts Department

The Flood Control District and the Special Districts Department have independent multi-year capital improvement project plans that are budgeted in special revenue funds, capital projects funds, and enterprise funds and included in the respective department's budget pages.

Flood Control, found in the Operations and Community Services section of this budget book has fourteen major improvement projects budgeted in 2014-15. Requirements for these projects (both new and carryover) total \$49.5 million. Projects types include basin construction, channel construction, and levee construction.

Special Districts Department capital projects are found in the Special Districts Department section of this budget book, in the Capital Improvement Program pages. A total of seventy-seven projects are budgeted in 2014-15. Requirements for these projects (both new and carryover) total \$20.4 million. Projects include \$4.0 million for design and construction of Snowdrop Road in the Rancho Cucamonga area, and \$5.8 million for the design and construction of a new site for the relocation of the Big Bear Alpine Zoo.

DISCRETIONARY GENERAL FUNDING AND RESTRICTED FUNDS

County General Fund operations of \$2.7 billion are funded with four major types of sources: Countywide discretionary revenue (\$716.6 million), Proposition 172 revenue (\$156.0 million), 1991 and 2011 Realignment revenues (\$493.5 million), and departmental revenue (\$1.3 billion).

- Countywide discretionary revenue includes a variety of revenue sources that are not legally designated for a specific purpose or program. The majority of discretionary revenue is property related revenue, primarily property tax. Other revenue sources in this category include: sales and other taxes, net interest earnings, Countywide Cost Allocation Plan (COWCAP) revenue, which is reimbursement for overhead/indirect costs incurred by the General Fund, property tax administration revenues, recording fees, other State and federal aid, and other revenue. Additionally, the General Fund's available fund balance, use of reserves, and operating transfers in are other funding sources that may be allocated to General Fund departments in the same manner as Countywide discretionary revenue.
- Proposition 172 revenue is a permanent extension of a half-cent Local Public Safety Sales Tax approved by California voters on November 2, 1993. Proceeds of this sales tax must be dedicated to public safety. Proposition 172 revenue is restricted and is used solely for funding the Sheriff/Coroner/Public Administrator, District Attorney, and Probation departments.
- 1991 Realignment revenue provides health and welfare funding. In 1991-92, the State approved the Health and Welfare Realignment Program that involved a shift of program responsibilities from the State to the County. This shift is funded through a corresponding shift of dedicated sales tax and vehicle license fee revenue. Realignment revenue is also restricted and used in funding mental health, social services and health programs within the County.
- 2011 Realignment revenue provides public safety, health, and welfare funding. In 2011-12, the State approved what has become known as AB 109 Public Safety Realignment. As part of this realignment, the State addressed prison over-crowding by shifting custodial responsibility of non-violent, non-sex, and non-sex-against-children ('Triple-Nons') offenders to local jails. In addition, the parole function of the State was delegated to county Probation departments. In conjunction with Public Safety Realignment, the State also shifted the full financial burden of many social service and mental health programs. The County was responsible for delivery of these programs before realignment, but with the shift the State would no longer contribute a share of cost. While the State no longer shares in the cost, it has dedicated a portion of the State sales tax revenue (1.0625%), along with a portion of vehicle license fees for these realigned programs.
- Departmental revenue includes fees, service charges, and State and Federal support for programs such as welfare, health care, and mental health.

County General Fund operations not funded by departmental revenue, Proposition 172 revenue, and/or Realignment revenue are funded by Net County Cost (or Discretionary General Funding). Net County Cost is funded by Countywide discretionary revenue, which is primarily property tax revenue.

Any Countywide discretionary revenue not distributed to departments through their Net County Cost allocation, if not transferred to other funds for specific projects/programs, is contributed to contingencies or reserves. Every year the County of San Bernardino has set aside a prudent dollar amount in contingencies and reserves for two purposes: 1) to ensure that the County can accommodate unforeseen increases in expenditures or reductions in revenues, or other extraordinary events, which would harm the fiscal health of the County; and 2) to be proactive and set aside funds to meet future known obligations or to build a reserve for large capital projects.

The following sections provide details of:

ECONOMIC INDICATORS

Property related revenue accounts for 62.9% of the County's discretionary revenue and other funding sources. These revenues have been severely impacted by the mortgage and financial crisis, which has had a significant effect on the housing market within the County. During this crisis, home values plummeted while foreclosures and notices of default skyrocketed. Assessed valuation was negatively affected both by homes selling at prices lower than their current assessed valuation, and by Proposition 8 reassessments, which lower valuations of properties (where no change in ownership has occurred) if the current assessed value of such property is greater than the fair market value of the property. However, as shown in the chart below, foreclosures, which at times outnumbered home sales, have declined rapidly in the last three calendar years. In addition, as shown in the chart on the next page, the median home price is rising.

2013 foreclosures were down 54.5% from 2012, and for the second quarter of 2014 are down by 18.5%. 2013 Notices of Default were down by 56.4% from the prior year, and for the second quarter of 2014 are down 29.0%. As foreclosures decline, the County is seeing a rise in the median home price. The chart below shows the fluctuation in the median price over the past eight years. Prior to the steady incline that began in November of 2012, the median price had been stable at approximately \$150,000 for the 34 month period between September 2009 and June 2012. As of July 2014, the County's median home price for new and existing homes has risen to \$240,750.

In addition to the decline in property values, the loss of jobs in the County has led to high levels of unemployment, as shown in the chart below. Inland Empire Job losses from 2008 through 2010 totaled 148,500, in large part due to the downturn in the construction sector. County unemployment reached its peak at 14.9% in July 2010. However conditions are improving. 2012 saw job gains of 32,000 followed by a gain of 46,833 in 2013, and job growth for 2014 is forecasted at 40,100. Unemployment has declined from the 2010 peak, but remains high at 9.0% as of July 2014, which compares to unemployment rates for the State and the United States of America, which were 7.8% and 6.2%, respectively.

GENERAL FUND – FIVE YEAR FISCAL FORECAST, 2014-15 THROUGH 2018-19

Long-term financial planning is an effective tool for creating sustainable budgets and providing fiscal stability beyond the annual budget horizon. Long-term financial planning is a strategic process that provides governments with the insights and information needed to establish multi-year budget solutions and financial policies and actions that maintain good fiscal health. The County creates a five-year operating forecast for the purpose of providing the Board of Supervisors with a framework for use in decision-making in order to maintain and continue the fiscal health of the County to ensure and enable a plan for the provision of services, capital assets, and infrastructure.

The forecast is updated annually and is not a budget. It does not establish policy or priorities; it simply summarizes fiscal capacity. The forecast identifies key factors that affect the County's fiscal outlook and assesses how difficult balancing the budget may be in the future. It helps the County to understand the fiscal challenges ahead and the need to establish priorities.

The forecast is developed using a baseline environment, in which revenues and expenditures are projected based primarily on trend analysis, specific circumstances and present level of services provided by the County. The forecast is not a prediction of what is certain to happen but rather a projection of what will occur in the absence of any mitigating actions or changing circumstances. As such, this plan highlights significant issues or problems that must be addressed in order to maintain a structurally balanced budget.

Significant Issues Impacting the General Fund

Retirement Costs are anticipated to increase due to market losses incurred by the County's pension system. The County's five year forecast also anticipates a 25 basis point decrease in the Retirement Board's earnings assumption in 2015-16. Potential additional changes in Retirement Board earnings assumptions and mortality/experience studies could result in additional ongoing costs of \$10.0 million.

Staffing for the High Desert Detention Center Expansion (previously called Adelanto Detention Center) will require \$39.1 million in funding through 2018-19.

The Affordable Care Act will impact the Human Services departments and Arrowhead Regional Medical Center as they are primary providers of Medi-Cal services. The long-term impacts of the Affordable Care Act on the operations and finances of these departments remain difficult to forecast. Finance and Administration is working closely with departments to monitor the changes in the funding mix for safety net programs that provide services to County residents.

Note: The Five-Year Fiscal Forecast represents future incremental costs and changes in revenues for the referenced fiscal year.

The County's five-year fiscal forecast summarized in the table above relates to ongoing expenditures funded with ongoing discretionary revenue in the County's General Fund. The forecast reflects that ongoing revenues are beginning to increase due to projected increases in property tax and Proposition 172 sales tax revenue. Ongoing cost changes reflect the cost to maintain current service levels. After accounting for these changes, the Yearly Operating Available is positive for the next five fiscal years.

However, in recent years the County has identified other ongoing costs not previously included in the five year forecast that need to be addressed. These costs are identified in the table above as Ongoing Costs Not Funded in the Ongoing Budget Plan. Additionally, for 2014-15 ongoing departmental needs have been identified as New Ongoing Departmental Costs. After including these new cost components, the County's General Fund has a cumulative structural deficit of \$50.6 million over the next three fiscal years. \$21.0 million of that deficit occurs in the 2014-15 fiscal year. Solutions for the structural deficit through 2018-19 are detailed on the next page.

(1) The Five-Year Forecast solutions represent incremental mitigations for the referenced fiscal year.

As reflected in the table above, the solutions for the remaining structural deficit for fiscal years 2014-15 through 2018-19 include:

San Bernardino Public Employees Association (“SBPEA”) Medical after Memorandum of Understanding (“MOU”) term – Removal of annual increases in other MOU costs that occur from 2014-15 through 2018-19. This cost represents increased medical-related benefits for the County’s largest union that will automatically take effect if not addressed in the current round of negotiations.

Proposed SBPEA Reductions – The County is seeking concessions from the eight bargaining units represented by SBPEA (the “SBPEA Units”), whose existing contract expires in Fiscal Year 2014-15, in an attempt to reduce salary and benefit costs. These concessions, if achieved, will generate \$8.7 million in savings.

High Desert Detention Center Staffing Mitigations – Construction commenced in June 2011 and was completed in February 2014 on the Sheriff/Coroner/Public Administrator’s High Desert Detention Center (formerly Adelanto Detention Center) Expansion Project, which added 1,392 jail beds to the existing 706 bed facility (for a total of 2,098 beds). The County currently estimates that the ongoing cost of staffing the expanded

High Desert Detention Center is \$39.1 million. In 2013-14, the County developed a plan to use one-time AB 109 growth funds to staff 222 of the new beds at the facility (Phase 1). Ongoing sources of \$11.5 million are needed in 2014-15 to fund the expanded operation in order to maintain structural balance in the County's General Fund. The delay of Phase 2 to Fiscal Year 2017-18 and the delay of Phase 3 to Fiscal Year 2018-19 reduce the structural deficits in the next three fiscal years.

Sheriff Prison Rape Elimination Act and Electronic Monitoring Backfill – The Sheriff's Department originally requested additional funding associated with reduced Work Released/Electronic Monitoring program revenue as well as to comply with a new mandate from the federal government related to the Prison Rape Elimination Act. However, the Sheriff has determined that the department can absorb the cost of these funding impacts (a total of \$3.0 million) in 2014-15.

Human Services: Reduce Reliance on General Fund – Based on the most recent review of caseload growth by Human Services, the Department can reduce Discretionary General Funding by \$2.5 million without needing to draw additional realignment funds.

Reduce Fire Subsidy: Increased Community Safety and GEMT Revenue - The reduction in the Fire Subsidy is possible due to fee increases in Community Safety which result in estimated revenue increases of \$0.8 million and GEMT reimbursement of \$0.8 million as explained below:

On November 19, 2013 (BAI No. 61) the Board authorized County Fire to participate in the federally funded Ground Emergency Transportation Services (GEMT) Supplemental Reimbursement Program that pays eligible governmental entities for unreimbursed costs for Medi-Cal fee for service transports.

Eliminate Funding for Cooperative Extension Program – Funding of \$65,000 has been going to the Cooperative Extension Program which is a branch of the University of California for community-based education on gardening, nutrition, and youth development.

Museum: Funded with One-Time Sources – The County Museum originally requested ongoing funding as a result of decreased state and federal contract revenue and the reduction of fee and program revenue projections to a conservative level. A more comprehensive study will be conducted in 2014-15 with respect to reorganizing and developing innovative solutions for the Museum's financial challenges. For 2014-15, one-time bridge funding is included until a more sustainable solution can be developed.

Renegotiate Prado Park Water Agreement –The Regional Parks Department has been working to reduce utility costs at its park locations, and in particular at Prado Regional Park. Prado receives water and sewer service from the Inland Empire Utilities Agency (IEUA), a municipal water district that supplies water, collects/treats wastewater, and provides other utility related services to the communities it serves. The County entered into an agreement in 1976 with the Chino Basin Water District for water and sewer service, which was assumed by IEUA in 1998. Regional Parks is working as part of a County team to negotiate a new water and sewer agreement to reduce costs for the park.

COUNTYWIDE DISCRETIONARY REVENUE

The entire General Fund budget including operating transfers in is \$2.7 billion, however, only \$0.52 billion (or 19.5%) is truly discretionary as seen in this pie chart.

2014-15 Discretionary General Funding of \$716,582,160 includes Countywide discretionary revenue of \$573.8 million and other funding sources of \$142.8 million. Per the County Fund Balance and Reserve Policy, the General Purpose Reserve will be built up with one-time sources until the target of 20% of locally funded appropriation is reached. A contribution of \$5,949,265 to the General Purpose Reserve (1% of locally funded appropriation) was approved by the Board of Supervisors as part of the 2013-14 Third Quarter Budget Report on May 6, 2014, and brings the funding level to \$82,440,902, or 13.9% of locally funded appropriation. County policy also requires a minimum of 1.5% of locally funded appropriation be placed in General Fund Mandatory Contingencies, which is \$8,923,944 for 2014-15.

Countywide Discretionary Revenue

Property Related Revenue accounts for 62.9% of Countywide discretionary revenue and other funding sources. These revenues have been severely impacted as a result of the mortgage and financial crisis, which has had a significant effect on the housing market within the County. Assessed valuation has been negatively affected both by homes selling at prices lower than their current assessed valuation, and by Proposition 8 reassessments, which lower valuations of properties (where no change in ownership has occurred) if the current assessed value of such property is greater than the fair market value of the property. However, the median price of a home in the County has started to rise and the volume of home sales remains relatively stable. Rising home prices are also leading to value being added back to the assessment roll for valuations that had been reduced through Proposition 8 reassessments.

The 2014-15 Adopted Budget anticipates a 3.5% increase in the assessed valuation of properties within the County. The revenue from the assessed valuation is budgeted conservatively compared to the County Assessor's projection of 5.68%, to account for potential downward corrections to the assessment roll during the fiscal year. The anticipated increase in the assessed valuation compares to actual assessed valuation declines of 4.55% in 2010-11, 0.87% in 2011-12, and increases of 0.78% in 2012-13, and 2.96% in 2013-14.

Subsequent to the adoption of the 2014-15 Budget, the Assessor/Recorder/County Clerk published the County's assessment roll, which shows an increase in assessed valuation of 6.2% for 2014-15. The County will analyze the roll increase and future supplemental roll activity, and make necessary budget adjustments in the quarterly budget report process.

Elimination of Redevelopment Agencies

A portion of the General Fund's property tax revenue is pass-through of property tax increment belonging to Redevelopment Agencies. Redevelopment Agencies were dissolved as of February 1, 2012, pursuant to ABx1 26. Pursuant to ABx1 26, revenues that would have been directed to the dissolved Redevelopment Agencies will continue to be used to make pass-through payments to other public agencies (i.e., payments that such entities would have received under prior law). In addition, the State projects that the elimination of Redevelopment Agencies will provide additional property tax revenue for local public agencies, including the County. Beginning with 2014-15, the County has budgeted \$2.5 million of additional property tax revenue related to the dissolution of Redevelopment Agencies pursuant to ABx1 26 and continues to budget for pass-through payments consistent with the legislation.

The Teeter Plan

The Teeter Plan is an alternate property tax distribution procedure authorized by the California Legislature in 1949, and implemented by the County in 1993-94. Generally, the Teeter Plan provides for a property tax distribution procedure by which secured roll taxes are distributed based on the tax levy, rather than on the basis of actual tax collections, for agencies that elect to participate in the Teeter Plan (including the County General Fund). Under the Teeter Plan, the County advances each participant an amount equal to the participant's Teeter Secured Levy (adjusted at year end for corrections to the assessment roll) that remains unpaid at the end of the fiscal year. In return, the County General Fund receives all future delinquent tax payments, penalties and interest. The County bears the risk of loss on the delinquent property taxes but benefits from the penalties and interest associated with these delinquent taxes when they are paid. Under the Teeter Plan, the County is also required to establish a tax loss reserve fund to cover losses that may occur as a result of sales of tax-defaulted properties.

The Teeter Secured Levy includes each participating agency's share of the 1% ad valorem secured levy, plus any ad valorem levy for the debt service of voter-approved general obligation bonds. Not included in the Teeter Secured Levy are supplemental roll revenues, special assessments, utility roll revenues, or property tax pass-through amounts related to the dissolved Redevelopment Agencies within the County (see 'Elimination of Redevelopment Agencies' above).

As a participant in the Teeter Plan, the County General Fund receives its entire share of its Teeter Secured Levy, regardless of delinquencies. The County General Fund also receives all participating agencies share of the penalties and interest associated with the delinquent taxes advanced under the Teeter Plan once they are paid.

These interest and penalties, accounted for as interest earnings in Countywide discretionary revenue, are projected to increase slightly in 2014-15.

The following paragraphs describe the components of property related revenue in detail:

Current Secured, Unsecured, Unitary

Secured Property Tax Revenue makes up approximately \$196.3 million of the \$221.1 million in the 2014-15 "Current Secured, Unsecured, Unitary" budgeted revenue number, up from \$182.0 million in the 2013-14 Adopted Budget. This reflects a projected increase in assessed valuation of 3.5%. Beginning with 2014-15, the County has budgeted \$2.5 million of additional property tax revenue related to the dissolution of Redevelopment Agencies pursuant to ABx1 26 and continues to budget for pass-through payments consistent with the legislation (see 'Elimination of Redevelopment Agencies' on the previous page).

VLF/Property Tax Swap

Historically, approximately three-fourths of Vehicle License Fee (VLF) revenue was allocated to cities and counties as general purpose funding. Beginning in 1998-99, the State reduced the VLF payment required from vehicle owners. However, the State made up the revenue impact of the VLF rate reductions with State general fund revenue (the 'VLF Backfill').

The VLF Backfill was eliminated in the 2004-05 State Budget. In that year, the VLF Backfill to cities and counties was permanently replaced with an equivalent increase in property tax revenues (VLF/Property Tax Swap revenues). This increase was funded by decreases in property tax revenues allocated to schools and community colleges.

For 2004-05, the State established the base amount of the VLF/Property Tax Swap. The base is equal to the amount of VLF backfill that the counties and cities would have received in 2004-05, calculated using actual VLF receipt amounts for 2004-05. For years beginning in 2005-06, the VLF/Property Tax Swap amount is calculated using the prior year VLF/Property Tax Swap amount adjusted by the percent change in assessed valuation. This percent change includes both secured and unsecured assessed valuation, but excludes the change in unitary valuations. The 2014-15 budgeted amount reflects the projected increase in assessed valuation of 3.5% as compared to the 2013-14 actual revenues.

Supplemental Property Tax

Supplemental Property Tax payments are required from property owners when there is a change in the assessed valuation of their property after the property tax bill for that year has been issued. Generally, there are two types of events that will require a supplemental property tax payment: a change in ownership or the completion of new construction. As a result, when property values have been increasing and sales activity is high, there will be an increase in the number and dollar amount of supplemental property tax bills, which will result in increased supplemental property tax revenue to the County. Conversely, when home values are decreasing, refunds may be due to homeowners, and supplemental property tax revenues will decrease. Because the collection of these revenues may not occur for one to two years after the sale of the property, supplemental property tax revenue will generally lag the actual activity in the housing market by at least a year.

As shown in the chart above, supplemental property tax revenues have declined significantly since 2006-07 as a result of the collapse of the housing market. Supplemental revenue in 2012-13 showed the first year over year increase since 2006-07. In 2013-14, supplemental revenue more than doubled over the prior year as a result of an increase in housing prices. The County projects these revenues to be \$3.0 million in 2014-15, consistent with 2013-14 ongoing revenue.

Property Transfer Tax

The Property Transfer Tax is collected when any lands, tenements, or other realty sold within the County is granted, assigned, transferred, or otherwise conveyed to or vested in the purchaser. The tax is imposed when the value of the property exceeds \$100. The tax rate is \$0.55 for each \$500 of property value. For sales in the unincorporated areas of the County, the County receives 100% of the tax. For sales in cities, the County receives 50% of the tax. The County anticipates that property transfer tax will total \$7.5 million in 2014-15, consistent with 2013-14 revenue. The following chart presents the most recent ten year trend of property transfer tax revenue.

Sales and Use Tax

Countywide discretionary revenue includes 1.0% of the 8.0% sales tax rate charged on purchases made in the unincorporated areas of the County. This 1.0% is made up of two components. The first is 0.75% of taxable sales remitted by businesses that collect sales tax. The second component is the Sales Tax/Property Tax Swap, also referred to as the Triple Flip, which represents 0.25% of taxable sales. Both of these components are explained in more detail below.

Sales and Use Tax Allocation of 0.75%

When preparing the annual budget, the County projects future sales tax revenue based on data provided by a local economist and the County's sales tax consultant. For 2014-15, Sales and Use Tax revenue is anticipated to remain flat to 2013-14 revenue.

2014-15 ongoing sales tax revenue in the unincorporated area is projected to total \$17.2 million (after adjusting for the Triple Flip). However, the County has budgeted only \$14.5 million for 2014-15. The sales tax revenue

projection of \$14.5 million excludes the portion of the County ongoing sales tax revenue remitted to the City of Redlands under the sales tax sharing agreement explained below:

Sales Tax Sharing Agreement with the City of Redlands: In August of 2003, the County entered into a sales tax sharing agreement with the City of Redlands. Under the terms of this agreement, the City of Redlands provides certain government services to an unincorporated area of the County, and in return the County pays the City a percentage of the sales tax revenue generated in that geographical area. This geographical area has numerous retail establishments and generates a considerable amount of sales tax revenue. Under the terms of the sales tax sharing agreement, the County currently pays the City of Redlands 90% of the County discretionary sales tax revenue generated in this area.

Sales Tax Risk – Potential Annexations and Incorporations: Based on recent estimates, approximately 29.9% of the County's discretionary sales tax revenue is generated in the unincorporated portion of the spheres of influence of the 24 cities that are within the County's boundaries. A sphere of influence is a 'planning boundary' within which a city or district is expected to grow over time. Therefore, the areas within these spheres are likely to be annexed, and once annexed, the discretionary sales tax revenue generated in that area will go to the city instead of the County. The County would also lose sales tax revenue if a community in the unincorporated area of the County decided to create a new city (incorporate).

Sales Tax/Property Tax Swap of 0.25%

Effective with the fiscal year that began on July 1, 2004, the State changed the way sales tax revenue is distributed to counties and cities. Previously, counties and cities received 1.0% of the State's base sales tax rate. Pursuant to new provisions enacted by the legislature, this 1.0% share of sales tax was reduced by 0.25%, to 0.75%. The additional 0.25% in sales tax revenue was redirected to the State to be used to fund debt service on the California Economic Recovery Bonds, which were approved by voters as Proposition 57. In return, counties and cities receive additional property tax revenue (funded by reducing the schools' share of property tax revenue) in an amount equal to the 0.25% sales tax revenues forgone. The State general fund then makes up the loss of property tax revenue to the schools. This change is referred to as the 'Triple Flip'. The Triple Flip will continue until the California Economic Recovery Bonds are paid. Once the bonds are paid, and the Triple Flip is discontinued, the County's share of the base sales tax rate will return to 1.0%. The bonds are currently scheduled to mature on July 1, 2023.

The Triple Flip was designed to replace sales tax revenue on a dollar for dollar basis with property tax revenue. In practice, the additional property tax revenue paid to the counties and cities each year is based on an estimate of the agencies' sales tax revenue for the year plus a 'true-up' from the prior year. This true-up represents the difference between the additional property tax revenue paid to the local agency and the actual amount of sales tax revenue (the 0.25%) lost by the local agency.

For 2014-15, the County anticipates \$5.7 million in Triple Flip revenue which includes an estimated \$0.4 million in true-up from the prior year.

Both components of discretionary sales tax revenue (Sales and Use Tax Allocation of 0.75%, and Sales Tax/Property Tax Swap) are combined and reported together as Sales and Use Tax in the Countywide Discretionary Revenue Which Pay for Net County Cost chart found earlier in this section. This is a change from prior years. In prior years, Sales Tax/Property Tax Swap revenue was reported as a separate line under Property Related Revenue. For 2014-15, a combined total of \$20.2 million is budgeted for Sales and Use Tax, \$14.5 million for the 0.75% Allocation and \$5.7 million of Sales Tax/Property Tax Swap revenue.

Not included in budgeted sales and use tax revenue is \$3.5 million of one-time use tax revenue estimated to be generated from major construction projects in the unincorporated areas of the County. This revenue would normally be distributed to the County, and cities within the County, based on their percent share of Countywide sales tax revenue. However, due to the efforts of the Economic Development Department working with companies doing this construction, 100% of this revenue will be allocated to the County. Because this revenue is one-time in nature, it is budgeted as Operating Transfers In (one-time) instead of sales and use tax revenue.

Net Interest Earnings

Net interest earnings for 2014-15 are projected at \$20.6 million. This is \$1.3 million higher when compared to the 2013-14 Adopted Budget amount. The anticipated growth is due to an increase in Teeter penalties and interest and retirement prepay interest. For more information see the paragraphs titled 'The Teeter Plan' found earlier in this section.

COWCAP (Countywide Cost Allocation Plan) Revenue

The budgeted COWCAP Revenue amount reflects the recovered allowable costs included in the 2014-15 Countywide Cost Allocation Plan (COWCAP) published by the Auditor-Controller/Treasurer/Tax Collector. COWCAP revenue is reimbursement for overhead/indirect costs incurred by the General Fund. Reimbursements are received from various State and federal grant programs (that permit such reimbursement) and General Fund departments and taxing entities such as the County Library and Board-governed Special Districts. The County anticipates an increase in COWCAP revenue in an amount of \$3.9 million in 2014-15. This increase is primarily due to amounts owed by the Probation Department for ongoing space use and utility costs associated with the new Central Valley Juvenile Detention and Assessment Center, and from Arrowhead Regional Medical Center (ARMC) primarily due to a one-time adjustment that reduced ARMC's COWCAP charges in the prior year.

Property Tax Administration Revenue

Property tax administration revenue consists of:

- SB 813 cost reimbursement, which represents allowable charges for administration and operation of the supplemental property tax program. This reimbursement is tied directly to the performance of supplemental property tax revenue.
- The property tax administrative fee, which is allowed by the legislature, recovers a portion of the County's cost of the property assessment and tax collection process from certain other local jurisdictions. This revenue is tied directly to the cost of that collection effort. School Districts are not required to pay their share of this fee, so not all County costs are recovered.

Litigation regarding the Property Tax Administration Fee (PTAF). Forty-three cities sued Los Angeles County over the portion of PTAF fees calculated on the State revenue exchanges known as the Triple Flip and Vehicle License Fee (VLF)/Property Tax Swap. All California counties have included the Triple Flip and VLF/Property Tax Swap in the base for the calculation of the cities' share of this fee. The Court ruled in favor of the cities. On an annual basis, this ruling resulted in the loss of \$2.9 million of annual PTAF fees beginning in 2013-14. The 2014-15 Adopted Budget anticipates revenues to be down slightly from 2013-14 actuals.

Recording Fee Revenue

The Recorder's Division of the County's Assessor/Recorder/County Clerk's Office collects certain fees for the official recording of documents. Recording Fees are expected to increase as compared to 2013-14 actuals.

State and Federal Aid

State and federal aid consists of a payment from the welfare realignment trust fund, which replaced the State revenue stabilization program, SB90 reimbursements from the State, and excess Vehicle License Fee (VLF) revenue. It also includes revenues received from the federal government's Payment in Lieu of Taxes (PILT) program. The Emergency Economic Stabilization Act of 2008 (Public Law 110-343) was enacted on October 3, 2008 and authorized full funding for the PILT program from 2008 through 2012, which generated approximately \$1.0 million in additional PILT revenue annually. Although scheduled to end in 2012, the full funding level for PILT was extended through federal fiscal year 2013 (October 1, 2012 to September 30, 2013). The Act has not been reauthorized for the 2014 Federal Fiscal Year. As a result, PILT revenues will decline by \$1.1 million in 2014-15.

Other Revenue

Other revenue includes voided warrants issued by the County, projected transfers of unclaimed property tax refunds to the General Fund, the County share of vehicle code violation revenue, and other miscellaneous revenues.

Other Funding Sources**Fund Balance**

The 2013-14 year-end fund balance for the General Fund is \$110.3 million. This reflects fund balance that is available for appropriation. Fund balance is a result of County cost savings and additional revenue. Additional revenue includes one-time revenue of \$29.8 million received as a result of due diligence reviews and residual revenue for the dissolved Redevelopment Agencies, and one-time revenue of \$1.8 million for a Court revenue audit.

Use of Reserves

The 2014-15 Adopted Budget anticipates the use of \$0.3 million of the reserve for Land Use Services General Plan/Development Code Amendments to fund a portion of this project, and the use of the \$5.3 million Glen Helen Grade Separation Project reserve to fund various transportation projects, including \$4.0 million to complete the Glen Helen Grade Separation project.

Operating Transfers In

Operating transfers in primarily include \$17.0 million of ongoing tobacco settlement funds to provide \$15.0 million of ongoing funding for debt service on the ARMC and \$2.0 million of ongoing funding for Public Health. Ongoing operating transfers in also include \$4.1 million of ongoing Courthouse and Criminal Justice Construction funds to fund debt service on the Foothill Law and Justice Center. One time operating transfers in include \$2.2 million from tobacco settlement funds for a land purchase and \$3.5 million of estimated one-time sales tax revenue discussed in the section titled 'Sales and Use Tax'.

Countywide discretionary revenue is allocated as Net County Cost to various General Fund departments within the County. The pie chart below shows what percentage of the Net County Cost is allocated to each of the groups.

Percentages may not add to 100% due to rounding.

The schedule on the following page shows a comparison of the 2013-14 final Net County Cost and the 2014-15 adopted Net County Cost by department. This schedule also includes operating transfers, which are mechanisms to move funding between the various County budget units. Operating transfers are presented in the following chart to provide a complete picture of the department's requirements and sources.

NON-DEPARTMENTAL BUDGET UNIT

The non-departmental budget unit includes discretionary revenue of the General Fund that is detailed in the table titled 'Countywide Discretionary Revenue Which Pay for Net County Cost' found earlier in this section of the budget book.

Appropriation

	2013-14 Adopted Budget	2013-14 Final Budget	2013-14 Actuals	2014-15 Adopted Budget
Services & Supplies	1,000,000	1,000,000	548,745	1,000,000
Other Charges	6,500,000	10,295,758	2,221,029	6,500,000
Total Expenditure Authority	7,500,000	11,295,758	2,769,774	7,500,000

Non-departmental appropriation pays for Countywide expenditures not allocable to a specific department, and interest expense on the County's annual Tax and Revenue Anticipation Notes. The net interest earnings revenue reported in the table titled 'Countywide Discretionary Revenue Which Pay for Net County Cost' is reduced by these expenditures.

In 2013-14, a mid-year increase of \$3.8 million was appropriated to pay the one-time cost of the Property Tax Administration Fee (PTAF) litigation. This litigation was initiated by forty-three cities who sued Los Angeles County over the portion of PTAF fees calculated on the State revenue exchanges known as the Triple Flip and Vehicle License Fee (VLF)/Property Tax Swap. All California counties had included the Triple Flip and VLF/Property Tax Swap in the base for the calculation of the cities' share of this fee. The Court ruled in favor of the cities.

In addition to expenditures, this budget unit also includes operating transfers out which are transfers of cash to fund programs accounted for outside of the General Fund.

CONTINGENCIES

The County Contingencies includes the following elements:

ContingenciesMandatory Contingencies

Board Policy requires the County to maintain an appropriated contingency fund to accommodate unanticipated operational changes, legislative impacts or other economic events affecting the County's operations, which could not have reasonably been anticipated at the time the budget was prepared. Funding is targeted at 1.5% of locally funded appropriation.

Uncertainties Contingencies

Any unallocated funding available from current year sources (both ongoing and one-time) that has not been set-aside or contributed to reserves is budgeted in the contingencies for uncertainties.

Ongoing Set-Aside Contingencies

The County budget process differentiates between ongoing and one-time revenue sources. Ongoing set-asides represent ongoing sources of funding that have been targeted for future ongoing program needs. There are no ongoing set-aside contingencies in 2013-14 and 2014-15.

	2013-14 Adopted Budget	2013-14 Approved Contributions/ (Uses)	2014-15 Adopted Contributions / (Uses)	2014-15 Adopted Budget

2013-14 Changes to Uncertainties Contingencies

In 2013-14, quarterly budget reports and other mid-year adjustments resulted in a reduction to Uncertainties Contingencies of \$172,812,301.

- \$26,355,715 decrease due to \$63,105,330 in revenue increases offset by \$89,461,045 in appropriation increases. This reflects budget adjustments for the first quarter of 2013-14.
- \$920,661 decrease due to \$13,213,880 in revenue increases offset by \$14,134,541 in appropriation increases. This reflects budget adjustments for the second quarter of 2013-14.
- \$16,794,127 decrease allocated to departments to address the impacts of the Worker's Compensation rebate, which included increased rates to program participants and other impacts to the General Fund.
- \$123,062,979 decrease due to \$37,663,154 in revenue increases offset by \$40,137,411 in appropriation increases and \$120,588,722 in contributions to General Fund Reserves. This reflects budget adjustments for the third quarter of 2013-14.
- \$5,678,819 decrease due to \$4,733,569 in revenue decreases and \$945,250 in appropriation increases. This reflects year-end budget adjustments for 2013-14.

2014-15 Mandatory Contingencies

The base allocation to the mandatory contingencies is \$8,923,944, the amount required pursuant to Board policy, based on projected locally funded appropriation of \$594.9 million.

2014-15 Uncertainties Contingencies

The amount in the uncertainties contingencies represents 2014-15 funding sources not appropriated for expenditure in the General Fund.

RESERVES

The County has a number of reserves that have been established over the years. Some are for specific purposes, such as to meet future known obligations or to build a reserve for capital projects. The general purpose reserve are funds held to protect the County from unforeseen increases in expenditures or reductions in revenues, or other extraordinary events, which would harm the fiscal health of the County. On January 6, 1998, the Board of Supervisors adopted a County policy to provide guidelines and goals for reserve levels. The current policy calls for the County General Purpose Reserve target to be 20% of locally funded appropriation. The Board of Supervisors also established specific purpose reserves to set aside funds to meet future needs.

2013-14 Contributions

The Fund Balance and Reserve Policy calls for a General Purpose Reserve targeted at 20% of locally funded appropriation, up from the previous target of 10%. For 2013-14 the general purpose reserve is increased by \$11.6 million which includes an early contribution for 2014-15. This brings the balance in the General Purpose

Reserve to 13.9% of locally funded appropriation. The Fund Balance and Reserve Policy calls for continued annual contributions of one-time sources to this reserve until the 20% target is achieved. The following were additional contributions made in 2013-14:

- \$101.8 million in contributions from contingency set-asides as part of the Third Quarter Budget Report,
- \$7.0 million for the earned leave reserve,
- \$4.0 million for the 303 Building Renovations Capital Project,
- \$5.0 million for the Cal Fresh Waiver Discontinuance, and
- \$3.8 million for overpayment relating to the dissolution of the Redevelopment Agencies.

2013-14 Approved Uses

- \$22.9 million use of the full amount of the Future Space Needs reserve, and
- \$13.0 million use of the Teeter Reserve, which is the amount that this reserve was funded in excess of the legal requirement.

2014-15 Adopted Contributions and Uses

For 2014-15, the adopted budget includes:

- \$48.2 million of new contributions to reserves including:
 - \$1.9 million to the asset replacement reserve,
 - \$2.1 million for the Permit Systems upgrade,
 - \$15.1 million to a labor reserve,
 - \$7.9 million to the earned leave reserve,
 - \$5.0 million to the Lake Gregory Dam capital project,
 - \$9.0 million for Transportation projects, and
 - \$7.2 million for various capital improvement projects.
- The use of \$0.3 million of the reserve for Land Use Services General Plan/Development Code Amendments
- The use of the \$5.3 million reserve for the Glen Helen Grade Separation to fund the Glen Helen Grade Separation project and various other transportation projects.

The chart on the following page shows recent history of the County Reserve levels.

PROPOSITION 172

Proposition 172 (Prop 172), which became effective January 1, 1994, placed a one-half percent sales tax rate in the State's Constitution and required that revenue from the additional one-half percent sales tax be used only for local public safety activities, which include but are not limited to sheriff, police, fire protection, county district attorney, and county corrections. Funding from Prop 172 enabled counties and cities to substantially offset the public safety impacts of property tax losses resulting from the State property tax shift to the Educational Revenue Augmentation Fund (ERAF).

The one-half percent sales tax imposed by Prop 172 is collected by the state and apportioned to each county based on its proportionate share of statewide taxable sales. In accordance with Government Code 30055, of the total Prop 172 revenue allocated to San Bernardino County, 5% is distributed to cities affected by the property tax shift and 95% remains within the County. The following chart reflects the annual amount of Prop 172 revenues received by San Bernardino County, excluding the cities' distributions, for the past 15 years.

On August 22, 1995, the County Board of Supervisors approved the recommendation that defined the following departments as the public safety services designated to receive the County's 95% share of Prop 172 revenue, consistent with Government Code Section 30052, and authorized the Auditor-Controller/Treasurer/Tax Collector to deposit the County's portion of the Prop 172 revenue as follows:

➤ Sheriff/Coroner/Public Administrator	70.0%
➤ District Attorney	17.5%
➤ Probation	12.5%

Prop 172 revenue currently represents a significant funding source for the Sheriff/Coroner/Public Administrator, District Attorney, and Probation departments. Each year, as part of the budget development process, Prop 172 projections are developed based on staff analysis of revenue trends and forecasts provided by an outside economist.

On February 13, 2007, the Board of Supervisors approved a policy which requires the County to maintain an appropriation for contingency for Prop 172 funds targeted at no less than 10% of the current year's budgeted Prop 172 revenues. This 10% contingency was created to ensure funding for these public safety departments should the County experience Prop 172 revenue shortfalls in the future. These contingencies are maintained for each respective department within the Prop 172 restricted general fund.

The chart below illustrates the beginning and estimated ending fund balances of the Prop 172 restricted general fund, budgeted revenue and departmental usage for 2014-15, the required 10% contingency target, and the amount above that target.

1991 REALIGNMENT

In 1991, the State shifted responsibility for a number of mental health, social services, and health programs to counties. This shift, known as 1991 Realignment, resulted in the creation of two dedicated funding streams to pay for the shifted services: a one-half cent Sales Tax and 24.33% of Vehicle License Fee (VLF) revenues made available by a change in the depreciation schedule for vehicles. Pursuant to SB 1096, Chapter 21, Statutes of 2004, the Vehicle License Fee was reduced from 2.0% of the market value of a vehicle to 0.65% of the market value. SB 1096 also changed the percentage of the VLF revenue allocated to Realignment from 24.33% to 74.9%. This change did not result in increased VLF revenues to 1991 Realignment, but simply reflects the same funding amount expressed as a percentage of the reduced revenue collected. Each of the three service areas identified was required to have their own separate accounts established and each of those service areas receive a different share of statewide 1991 Realignment revenue.

Within the mental health area, the programs the County is now responsible for are: community-based mental health programs, State Hospital services for County patients, and Institutions for Mental Disease. Within the social services area, the programs the County is now responsible for are: the County revenue stabilization program and the County justice subvention program. Within the health area, the programs the County is now responsible for are: AB8 County health services, local health services, medically indigent services, and the County medical services program.

In addition to these program responsibility shifts, a number of programs had changes made to their cost sharing ratios. For example, prior to 1991 Realignment, Foster Care costs were funded by 95% State resources and 5% County resources. Now Foster Care is funded by 40% State resources and 60% County resources, which is a significant impact to the County.

The 1991 Realignment program has some flaws in its design that adversely impact San Bernardino County revenues. First, San Bernardino County is an “under-equity county,” meaning that the County receives a lesser share of revenue relative to other counties based on population and estimated poverty population. Revenue distributions among counties were determined by expenditures in the programs that were transferred just prior to the adoption of Realignment. San Bernardino County was under-equity in those programs. 1991 Realignment did attempt to address the inequity issue, but the effort fell short. The County continues to be under-equity at this time and barring any legislative action the amount of inequity will increase over time. As growth occurs in the revenue streams, incremental new funding is distributed on existing sharing arrangements between the counties. The counties that are already over-equity get a higher percentage of the new revenue while those that are under-equity get less.

In addition to the under-equity issue, the demand for services the County is providing and the revenue streams funding them are both sensitive to the economy. When the economy does poorly, demand for services is high, but revenues under perform. When the economy is doing well, demand for services is reduced, sales tax and vehicle license fee revenues are high, and growth in these funding streams is experienced. Social Services has priority claim on any sales tax growth received. If the growth is sufficient to cover the increasing Social Services caseload costs, then anything remaining is distributed to the 1991 Mental Health and 1991 Health Realignment funds.

Budgetary Note: The methodology used to present budget information in the 1991 and 2011 Realignment budget sections has changed in this 2014-15 Adopted Budget Book. Growth and ongoing revenues are now reflected in the period the revenue is received and is consistent with other County budget reporting. A line has been added for each fund to reflect prior year growth revenue received so it is shown separately from regular revenues received in the fund. Previously, financial information presented in the 1991 and 2011 Realignment budget sections was consistent with state reporting requirements for the 1991 Realignment funds. The State's reporting requirements are not consistent with the County's implementation of GASB 34, as it relates to revenue accrual. This is a revenue timing issue only as a result of delays by the State in distributing sales tax growth revenue.

The graph below shows recent history of fund balance for all 1991 Realignment funds.

During 2009-10, revenue shortfalls in sales tax and vehicle license fee revenues, offset by even greater departmental savings, resulted in a slight increase in fund balance of \$5 million for the period ending June 30, 2010.

During 2010-11, sales tax increased while VLF declined. Those factors would have normally caused a decline in fund balance given departmental needs. However, the 1991 Health Realignment fund experienced a one-time savings due to state legislation regarding hospital fees. The net effect was an increase to overall fund balance of \$37 million.

Revenues for 2011-12 came in much stronger than anticipated. Statewide, sales tax and VLF increased; however, revenue levels still had not reached pre-recession peaks. At the same time the demands for County services continued to increase as economic recovery and job creation remained sluggish. As a result, departmental usage of realignment funds outpaced revenues by \$18 million.

In 2012-13, sales tax and VLF revenues continued to come in strong. Even more encouraging was that both revenue sources saw growth funding paid in 2013-14. Program costs also increased slightly, but did not exceed revenues. In addition, the annual transfer of funds to ARMC was not needed and as a result the overall fund balance in 2012-13 spiked by \$43 million.

For 2013-14, revenues were strong and \$11 million in growth funding was received; however, demand for services and usage outpaced revenues. 1991 Realignment fund balances were drawn down by \$12 million in 2013-14.

For 2014-15, some growth is expected in each of the funds, but has not been included in the budget at this time due to the uncertainty in the amount and the timing of the actual receipt of the funds in the subsequent budget cycle. Based on budgeted revenues and departmental usage, fund balance is projected to grow by \$14 million in 2014-15.

For 2014-15, departmental usage of \$195.2 million is less than the revenue projection of \$209.9 million, resulting in a projected net increase of \$14.7 million in total fund balance. This is primarily due to the revenue budget not reflecting the potential redirection of Health Realignment funds as a result of AB 85 legislation. This legislation requires a redirection of a portion of realignment revenues to offset state costs for CalWORKS since counties will receive more federal funding for health through Medi-Cal expansion. This redirection amount is uncertain at this time. Expenditure levels continue to be monitored closely, with specific measures being developed to align departmental usage to ongoing revenue and to maintain a sufficient fund balance amount for those years when a structurally balanced budget is not possible.

The 1991 Realignment budget units do not directly spend funds or provide service. They are strictly funding budget units with the actual expenditures occurring within the operating budget units of the departments that receive Realignment revenue.

The 1991 Realignment legislation does allow for some flexibility in usage of funds at the County level. Upon action by the Board of Supervisors, a County can transfer 10% of a given year's revenue from one fund to another. San Bernardino County has used this provision over the years to help support either the health or social services programs. San Bernardino County has not done a 10% transfer in the prior four fiscal years and is not budgeting one for 2014-15. However, in the event that such transfer is needed, Board of Supervisors approval is required.

The breakdown of the fund balance calculations and departmental usage for each of the three individual 1991 Realignment funds are on the following pages.

For 2014-15, the Mental Health fund balance is projected to increase slightly. While sales tax is projected to increase statewide, the allocation provided to the 1991 Mental Health Realignment account is a fixed amount. A strong year in 2010-11 saw a substantial increase in fund balance that should allow the fund to weather the unpredictability of revenue sources over the next few years. Some growth is expected in 2014-15, but has not been included in the budget at this time due to the uncertainty of the amount and the timing of the actual receipt of the funds in the subsequent budget cycle.

Social Services realignment revenue is composed primarily of sales tax. The split is currently 97% sales tax and 3% vehicle license fees. Some growth is expected in 2014-15, but has not been included in the budget at this time due to the uncertainty of the amount and the timing of the actual receipt of the funds in the subsequent budget cycle. Social Services has priority claim on any sales tax growth received. For 2014-15, budgeted expense and ongoing revenue are expected to result in a slight increase in fund balance. Department usage will continue to be monitored closely to ensure that fund balance is maintained at adequate levels.

The 2013-14 expenses include a \$38.2 million use of fund balance due to Disproportionate Share Hospital returns for 2011-12 and 2012-13. For 2014-15, the Health fund is budgeted to have an increase in fund balance of \$14 million. However, some of this increase may be used to cover the AB 85 redirection of realignment. Revenue is projected to increase slightly and departmental usage does not reflect using the potential AB 85 redirection.

2011 REALIGNMENT

In 2011, the state addressed prison overcrowding by shifting custodial responsibility of non-violent, non-sex, and non-sex-against-children ('Triple-Nons') offenders to local jails. In addition, the parole function of the state was delegated to county Probation departments; parole revocation hearings were shifted to the local jurisdictions and cases assigned to the District Attorney and Public Defender. The state also realigned Juvenile Re-Entry and Trial Court Security by placing 100% of the financial burden of those programs on the County. The justification for the 'Public Safety Realignment' is that it gives the county flexibility to better provide mental health and social services to the recently incarcerated in the hopes of reducing recidivism and having the net effect of lowering both jail and prison population.

In conjunction with Public Safety Realignment (AB 109), the State also shifted full financial burden of many social service and mental health programs to the County, including: Adult Protective Services, Foster Care, Child Welfare Services, Child Abuse Prevention and Intervention, Drug Court, Medi-Cal substance abuse treatment programs, and the Maintenance-of-Effort (MOE) for CalWORKs. The County was responsible for delivery of these programs before realignment, but with the shift, the State would no longer participate in the share of cost.

While the State no longer shares in the cost, it has dedicated a portion of the state sales tax (1.0625%) revenue, along with a portion of vehicle license fees for these realigned programs. However, realignment of sales tax and vehicle license fees also puts the County at the mercy of the business cycle, as funding will rise and fall in direct correlation to the State's economy. Exacerbating the potential problem, as with 1991 Realignment, when the economy is doing well demand for services goes down but when the economy begins to slump, demand for services rise while revenues decrease. This relationship has been partially mitigated in the past due to the State's share of cost. Since that is no longer applicable, the County is more vulnerable to the market.

In addition, the State is directing funding from 1991 Realignment for Mental Health Services to the CalWORKs MOE portion of 2011 Realignment. Sales tax and vehicle license fee revenue that used to be directed to the fund for Mental Health matching funds is now going to the CalWORKs MOE fund. The Mental Health funding now comes in the form of a defined monthly amount taken off the top of 2011 Realignment revenues. Government code establishes a statewide amount of \$1.121 billion per year directed to the Mental Health Fund with future growth in the CalWORKs MOE fund to be directed to Mental Health as well.

In November 2012, the California voters passed Proposition 30 which increased both Sales and Income Tax. The measure also dedicated a funding stream for 2011 Realignment in the State Constitution. That process has mitigated the revenue stream doubts that existed with the onset of 2011 Realignment, but funding will now, as mentioned earlier, be directly dependent on the health of the economy.

The 2011 Realignment budget units mirror 1991 Realignment in that they do not directly spend or provide service. They are strictly funding budget units with the actual expenditures occurring within the operating budget units of the departments that receive 2011 Realignment revenue.

As with 1991 Realignment, the four service areas of 2011 Realignment (Law Enforcement Services, CalWORKs MOE, Support Services, and Family Support) have each been assigned their own account. The Law Enforcement Services account has four sub-accounts for Trial Court Security, Community Corrections, the District Attorney and Public Defender, and Juvenile Justice. The CalWORKs MOE and Family Support accounts provide funding to pay benefits to CalWORKs clients. The Support Services account has two sub-accounts for Behavioral Health and Protective Services. The Department of Behavioral Health allocates the sub-account funding to the Drug Court and the Medi-Cal substance abuse treatment programs while Human Services allocates the Protective Services sub-account to the appropriate social service program. The following pages provide more detail of the four service areas of 2011 Realignment.

Historical information on 2011 Realignment funding is included in the table below, and detailed information on the four service areas are included on the following pages.

NOTE: Based on past practice, in 2013-14 the realignment fund revenue budget was not increased when the departmental usage budget was increased, resulting in a deficit budget within the realignment fund. Actual results reflect that there was sufficient revenue to pay for authorized departmental usage.

Revenues received in 2013-14 exceeded departmental usage, resulting in an increase in fund balance of \$5.0 million. For 2014-15, departmental usage of \$318.9 million is anticipated to exceed the revenue projection of \$312.4 million, resulting in a decrease in fund balance of \$6.5 million; however, growth revenues have not been included in the budget at this time due to the uncertainty of the amount and the timing of the actual receipt of the funds. Departmental usage will continue to be monitored closely to ensure that fund balance is maintained at adequate levels.

LAW ENFORCEMENT SERVICES

The Law Enforcement Services fund has four sub-accounts: Trial Court Security (administered by the Sheriff/Coroner/Public Administrator's Department); District Attorney/Public Defender (which share the funds equally); Juvenile Justice (administered by Probation); and Community Corrections. The Community Corrections sub-account is administered by the Local Community Corrections Partnership which consists of a membership defined by Penal Code Section 1230 (including the Chief Probation Officer, the Sheriff/Coroner/Public Administrator, the District Attorney, the Public Defender, and Social Services Executives). The Local Community Corrections Partnership determines how to allocate funding for the Community Corrections sub-account in response to proposals submitted by various departments to fund positions and/or programs beneficial to the implementation of Public Safety Realignment. Departments that receive funding may vary from year to year and funding levels can differ depending on needs and available resources.

2011 Realignment required each county to develop an implementation plan approved by the Local Community Corrections Partnership and the Board of Supervisors. Since the plan included a significant number of additional positions, an appropriation savings occurred because this new staff required extensive background checks. As a result, a fund balance of \$14.5 million existed in the Law Enforcement fund at the end of 2011-12. The fund balance grew by an additional \$9.6 million in 2012-13 as departments were unable to fully implement AB 109 programs as quickly as anticipated. Growth funds of \$14.9 million were received in 2013-14, and departmental usage was slightly less than revenues received, resulting in an increase of \$2.2 million in fund balance. For 2014-15, departmental usage is expected to exceed budgeted revenues; however, growth revenue has not been included in the budget at this time due to the uncertainty of the amount and the timing of the actual receipt of the funds.

Fund balance will be used for one time needs as appropriate. Detail of the fund balance for Law Enforcement Services is reflected in the following table.

Beginning in 2015-16 a Local Innovation Account may be established by transferring 10% of growth from the sub-accounts in the Law Enforcement fund. Funds in the Local Innovation Account can be appropriated for use consistent with any of the sub-accounts.

Usage of 2011 Realignment funding for Law Enforcement Services is detailed in the table and chart on the next page.

CalWORKs MOE

Funding for the CalWORKs MOE comes from both Sales Tax and Vehicle License Fee revenues. These funds originally funded Mental Health, but as part of 2011 Realignment the funds were diverted to CalWORKs. Mental Health now receives a monthly flat amount from the new sales tax revenues received due to the passage of Proposition 30. There is not expected to be any fund balance, since amounts received are immediately transferred to the fund used for assistance payments to CalWORKs clients. Below is historical detail on the CalWORKs MOE fund.

SUPPORT SERVICES

The Support Services fund has two sub-accounts: Behavioral Health and Protective Services. The 2011 Realignment legislation allows counties to allocate up to 10% between sub-accounts (Behavioral Health and Protective Services). The 10% is based on the amount deposited in the previous year in the sub-account with the lowest balance. The County is not budgeting a transfer between sub-accounts in 2014-15 and, in the event that such transfer is needed, Board of Supervisors approval is required. The Board of Supervisors also has the discretion to establish a Support Services Reserve Sub-account by up to five-percent (5%) from each sub-account's previous year's deposits. Additional historical detail of the Support Services fund is included in the tables below.

NOTE: Based on past practice, in 2013-14 the realignment fund revenue budget was not increased when the departmental usage budget was increased, resulting in a deficit budget within the realignment fund. Actual results reflect that there was sufficient revenue to pay for authorized departmental usage.

For 2013-14, revenues outpaced departmental usage, resulting in an increase in fund balance of \$8.2 million. For 2014-15, departmental usage is expected to be in line with revenues, resulting in no change in the Support Services fund balance; however, growth is not included in the budget at this time due to the uncertainty of the amount and the timing of the actual receipt of the funds.

FAMILY SUPPORT

This new fund was established in 2013-14 per Welfare and Institutions Code 17600.10(a)(5). Funding for Family Support comes from counties' indigent health care savings that will be redirected from counties' 1991 Realignment Health Subaccounts and moved to the new Family Support subaccount at the state level. Funds will then be allocated to counties from the Family Support subaccount in lieu of state general fund for CalWORKs assistance payments. The distribution of funds is still being determined, but it will be based on counties' CalWORKs general fund expenditures. There is not expected to be any fund balance since once funds are received, they are immediately transferred to the fund used for assistance payments to CalWORKs clients. Below is historical detail on the Family Support fund.

AUTOMATED SYSTEMS DEVELOPMENT

The Automated Systems Development budget unit is a restricted general fund that was established in 2011-12 to fund the development, upgrade, and/or replacement of the County's Financial Accounting System (FAS), a core information technology system; and for other future developments.

The new FAS project is a countywide collaborative effort to replace the existing financial accounting system that was implemented over 20 years ago and does not provide either the efficiencies or information for managing County functions that modern systems provide. In 2011-12, the Board of Supervisors approved a \$6.0 million allocation of Discretionary General Funding to fund this project, and added an additional \$6.0 million mid-year. Although it hasn't been placed in this budget unit, an additional \$13.0 million has been set-aside in general fund reserves for this project. A Request for Information was released in July 2011 and the resulting information was utilized to prepare a scope of services. In 2012-13, the County contracted with the Government Finance Officers Association, which has a history of successful government accounting information system installations, to oversee the Request for Proposal process for the County. In 2013-14 the County released the Request for Proposal and is currently evaluating responses.

Requirements of \$11.9 million represent capitalized software and application development costs associated with the new FAS project.

Below is a table detailing budgeted requirements for this unit in 2014-15.

COUNTY DEBT POLICY

The County has a separate policy that covers the issuance, management and administration of long term debt. The policy requires, in general, that:

1. Debt will not be used to finance ongoing operational costs.
2. Whenever possible, the County will pursue alternative sources of funding in order to minimize the level of debt.
3. That whenever practical, voter approval on the method of debt shall be utilized.

More specifically, the policy includes guidelines on the following elements:

1. The policy allows for the issuance of variable rate obligations to the extent that they do not exceed 25% of total debt outstanding.
2. The policy details the guidelines to be followed prior to the issuance of variable rate debt including feasibility, structure, and annual analysis to determine advisability of conversion to fixed rate debt.
3. The policy requires that the term of bonds be no longer than the economic useful life of the property, or in excess of available payment streams.
4. The policy requires annual review of the County's portfolio of long term obligations to initiate any type of restructuring, refunding, or refinancing beneficial to the County.
5. The policy outlines requirements for the investment of bond proceeds.
6. The policy outlines the responsibilities of the County's Debt Advisory Committee, which is a formal committee of the Board of Supervisors. These responsibilities include oversight and review of all debt policy and debt issuance activities and to make recommendations to the Board of Supervisors regarding appropriate actions on debt matters.

CASH FUNDED PROJECTS

As detailed above, County policy requires prudent management of liabilities and, whenever possible, alternative sources of funding in order to minimize the level of debt. In the past several years, the County has satisfied certain portions of its capital needs without the issuance of long term debt. This includes the major projects listed below:

- The cash purchase of the High Desert Detention Center (formerly known as the Adelanto Adult Detention Facility). This project was completed in January 2006.
- The cash purchase and renovation of an office building in downtown San Bernardino. This project was completed in July 2007.
- The cash funding of a major remodel of the 6th floor of the Arrowhead Regional Medical Center (ARMC) to convert it from administrative space to a medical/surgery wing. This project was completed in October 2009.
- The cash funding of a new medical office building at the ARMC. This project was completed in September 2010.
- The cash funding of a new High Desert Government Center in Hesperia. This project was completed in October 2010.
- The cash funding of the new Central Valley Juvenile Detention and Assessment Center. This project was completed in February 2011.
- The cash funding of a Public Safety Operations Center at the High Desert Government Center. This project was completed in May 2013.
- The cash funding of the County's portion of the High Desert Detention Center Expansion which is funded by a combination of State grant monies and a County contribution. This project was completed in January 2014.

- The cash funding of the County Buildings and Acquisition and Retrofit Project (formerly named the Downtown Building Project) (in progress).
- The cash funding of the expansion and remodel of the Sheriff's Crime Lab (in progress).

COUNTY BUDGETING POLICY AS IT RELATES TO LONG TERM DEBT

The County's Budgeting Policy includes policies related to long term debt of the County. These include:

1. Retirement System Funding - Requires that the Board first consider setting aside any savings related to negative Unfunded Accrued Actuarial Liability to fund a reserve for reduction of any existing pension obligation bonds or as a hedge against future interest rate increases.
2. Use of Variable Rate Interest Savings - Requires that when amounts budgeted for variable rate interest expense on long-term debt exceeds actual variable rate interest expense for the year, that such savings will be used in the succeeding fiscal year to reduce the outstanding principal of long-term debt. This applies only to debt service paid from discretionary revenue sources of the General Fund. It is normal for budgeted amounts to exceed actual amounts because debt covenants require conservative budgeting of variable rate interest expense.

Note: The County currently has no variable rate debt service that is paid from discretionary revenue sources of the General Fund. The County optionally redeemed all such certificates of participation in September 2010.

3. Use of Savings from Interest Rate Swap Agreements Associated with the Issuance of Debt - Requires that any County benefit realized on interest rate swap agreements, when there is a potential mismatch between swap payments and debt service payments, be retained as a contingency to offset the County's share of increases in debt service caused by the swap agreement. This contingency amount will not exceed \$5.0 million per interest rate swap agreement.

Note: The County currently has no interest rate swaps outstanding and has no plan to enter into an interest rate swap.

COUNTY LONG TERM DEBT

The following discussion relates to long-term debt backed by the full faith and credit of the County's General Fund⁽¹⁾. Other long term debt of County entities, such as that of the County's Flood Control District and the County's Special Districts, are found later in this section of the budget book.

The County's outstanding long term debt has been issued for the following purposes:

- To finance or refinance construction and improvement of County structures.
- To refinance County pension obligations.

The County finances such projects with a variety of debt instruments. For construction and improvement projects, the County has utilized lease obligations with a non-profit public benefit corporation. Such obligations are in the form of Certificates of Participation and, for the 2012 refinancing of the West Valley Detention Center, a Private Placement with a financial institution. For pension obligations, the County has issued Pension Obligation Bonds.

As of June 30, 2014, the County's long term obligations include debt issued to finance or partially finance the following projects:

- Construction and equipping of the ARMC,
- Construction of the West Valley Detention Center,
- Construction of the Foothill Law and Justice Center and hangars at the Chino Airport, and
- Refinancing of a portion of the County's Unfunded Accrued Actuarial Liability in the years 1995, 2004 and 2008.

(1) In June of 2007 the County privately placed \$18.4 million of revenue bonds for Courthouse improvements. These bonds are secured solely by a surcharge on civil filings that is collected by the local courts. These bonds are not backed by the County's General Fund and are, therefore, not included in this discussion. For more information on the surcharge revenues see the 'Courthouse Seismic Surcharge' budget unit found in the Law and Justice section of this budget book.

Debt Service Budget Information: The 1994, 1995, 1996 and 2009 Medical Center Certificates of Participation are budgeted in the Arrowhead Regional Medical Center section of this budget book in the Medical Center Lease Payments budget.

Effects of Existing Debt Levels on Current and Future Operations

Debt service on the Certificates of Participation and Pension Obligation Bonds referenced in the previous schedules will not negatively affect current or future operations of the County. In aggregate, current required debt service expenditures remain relatively level (increasing less than 4% per year) for all fiscal years through 2021-22 and then drop significantly in succeeding years.

Other County Long Term Debt

The County Library has a note payable to the California Infrastructure and Economic Development Bank for funds borrowed to finance the construction of a library in Apple Valley. This note is backed by the full faith and credit of the General Fund; however it is paid from and budgeted in the County Library budget, found in the Operations and Community Services section of this budget book. The outstanding principal amount of this note as of June 30, 2013, the last date for which audited information is available, was \$1,444,111. Annual debt service on this obligation is approximately \$109,000 per year through fiscal year 2030-31.

FLOOD CONTROL DISTRICT LONG TERM DEBT

The following discussion relates to the long term debt of the County's Flood Control District. As of June 30, 2014, the County's Flood Control District's (District) outstanding long term obligations include debt issued for the following purposes:

- To pay the District's obligation under a settlement agreement relating to an inverse condemnation action against the District.
- To refinance a loan from the United States Bureau of Reclamation for the construction of the San Sevaine Creek Water Project.

The District financed these obligations with Judgment Obligation Bonds and Refunding Bonds.

Debt Service Budget Information:

The Judgment Obligation Bonds and Refunding Bonds are budgeted in the District's budget as a portion of operating expenses.

The District's budget is found in the Operations and Community Services section of this budget book in the Public Works, Flood Control District budget.

Effects of Existing Debt Levels on Current and Future Operations

Debt service on the Judgment Obligation Bonds and Refunding Bonds referenced in the previous schedule will not negatively affect current or future operations of the District. In aggregate, current required debt service expenditures remain level for all fiscal years through 2020-21, and then drop by nearly 30% as a result of the scheduled maturity of the 2007 Refunding Bonds.

Other Flood Control Long Term Debt

The District owes \$4.0 million to the United States Army Corps of Engineers for the construction of the San Timoteo Creek Project. The District has agreed to pay the loan with accrued interest upon completion of the project over a twenty year period. It is anticipated that the project will be completed in 2017.

SPECIAL DISTRICTS DEPARTMENT LONG TERM DEBT

The following discussion relates to long term debt of the County's Special Districts (Districts). The Districts' outstanding long term debt has primarily been issued to finance or refinance construction and improvements in County service areas. The Districts' finance such projects with general obligation bonds and notes. As of June 30, 2014, the Districts' long term obligations include debt issued to finance or partially finance:

- Sewer and water facilities/systems
- Road improvements

The Special Districts have financed projects using general obligation bonds, and for the 2006 note for CSA 70-Zone G (Wrightwood), a loan from a private financial institution, and for the CSA 70 – Zone J (Oak Hills), a loan from the California Infrastructure and Economic Development Bank.

Debt Service Budget Information:

The CSA 70 Zone W-1 debt service is paid directly from the property taxes assessed for this purpose, and is, therefore, not included in the District's budget.

The CSA 70 Zone G debt service is budgeted in the Special Districts Department section of this budget book in the Road Districts Special Revenue Funds – Consolidated budget (Fund SLK).

The CSA 70 Zone J debt service is budgeted in the Special Districts Department section of this budget book in the Water Districts Enterprise Funds – Consolidated budget (Fund ECA).

Effects of Existing Debt Levels on Current and Future Operations

Debt service on the Districts' debt referenced in the previous schedule will not negatively affect current or future operations.

Other Special Districts Long Term Debt

There are various general obligation bonds for Special Districts that have matured but have not yet been redeemed by bondholders. These bearer coupon bonds will be paid from a reserve fund at such time the bonds are presented for redemption.

LEGAL DEBT LIMIT

The County's legal debt limit, which applies only to General Obligation Bonds, is 1.25% of Assessed Valuation. As of June 30, 2013, the last date for which audited information on outstanding debt is currently available, the County's Debt limit and legal debt margin were calculated as follows:

Fiscal Year	Assessed Valuation	Legal Debt Limit	Bonded Debt	Legal Debt Margin
2012-13	166,760,684	2,084,509	1,005	2,083,504

Amounts in thousands

The County General Fund and the County Flood Control District have no outstanding General Obligation Bonds. The Debt referred to in the table above is the debt of the County's Special Districts Department.

CALIFORNIA GOVERNMENT CODE

Government Code Sections 29000 through 29144 and Section 30200 provide the statutory requirements pertaining to the form and content of the State Controller's prescribed Line-Item Budget. Government Code Section 29009 requires a balanced budget in the recommended, adopted, and final budgets, defined as "the funding sources shall equal the financing uses".

COUNTY CODE

Title 1. Division 2. Chapter 2:

Section 12.0201:

On November 2, 2010, the County Code was amended to establish the position of Chief Executive Officer.

Section 12.0203:

The Chief Executive Officer shall be appointed by and serve at the pleasure of the Board of Supervisors.

Section 12.0206:

Under the supervision of the Board of Supervisors, and subject to the approval and direction and control thereof, the Chief Executive Officer shall be responsible for the performance of such duties and ministerial functions as may be placed in his or her charge by the Board of Supervisors, and in connection therewith, shall report to the Board from time to time the status and enforcement of the Board's policies, rules, and regulations. The Chief Executive Officer shall, among others:

- Act as the primary administrative advisor to the Board of Supervisors on all matters relating to the efficient and economical administration of county government.
- Provide budgetary, fiscal, and administrative support, oversight, and direction as it pertains to Board of Supervisors' policy and procedures for all elected and all Board of Supervisor appointed department heads and their agencies and departments.
- Supervise, in cooperation with the County Auditor, the preparation of the annual County Budget. In the performance of this duty, the Chief Executive Officer shall review all departmental and agency requests and all items in the recommended budget, including revenues, expenditures, and reserves. He or she shall submit his or her recommended budget to the Board of Supervisors.
- Review all departmental and agency requests for adjustments and transfers of appropriations from contingencies and among budget units and make recommendations on them to the Board of Supervisors.

Section 12.0211:

Pursuant to Government Code § 29125, the Board of Supervisors designates the Chief Executive Officer as the County officer with the authority to approve, with respect to an adopted budget, any transfers and revisions of appropriations, objects, and sub-objects within a budget unit.

BASIS OF ACCOUNTING

Governmental fund types are accounted for using the modified accrual basis of accounting. Under this method, revenues are recognized when measurable and available. Property and sales taxes, interest, certain State and federal grants and charges for services are accrued if their receipt occurs within sixty days after the end of the accounting period, and recognized as revenue.

Expenditures are generally recorded when a liability is incurred, as under accrual accounting. Exceptions to this general rule include the following: principal and interest on long-term debt is recognized when due; prepaid expenses are reported as current period expenditures rather than allocated; and accumulated unpaid vacation, sick leave and other employee benefits are reported in the period due and payable, rather than in the period earned by employees.

Proprietary fund types are accounted for on the accrual basis of accounting. Their revenues are recognized in the period earned and expenses are recognized in the period incurred.

BASIS OF BUDGETING

Governmental Funds:

An operating budget is adopted each fiscal year for the governmental fund types in accordance with provisions of the County Budget Act. The County's financial statement, the Comprehensive Annual Financial Report (CAFR), is prepared using generally accepted accounting principles (GAAP). Budgets for the governmental fund types are adopted with the following differences from GAAP:

Encumbrance accounting is employed in governmental funds. For budget purposes, outstanding encumbrances (which represent the unspent amounts of purchase orders and contracts funded in the fiscal year), are treated as expenditures in that fiscal year. This affects only the "actual" data that appears in that budget book. For GAAP purposes, in the governmental fund financial statements of the CAFR, encumbrances outstanding at year-end are reported within restricted, committed, or assigned fund balance for their specific purposes, respectively. Appropriation for these encumbrance commitments survives the expiration of the fiscal year to the extent that encumbrances exist. Encumbrances cancelled subsequent to the end of the fiscal year also cancel the underlying appropriation.

On a budgetary basis, unrealized gains and losses on the fair value of investments are not recognized. For GAAP purposes, such gains or losses are recognized.

Proprietary Funds:

The Board of Supervisors approves an annual spending plan for proprietary funds. Although the adopted expense estimates are not appropriation, these County funds have budgetary controls the same as those for the governmental fund types. Because these funds collect fees and revenues generally to cover the cost of the goods and services they provide, their accounting and budgeting bases are closer to commercial models. Budgeting, like accounting, is done on the accrual basis and generally according to GAAP.

COUNTY POLICIES

When building the 2014-15 budget, the following County policies were considered:

BUDGETING POLICY

The objective of the Budgeting Policy is to help ensure the County has adequate resources to meet its basic financial obligations, and to serve as a vehicle to help the County achieve financial continuity and stability. This policy will serve as a guide when preparing budget plans and quarterly budget reports for Board of Supervisors approval.

Balanced Budget

To obtain a balanced budget, total revenues, including carry-over fund balances, will equal the total fund appropriation and reserves. The annual operating budget will be structurally balanced upon adoption by the Board of Supervisors. One-time funds will not be used to fund ongoing operational costs, except within the context of a larger plan to balance ongoing revenues and expenses over a multi-year period, as detailed under "Use of One-Time Funding Sources". Significant budget variances and recommended actions will be reported to the Board of Supervisors on a quarterly basis.

Long Range Planning

As part of the annual budget process, the County will prepare a multi-year forecast of financial operations for the general fund. This forecast includes changes in costs to maintain current service levels and costs related to new programs or program enhancements. The County will project major revenues and expenditures of the general fund, and report significant findings and recommendations to the Board of Supervisors.

Appropriation Changes

An operating budget is adopted each fiscal year for all Governmental Funds. Expenditures are controlled at the appropriation unit level (i.e., salaries and benefits, services and supplies, fixed assets, etc.) within budget units. Departments are expected to maintain expenditures within their budget authority as adopted by the Board of Supervisors. Any increase in appropriation in a budget unit after adoption of the budget shall be included in the quarterly budget reports and must be approved by a four-fifths vote of the Board of Supervisors. Transfers of

appropriation within the same budget unit may be approved by the County Administrative Office depending upon the appropriation unit, unless noted below:

Transfers of Salaries and Benefits Appropriation:

- Transfers out require Board of Supervisors approval and are included in a quarterly budget report.

Transfers of Fixed Asset Appropriation:

- Transfers in and out among the different fixed asset appropriation units are approved by the County Administrative Office as long as the total fixed asset appropriation does not increase.
- Transfers out of Fixed Asset Appropriation-
 - Transfers out increasing a non-fixed asset appropriation unit within individual Capital Improvement Program (CIP) project budgets are approved by the County Administrative Office as long as the total project budget does not increase.
 - Transfers out increasing a non-fixed asset appropriation unit are required to be included in the quarterly budget reports for Board of Supervisors approval, except within the CIP, as detailed above.
- Transfers in of Fixed Asset Appropriation-
 - Transfers in from a non-fixed asset appropriation unit to fund a unit value less than \$10,000 may be approved by the County Administrative Office.
 - Transfers in from a non-fixed asset appropriation unit to fund a unit value of \$10,000 or more are required to be included in the quarterly budget reports for Board of Supervisors approval.

Transfers impacting Operating Transfers Out Appropriation:

- Any changes to Operating Transfers Out are required to be included in the quarterly budget reports for Board of Supervisors approval.

Use of One-Time Funding Sources

The appropriation of carry-over fund balances and other one-time funding sources must be managed with care. These sources are most appropriately used to fund one-time expenses such as capital expenditures, start-up costs for new programs, or to supplement the general purpose reserve to attain the 20% target level as defined in the County's "Fund Balance and Reserve Policy". A goal is to invest one-time monies in a way that increases ongoing revenues and/or reduces ongoing expenses.

It is the policy of the County that one-time funds will not be used to finance ongoing operational costs, except within the context of a larger plan to balance ongoing revenues and costs over a multi-year period. Such a plan could involve short-term use of one-time funds to preserve essential public services where longer-term financial forecasts demonstrate the near-term future potential for ongoing revenues to fund those services.

Revenue Forecasting

Because of the complexity of the County budget, realistic projections of revenue are crucial to accurate budgeting. Revenue forecasting will be undertaken annually through a review of local historical revenue trends and analysis of federal, State, and local economic projections. Especially in regard to those revenues that tend to be most volatile and sensitive to changes in the economy, forecasting will involve analysis of economic, demographic, business cycle and other factors that might impact those revenues. These unpredictable revenues, including, but not limited to interest income and fees, will be estimated and budgeted conservatively. Revenue forecasts will not be based on straight-line assumptions.

Property Tax Revenue Stabilization

The County's discretionary revenue primarily comes from property taxes. Revenue growth rates can vary dramatically from year to year due to fluctuations in the economy and housing market. These fluctuations can result in insufficient revenue growth to fund increases in required governmental services during slow economic periods. This policy expands on the current policy of establishing ongoing set-aside contingencies for future County needs by appropriating anticipated property tax revenue growth, in excess of the lesser of 8% or of the average annualized rate of growth of actual revenues, to an ongoing revenue stabilization set-aside contingency. This ongoing revenue stabilization set-aside contingency will be made available for allocation in years when property tax revenue is anticipated to increase at a rate less than the average annualized rate of growth of actual revenues. For purposes of this paragraph, property tax revenue is defined as Current Secured (the current 1% general tax levy on locally assessed secured property on the assessment roll) and VLF/Property Tax Swap (the County's "vehicle license fee adjustment amount" as defined in Section 97.70 of the Revenue and Taxation Code)

received by the County General Fund. The average annualized rate of growth of actual revenues will be calculated using the most recent fifteen years' worth of data.

Any unspent money from this ongoing revenue stabilization contingency set-aside in a given year will be used to prepay or defease debt in the subsequent year, fund large County projects, supplement reserves or fund any other one-time costs the Board of Supervisors may direct.

Prop 172 Revenue Stabilization

The County's Prop 172 Sales Tax revenue can only be used for local public safety activities and is allocated to the Sheriff/Coroner/Public Administrator, District Attorney and Probation Departments. Revenue growth rates can vary dramatically from year to year due to fluctuations in the economy and retail spending. These fluctuations can result in insufficient revenue growth to fund increases in required public safety activities. When this occurs, the County General Fund may temporarily allocate financial resources away from other important County programs as a backfill to offset the Prop 172 revenue shortfall. The County will set-aside any Prop 172 revenue in excess of the lesser of 8% or of the average annualized rate of growth of actual revenues, to an ongoing Prop 172 revenue stabilization set-aside contingency. This ongoing Prop 172 revenue stabilization set-aside contingency will only be used to fund Prop 172 base restoration or the cost to maintain current services in years when Prop 172 revenue is anticipated to increase at a rate less than the average annualized rate of growth of actual revenues. The average annualized rate of growth of actual revenues will be calculated using the most recent fifteen years' worth of data.

Any one-time unspent money from this ongoing Prop 172 revenue stabilization contingency set-aside or other available one-time Prop 172 amounts that fall into fund balance at the end of the fiscal year will be used as follows: first, to reduce the amount contributed by the County General Fund from its discretionary revenue sources until such time as the prior General Fund backfills of Prop 172 shortfalls are recouped, and second, to address one-time costs for public safety activities.

Encumbrances

An encumbrance is not an actual expenditure or a liability but merely a reserve of budgetary appropriation in a given fiscal year. Expenditures and/or liabilities are recorded when, and if, goods are actually provided or services are actually rendered. Encumbrances will remain in the originating year for multi-year non-recurring projects, grant funded projects, purchase of fixed assets with extensive leave time, and projects deemed necessary by the County Administrative Office. Each December, departments are required to justify previous fiscal year's encumbrances and either cancel the encumbrance or roll forward the encumbrance. If the department decides to roll forward the encumbrance, the amount to be spent in the new fiscal year must be re-budgeted as an appropriation and therefore use new fiscal year funding sources.

Program Efficiency and Performance Measurement

Efficiency and economy in the delivery of County services is a top priority. The County integrated performance measures within the budget. County departments will be encouraged to make productivity improvements within their service delivery areas.

Retirement System Funding

Careful management of financial resources to pay retirement costs is critical to the County's long-term financial health. Accordingly, for any savings resulting from negative Unfunded Accrued Actuarial Liability (UAAL) contribution rates, the Board of Supervisors will first consider setting aside these savings in a reserve for reduction of any existing pension obligation bonds or as a reserve against future rate increases.

Risk Management Self-Insurance Funds

The County will maintain an 80% confidence level in all Risk Management self-insurance funds as determined by a yearly actuarial study.

Grant Funding

The County will aggressively pursue opportunities for federal, State or local grant funding including private foundations. An aggressive policy of pursuing opportunities for federal or State grants provides citizens with the assurance that the County is striving to obtain all State and federal funds to which it is entitled – thereby reducing dependence on local taxpayers' funds. However, prior to applying for, and accepting such intergovernmental aid, the County will consider the current and future implications of either accepting or rejecting the grant. That

consideration shall include: 1) the amount of matching local funds required; 2) in-kind services to be provided; 3) length of grant, and whether the County is required to continue the service after the grant has ended; and 4) related operating expenses. The County shall also assess the merits of any individual grant program as if it were funded with local tax dollars.

Use of Variable Rate Interest Savings

Covenants in debt instruments require conservative budgeting of variable rate interest expense. When amounts budgeted for variable rate interest expense for such debt instruments exceed actual interest expense for the year, such savings will be used in the succeeding fiscal year to reduce the total outstanding principal amount of long-term debt. This policy will apply only to interest savings/debt instruments that are paid from discretionary revenue sources of the County's General Fund.

Use of Savings from Interest Rate Swap Agreements Associated with the Issuance of Debt

It is the policy of the Board that any benefit realized on interest rate swap agreements where the swap payment received by the County and the actual debt service payment due from the County are not equal per the terms of the swap agreement, be retained as a contingency to offset the County share of any future increases in debt service caused by the swap agreement. This contingency amount will not exceed \$5.0 million dollars per interest rate swap agreement. The contingency will be retained in the fund that is responsible for payments under the swap.

Intent to Recover Full Cost of Service

The full cost of service should be calculated for all County services to provide a basis for setting fees or charges. Full cost should include direct and indirect costs. This calculation shall be reviewed and updated annually.

CONTINGENCY POLICY

The objective of the Contingency Policy is to help protect the County from unforeseen increases in expenditures or reductions in revenues, or from extraordinary events that might otherwise substantially harm the fiscal health of the County. In so doing, it is also intended to help avoid undue service level fluctuations during periods of economic instability. This policy will serve as a guide when preparing budget plans and quarterly budget reports for Board of Supervisors approval.

General Fund – Mandatory Contingencies

The County will maintain an appropriated contingency in the General Fund to accommodate unanticipated operational changes, legislative impacts, or other economic events affecting the County's operations that could not have been reasonably anticipated at the time the budget was prepared. Funding shall be targeted at no less than 1.5% of locally funded appropriation. Locally funded appropriation are those funded by Countywide discretionary revenue, such as unrestricted property tax, sales tax, interest income, and other revenues not linked to specific programs, and by ongoing operating transfers in. In the event the locally funded appropriation declines from the previous year, the mandatory contingencies shall have no downward adjustments.

General Fund – Ongoing Set-Aside Contingencies

Ongoing set-aside contingencies represent ongoing sources of funding that have been targeted for future debt obligations or planned future ongoing program/operational needs. Set-asides are appropriated as contingencies and approved during the formal adoption of the budget. Any balance of such contingency set-asides remaining at the end of the fiscal year shall be transferred into a corresponding general fund reserve account as of June 30.

General Fund – Uncertainties Contingencies

Any unallocated funding available from current year sources (both ongoing and one-time) that has not been set aside and any unassigned fund balance carried over from the prior year, will be budgeted as Uncertainties Contingencies. The use of these contingencies requires prior approval by the County Administrative Office before obtaining approval by the Board of Supervisors. The County Administrative Office will only recommend uses as a last resort, and only if the requesting department: 1) has no other unanticipated sources of funding to appropriate, and 2) has no other appropriation within its own budget unit to cover the budget overrun, and 3) has no appropriation available in another fund that it controls that can be legally applied to cover the budget overrun.

Restricted Fund – Prop 172-Contingencies

Restricted Proposition 172 sales tax revenues are used solely for public safety programs. The County has allocated using the funds solely for funding the Sheriff/Coroner/Public Administrator, District Attorney, and Probation departmental programs. The County will maintain an appropriated contingency to accommodate unanticipated operational changes, legislative impacts, or other economic events affecting this restricted funding stream that could not have been reasonably anticipated at the time the budget was prepared. The appropriation for contingency for the Prop 172 fund shall be targeted at no less than 10% of the current year's budgeted Prop 172 revenue. Said contingencies shall be budgeted at the 10% level separately for each department receiving Prop 172 revenues.

Restricted Funds – Realignment – Contingencies

Restricted Realignment funds from dedicated sales tax and vehicle license fee revenue are used in funding mental health, social services and health programs within the County. The County will maintain an appropriated contingency within these funds to accommodate unanticipated operational changes, legislative impacts, or other economic events affecting these restricted funds which could not have been reasonably anticipated at the time the budget was prepared. The appropriation for contingency for Realignment funds shall be targeted at no less than 10% of the current year's budgeted Realignment revenues. Said contingencies shall be budgeted at the 10% level separately for each program receiving Realignment revenues.

Master Settlement Agreement Fund – Contingencies

Master Settlement Agreement funds from the tobacco settlement lawsuit are used to fund health related expenditures. The County will maintain an appropriated contingency within the Master Settlement Agreement fund to accommodate unanticipated operational changes, legislative impacts, or other economic events affecting this fund that could not have been reasonably anticipated at the time the budget was prepared. The appropriation for contingency within this Master Settlement Agreement Fund shall be targeted at no less than 10% of the current year's budgeted Master Settlement Agreement revenues.

FUND BALANCE AND RESERVE POLICY

The objective of the Fund Balance and Reserve Policy is to help ensure the County maintains a minimum level of unassigned fund balance designated as general purpose reserve to meet seasonal cash flow shortfalls, revenue shortfalls, unanticipated expenditures, economic downturns or a local disaster. The policy also addresses the circumstances under which unassigned fund balance can be "spent down" and how the unassigned fund balance will be replenished if it falls below the established minimum.

General Fund – New Classification of Fund Balance (Per the Government Accounting Standards Board-GASB)

Previously the fund balance in the General Fund was classified as Reserved and Unreserved (delineated further as designated and undesignated) for accounting purposes. Reserved fund balance is legally restricted funds established for a future specific use and is not available for general appropriation. Unreserved/designated fund balance has been set-aside by the Board of Supervisors for a specific purpose. Unreserved/undesignated fund balance is available for those uses the Board deems necessary and is typically described as "fund balance available for appropriation" in budget reports.

GASB has issued Statement No. 54 Fund Balance Reporting and Governmental Fund Type Definitions. This statement is effective for financial statements with periods beginning after June 15, 2010. Therefore, effective the fiscal year beginning July 1, 2010, the above classifications will be replaced with five new categories: nonspendable, restricted, committed, assigned, and unassigned. Although only the General Fund is addressed in this policy, Statement No. 54 applies to the Special Revenue, Debt Service, Capital Project and Permanent funds as well. The fund balance will be reported in the following five new categories, representing a hierarchy in most restrictive (1) to least restrictive (5):

1. **Nonspendable Fund Balance:** Amounts cannot be spent because they are: (a) not in spendable form or (b) legally or contractually required to be maintained intact. Due to the nature or form of the resources, they generally cannot be expected to be converted into cash or a spendable form. These fund balance amounts are automatically recorded each year by the Auditor-Controller/Treasurer/Tax Collector to match the balances of the associated balance sheet account codes. No Board action is required to change these amounts.

2. Restricted Fund Balance: Amounts are restricted by external parties, i.e., creditors, grantors, contributors, or laws/regulations of other governments or restricted by law through constitutional provisions or enabling legislation. Restrictions may be changed or lifted only with the consent of the resource provider.
3. Committed Fund Balance: Amounts that can only be used for a specific purpose pursuant to constraints imposed by formal action of the government's highest level of decision making authority. The formal action must occur prior to the end of the reporting period, however, the amount may be determined in the subsequent period. These are self-imposed limitations on available resources. These committed amounts cannot be used for any other purpose unless the government removes or changes the specified use by taking the same action it employed to previously commit those amounts. These committed amounts would be approved and adopted by formal action of the Board.
4. Assigned Fund Balance: Amounts constrained by the government's intent to be used for specific purposes that are neither restricted nor committed. The intent will be expressed by the body or official to which the governing body has delegated the authority, i.e. the County Administrative Office.
5. Unassigned Fund Balance: The General Fund, as the principal operating fund, often will have net resources in excess of what can properly be classified in one of the four categories already described. Therefore, in order to calculate unassigned fund balance, total fund balance less nonspendable, restricted, committed, or assigned equals unassigned fund balance. This amount is available for any purpose and will be placed in either the General Purpose Reserve, General Fund – Mandatory Contingencies or the General Fund - Uncertainties Contingencies until allocated for a specific purpose by the Board, by a four-fifths vote.

Unassigned Fund Balance – General Purpose Reserve

An adequate amount of General Purpose Reserve is essential to the financial strength and flexibility of the County. The General Purpose Reserve has no identified contingent liability or specific future use. It is intended for unanticipated major emergencies; to allow a transition period when key economic indicators point to recession likely to substantially reduce County revenues and increase safety net expenditures; and to ensure the County's ability to make debt service payments in periods of declining general purpose revenues. The County shall establish an unassigned fund balance designated as General Purpose Reserve for the General Fund targeted at 20% of locally funded appropriation based on adopted budget. Locally funded appropriation are those funded by Countywide discretionary revenue, such as unrestricted property tax, sales tax, interest income, and other revenues not linked to specific programs, and by ongoing operating transfers in. The unassigned fund balance designated as General Purpose Reserve shall be built up with one-time sources until the established target is achieved. In the event the locally funded appropriation declines from the previous fiscal year, the General Purpose Reserve shall have no downward adjustments. Increases to the General Purpose Reserve generally are only made once at the beginning of the fiscal year.

Unassigned Fund Balance – Mandatory Contingencies

The County shall also maintain Mandatory Contingencies at a minimum of 1.5% of locally funded appropriation based on adopted budget. The amount needed to fund the Mandatory Contingencies for the succeeding fiscal year will be categorized as unassigned fund balance. In the event the locally funded appropriation declines from the previous fiscal year, the Mandatory Contingencies shall have no downward adjustments. Increases to the Mandatory Contingencies generally are only made once at the beginning of the fiscal year.

Unassigned Fund Balance – Uncertainties Contingencies

The remaining unassigned fund balance amount not allocated to the General Purpose Reserve or Mandatory Contingencies will be included in Uncertainties Contingencies.

Unassigned Fund Balance Spend Down

Use of unassigned fund balance will be limited to nonrecurring expenditures, debt reduction, one-time capital costs or emergency situations (such as economic conditions or natural disasters). The County generally will use the Uncertainties Contingencies first, then the Mandatory Contingencies and finally the General Purpose Reserve allocation when using the unassigned fund balance.

The County recognizes that unforeseen events may cause the use of unassigned fund balance which will result in it falling below the established minimum. However, if this occurs, or is expected to occur within the five year planning cycle, the budget balancing strategies will be invoked to determine corrective actions. When necessary,

the following budget balancing strategies will be used in order of priority: 1) Seek other revenue opportunities, including new service fees or increase existing fees; 2) Reduce expenditures through improved productivity; 3) Reduce or eliminate services; 4) Reduce employee salaries and benefits. After evaluating and implementing where possible the above budget balancing strategies, the unassigned fund balance may be used as a temporary fix to address an ongoing budget gap if incorporated in a multi-year plan to balance ongoing revenues and expenses. A planned draw down of unassigned fund balance generally should not exceed 3% of locally funded appropriation in a given fiscal year.

Unassigned Fund Balance Replenish Procedures

Generally before the unassigned fund balance can be withdrawn below the target, a replenishment plan must be adopted. The unassigned fund balance shall be built up with one-time sources until the established target is achieved/replenished. One-time sources will be used to replenish reserves before using for one-time, non-emergency expenses.

DEBT POLICY

The objective of the County's Debt management policy is to minimize the amount of outstanding debt necessary to fulfill its infrastructure and economic development responsibilities, and maintain the County's ability to incur present and future debt at minimal interest rates. The use of debt shall not endanger the County's ability to finance essential County services. The County recognizes that capital markets change and unforeseen circumstances may occur resulting in situations that are not covered by this policy. In such situations, flexibility to modify certain policy requirements may be necessary to achieve policy goals.

General

Debt will not be used to finance ongoing operational costs. However, debt may be used, where economically efficient, to reduce or eliminate current long-term operational liabilities. Whenever possible, the County shall pursue alternative sources of funding, when cost effective, in order to minimize the level of debt.

Types of Debt

General Obligation Bonds (property tax supported) usage will be evaluated first since it is the least costly debt. Public support will be assessed for ballot placement due to the costs involved for an election. Revenue Bonds/Certificates of Participation may be considered for use where General Obligation Bonds are not practical. Short-term borrowing, such as commercial paper, bond anticipation notes, and lines of credit, will be considered as interim funding sources in anticipation of long-term financing.

Issuance

The County may elect to issue bonds/certificates of participation as variable rate instruments to provide flexibility and/or to attempt to achieve interest savings. There are guidelines to be considered when issuing variable rate debt: 1) Economic and cash flow projections for variable rate issues shall be calculated at the then applicable fixed rate. 2) The County will first consider structuring the principal and interest repayments related to the entire project for which the debt will be issued on an approximately equal annual basis over the life of the borrowing. 3) Total variable rate debt shall be limited to no more than 25% of total debt outstanding. 4) No less than annually, analysis of each outstanding variable rate bond issue shall be undertaken to determine the advisability of converting the issue to fixed-rate debt. 5) Variable rate bonds shall be structured to protect the County to the greatest extent possible against cyclical interest rate fluctuations.

Management

County financial management policies shall be designed to maintain a balanced relationship between debt service requirements and current operating costs, encourage growth of the tax base, actively seek alternative funding sources, minimize interest costs and maximize investment returns. In accordance with this principle, the following must be considered: 1) The County shall issue bonds with terms no longer than the economic useful life of the project. 2) The County shall obtain secured guarantees for bonds supported by a dedicated revenue source to the extent possible. 3) The County shall also obtain assurances of project viability and guarantees of completion prior to the issuance of bonds. 4) The County shall invest the proceeds of bond/certificates of participation sales to conform to State and County requirements to maximize investment security and earnings. 5) The County shall establish affordability guidelines in order to preserve credit quality, which may be suspended for emergency purposes, or because of unusual circumstances.

CAPITAL BUDGET POLICY

The objective of the Capital Budget policy is to ensure that the County maintains its public infrastructure in the most cost efficient manner. The County's capital budget will include as complete, reliable, and attainable cost estimates as possible.

Project cost estimates for the Capital Budget should be based upon a thorough analysis of the project and are expected to be as reliable as the level of detail known about the project. The plan for funding projected staffing, operation and maintenance, and utility costs must be identified as part of the approval process for each capital project. All Capital Budget proposals shall be formulated and presented to the Board of Supervisors within the framework of a general capital budget in conjunction with the operating County General Fund Budget. Capital projects will not be budgeted unless there are reasonable expectations that resources will be available to pay for them. Capital projects which are not encumbered or completed during the fiscal year will be re-budgeted or carried over to the next fiscal year, except as reported to and subsequently approved by the Board. All re-budgeted capital projects will be so noted in the Adopted Capital Budget. Similarly, multi-year projects with unencumbered or unexpended funds will be carried over to the subsequent year(s).

Periodic financial reports will be prepared to enable the County Administrative Office to monitor/manage the capital budget and compare actual program revenues and expenditures with budgeted amounts. The Board may take necessary action, including increasing appropriation or revenue, to maintain a balanced Capital Budget. Major capital assets will be inventoried and assessed on an annual basis to project long-term equipment replacement and maintenance needs.

INVESTMENT POLICY

The Investment Policy is prepared in accordance with California State Law, reviewed annually by the County's Treasury Oversight Committee and approved by the Board of Supervisors. The policy establishes cash management and investment guidelines for the County Treasurer, who is responsible for the management and investment of the County Treasury Pool, which consists of the pooled monies held on behalf of the County, school districts, community college districts, and certain special districts within the County.

It is the policy of the County Treasurer to invest public funds in a manner which will preserve the safety and liquidity of all investments within the County investment pool while obtaining a reasonable return within established investment guidelines. The portfolio should be actively managed in a manner that is responsive to the public trust and consistent with State law. The County investment pool will be guided by the following principles, in order of importance 1) The primary objective of the County Treasurer when investing public funds is to safeguard investment principal; 2) The secondary objective is to maintain sufficient liquidity to ensure that funds are available to meet daily cash flow requirements; 3) The third objective is to achieve a reasonable rate of return or yield consistent with these objectives.

The Investment Policy contains a requirement that 40% of the County investment pool should be invested in securities maturing in one year or less, and the entire portfolio shall not exceed a duration-to-maturity of 1.5 years. Investments of the County pool are placed in those securities authorized by various sections of the California Government Code and the County's Investment Policy, which include obligations of the United States Treasury, agencies of the United States Government, local bond issues, bankers acceptances, commercial paper of prime quality, certificates of deposit (both collateralized and negotiable), repurchase and reverse repurchase agreements, medium term corporate notes, and shares of beneficial interest in diversified management companies (mutual funds). Investments in repurchase agreements cannot exceed a term of 180 days and the security underlying the agreement shall be valued at 102% or greater of the funds borrowed against the security.

With respect to reverse repurchase agreements, the Investment Policy provides for a maximum maturity of 92 days (unless the reserve repurchase agreement includes a written guarantee of a minimum earning or spread for the entire period of such agreement) and a limitation on the total amount of reverse repurchase agreements to 10% of the total investments in the County pool. Securities lending transactions are considered reverse repurchase agreements for purposes of this limitation.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Staffing expenses of \$6.2 million make up the majority of the Board of Supervisor's (Board) expenditures within this budget unit. Operating expenses of \$1.0 million includes COWCAP, phone services, office expenses, courier and printing charges, facilities management basic services, and travel related expenses.

BUDGET CHANGES AND OPERATIONAL IMPACT

Major changes for the Board include an increase in staffing expenses of \$76,814, which is primarily caused by increased retirement costs. This increase is offset by a reduction in operating expenses of \$28,460, primarily due to reductions in COWCAP (\$10,065) charges and general office expense (\$17,170).

For 2014-15 each district will receive an equal allocation of \$1.39 million in Net County Cost, totaling \$6.95 million across all five districts. In addition to this amount, each district will receive a share of augmentation funding based on the Board's augmentation plan which was adopted as part of the 2012-13 Budget Hearing and directed that \$214,257 be allocated among each district budget based on the percentage of unincorporated population. The 2014-15 budget allocates the augmentation funding under the same methodology as in 2013-14 and is as follows:

Formula for Allocation of Staff Augmentation Funds			
Supervisory District	Population (Unincorporated)	% of Total Unincorporated Population	Allocation Amount
1	95,846	33%	70,382
2	59,401	20%	43,619
3	73,950	25%	54,303
4	13,117	4%	9,632
5	49,462	17%	36,321
Total	291,776	100%	214,257

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$6.2 million fund 48 budgeted positions of which 5 are regular positions and 43 are limited term positions.

There is a net increase of 4 budgeted positions in this budget unit. Supervisorial Districts make staffing adjustments to limited term positions through separate board agenda items; however, it is through the annual budget process that these positions are added into the budget. This increase represents the net change resulting from staff added by separate board agenda items throughout 2013-14 and the deletion of positions which have become vacant throughout the year. Limited term positions within this budget unit are deleted upon becoming vacant.

Staffing changes are as follows and include a total of 7 deletions and 11 additions, for a net increase of 4 budgeted positions, including 2 new positions which are anticipated to be filled by the start of the new budget year (affected district noted in parenthesis):

Deletions (7 total)

- 1 Executive Aide (First District)

Board Discretionary Fund

DESCRIPTION OF MAJOR SERVICES

Beginning in 1999-00, \$1.0 million was allocated evenly between the five supervisorial districts as board discretionary funding for priority policy needs that may be identified during the fiscal year. In 2005-06, the annual allocation was increased to \$2.0 million, and in 2006-07 it was increased to \$2.5 million. During 2008-09, the annual allocation was increased to \$3.75 million, which was maintained for 2009-10.

The annual funding for 2010-11 was decreased to \$2.25 million and was subsequently transferred into the Board of Supervisors (Board) operating budget as part of the County's First Quarter Budget Report, which was approved by the Board on November 2, 2010. In 2011-12, the Board began obligating the remaining balance of funds via the County quarterly budget reports. Once approved, allocations are to be expensed within twelve months and existing allocations not spent within a fiscal year are carried over to the subsequent fiscal year by district. There is currently no ongoing funding included in this budget unit. County Policy 05-10 (formerly 02-18) provides that these funds are to be exhausted by the end of Fiscal Year 2015-16, and any remaining unspent funds are to be returned to the County general fund.

Since the inception of this budget unit, the Board has identified various community programs in alignment with the County's vision of creating, supporting, and enhancing vibrant communities that emphasize beauty, culture, art, recreation, education, and a sense of history. Through use of these funds, and in conjunction with these community programs, the Board of Supervisors has provided support for several projects that promote the health, safety, well-being, and quality of life for County residents.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Requirements of \$4.2 million represent funds carried over from prior fiscal years to support various community programs and projects that promote the health, safety, well-being, and quality of life for County residents. Operating expenses make up the majority of expenditures within this budget unit and includes allocations made directly to local agencies and non-profits as well as allocations to County departments to support various public works and community improvement projects.

BUDGET CHANGES AND OPERATIONAL IMPACT

These funds are utilized by Supervisorial Districts to support community programs and projects. In accordance with County Policy 05-10, these funds are allocated at the sole discretion of the Supervisor within his or her own Supervisorial District. On February 7, 2012, the Board adopted an amendment to County Policy 02-18 (now County Policy 05-10) which revised the policy related to the administration of these funds. In addition to new procedures regarding the administration of these funds, the amended policy also provides that these funds are to be exhausted by the end of Fiscal Year 2015-16, and any remaining unspent funds are to be returned to the County general fund.

The budget includes a reduction of \$1.6 million in requirements and represents payments made to support community programs and projects during the 2013-14 fiscal year. As of the Third Quarter Budget Report on May 6, 2014, funds remaining to be obligated by the Districts total approximately \$3.2 million. There is currently no ongoing funding included in this budget unit.

STAFFING CHANGES AND OPERATIONAL IMPACT

There is no staffing associated with this budget unit.

CLERK OF THE BOARD

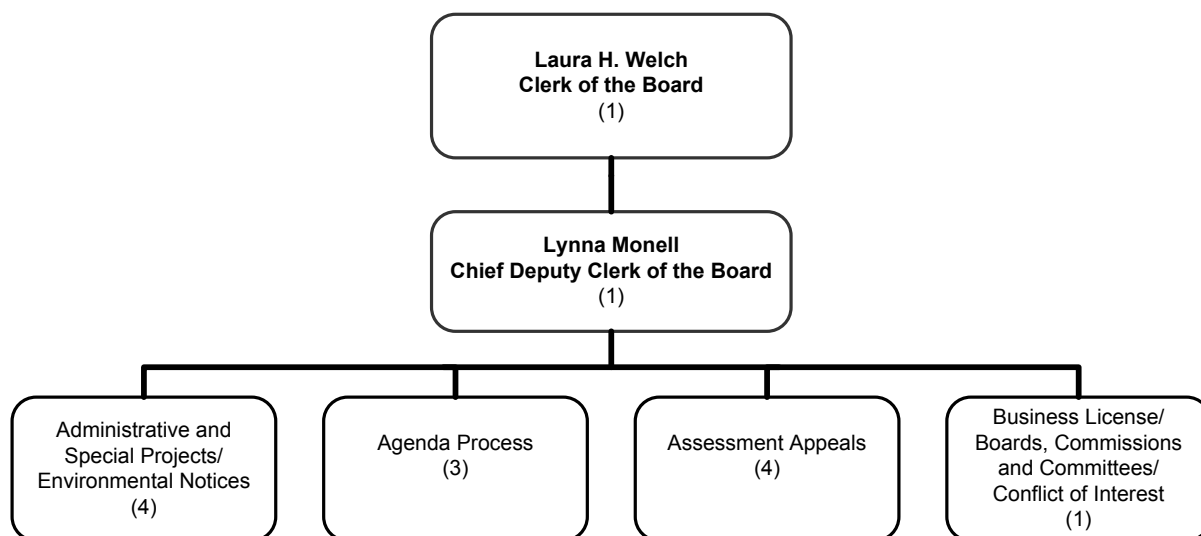

Laura H. Welch

DEPARTMENT MISSION STATEMENT

In support of the County Board of Supervisors, and in service to the public and fellow County staff, the Clerk of the Board of Supervisors: prepares and maintains records of actions taken by the Board of Supervisors; oversees membership of the County's boards, commissions and committees; licenses businesses operating in the County unincorporated areas; and facilitates the filing and hearing of appeals of assessed property valuations. Our service priorities are timeliness and accuracy. Our service commitments are courtesy and respect.

ORGANIZATIONAL CHART

2013-14 ACCOMPLISHMENTS

DESCRIPTION OF MAJOR SERVICES

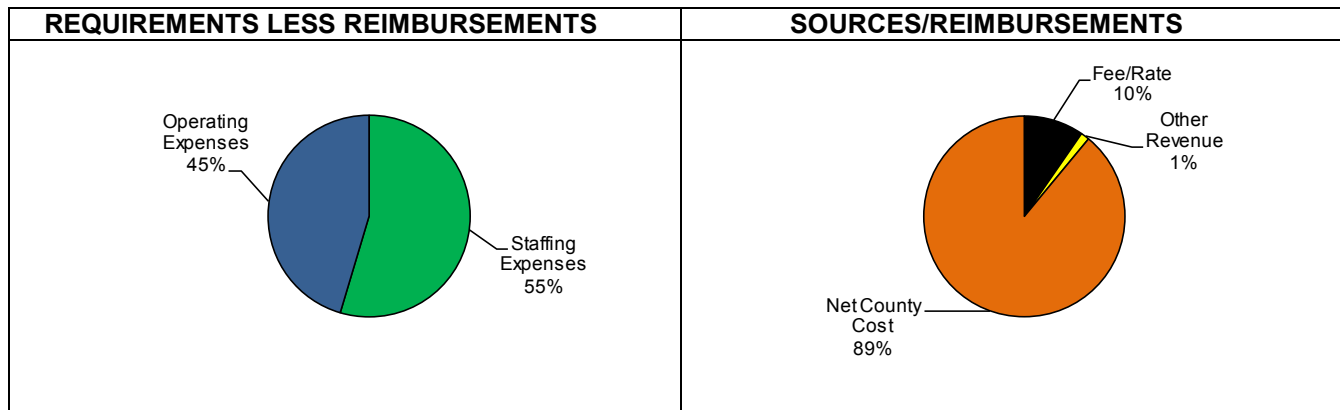

The Clerk of the Board (COB) provides legislative and administrative support services to the Board of Supervisors (Board). The COB coordinates, prepares and maintains minutes, ordinances, resolutions, contracts, agreements and other official records and documents related to meetings conducted by the Board. The COB coordinates the annual filing of financial disclosure documents in accordance with state law and local conflict of interest codes. The County has more than 150 advisory boards, commissions and committees (BCCs) and the COB maintains records and membership information for the County's BCCs. Responsibilities include posting of vacancies, processing of appointments and monitoring of ethics training for more than 1,000 BCC members.

In accordance with state law, appeals of assessed property valuation are heard and determined by the County's Assessment Appeals Boards (AABs). The COB provides staff support to the AABs, facilitating the filing, hearing and disposition of thousands of appeals annually. The County requires that businesses operating in unincorporated areas obtain and maintain a valid business license. The COB receives, reviews, and processes business license applications and issues licenses for approved businesses. The COB also: receives, posts and files environmental California Environmental Quality Act (CEQA) notices in accordance with State Department of Fish and Game requirements; accepts summonses, complaints, planning appeals, requests for tax refunds and Board correspondence; and responds to hundreds of requests for information and documents from County staff and the public.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Staffing expenses of \$1.2 million fund 14 positions which support functions of the Board of Supervisors and Assessment Appeals processing. Operating expenses of \$1.0 million include costs related to office expenses, vendor service contracts, application development maintenance and support costs, transfers, and assessment appeals costs.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$114,361 which includes a reduction of \$64,020 in staffing expenses due to the elimination of 1 limited term position and salary and MOU adjustments. Operating expenses are decreasing by \$50,341 primarily due to a reduction in COWCAP and Information Services Department charges. There are no anticipated capital expenditures for 2014-15. Sources are decreasing by \$65,285 primarily due to an anticipated reduction in the number of Assessment Appeals applications and fewer environmental notice filings, which will result in a decrease in fee revenue collected for these services.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$1.2 million fund 14 budgeted positions of which 12 are regular positions and 2 are limited term positions. Staffing changes include the deletion of 1 vacant Contract Assessment Appeals Processor position due to the reduction in the number of Assessment Appeals applications that the COB received in 2013-14. Operations will not be affected by the reduction as work duties will be assumed by the remaining program staff.

COUNTY ADMINISTRATIVE OFFICE

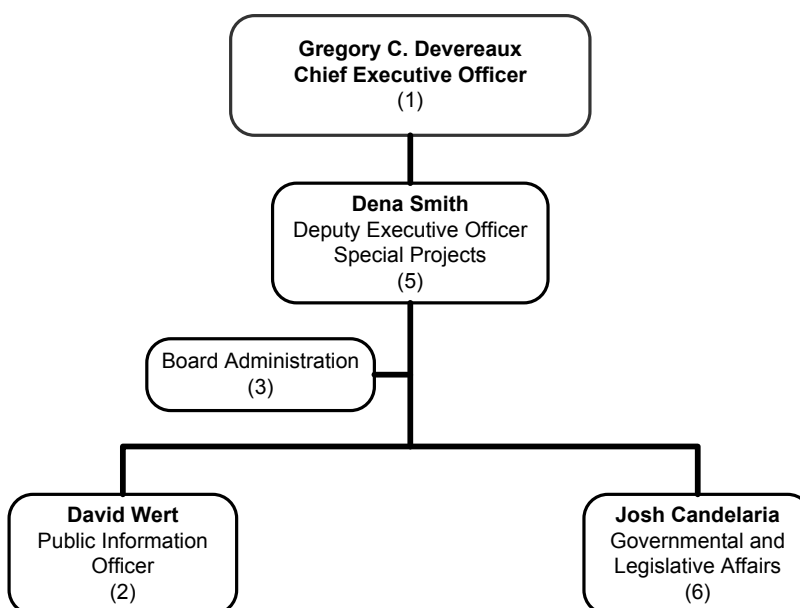

Gregory C. Devereaux

DEPARTMENT MISSION STATEMENT

The County Administrative Office ensures that departmental staff provides the Board of Supervisors with timely and accurate information and their best professional advice on policies and programs. The County Administrative Office also provides direction and coordination of staff, and ensures vigorous pursuit of Board goals and objectives and implementation of Board-approved programs in an effective and efficient manner.

ORGANIZATIONAL CHART

2013-14 ACCOMPLISHMENTS

- Coordinated Vision Project activities including Element group meetings and SANBAG Council of Government presentations.
- Launched VisionWire, a 'blog' format communications platform for sharing information about the Countywide Vision.
- Conducted a survey of County employees to assess familiarity with the Countywide Vision and the County Job and Paradigm. The survey had a participation rate of more than 60% and more than 6,000 employees exercised an option to describe how the work they do contributes to the Vision, Job and Paradigm.
- Implemented a system for development, review and reporting of department performance measures, tied to the Board-adopted County Goals & Objectives, as part of the annual and quarterly budget review process.
- Established Policy Review and Oversight Committees to oversee updates to the County Policy Manual. The Policy Manual has been reorganized and the online manual has been updated to improve search and print functions.
- Coordinated preparation of the fifth annual San Bernardino County Community Indicators Report.
- Participated in the statewide working group for AB 109.
- Initiated a project to establish a County logo and establish standards for its use.
- Launched updated CAO website as a resource for staff and the public.

- Oversaw development of a tracking tool to assist departments with contract monitoring. Most departments use Excel spreadsheets to track contract timelines and costs and this system includes a 'dashboard' that allows departments to continuously monitor contract status. It also provides an e-mail alert when a contract falls below established dollar and/or time limits.
- Sponsored legislation (SB 328) that allows the Board of Supervisors to approve use of construction manager at-risk construction contracts for buildings owned or leased by the County.
- Developed a procedures manual for the preparation of Board Agenda Items and conducted training for more than 600 County staff.

COUNTY GOALS AND OBJECTIVES AND DEPARTMENT PERFORMANCE MEASURES

COUNTY GOAL: IMPLEMENT THE COUNTYWIDE VISION

- Objective(s):**
- *Continue the County role of convening conversations on community collaboration and collective action.*
 - *Continue to support operation of the Countywide Vision Element Groups as they pursue activities to advance the adopted Regional Goals.*

- Department Strategy:**
- *Continue to oversee the Countywide Vision Project in partnership with SANBAG and facilitate activities of the Countywide Vision Element groups in support of the Regional Implementation Goals.*
 - *Continue to assess employee understanding of the Vision, Job and Paradigm and how our work supports them.*

COUNTY GOAL: IMPROVE COUNTY GOVERNMENT OPERATIONS

- Objective(s):**
- *Ensure that employees know that they and their work are valued.*

- Department Strategy:**
- *Launch 'Employee Showcase' as a forum for County employees to present innovative ideas in support of the County Goals to senior managers and the Chief Executive Officer.*

COUNTY GOAL: OPERATE IN A FISCALLY-RESPONSIBLE AND BUSINESS-LIKE MANNER

- Objective(s):**
- *Live within our means, funding the maintenance of infrastructure and facilities; the provision of state-of-the-art basic operating systems, liabilities, and reserves; while forming capital to strategically invest in the future.*
 - *Invest County resources in ways which create more ongoing revenue to invest in maintaining and improving services.*

- Department Strategy:**
- *Present a proposal for establishment of development impact fees as a mechanism for funding infrastructure facilities in County unincorporated areas.*
 - *Provide County departments with technical assistance in the pursuit of public or private grant funds that can help reduce General Fund obligations*

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Staffing expenses of \$3.1 million represent the majority of expenditures in this department and fund 17 budgeted positions. Operating expenses of \$1.9 million include the Fair Political Practices Commission contract and the federal and state lobbyist contracts. Reimbursements of \$544,697 fund a portion of staffing expenses (\$236,697) and operating expenses (\$308,000) and are received from other departments for services provided.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$533,296 due primarily to the elimination of one-time funding included in the 2013-14 budget for the Direct Giving Campaign, and the Grants Development and Non-Profit Capacity Building Initiatives.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$3.1 million fund 17 budgeted positions of which 16 are regular positions and 1 is a limited term position. There are no changes to budgeted staffing.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Staffing expenses represent a large majority of the department's requirements. Other significant expenses include expert witnesses, professional services, publications, travel/training, computer charges, and facility costs. These expenses are primarily offset through reimbursements and revenue received from clients for providing services.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$33,618 due to retirement cost increases and additional charges for Risk Management and Information Services departments' services, as well as increases in legal advertising and professional services. The increase in reimbursements offsets the majority of the additional staffing and operating expenses.

Sources are increasing by \$30,080 due to increased revenue for legal services.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$13.0 million fund 86 budgeted positions of which 81 are regular positions and 5 are limited term positions. Budgeted staffing changes reflect the following:

- Addition of an Office Assistant III to help with workload issues in the Human Services Appeals unit.
- Addition of an extra help County Counsel Paralegal to assist the department with document management.
- Deletion of a vacant, extra help position (Principal Assistant County Counsel).

In addition, the budget includes the following 2 reclassifications to more accurately reflect the duties and responsibilities of the positions:

- Executive Secretary III to County Counsel Executive Assistant.
- Fiscal Assistant to Accounting Technician.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Staffing expenses of \$3.1 million fund 18 budgeted positions. The majority of reimbursements are from Health Administration, County Fire, and Indigent Defense for administrative oversight.

BUDGET CHANGES AND OPERATIONAL IMPACT

Staffing expenses are increasing, partially offset by an increase in reimbursements, to fund 2 contract positions for Indigent Defense administration and for increased reimbursement for Finance and Administration staff time dedicated to Health Care Administration. Requirements are increasing \$28,033 primarily due to increased retirement costs.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$3.1 million fund 18 budgeted positions of which 15 are regular positions and 3 are limited term positions. The budget includes an increase of 3 positions. An Administrative Analyst III position is being added to the budget that previously resided in Health Administration. Two contract positions, an Indigent Defense Analyst and Indigent Defense Clerk, are being added to administer Indigent Defense Conflict Panel contracts and non-contract court appointed defense services as a result of the County assuming this responsibility from the Courts. These 2 positions are fully reimbursed by the Indigent Defense budget unit. Additionally, the budget includes a reclassification of a vacant Administrative Analyst III to a new Chief Administrative Analyst classification. This position will provide analysis and oversight of the County's Law and Justice Departments' programs and budget.

BUDGET CHANGES AND OPERATIONAL IMPACT

This budget unit is currently used as a suspense account to track payments by state and federal agencies for reimbursable disaster recovery efforts that are then distributed to County departments.

STAFFING CHANGES AND OPERATIONAL IMPACT

There is no staffing associated with this budget unit.

FLEET MANAGEMENT

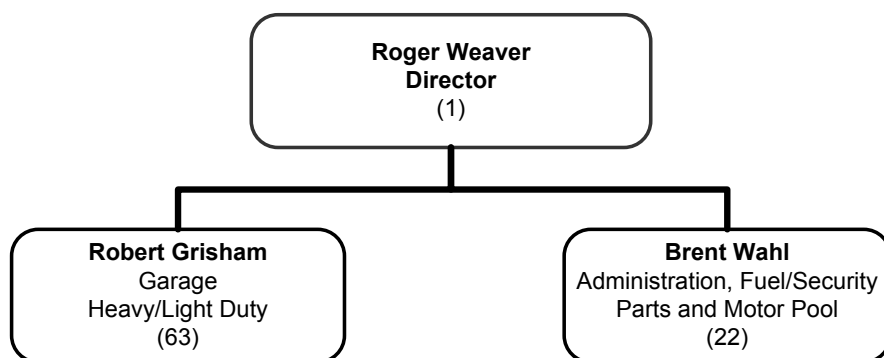

Roger Weaver

DEPARTMENT MISSION STATEMENT

The Fleet Management Department provides vehicles, equipment, and related services to the officials and employees of the County so that they may, in turn, provide services that promote health, safety, well being, and quality of life to the residents of the County.

ORGANIZATIONAL CHART

2013-14 ACCOMPLISHMENTS

- Consolidated Garage and Motor Pool into one operating fund. This consolidation will provide greater flexibility in eliminating department silos and centralizing administrative functions.
- Collaborated with Workforce Development Department and the Career Institute to develop a training program for youth, ages 18-21, for automotive technician careers.
- Drafted Standard Practices for Disaster Fuel Supply, establishing a five day fuel supply plan for the County, and Emergency Generator Operations.
- Standardized revenue contract with outside public agencies for fueling services.
- Upgraded existing Fleet Management Information System (FMIS) to a web-based version providing for more flexible department and customer use. Obtained a \$240,000 discount by accepting a flexible implementation schedule during the upgrade process.

COUNTY GOALS AND OBJECTIVES AND DEPARTMENT PERFORMANCE MEASURES

Fleet Management

DESCRIPTION OF MAJOR SERVICES

Fleet Management's Garage Division provides fuel, maintenance, repair, fabrication, generator, and emergency field services for the majority of the County's fleet of vehicles and heavy equipment.

Fleet Management's Motor Pool Division has ownership and/or maintenance responsibility for approximately 1,820 automobiles, vans, pickup trucks and various specialty vehicles/equipment assigned to County departments. The Motor Pool coordinates collection and distribution of vehicle replacement funds, fuel, maintenance, insurance, overhead and other operational costs of fleet vehicles.

The Fleet Management budget unit is an internal service fund (ISF). All operational costs are financed through Board-approved rates. As an ISF, any unrestricted net assets available at the end of a fiscal year are carried over to the next fiscal year to provide working capital, finance the replacement of fixed assets, and fund capital improvements. Any excess/shortage is incorporated into the rate structure during the annual rate review process.

Also included in this budget unit is the department's Earned Leave Fund. This Fund was established to set aside an amount for paid time off earned by employees but not yet taken. The department's Earned Leave Fund is projected to have a cash balance of approximately \$211,000 by the end of 2014-15.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Operating expenses of \$35.7 million are budgeted for 2014-15. The more significant of these expenses include costs for fuel purchases (\$9.7 million), automotive parts and sublet services (\$5.9 million), transfers to the Architecture and Engineering Department for several capital improvement projects (\$2.7 million), County Fire-Vehicle Services Division staff due to consolidation of fleet operations (\$2.7 million), auto liability insurance (\$1.2 million), various County support charges (\$1.0 million), and Global Positioning System (GPS) services (\$465,100). Also included is \$10.8 million of intra-fund transfers between the Garage and Motor Pool divisions for vehicle usage costs and administrative overhead.

Capital expenditures of \$4.8 million include purchases for the following new vehicles and equipment: trucks/sport utility vehicles (\$1.7 million), vans (\$1.4 million), sedans (\$1.2 million), and various other fixed assets (\$443,400).

Sources of \$33.8 million include, but are not limited to, the following: \$19.6 million from other County departments and outside agencies for fuel supplied and vehicle maintenance/repair services, \$13.2 million from other County departments for vehicle lease and usage charges, and \$700,000 from sale of fixed assets at auction.

The negative net budget of \$2.7 million is primarily the result of an above average number of capital projects planned for 2014-15. These projects include repaving at the Lena Road complex (\$1.5 million), fuel tank infrastructure improvements (\$809,000), Barstow Service Center expansion (\$250,000), and other smaller projects totaling \$200,000. Although these projects are funded in 2014-15 from a portion of the department's unrestricted net assets, the project costs will eventually be recovered through the rate structure over the lifetime of the assets.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$2.1 million which includes additional appropriation for transfers to the Capital Improvement Fund for various capital improvement projects (\$2.7 million), purchase of automotive parts and sublet repair services (\$930,000), and auto liability insurance (\$106,125). These increases are partially offset by decreases in budgeted vehicles (\$471,000), purchases of fuel (\$396,600), and COWCAP charges (\$130,682).

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$7.8 million fund 86 budgeted regular positions. Budgeted staffing contains the addition of a Motor Fleet Maintenance Superintendent. This new position is needed to support the redistribution of workload associated with additional oversight of the County Fire-Vehicle Services Division, pending structural changes within the department, and new projects. The cost of this position is included in the Department's 2014-15 rate structure. Budgeted staffing also includes the deletion of 2 vacant positions (1 Fuel and Security Supervisor and 1 Storekeeper). The duties and responsibilities of these 2 deleted positions will be distributed to existing staff.

In addition, this budget includes the reclassification of a Motor Fleet Mechanic I to Motor Fleet Mechanic II to more accurately reflect the duties and responsibilities of the position.

HUMAN RESOURCES

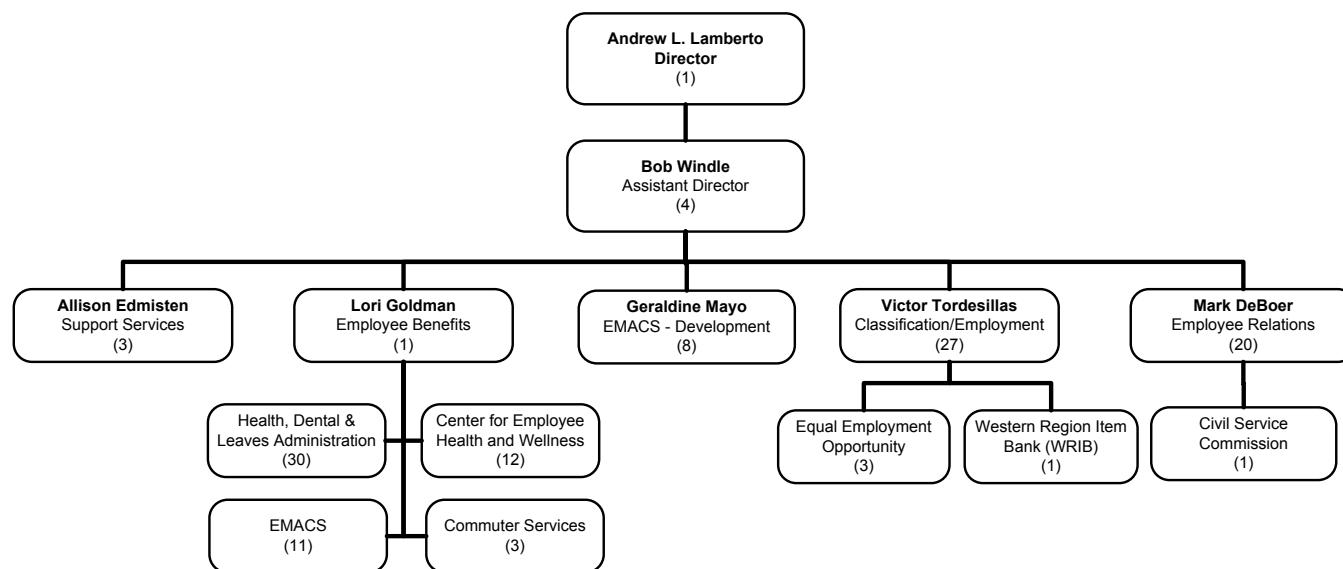

Andrew Lamberto

DEPARTMENT MISSION STATEMENT

The Human Resources Department is committed to providing effective customer service to all departments, employees, and constituents of the County of San Bernardino, through the timely delivery of innovative, quality human resources systems, programs, and services.

ORGANIZATIONAL CHART

2013-14 ACCOMPLISHMENTS

- Countywide Master Student Internship Agreements – continued efforts to secure master internship agreements to allow departments to offer unpaid interns hands-on work experience in their field of study while fulfilling an academic training requirement.
- 457(b) Deferred Compensation Plan Roth Option – introduced the Roth after-tax option for its 457(b) Deferred Compensation Plan. This option, offered alongside the County's traditional 457(b) pre-tax plan, allows employees greater flexibility in determining when plan contributions will be subject to federal income tax.
- Retirement Savings Awareness Campaign – In July 2013, HR launched an intensive educational/promotional campaign to educate employees about the benefits of saving for retirement. The theme of, "The Wonderful Wizard of Retirement Savings" was used as it has relatable and recognizable appeal to the County's multigenerational employee base. The campaign generated an estimated annual increase of \$637,000 in employee deferrals for their future retirement. The success of the campaign garnered the County a coveted First Place win for the 2014 Pension & Investment "Eddy" award.
- The Equal Employment Commission hosted its 3rd annual EOC Diversity Forum, "Navigating a Diverse Workforce," in October of 2013. In keeping with the County's Vision, the Forum emphasized the value of diversity, the County's commitment to EEO, and each department's integral role in outreach, recruitment, and succession planning.
- Conducted an audit of EMACS County payroll and benefit processes. A committee meets weekly to analyze, discuss, and interpret the economic provisions in the 13 MOU's and 3 compensation plans to ensure accurate implementation and programming of compensation and benefit provisions.

- Health Net One Way Risk Sharing Agreement – In December 2011, the County and Health Net entered into a one-way risk sharing financial arrangement. Under this arrangement, if the total amount of premiums Health Net received during Plan Year 2011-12 for the Elect Open Access Plan for active employees exceeded the County's incurred health care costs plus retention, then the excess revenue, up to \$1.5 million, would be returned to the County to be used for further benefit considerations to County employees. This agreement posed no risk to the County. In June, 2012, Health Net conducted a reconciliation of all health care and administration expenses paid by the Groups and determined that a surplus of \$1.5 million was due to the County.
- Health Plan Contract Performance Guarantees – the County's health plans are held accountable for meeting reasonable service targets by including performance guarantees in all health plan contracts. These guarantees typically establish a certain percentage of premium at risk should the health plan fail to annually meet certain metrics. As a result of having these performance guarantees in place, in January 2014 the County received \$218,289 from Blue Shield of California.
- Partnered with the Department of Public Health, which provided support to the Healthy San Bernardino Coalition's Downtown San Bernardino Farmshare Market. This collaborative effort with the City of San Bernardino provided increased opportunities for County employees to purchase locally grown produce. County employees accounted for 22% of participation in this program during the Fall 2013 campaign.
- Interagency "Biggest Loser" Competition – In collaboration with Los Angeles County, Riverside County, and our County's health insurance providers, Human Resources co-sponsored the first ever interagency "Biggest Loser" competition. This program is intended to help reduce obesity rates and prevalence of associated chronic diseases among County employees. Improving the health of the County's workforce will help reduce the health plans' utilization and ultimately the health premium costs for the County and its employees.

COUNTY GOALS AND OBJECTIVES AND DEPARTMENT PERFORMANCE MEASURES

COUNTY GOAL: IMPROVE COUNTY GOVERNMENT OPERATIONS

- Objective(s):**
- *Monitor and evaluate operations and implement strategies to continually improve efficiency and effectiveness.*

- Department Strategy:*
- *To ensure compliance and avoid Affordable Care Act penalties, follow the current action plan to ensure all aspects of administration and reporting are addressed.*
 - *On an annual basis, audit specified components of the EMACS system in order to ensure compliance with Federal, State and MOU requirements and overall accuracy of the payroll and recordkeeping function. For 2014-15 this activity will include review of overtime/Fair Labor Standards Act (FLSA) provisions.*
 - *In accordance with the Countywide Vision, implement a strategy to increase department awareness and support for outreach, educational and training activities focused on ensuring a County workforce that reflects the diversity of our community. This strategy will include the establishment of approximately 4 departmental committees/year that will work in collaboration with HR to plan and implement department-specific strategies for diversity including recruitment, mentoring and outreach activities.*

Human Resources

DESCRIPTION OF MAJOR SERVICES

The Human Resources Department administers the County's human resources programs. This includes the responsibility for recruitment, employment testing, and certification of eligible candidates; establishment and maintenance of classification and compensation systems and practices; employee relations; employee benefits; systems and program administration for the Employee Management and Compensation System (EMACS); and the Equal Employment Opportunity Office. Human Resources also shares responsibility, through a partnership with Human Services, for Countywide organizational and employee development.

In addition, the department is responsible for the management of the Western Region Item Bank (WRIB), a cooperative, computer-based test question bank used by 120 public agencies to develop employment tests. Each WRIB participating agency pays an annual fee.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Staffing expenses make up the majority of the department's expenditures within this budget unit. These expenses are necessary to provide human resources services to the County's approximately 20,000 employees. Sources primarily represent revenue from WRIB memberships and reimbursements from other departments for administrative services provided.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$124,593 primarily as a result of increased staffing costs. These costs are rising due to retirement cost increases and multiple upcoming retirements for long term employees which has resulted in an increase in termination benefits. These increases are offset by an increase in reimbursements for staffing costs charged to departments for services provided. In addition, operating expenses are increasing due to the ISD development costs for the new software application for WRIB.

The Net County Cost for the department is primarily increasing as a result of a one-time allocation of \$150,000 for the development of the new software application mentioned above for WRIB.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$9.1 million fund 79 budgeted regular positions. The budget includes the reclassification of a Personnel Technician to an Office Specialist for the WRIB section of the Employment Division.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Staffing expenses make up the majority of the department's expenditures in this budget unit for 2014-15. These expenses are necessary in order to provide employee and applicant pre-placement and in-service medical examinations to the County's approximately 20,000 employees, as well as employees of various external agencies. Revenue is collected for various pre-placement and in-service medical examinations, through fees charged in accordance with the County's fee ordinance.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$72,246 and revenue is increasing by \$83,593 primarily as a result of increased fees for services provided. The CEHW is completely fee based and departments will be billed based on a fee for service.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$1.2 million fund 12 budgeted positions of which 9 are regular positions and 3 are limited term positions. There have been no staffing changes in this budget unit.

Unemployment Insurance

DESCRIPTION OF MAJOR SERVICES

This is a mandated program based upon a 1978 amendment to the California Unemployment Insurance Code extending unemployment insurance benefits to all public employees. Management’s objective for the program is cost containment. Unemployment insurance claims filed by former County employees are monitored, reviewed for eligibility, and challenged when appropriate to prevent abuse of the program.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Staffing expenses of \$3.9 million represent the amount budgeted for unemployment claims to be paid during 2014-15. Operating expenses of \$71,786 represent the quarterly payment for administration of the unemployment insurance claims, as well as transfers for internal staffing expenses for administration of the program.

BUDGET CHANGES AND OPERATIONAL IMPACT

There are minimal changes to this budget unit.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$3.9 million do not fund any positions. As mentioned above, staffing expenses represent the amount budgeted for unemployment claims.

Commuter Services

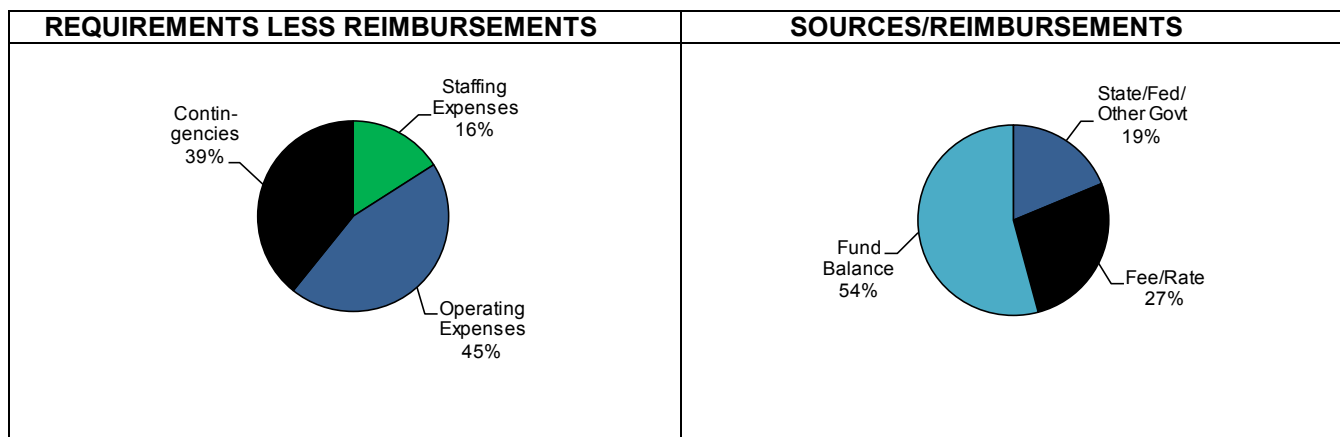

DESCRIPTION OF MAJOR SERVICES

The Commuter Services budget unit was established to account for funds received under AB 2766 to fund mobile source air pollution reduction programs. AB 2766 authorizes air pollution control districts to levy fees on motor vehicles to be used to reduce air pollution. Under this program, the Department of Motor Vehicles collects fees and remits amounts to the appropriate Air Quality Management District (AQMD) for vehicles registered within the district. This budget unit receives AB 2766 funding from both the South Coast Air Quality Management District (SCAQMD) and the Mojave Desert Air Quality Management District (MDAQMD).

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Operating expenses make up the majority of the expenditures within this budget unit. These expenses include charges for operating vanpools and other ride share programs. Sources include payroll deductions from employees participating in the rideshare programs, as well as funds from the Air Quality Management Districts.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are rising slightly as a result of escalating rideshare costs due to anticipated increased participation. These costs are offset by employee payroll deductions which accounts for the increase in sources for this budget unit.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$250,613 fund 3 budgeted regular positions. There have been no staffing changes in this budget unit.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Staffing expenses make up the majority of the department's requirements within this budget unit. These expenses are necessary to manage the County employee health, dental, vision, life insurance and integrated leave plan benefits. Sources of \$3.4 million primarily represent revenue from administrative fees for managing the employee benefit programs.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$697,283 as a result of an additional position, and increased costs for computer replacement, desktop support, and data processing. This increase in expenses is offset with additional revenue collected for Family Medical Leave (FML) administration fees and the use of a portion of fund balance. During 2014-15 the administrative charges that are collected from employees participating in benefit plans and programs will be reviewed as these charges are meant to offset increases in operating costs. Contingencies have increased due to an increase in available fund balance for future one-time costs.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$2.6 million fund 31 budgeted positions of which 29 are regular positions and 2 are limited term positions. The department is adding a Fiscal Specialist position to assist with the accounts receivable and accounts payable for health and dental premiums.

INFORMATION SERVICES DEPARTMENT

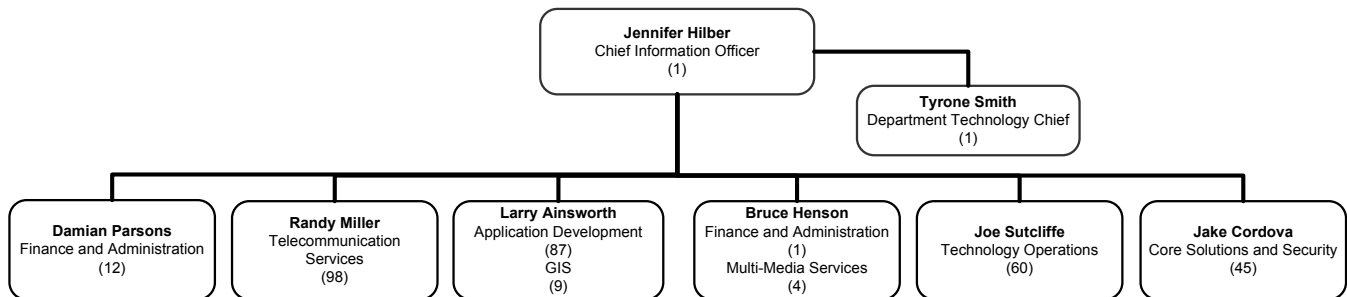

Jennifer Hilber

DEPARTMENT MISSION STATEMENT

The Information Services Department provides contemporary, innovative, secure and accessible technology in computer, media and communication services in the most cost effective manner, enabling departments and agencies to accomplish the mission of San Bernardino County.

ORGANIZATIONAL CHART

2013-14 ACCOMPLISHMENTS

- Deployed a new enterprise Help Desk solution to facilitate problem resolutions and new service requests.
- Improved performance by 50% by completing an upgrade of the County's mainframe (enterprise server) and successfully tested its disaster recovery capabilities.
- Continuous implementation of server virtualization technologies as well as integrating enterprise level network storage solutions that reduces costs and waste, while improving productivity.
- Implemented an enterprise mobile device management solution that allows the management of County data on County-owned and personal mobile devices.
- Consolidated disparate systems that support telecommunication and radio services to provide service request tracking, billing capabilities, work order processing, equipment programming and inventory and asset tracking.
- Obtained Board approval to upgrade the County's public safety radio and microwave network systems to digital capable over the next seven years.

COUNTY GOALS AND OBJECTIVES AND DEPARTMENT PERFORMANCE MEASURES

COUNTY GOAL: OPERATE IN A FISCALLY-RESPONSIBLE AND BUSINESS-LIKE MANNER

Objective(s): • *Implement information management best-practices that will unify technology platforms and move toward a standardized enterprise approach.*

Department Strategy: • *Unify the County's enterprise telecommunication services by improving telecommunication functionality and supportability. For 2014-15 convert 14% (2,899) of all County telephones to Voice Over Internet Protocol (VOIP) technology. The total project will take approximately seven years to complete.*

• *To provide a high availability data center infrastructure to house critical equipment that supports the County's mission.*

Measurement	2012-13 Actual	2013-14 Target	2013-14 Actual	2014-15 Target
Complete the current year's task for migration to VOIP technology.	100%	100%	75%	100%

Note: Beginning in fiscal year 2012-13, Capital Expenditures have been included and Depreciation has been excluded in Requirements in enterprise and internal service funds for budgetary purposes. In the table above, prior years have been restated for consistency.

GIS and Multi-Media Services

DESCRIPTION OF MAJOR SERVICES

ISD's Geographical Information System team (GIS) provides products and services to all GIS stakeholders including County Departments and other regional government entities. The County frequently uses GIS aerial imagery to readily respond with accurate information to daily requests and emergency situations as needed. The County's populated areas and landscapes change from year to year resulting in necessary updates to GIS data. This data is collected by aerial photography taken by flyovers of the County.

ISD's Multi Media Services (MMA) provides support to the Clerk of the Board for Board of Supervisor meetings that typically occur on a bi-weekly basis. The division also supports other types of meetings including, but not limited to, Assessment Appeal Hearings, Planning Commission, Board Committee Meetings and other general meetings.

This budget unit formerly included the Application Development Division, which provides maintenance, support and enhancement services for County computer systems. This division is budgeted in a new internal service fund in 2014-15 as the services provided by this group primarily support County departments and recover all costs via a billable hourly programming rate.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Staffing expenses account for the majority of requirements in this budget. Computer software and hardware expenditures are also critical for the support of all GIS and MMA work. Internal overhead expenditures support all administrative functions provided to these service units.

GIS revenue consists of fee-based revenue for maps and aerial imagery. These services are provided both for other County departments as well as outside customers. MMA does not receive any outside revenue as this service unit is fully supported by Net County Cost.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements and sources are decreasing by \$13.5 million as a result of the Application Development division being accounted for in an internal service fund. In prior years, the Application Development division resided in the general fund with GIS and MMA. This results in the transfer of 87 positions to the new internal service fund and a decrease of \$11.3 million in staffing expenses in this budget unit.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$1.3 million fund 13 budgeted regular positions. The decrease of 87 positions is a result of the Application Development division being accounted for in an internal service fund beginning in 2014-15.

Computer Operations

DESCRIPTION OF MAJOR SERVICES

The Computer Operations division provides enterprise data center services and a portion of the County's communications services to County departments on a 24/7 basis. The Division is comprised of three sections: Finance and Administration, Technology Operations and Core Solutions and Security. This budget unit is an internal service fund, which allows for net assets available at fiscal year-end to be carried over to the next fiscal year to be used as working capital or for replacement of fixed assets.

Finance and Administration provides support to the entire Information Services Department for processes related to budget, contract administration, rate/fee development, accounts payable and accounts receivable.

Technology Operations provides for the design, operation, maintenance and administration of the County's Enterprise Data Center which supports the County's enterprise server and includes server management for physical and virtual servers, integrated document imaging infrastructure for digitizing paper records, and print operations for bulk printing functions required by the County.

Core Solutions and Security provides the County with global email, security direction and technology policies and procedures, handles service requests and technical services that support desktop communications and functions across the County, and assists departments in ensuring that their technology and business objectives are achieved.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Staffing expenses of \$13.4 million is a main component of the expenditures in this budget unit. These expenses are necessary in order to provide support for the County's mainframe and servers, and technical services that support County departments' communications services.

Operating expenses of \$19.5 million include but are not limited to, computer software costs, application development support and maintenance charges, and equipment maintenance.

Capital expenditures of \$2.1 million include equipment and software purchases. Equipment purchases of \$2.0 million represent \$1.0 million for regular equipment replacement, \$600,000 for the additional CPU memory

required as a result of moving the FileNet system for document management to the enterprise server, and \$400,000 for emergency purchases.

Reimbursements of \$8.3 million represent internal administrative allocations, intra-fund revenues, and reimbursements from Risk Management to fund 2 positions.

Sources of \$22.0 million are comprised of central computer revenues and other information technology services revenue.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$1.0 million primarily due to a decrease in reimbursements of \$1.8 million as the result of a reduction in COWCAP charges allocated to all ISD budget units, the elimination of storage growth reimbursement from County departments, and the internal administrative services and supplies cost allocation.

Sources are decreasing by \$2.4 million due to the elimination of \$1.7 million in budgeted revenue attributable to prior years that funded Capital Improvement Projects to repair and maintain the data center infrastructure and elevator refurbishment. Other reductions include decreased revenues for desktop support and hourly support services due to a lower demand for services. SharePoint and Virtual desktop service offerings and associated revenues are now being provided as part of Infrastructure services and revenues have been shifted accordingly.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$13.4 million fund 120 budgeted regular positions and are increasing by \$254,556 as a result of the transfer in of 2 positions from Risk Management to Computer Operations as part of the overall effort to consolidate information technology services and the internal transfer of 2 positions from the Telecommunication Services due to a shift in workload. In addition, retirement costs have increased. These increases are being offset by the deletion of 1 Automated Systems Technician position due to the decreased demand for service for this classification.

Telecommunication Services

DESCRIPTION OF MAJOR SERVICES

The Telecommunication Services division provides for the design, operation, maintenance and administration of the largest county-operated telecommunications phone network in the country; the County's Regional Public Safety Radio System that integrates all Countywide sheriff, police and fire emergency radio dispatch capabilities; the paging system; and the Wide Area Network (WAN) that securely joins County users together for the efficient use of technology. The Telecommunication Services Division manages the Countywide microwave system that provides transport capabilities for each of the individual systems listed above.

The County's Regional Public Safety Radio System is in the process of being upgraded. Ongoing discretionary general funding of \$20.0 million continues to be allocated for the 800 MHz Upgrade Project to address the aging public safety radio system. The revised estimated cost of the project is \$158.2 million. \$64.0 million has been funded to date and an additional \$20.0 million is funded in 2014-15. Approximately \$5.0 million has been expended, including infrastructure to support the upgrade at the High Desert Government Center Public Safety Operations Center and a consultant contract with Motorola to assist in the planning and implementation of the system upgrade.

*Net Budget reflects Total Sources less Total Requirements for Internal Service and Enterprise funds. When Net Budget is negative, it means that the department will be using assets that have been carried over from the prior year.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Staffing expenses of \$11.3 million fund positions that are responsible for the maintenance and administration of the County's phone network, radio system, paging system, the Wide Area Network and the Countywide microwave system. Operating expenses of \$21.6 million fund telephone, and radio systems, WAN, and other communications related costs.

Capital expenditures of \$3.6 million fund the following:

- \$600,000 for radio system upgrades and enhancements,
- \$400,000 for Voice Over Internet Protocol (VOIP) hardware,
- \$200,000 for Pinnacle software modules,
- \$100,000 for microwave test equipment,
- \$300,000 for additional disaster recovery site equipment, and
- \$2.0 million for hardware replacement and upgrades

Sources of \$28.6 million include the revenue from the many services the department provides. Two primary services are the telephone and radio systems, which support a multitude of internal and external customers. This revenue funds mission critical services to public safety in pursuit of the County's overall goals and objectives. In 2014-15, revenue will be used to fund infrastructure enhancements and upgrades to the telephone system, and maintenance and support of the existing radio system as well as software to administer these respective systems to ensure efficient operations.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$4.7 million due to the purchase of three years of SMARTnet wide area network maintenance and support for ISD and other County departments in 2013-14 and due to the transfer of the radio system coverage project to the Capital Improvement Program budget. Purchasing three years of SMARTnet services allowed the County to receive a significant discount from the vendor.

Sources are decreasing by \$3.0 million primarily as a result of a reduction in the use of revenue attributable to prior years that was budgeted in 2013-14 to purchase three years of SMARTnet services wide area network maintenance and support for ISD and other County departments. Other decreases in sources include a reduction in radio service related revenues due to corrections in billable units for County departments. These decreases are offset by increases for telephone services and data and cabling revenues due to increases in service demand.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$11.3 million fund 98 budgeted regular positions. In 2014-15 the department added 4 positions as a result of workload requirements: 1 Communications Technician III, 1 Business Systems Analyst III, 1 IT Technical Assistant II, and 1 Office Assistant III. The Business Systems Analyst III will manage the new operational support systems for telephone and radio services and the Communication Technician III will function as a lead on large projects for County departments.

These additions are offset by 2 positions transferred out of the Telecommunication Services division to other ISD funds as the result of new assignments: 1 Office Assistant II and 1 Product Specialist.

Application Development

DESCRIPTION OF MAJOR SERVICES

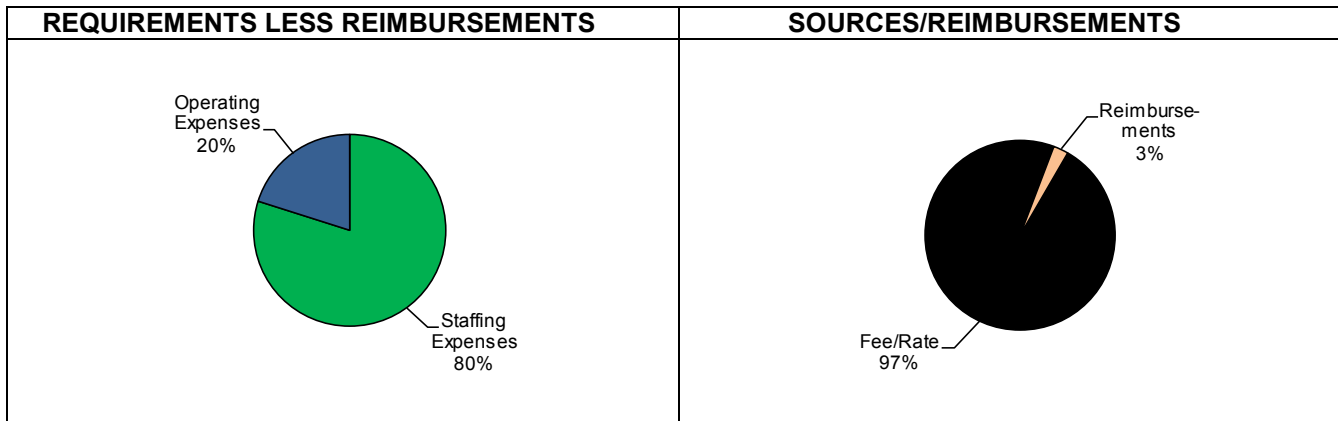

The Application Development division provides support for County departments as they develop, enhance and maintain business applications on a variety of hardware and software platforms. These applications include the County's enterprise accounting, payroll, budget, personnel, document imaging, public web sites, and many other business line systems. ISD consults with departments to identify cost effective ways of conducting business and often provides business process reviews, cost analysis, and overall recommendations in the acquisition and integration of new systems.

This budget unit (previously AAA ISD ADD) was traditionally funded by Net County Cost. In 2013-14 the Net County Cost allocation was replaced with revenue from charges for Application Development maintenance and support. This division is budgeted in a new internal service fund in 2014-15 as this group primarily provides services to County departments and recovers all costs via a billable hourly programming rate.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Staffing expenses of \$11.2 million account for the majority of requirements in this budget unit. The staff supports business systems and applications. Computer software and hardware expenditures are essential for the provision of application development services. Internal overhead expenditures are necessary for the support of all administrative functions provided to these divisions.

Application Development revenue is received for maintenance and enhancement of computer applications and systems for County departments and external customers.

BUDGET CHANGES AND OPERATIONAL IMPACT

The Application Development division was previously part of ISD's general fund budget unit (AAA ISD ADD). In 2014-15, Application Development will be moved to an internal service fund (ISF) (IPD ISD ADD). Beginning in 2013-14, the Net County Cost that funded the application development services was allocated to the budgets of locally funded County departments who were then billed by ISD for application development services rendered. As a result, this division is being transitioned to an internal service fund. The department is requesting approval to loan the new internal service fund an amount not to exceed \$2.3 million from the retained earnings of the ISD Telecommunication Services fund (IAM ISD) to cover operating expenses. This amount represents two months of operating expenses and is to be repaid in full including interest in three years, by June 30, 2017, through any budgetary savings or revenues realized that exceed budget.

Staffing expenses for the ISF are increasing by \$11.2 million primarily as a result of the application development services being accounted for in this new fund as mentioned above and for salary step advancements and retirement increases for existing staff. These increases are offset by a decrease of \$162,304 due to a reduction in MOU costs as well as indemnification costs. The 87 positions from the Application Development general fund (AAA ISD ADD) have been transferred to the new internal service fund (IPD ISD ADD).

Operating expenses are increasing by \$2.8 million as a result of expenses moving to the new internal service fund. Of this increase, \$64,980 is due to an increase in central services costs, mainly in computer operations costs, as well as an increase in travel for technical training. These increases are offset by reductions in services and supplies, as well as a decrease in transfers for internal overhead cost allocations.

Reimbursements reflect an increase of \$355,246 as a result of the new fund. Of this increase, \$116,990 is due to internal cost allocations for division overhead expenses. The reimbursement from Behavioral Health to fund 2 programmer positions remains unchanged.

Sources reflect an increase of \$13.6 million as a result of the new fund. This includes an increase of \$103,315 due to an increase in the hourly labor rate.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$11.2 million fund 87 budgeted positions of which 86 are regular positions and 1 is a limited term position for EMACS support. There are no new positions for 2014-15.

DEPARTMENT MISSION STATEMENT

The Purchasing Department supports the local economy by ensuring a business friendly environment, while creating operational efficiencies and cost savings in the acquisition of goods and services. We offer exceptional customer service, employ innovative processes and technology, and apply industry best practices.

ORGANIZATIONAL CHART

2013-14 ACCOMPLISHMENTS

- Reduced purchase order cycle time from requisition to issuance by more than 55% since inception of the electronic procurement (ePro) network.
- Completed the first annual internal controls assessment of ePro, focused on separation of duties for ordering, approving, receiving, and payment.
- Implemented a major upgrade to the electronic procurement system, improving system controls and security, business intelligence, and procurement functionality for bids and purchase orders.
- Received the 18th Annual Award for Excellence in Procurement from the National Procurement Institute, with improved scores in staff professional development.
- Identified new Countywide contracts for fire sprinkler repair and inspection, generators, and emergency kits, to aggregate volume and reduce cost.
- Hosted a successful vendor show with representation by more than 180 local, regional, and national firms, and attended by hundreds of County staff and representatives from other local public agencies.
- Achieved an 88% vendor satisfaction rate for customer service, training, and bidding practices, with more than 800 vendors surveyed.
- Developed a buyer support model that dedicates buyer time with large, complex departments – initially the Medical Center and Sheriff's Department.

Purchasing

DESCRIPTION OF MAJOR SERVICES

The Purchasing Department emphasizes customer service by supporting departments in the procurement of goods and services and also by managing vendor relationships. Buyers facilitate the procurement process for equipment, services, and supplies, administer contracts and the CAL-Card program, and promote cost-saving initiatives throughout the County. In addition, the department provides in-house printing, mail, surplus property disposition, and storage services which are accounted for in the department's three internal service funds.

The Purchasing Department; values integrity, and strives to source quality products with reasonable prices and efficient delivery; offers progressive services and information management through the efficient use of technology and an enterprise procurement system; gives all willing vendors the opportunity to provide their products and services in a fair, open, and competitive environment; and treats each department, employee, and vendor with respect and understanding. By meeting these objectives, the department fulfills its purchasing obligations and the legal requirements of San Bernardino County.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Operating expenses make up the majority of the department's expenditures within this budget unit. These expenses include \$2.7 million for County office supplies, which are reimbursed by user departments, and \$362,224 in ongoing expenses for ePro.

Sources of \$590,504 includes \$327,504 from the service charge for administering the County office supply program and consolidated billing, as well as \$263,000 from various rebate agreements associated with Countywide procurement programs.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$136,873 and include increases in staffing and operating expenses, reductions in capital expenditures, and increases in reimbursements associated with the office supply program. The increase in reimbursements totaling \$379,792 includes reimbursement for increased Countywide office supply expenses, reimbursement for a dedicated Buyer II for Fleet Management, and reimbursements from internal service funds for administrative services and overhead. Sources are increasing by \$33,428 related to increased Countywide office supply usage and a projected increase in the rebate earned from the CAL-Card program.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$2.1 million fund 22 budgeted regular positions. The budget includes the addition of the following 2 new positions:

- 1 Buyer II position to be assigned to and funded by Fleet Management to enhance service delivery related to Fleet procurement processes.
- 1 Supervising Office Assistant to supervise support staff within the department, as well as oversee the consolidated billing process.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Operating expenses of \$2.8 million fund the costs of materials, outside printing services, production copiers and equipment maintenance. Capital expenditures of \$732,300 fund the purchase of capital assets including a printing press, a hand lift, and envelope feeder.

Expenses are charged to County departments and outside agencies through the rates that the department develops annually. After conducting a rate study, the department adjusted rates for each service that the department provides. These increases and decreases will result in a net decrease in revenue but will align revenues with expenses within each service cost center and also allow the department to continue to draw down excess retained earnings in order to comply with Federal OMB 2 CFR 225 working capital guidelines.

Sources of \$3.3 million represents projected revenue from rates charged for black and white copies, color copies, graphic design services and outside printing services.

This fund is showing a negative net budget of \$1.3 million primarily due to one-time capital expenditures which are funded by retained earnings.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$685,032 primarily due to an increase in capital expenditures of \$637,300. Staffing expenses are decreasing slightly due to staff attrition, which has resulted in lower hourly staff costs. These costs are offset by increases in services and supplies, as well as transfers out for increased administrative support from the Purchasing General Fund budget unit.

Sources are decreasing by \$756,652 as result of new rates that reduce revenue from black and white copies and graphic design to draw down excess retained earnings in order to comply with Federal OMB 2 CFR 225 working capital guidelines.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$1.1 million fund 15 budgeted regular positions. There are no staffing changes for the Printing Services Division. The current staffing levels are able to manage the workload with careful planning for staff absences.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Requirements of \$598,004 consists primarily of operating expenses which include COWCAP, insurance charges, facilities charges, professional services, and transfers out to fund administrative support provided by staff in the Purchasing Department's general fund budget unit.

Sources of \$555,876 include auction revenue; revenue from the storage and surplus handling rates; proceeds from recycling with outside vendors and revenue from Human Services for the participation of Community Based Organizations in the Surplus Property Program.

This budget unit is showing a negative net budget of \$42,128 which is primarily due to one-time capital expenditures which are funded by assets carried over from the prior year.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$225,923 which includes increases in staffing expenses due to the addition of a new Storekeeper position, increased operating expenses including funding for enhanced auction services, and increased capital expenditures to allow for the replacement of a forklift which has exceeded its useful life.

Sources are increasing by \$179,376 due to an increase in the handling rate from 0.5% to 0.75%, which is assessed on purchase orders for commodities which are most frequently received at the Surplus Division for processing. This increase will allow the department to fund an additional position to address increased workload as well as enhance disposition activities at the surplus warehouse.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$181,760 fund 3 budgeted regular positions. This includes the addition of 1 Storekeeper position due to a 50% increase in the volume of surplus property since 2009-10 and the increased workload to

recycle and reuse a larger percentage of surplus items in adherence to the Green County San Bernardino initiative.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Operating expenses represent the majority of this budget unit's expenditures totaling approximately \$6.0 million. This includes direct postage expense (\$5.0 million), equipment leases and maintenance, postal software upgrades, application development for the web-based billing project not completed in the prior year, and other related services and supplies.

Sources of \$7.0 million represent payments from departments for mail handling, mail delivery and direct postage costs.

BUDGET CHANGES AND OPERATIONAL IMPACT

Increases in requirements include increases in postage costs totaling \$481,586 from the USPS, and is offset by slight decreases in professional services, resulting in a net increase of \$445,988.

The Board of Supervisors approved increasing the rate charged to County departments for courier services in 2014-15 by 2.5% to comply with Federal OMB 2 CFR working capital guidelines and to cover increasing fuel costs. Sources are increasing by \$261,605 due to the increasing postage costs from the USPS that are reimbursed by departments.

This budget unit is showing expenditures exceeding projected revenue by \$426,587 in 2014-15. The department will closely monitor the expense and revenue within this budget unit during the year to ensure that working capital is managed at the appropriate level while also providing the necessary cash flow to deliver services. The department will continue to review various rate strategies within mail to ensure this budget unit is adequately funded and return to the Board to recommend a mid-year rate adjustment if necessary.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$1.4 million fund 25 budgeted regular positions. There are no staffing changes. The current staffing levels are able to manage the workload with careful planning for staff absences.

RISK MANAGEMENT

DEPARTMENT MISSION STATEMENT

Risk Management seeks to minimize the frequency and severity of financial loss to the County through an Integrated Risk Management Program that includes identification and assessment of exposures that can result in loss, effective risk reduction and loss prevention programs for identified risks, aggressive claims management, and fiscally responsible risk financing and recovery.

ORGANIZATIONAL CHART

2013-14 ACCOMPLISHMENTS

- In an effort to continue to look for best insurance options and hold down premium increases, Risk Management contacted CSAC-EIA (California State Association of Counties – Excess Insurance Authority) for possible membership consideration and was approved by the Executive Committee in January 2014. Risk Management successfully negotiated the renewal of the property coverage through CSAC-EIA for substantially broader coverage, lower sub-limits, fewer exclusions, and less coverage restrictions for a premium of approximately \$4 million with net savings of \$1.1 million over the current policy.
- Conducted a training seminar with Human Services, Department of Children and Family Services (CFS), on Civil Liability in Child Welfare Cases. The discussions at this seminar resulted in CFS, Risk Management, and County Counsel agreeing to review and modify contracts and hold harmless agreements between the County and Foster Family Agencies that do business with the County.
- Negotiated Medical Malpractice coverage for the policy period of October 2013 through July 2014 with BETA Risk Management Authority for an annual premium decrease for 2013-14 of approximately 9.24% or \$134,444 over the 2012-13 premiums.
- Completed the State of California performance audit of the County Workers' Compensation Program, which resulted in no payment of administrative penalties.
- Provided experienced Workers' Comp claims adjusters to County departments to assist with department specific training at no cost to the departments.
- Provided the ability for departments to submit County-involved incidents electronically. It is a simple, user-friendly process. Over 50% of County departments will be trained by July 2014.

- Conducted quarterly meetings with ARMC to review their higher exposure claims. Worked closely with ARMC and implemented new procedures for the handling of medical malpractice claims. This has resulted in Risk Management handling medical malpractice claims more proactively than in the past.
- Utilized community resources to assist with the state-mandated Workers' Comp claims adjuster training necessary to maintain the high level of skill needed to provide prompt and professional service to injured County employees, while mitigating exposure to penalties, interest and unnecessary costs and expenses. This is a savings of approximately \$400 per required annual training class per adjuster.

Operations

DESCRIPTION OF MAJOR SERVICES

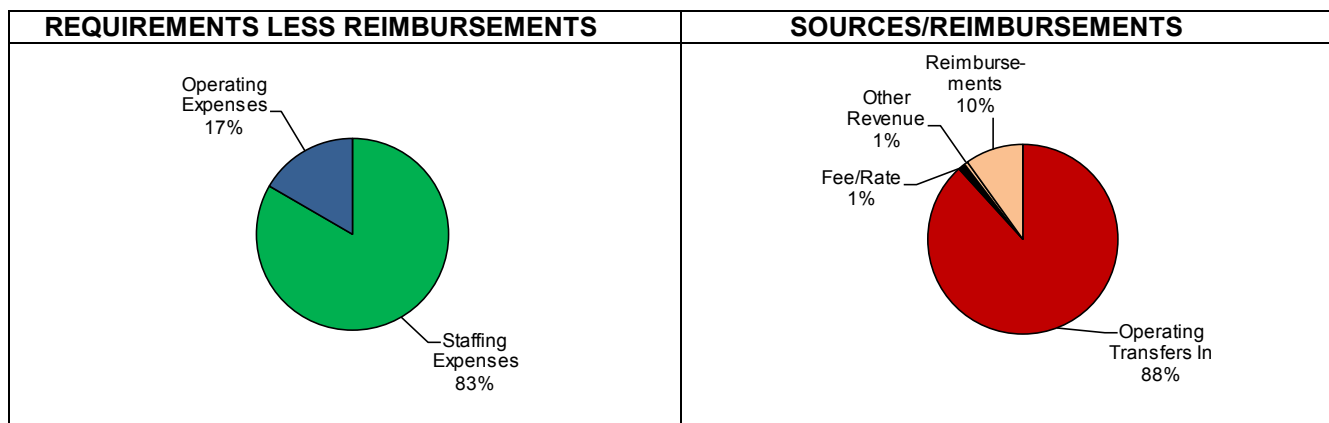

Risk Management administers the County's self-insured workers' compensation, public liability, property conservation, safety and risk reduction programs and its insured programs. All programs are paid from self-insurance funds and financed by charging general fund and non-general fund departments, as well as Board-Governed Special Districts and County Service Areas. Each is billed for its specific coverage for the cost to pay losses under the self-insured programs and the cost of insurance for the insured programs.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Staffing expenses of \$5.5 million comprise the majority of expenditures in this budget unit for 2014-15. These expenses fund 57 budgeted positions and are necessary to administer the County's insurance programs.

Sources of \$5.9 million are primarily operating transfers in from the insurance funds to cover the cost of department staff and operating expenses.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$457,094 due to a decrease in COWCAP expense.

Sources are decreasing by the same amount, primarily due to lower operating transfers in from the insurance funds. This also includes lower projected administrative fee revenue from the Emergency Medical Services Program and an expected increase in interest revenue.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$5.5 million fund 57 budgeted regular positions. The department staffing will be reduced due to the transfer of 2 Application Specialists to ISD as part of the overall effort to consolidate information technology services.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Operating expenses of \$90.1 million include judgment and settlement costs, medical treatment and expenses, temporary disability and loss earnings, property insurance, and legal defense services.

Operating transfers out of \$6.8 million include \$5.8 million in funding to the Operations budget unit and \$1.0 million in anticipated reimbursements to departments for claims costs.

Sources of \$89.4 million include \$87.8 million in insurance premiums collected from user departments.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$2.5 million as a result of lower operating expenses due to an anticipated decrease in settlements as well as decreased operating transfers out representing lower program administration expenses.

Sources are increasing by \$18.4 million primarily due to additional premium allocations to the Workers' Compensation, General Liability, Law Enforcement Liability, and Auto Liability Programs that will help them reach the 80% confidence level of funding. It also includes a slight increase in anticipated interest revenue and insurance recoveries.

The use of \$7.5 million in unrestricted net assets is to pay additional catastrophic claims expected to be resolved in 2014-15.

STAFFING CHANGES AND OPERATIONAL IMPACT

There is no staffing associated with this budget unit. Staff that administers these insurance programs are budgeted in Risk Management's Operations budget unit.

DESCRIPTION OF MAJOR SERVICES

The Local Agency Formation Commission (LAFCO) is an independent regulatory body composed of two elected County supervisors selected by the Board of Supervisors, two city council members chosen by the mayors of the 24 incorporated cities, two elected special district board of directors selected by the presidents of independent special districts in the County, and one public member not associated with the County, city, or special districts who is chosen by the other six commission members. The members are charged with the responsibility to encourage the orderly growth of government agencies, to preserve agricultural lands, to discourage urban sprawl, and to ensure efficient delivery of services through local government agencies within San Bernardino County. In meeting these responsibilities, the Commission:

1. Regulates proposed boundary and sphere of influence changes for cities and special districts.
2. Conducts sphere of influence updates and municipal service reviews. The Commission also has the authority to initiate and make studies of existing government agencies and initiate proposals for consolidations, mergers, or dissolutions of special districts based upon its findings.
3. Regulates the formation and dissolution of cities and special districts.
4. Reviews contracts for the provision of services outside the boundaries of cities and special districts.

Costs incurred in this budget unit represent the County's legally mandated contribution to LAFCO, which is one-third of the operating cost that is not reimbursed by fees and other revenue.

The Superintendent of Schools is the elected chief school administrative office of the County and is mandated by State law to provide various services for 33 school districts and two regional occupational programs. The Superintendent of Schools also provides ancillary services to five community college districts within the County. Through State and other funding sources, the Superintendent provides services to more than 425,000 K-12 students and approximately 40,000 community college students in accordance with the Education Code. These services also include direct instruction to alternative education, special education, juvenile hall and preschool students.

District Financial Services was established to independently perform all audits and approval functions required of the Auditor-Controller/Treasurer/Tax Collector and the Superintendent of Schools. District Financial Services is jointly responsible to those elected officials. These services include warrant production; control, examination and audit of the payrolls; and other expenditures from the funds of the school districts and entities in the County.

ARROWHEAD REGIONAL MEDICAL CENTER

William T. Foley

DEPARTMENT MISSION STATEMENT

The San Bernardino County Arrowhead Regional Medical Center is a safety net hospital with the primary mission of providing quality healthcare—a basic necessity of humankind—to the residents of San Bernardino County. We continuously strive to improve the health of the communities we serve and become the provider of choice for the healthcare delivery and education.

ORGANIZATIONAL CHART

2013-14 ACCOMPLISHMENTS

- Transitioned 39,173 San Bernardino County residents from ArrowCare, Arrowhead Regional Medical Center's (ARMC) health plan for the uninsured, to the Medi-Cal program, exceeding the goal of transitioning 20,000 residents.
- Implemented 68 Delivery System Reform Incentive Program (DSRIP) milestones to improve population health management for ARMC patients, resulting in achieving 95% of the associated funding for Demonstration Year 8, a total of \$39.6 million.
- Reduced the use of high-cost outside agency (nurse registry) staff by \$1.0 million, a 20% reduction from the prior year.
- Received the "Get with the Guidelines" Stroke Program Silver Plus Quality Achievement Award from the American Heart Association In February 2014.
- Implemented Computerized Practitioner Order Entry in the Medical-Surgical Units (August 2013) and in the Behavioral Health Units (March 2014).
- Partnered with the Public Health and Behavioral Health departments in the development of the Community Vital Signs project. This project collected and compiled data from County respondents regarding various health indicators.

- Co-sponsored the 2013 Live Well, Age Well Summit, in November 2013. The Summit brought together leaders and stakeholders from various businesses and services to formulate the structure for sustainable health improvement in our communities.
- Hired 345 new employees into various positions for the delivery of care.
- Supported clinical training programs to provide skilled healthcare professionals for the County. A total of 178 physician residents participated in ARMC's Graduate Medical Education (GME) Residency Program. Fifty-four physician residents graduated in June 2013 and 54 incoming residents joined the GME program throughout the year. Nearly 2,000 nursing and allied health professional students were trained at ARMC.
- Implemented six LEAN projects designed to improve processes and outcomes for hospital acquired pressure ulcers, Emergency Department blood culture labeling, sepsis, stroke education, urine contamination rates, and medication administration.
- Completed regulatory accreditation surveys conducted by Healthcare Facilities Accreditation Program (HFAP), Centers for Medicare & Medicaid Services (CMS), College of American Pathologists (CAP), California Department of Public Health (CDPH), and received accreditation.

COUNTY GOALS AND OBJECTIVES AND DEPARTMENT PERFORMANCE MEASURES

COUNTY GOAL: IMPROVE COUNTY GOVERNMENT OPERATIONS

Objective(s): • *Monitor and evaluate operations and implement strategies to continually improve efficiency and effectiveness.*

Department Strategy:

- *Utilize specific methodologies as defined in ARMC's Quality Assessment and Performance Improvement Plan (such as LEAN Kaizens), focusing on key patient related processes to increase patient satisfaction and improve operational efficiencies and effectiveness.*
- *Improve patient satisfaction through the use of selected tools and techniques involving hospital employees and medical staff, including hourly rounding on patients, discharge phone calls, and specialty training.*

COUNTY GOAL: PROVIDE FOR THE HEALTH AND SOCIAL SERVICES NEEDS OF COUNTY RESIDENTS

Objective(s): • *Maximize the utilization of Federal and State programs and funding to address the needs of County residents.*

Department Strategy:

- *Achieve Delivery System Reform Incentive Program (DSRIP) goals through clinical improvement of specific patient outcomes. DSRIP is a five year program with Federal funding proportionally tied to target attainment. DSRIP milestones change annually and become increasingly difficult and more complex.*

Arrowhead Regional Medical Center

DESCRIPTION OF MAJOR SERVICES

Arrowhead Regional Medical Center (ARMC) is a state-of-the-art acute care facility embracing advanced technology in all patient and support areas. ARMC offers the latest in patient care by providing a full range of inpatient and outpatient services, community health centers (three offsite and one onsite), Behavioral Health inpatient services, and numerous specialty services. Freeway access, shuttle service and close proximity to an Omnitrans bus hub make ARMC convenient to County residents.

ARMC and Behavioral Health facilities are comprised of a total of 456 inpatient beds (90 in the Behavioral Health unit and 366 in ARMC), most of which are private. The Emergency Department is a Level II Trauma Center and consists of 15 observation rooms, 8 treatment rooms, 3 law enforcement holding rooms, 8 trauma rooms and a 9 bay Rapid Medical Emergent Treatment area to expedite treatment and improve throughput. The helicopter landing area can accommodate both standard Medi-Vac helicopters and military helicopters. The outpatient care center consists of 109 examination rooms and 8 procedure rooms.

The campus houses six buildings which also serve to outline the definitive services/medical center functions: Acute Hospital, Behavioral Health Center, Outpatient Care Center, Diagnostic and Treatment Centers, Central Plant, and the Medical Office Building.

Inpatient Care: Inpatient services provide curative, preventative, restorative and supportive care for general and specialty units, within the General Acute Care and Behavioral Health Hospital. Care is coordinated among multiple care providers responsible for patient care twenty-four hours a day. Nursing functions as a primary interface with patients, families and others, and is often the interpreter for the hospital experience and treatment plan. A primary focus is Education, and ARMC offers Residency Programs for the training of physicians in Family Medicine, Emergency Medicine, Surgery, Neurosurgery, Women's Health, and Internal Medicine.

Outpatient Services: Outpatient Care is an integral part of our multifaceted healthcare delivery system offering a wide range of emergency, primary, preventive, chronic, follow-up and specialty care in an ambulatory care setting. Visits have exceeded 250,000 annually, exclusive of the Emergency Room volume. Mobile services have been expanded to one Mobile Clinic and two Breathmobile® units for a total of three mobile units. This allows clinical services to be delivered in outlying areas.

ARMC has worked diligently with the California Association of Public Hospitals to maximize funding for Medi-Cal and uninsured patients under Disproportionate Share and Safety Net Care Pool sources. These sources are provided primarily through the California section 1115 Waiver. The Waiver, implemented in November 2010, has been the funding source for substantial transformation and expansion of the Medi-Cal program at ARMC.

Under the Waiver, ARMC recently completed the two year requirement for the operation of the Low Income Health Plan (LIHP), which began January 1, 2012, and ended December 31, 2013. The County of San Bernardino created a collaborative of community stakeholders and County departments, including Behavioral Health, Human Services, and Public Health, that implemented the County's LIHP, ArrowCare.

An additional funding source provided under the waiver, the Delivery System Reform Incentive Plan (DSRIP), has been an innovative approach to transforming existing delivery systems. The DSRIP has provided Infrastructure Development, Innovation Redesign, Population-Focused Improvement and Urgent Improvement in Quality and Safety. DSRIP funding is strictly tied to results and meeting transformation milestones. ARMC's DSRIP implemented 68 milestones to improve health management for ARMC patients, resulting in achieving 95% of the associated funding for Demonstration Year 8.

*Net Budget reflects Total Sources less Total Requirements for Internal Service and Enterprise funds. When Net Budget is negative, it means that the department will be using assets that have been carried over from the prior year.

NOTE: The 2013-14 Actual Net Budget of (\$21,046,044) reflects the use of unrestricted net assets due to a \$3.3 million one-time SBPEA incentive payment made to members within the department and a reduction of \$22.3 million in Realignment funding for regular operations (reflected as Operating Transfers In). The Realignment funds available to fund hospital operations are being retained in the Health Realignment fund for future needs due to the uncertainty of health care reform.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Staffing expenses of \$249.9 million fund 3,691 budgeted positions. Operating expenses of \$180.4 million are comprised primarily of medical supplies, physician fees, purchased medical services, external provider care services, insurance, utilities, and rent expense. Capital expenditures of \$10.7 million fund needed clinical and non-clinical equipment purchases.

Operating transfers out of \$10.0 million primarily represents costs budgeted for debt service in the amount of \$8.0 million. The remaining \$2.0 million represents costs for construction projects, which are being managed by the Architecture and Engineering department.

Total revenue of \$424.0 million includes \$326.8 million in state and federal funding primarily from Medicare and Medi-Cal; \$92.1 million in current services from private pay patients and insurance; and \$5.1 million in other revenue from cafeteria sales, interest, miscellaneous grants, and services provided to other County departments and hospitals through the residency program.

Operating transfers in of \$18.5 million represents the portion of Health Realignment allocated to ARMC. The expansion of Medi-Cal that took place in January 2014 has decreased the amount of uninsured patients thus impacting the amount of Realignment the County receives for healthcare costs incurred on uninsured patients.

BUDGET CHANGES AND OPERATIONAL IMPACT

During 2013-14, ARMC responded to the biggest payer change in its history due to the Affordable Care Act (ACA), effective January 1, 2014. Due to the uncertainty of the impact of the ACA, requirements and sources are budgeted conservatively in the 2014-15 budget.

Requirements are decreasing by \$69.0 million. This is primarily due to a decrease of \$34.0 million in operating expenses, due to less than anticipated patient volumes as a result of the Affordable Care Act and the conclusion of the Low Income Health Program (LIHP) and its associated costs. Capital expenditures are increasing by \$3.8 million due to equipment replacement needs. Operating transfers out are decreasing by \$39.1 million due to a one-time repayment in 2013-14 of an overpayment of 2011-12 and 2012-13 Disproportionate Share (DSH) revenues and the completion of various capital projects.

Sources are decreasing by \$69.1 million primarily due to a decrease in state, federal, and other revenues of \$22.4 million as a result of the Affordable Care Act and the loss of a portion of LIHP patients to other providers. This is offset by a \$3.6 million increase in fee for service revenues. Realignment revenues (received as operating transfers in) are decreasing by \$50.3 million as a result of one-time funding in 2013-14 to repay the state for a 2011-12 and 2012-13 DSH revenue overpayment, as well as a reduction in anticipated revenues as a result of AB 85 legislation. This legislation requires a redirection of a portion of realignment revenues to offset state costs for CalWORKS since counties will receive more federal funding for health services through Medi-Cal expansion.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$249.9 million fund 3,691 budgeted positions of which 2,710 are regular positions and 981 are limited term positions. The 2014-15 budget includes a net increase of 70 positions (addition of 111, deletion of 41). This includes a net increase of 52 regular positions and 18 limited term positions to address existing operational needs related to regulatory requirements, quality improvement, and to maintain staffing ratios based on volume. Twenty one Registered Nurse IIs and 14 Registered Nurse II-Per Diems have been added to reduce overtime and nurse registry usage. Fifteen limited term Custodians were added to ensure proper coverage to address cleanliness in the hospital.

A total of 111 positions are added to the budget (65 regular, 46 limited term) as follows:

* These are technical corrections as position count was overstated in the 2013-14 budget due to job share.

Reclassifications are included in the budget to better align position classifications with assigned work duties. The majority of reclassifications are related to the Family Health Care Clinics moving toward the Population Health Management model, which focuses on the most acutely ill ambulatory patients to improve their care. Registered Nurse II-Clinic positions and Clinic Assistants are being reclassified to RN Care Managers and Care Assistants, respectively, to follow the Population Health Management model.

Medical Center Lease Payments

DESCRIPTION OF MAJOR SERVICES

This budget unit funds the cost of long-term lease payments to the Inland Empire Public Facilities Corporation for the Arrowhead Regional Medical Center (ARMC) facility. Funding sources include state revenues from the Construction Renovation/Reimbursement Program (SB 1732). This program provides supplemental reimbursement for construction, renovation, or replacement of medical facilities or fixed equipment. Other funding sources are operating transfers from ARMC consisting of Medicare and fee for service revenues, and operating transfers from the general fund backed by Health Realignment revenues and tobacco settlement proceeds.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Operating expenses of \$42.0 million represent lease payments and associated fees and expenses.

State, federal, or government aid revenue of \$18.9 million is from the state's Construction Renovation/Reimbursement Program (SB 1732). The amount reimbursed by the state depends on the allowable portion of the lease payments multiplied by a rate that is calculated by the state every year. The rate fluctuates based on actual Medi-Cal inpatient days paid to ARMC.

Operating transfers in of \$23.2 million are funded by \$10.7 million of Tobacco Master Settlement Agreement monies, \$4.5 million of Health Realignment funds, and \$8.0 million in revenues anticipated to be generated by ARMC.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$1.1 million primarily due to reduced costs associated with a payment of rebate to the federal government in 2013-14 which will not recur in 2014-15, resulting in a reduction of sources needed to meet requirements.

STAFFING CHANGES AND OPERATIONAL IMPACT

There is no staffing associated with this budget unit.

ECONOMIC DEVELOPMENT AGENCY

Mary Jane Olhasso

AGENCY MISSION STATEMENT

Economic Development Agency creates, maintains, and grows the economic value of San Bernardino County.

ORGANIZATIONAL CHART

2013-14 ACCOMPLISHMENTS

- The State designated San Bernardino and Riverside counties as an Innovation Hub. Inland SoCal Link iHub is a joint venture between the two counties and the Port of Los Angeles. The iHub goal is to maximize economic development opportunities within the transportation corridor that links the Port with the Inland Southern California region by establishing an advanced manufacturing infrastructure to maximize the state's exports. Marketing materials are being developed for business attraction and investment.
- Supported the San Bernardino County Superintendent of Schools' Alliance for Education's efforts to expand relevant education programs in schools in support of the cradle-to-career goal of the Countywide Vision.
- Executed a Disposition and Development Loan Agreement with The Related Companies for Phase 1 of the Bloomington Affordable Housing Development to commit over \$16 million, resulting in 106 affordable units, a new Bloomington Branch Library and much needed sewer and water improvements.
- Leveraged \$5.3 million of federal housing funds with \$35.0 million of other affordable housing resources to finance the development or acquisition/rehabilitation of 266 senior and family housing units in the cities of Loma Linda, Rialto and Highland.
- Redevelopment Dissolution/County Successor Agency – The agency initiated an appeal on the lawsuit to retain \$9.0 million of County General Fund for the Cedar Glen Community to complete the needed water system improvements.
- Secured sponsors for State of the County event and more than 1,100 business and community leaders attended.

Economic Development

DESCRIPTION OF MAJOR SERVICES

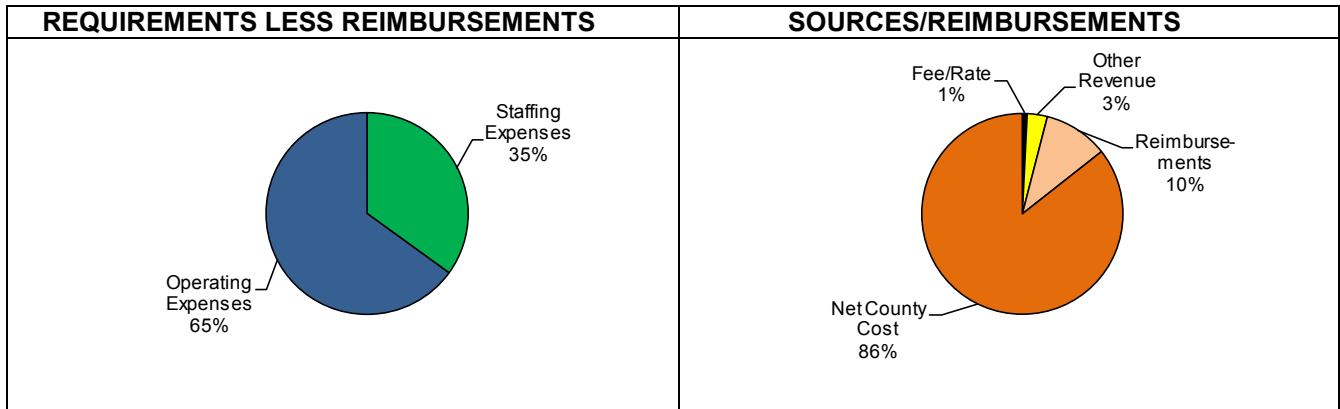

Economic Development's major goals are to foster job creation, increase private investment and enhance County revenues through the implementation of a Countywide economic development strategy. The strategy focuses on maximizing the standard of living of the County's residents, providing economic opportunities for the County's businesses, fostering a competitive environment and positioning the County as a highly competitive region for business opportunities. The strategy will emphasize industry sectors with high-growth potential and offering skilled high paying jobs.

The department spearheads initiatives having local, national and international impact by forming internal and external strategic partnerships with key public and private sector organizations including, but not limited to, the State of California, San Bernardino County cities, the County of Riverside, as well as non-profit development corporations, developers, brokers, site selectors, corporate real estate executives and tenant representatives. Outreach to private sector stakeholders is conducted via a comprehensive media/marketing campaign.

The department also creates and develops necessary support structures to foster a positive, creative and expanding business climate by offering a wide array of economic development programs and services including the following:

- Site Selection Assistance
- Market Analysis and Demographics
- Permitting Assistance
- Incentive Programs
- Small Business Assistance and Technical Support
- Technical assistance and marketing support to County cities and economic development stakeholders.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Operating expenses of \$2.5 million include costs of various Economic Development programs (real estate related trade shows, advertising, public relations, and tourism), travel, and internal transfers out (County Counsel charges, Facilities etc.).

Reimbursements of \$400,976 represent the cost allocation to other EDA departments of Economic Development staff.

Sources of \$155,000 represent registration fees and sponsorships for the State of the County event planned for the spring of 2015.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements of \$3.5 million are increasing by \$322,539 as a result of a one-time allocation of Net County Cost for the development of an enhanced tourism program that targets both international and domestic markets.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$1.4 million fund 10 budgeted regular positions. In order to consolidate the Agency's Finance and Administrative unit, 1 Staff Analyst II position and 1 Automated Systems Analyst I position were transferred to Community Development and Housing. Additionally, reorganization within the Agency resulted in the deletion of 1 filled Assistant Administrator position. At the direction of Human Resources, as part of their review of the re-organization, 1 Executive Secretary III position was reclassified to an Executive Secretary II.

COMMUNITY DEVELOPMENT AND HOUSING

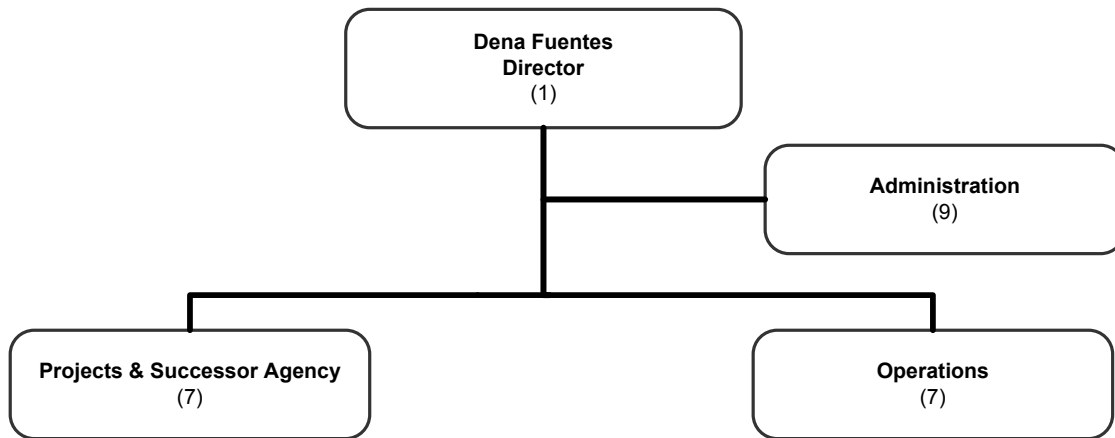

Dena Fuentes

DEPARTMENT MISSION STATEMENT

Community Development and Housing Department achieves economic and community revitalization through stakeholder collaboration and leveraging of federal, state and local resources.

ORGANIZATIONAL CHART

2013-14 ACCOMPLISHMENTS

- Utilized Federal Community Development Block Grant (CDBG) program funds, in coordination with 12 cooperating cities, to accomplish the following: total of 12 public facilities constructed or improved; allocated funding to 20 infrastructure improvement projects; completed 7,710 code enforcement inspections; demolished 5 substandard properties; Graffiti Abatement programs restored 9,284 properties.
- Provided Fair Housing and Tenant Landlord counseling to 440 individuals and utilized the Emergency Shelter Grant (ESG) funds to assist 196 households. ESG program goals were modified to work in concert with the Department of Behavioral Health Shelter+Care program to assist families in finding long-term housing.
- Over 7,400 residents received social services from twenty two service providers.
- Completed site assembly of an additional 5 acres for a future Affordable Housing site in the unincorporated community of Bloomington.
- Executed agreements to invest \$950,000 of HOME Investment Partnership Act Grant (HOME) funds to rehabilitate Mountain Breeze Villas Apartments in the City of Highland and create 160 affordable housing units.
- Met expenditure requirements for the Neighborhood Stabilization Programs by investing \$1.9 million in Bloomington Affordable Housing Development and \$2.7 million in Fontana Sienna affordable development, which will result in 166 affordable units.
- Coordinated and reviewed all financial actions of the 26 Oversight Boards for the County regarding the Redevelopment Dissolution Act.
- Received California Department of Financing approval allowing the transfers of \$23.0 million of unobligated tax allocation bonds to the County for future projects in Cedar Glen and San Sevine communities.

COUNTY GOALS AND OBJECTIVES AND DEPARTMENT PERFORMANCE MEASURES**COUNTY GOAL: PROVIDE FOR THE HEALTH AND SOCIAL SERVICES NEEDS OF COUNTY RESIDENTS**

Objective(s): • *Maximize the utilization of Federal and State programs and funding to address the needs of County residents.*

Department Strategy: • *Through collaboration with both the cities and various County departments, Community Development Block Grant (CDBG), Emergency Solutions Grant (ESG) funds, and HOME Federal funds are leveraged to augment various social service programs, build needed infrastructure or public facilities, and construct affordable housing communities that serve low- and moderate-income persons and persons with special needs. Adherence to expenditure deadlines and compliance with federal regulations are indicative of residents receiving services, projects are meeting construction schedules, and ensures the funds are not subject to recapture.*

Community Development and Housing

DESCRIPTION OF MAJOR SERVICES

Community Development and Housing (CDH) seeks to better the quality of life for the residents of San Bernardino County by providing community and housing development resources for low and moderate income families, individuals and communities. CDH invests several Federal Department of Housing and Urban Development (HUD) grants to undertake needed infrastructure projects and services for targeted communities. Housing grant funds are leveraged to develop vision-based affordable housing communities.

As part of its efforts to reduce foreclosures and stabilize neighborhoods within the County, in 2012, CDH implemented a Homeownership Protection program (Program) to inform homeowners of state and local foreclosure prevention resources. Through a dedicated website, email distribution and social media advertising, the Program provides information on local foreclosure prevention events, financial coaching, home repair workshops, and homebuyer resources for residents.

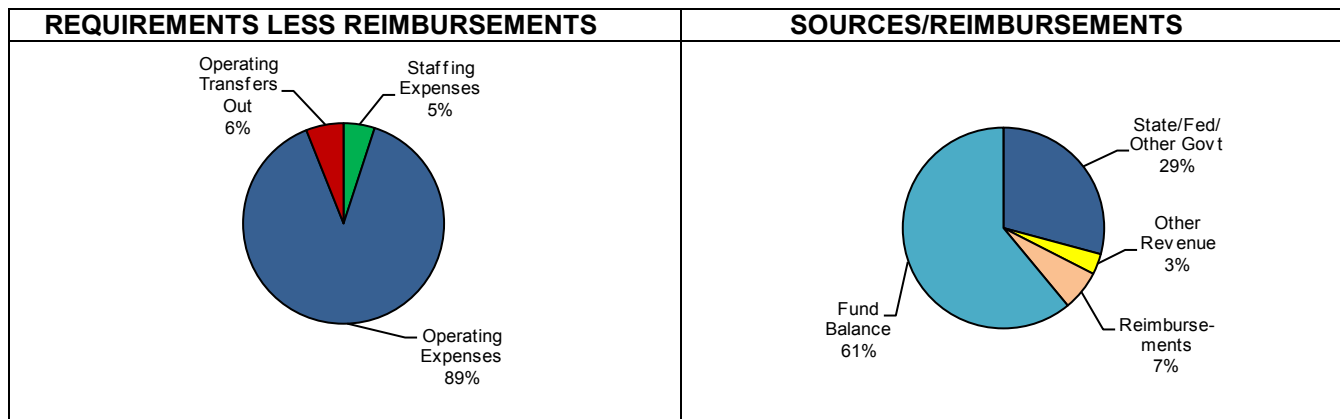

Additionally, CDH is responsible to complete the County's remaining redevelopment activities under the auspices of the County of San Bernardino's Successor Agency, Oversight Board, and Housing Successor. This includes ensuring the enforceable financial obligations are retired, selling the Successor Agency's assets, and completing all remaining capital projects. CDH also manages the Countywide Redevelopment Dissolution process for all 26 successor agencies operating in the County.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Requirements of \$50.8 million primarily relate to infrastructure construction projects and community development programs funded by the department, including construction of low, moderate or middle income residential units.

Sources of \$17.7 million primarily represent federal funding for CDBG, HOME, and ESG programs as allocated by formula to the County and participating cities as well as General Fund allocation for Homeowner Foreclosure Prevention activities, loan repayments and interest on fund balance.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$3.5 million due to the completion of a major Housing and Urban Development program (NSP 3) in 2013-14.

Sources are decreasing by \$1.9 million primarily as a result of the completion of the NSP 3 program, which reduced federal funding by \$3.9 million. This was partially offset by a \$2.9 million increase in other funding, related to anticipated CDBG and Housing development program activities. This reflects the department's strategy to appropriate all funds (including prior year funding) available for development of affordable housing projects. Other revenue decreased by \$294,347 due to anticipated decrease in loan repayments.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$2.7 million fund 24 budgeted positions of which 20 are regular positions and 4 are limited term positions.

The budget includes the addition of 1 Housing Project Manager II and 1 limited-term Contract Housing Project Manager II position due to workload requirements. Additionally, 1 filled Staff Analyst II and 1 filled Automated Systems Analyst I positions were transferred from Economic Development to Community Development and Housing in an effort to consolidate the agency's Finance and Administration unit. The department also deleted 1 limited term vacant Real Estate Specialist position.

Workforce Development

DESCRIPTION OF MAJOR SERVICES

The Department of Workforce Development (WDD) provides services to job seekers, incumbent workers, youth and businesses on behalf of the Workforce Investment Board (WIB). The WIB is composed of private business representatives, labor organizations, and public sector partners who have been appointed by the Board of Supervisors.

*Includes Contingencies

WDD is funded primarily by the Federal Workforce Investment Act (WIA). WIA requires that job seeking customers be provided with access to employment services through the America's Job Centers of California (AJCC) system. WDD operates AJCC's in each of the County's three major population centers; the West End, East Valley, and High Desert. Services provided to all customers include, job search, resource referrals, job readiness workshops, and access to computers and internet, printers, copiers, telephone and fax machines. Customers may also choose to receive more intensive services including, career counseling, skill and aptitude assessments, job placement, resume and interview technique building, and occupational training.

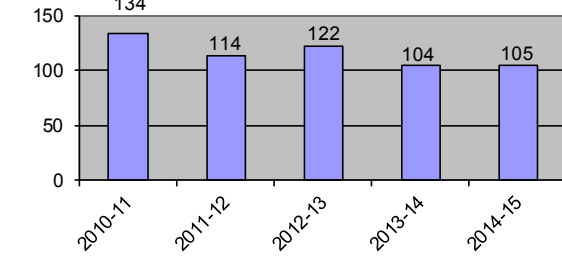

WDD also operates a Business Services Unit which serves the local business community to support the retention of jobs and to maintain employment opportunities for customers who utilize AJCC services. The department assists businesses through customized recruitments, job referrals, incumbent worker and On-the-Job training programs, business workshops and business consulting. Through serving the business community, WDD seeks to promote a thriving job market that provides the employment opportunities County residents need for self-sufficiency.

The WIA Youth Program provides at-risk youth, aged 14-21, with opportunities that redirect youth from a path of dependency to a path of self-reliance. Through contracted youth service providers, customers receive paid work experience, occupational training and leadership development, supportive services, counseling and mentoring, and remedial education services that lead to attainment of a GED or High School diploma. Through these efforts, WDD is working to support the vision of developing a skilled workforce that attracts employers who provide the jobs that create Countywide prosperity.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Operating expenses of \$15.7 million include costs associated with the department's three America's Job Centers of California such as: rent; computers/hardware/software and office supplies; staff travel and training costs; professional services; insurance; and County vehicle usage. Operating expenses also include \$11.6 million in direct services to job seekers and business customers.

Reimbursements of \$3.4 million represent payments from other departments for program services provided through various Memorandums of Understanding (MOU).

Sources of \$22.1 million represents funding the department receives from various state and federal grants, primarily from the Federal Workforce Investment Act of 1998 (WIA).

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$1.9 million due to reduction of \$2.0 million in state, federal, or government aid revenue which reflects the loss of year 2 funding for one of the programs. The department also entered into a revenue agreement with the California Department of Corrections and Rehabilitation (CDCR) to hire 4 contract Workforce Development Specialists to provide employment services to the soon-to-be released prison population.

Sources are decreasing by \$1.2 million primarily as a result of an MOU with the Transitional Assistance Department (TAD) to provide paid work experience for CalWORKs youth, which shifts amounts previously budgeted as revenues to departmental reimbursements.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$8.5 million fund 105 budgeted positions of which 95 are regular positions and 10 are limited term positions.

For 2014-15, the department deleted 2 regular vacant Staff Analyst I positions, 1 vacant Contract Fiscal Assistant position and 1 Contract WIB Aide position that was replaced with the addition of 1 regular WIB Aide position. WDD also reclassified the following positions: a Deputy Director position was reclassified to an Administrative Supervisor I, an Office Assistant II position was reclassified to a Workforce Development Technician, and a Fiscal Assistant position was reclassified to an Accounting Technician. The department has added 4 Contract Workforce Development Specialist positions that are tied to a revenue agreement with CDCR.

The deleted positions were vacant due to normal attrition and workloads have been redistributed to maintain high levels of service. The reclassified positions will allow the department to better align current workload demands with required skills. The addition of the 4 Workforce Development Specialists will allow the department to fulfill the terms of the revenue agreement with CDCR. The department anticipates maintaining current levels of service for its primary mandated tasks of providing employment services to job seekers and businesses.

DEPARTMENT MISSION STATEMENT

The Office of the Assessor/Recorder/County Clerk performs mandated assessment, recording and County Clerk functions for public benefit in a manner that is fair, informative, and with uniform treatment. It is necessary as a means of revenue generation in order to fund essential public services and efficiently operate County and state government.

ORGANIZATIONAL CHART

2013-14 ACCOMPLISHMENTS

- Reviewed 133,903 parcels under Proposition 8 resulting in the addition of \$5.3 billion to the assessment roll.
- Reduced printing and mailing costs by making a fillable version of the Business Property Statement available on department website, allowing taxpayers to submit electronically, avoiding the need for a costly mail out of these forms.
- Expanded public service hours in the Twin Peaks and Big Bear District offices by restoring a clerical position lost in budget cuts. Resumed full customer service hours of Monday - Friday, 8:00 AM to 5:00 PM.
- Completed a project to sign MOUs with all title companies and other document processing agencies in San Bernardino County to fully utilize the California E-Recording Transaction Network Authority (CeRTNA) system, allowing efficiency in recording documents for the public and cost savings for the department.
- Partnered with California State University, San Bernardino to receive its collection of historical editions of the Sun Newspaper dated between 1894 – 1999 into the County archive, assuming maintenance and preservation and making them more widely available to the public.
- Reduced storage costs by implementing a project of scanning historical Preliminary Change of Ownership Reports (PCOR) and various exclusion claim forms, allowing staff the ability to view older documents electronically and eliminating the need to store the hard copies.

- Completed a mapping project to ensure that all recorded Offers of Dedication are properly reflected in Assessor maps and in the Assessor Property Information System (PIMS), to indicate appropriate usage and boundaries of the parcel.
- Improved access to historical recorded documents by downloading them into the Assessor PIMS, allowing staff the ability to view documents efficiently without having to switch between Assessor and Recorder systems.
- Remodel of the Big Bear District Office enhancing the utility of the office and increasing the number of work stations to better accommodate the public and staff.
- Acknowledged in a February 2014 report issued by the State Board of Equalization Taxpayers' Rights Advocate for formatting all forms to allow online completion and adding the most recent annual report, historical roll data, and information about the Fire Prevention Fee to the department's website.

The Valuations Division is responsible for real, personal, business and special property valuations and assessment appeals. District offices provide public assistance regarding questions of ownership, mailing addresses, parcel numbers and assessed values. The Assessment Services Division provides mapping, change of ownership, change of address, data entry services, and public information services. The Information Technology Division provides computer systems maintenance and development. The Administrative Services Division provides fiscal, payroll, mail services, and facility support. The Recorder Services Division accepts all documents for recording that comply with applicable recording laws. Official records are maintained evidencing ownership and encumbrances of real and personal property and other miscellaneous records. The Recorder Services Division is also responsible for County Archives and County Clerk functions. County Archives maintains historical records for the County. County Clerk maintains records as they relate to vital statistics, fictitious business names, and other records that are required by the State to be filed with the County Clerk.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Staffing expenses of \$17.9 million represent the majority of this budget unit and fund 223 budgeted regular positions. Operating expenses of \$6.5 million consist primarily of printing and taxpayer notice mailing costs, COWCAP, and systems development charges for the Property Information Management System (PIMS). Reimbursements of \$1.6 million are primarily from the Recorder special revenue funds for administrative and IT costs. Sources of \$7.1 million include fees for recording and County Clerk services, Real Estate Fraud, special assessments, transfers of ownership, and data sales.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$489,240 primarily due to a reduction in salary costs due to MOU adjustments and an increase in reimbursements for IT costs, partially offset by increases in retirement costs and COWCAP. Sources are increasing by \$28,898 due to anticipated increases in vital records, County Clerk services and Real Estate Fraud fees, partially offset by a decrease in recorded document fees.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$17.9 million fund 223 budgeted regular positions. An Appraiser I is being deleted and an Appraiser II is being added to allow greater flexibility in accomplishing the workload as real estate activity increases due to an improving economy. A Legal Document Classifier II is being deleted and a Lead Legal Document Classifier is being added to provide adequate oversight of lower level staff and enhance the efficient operation of the office. A Business Applications Manager position is being moved from a Recorder special revenue fund budget and added to this budget to recognize its new responsibility for oversight of both Recorder and Assessor IT operations.

Vital Records was established to support vital records operation and retention, including the improvement and automation of vital records systems. Sources include fees collected for certified copies of vital statistics records pursuant to Health and Safety Code Section 103625(f) and 103625(g)(2). There is no staffing associated with this budget unit.

Electronic Recording was established by Government Code Section 27279.1 to authorize the County of San Bernardino to accept electronic transmission of recordable documents and the Recorder has been recording electronic documents since 2004. Government Code Section 27397 authorized all California counties to accept electronic transmission of recordable documents subject to regulation set forth by the Attorney General. In 2007, the Board approved a joint powers agreement (JPA) for the California e-Recording Transaction Network Authority (CeRTNA). This budget unit was established to support participation in the JPA. Sources include fees collected pursuant to Government Code Section 27397 regarding electronic recording delivery systems such as official records evidencing ownership and encumbrances of real and personal property, and other miscellaneous records. There is no staffing associated with this budget unit.

Recorder Records was established to defray the cost of storing, restoring, and imaging the County Recorder's documents. The primary service provided by this budget unit is the maintenance, repair and imaging digitization of the County Recorder's documents. Sources include fees collected pursuant to Government Code Section 27361 on legal documents.

Social Security Number Truncation was established to defray the cost of implementing Government Code Section 27301 which requires local governments to truncate the first five digits of social security numbers (SSN) that appear in records that may be disclosed to the public. The law requires the Recorder to implement the SSN truncation program for all records back to 1980. The primary service provided by this budget unit is the review of all recorded documents, flagging of high-value personal information, truncation of the first five digits of the SSN, and the creation of a separate index and images for public view. Phase 1 began with all the documents recorded since January 2009. Phase 2 will require a professional services contract for the documents from 1980 through 2008. The index and images of the original recorded documents will be maintained in their entirety. Sources include fees collected pursuant to Government Code Section 27301. There is no staffing associated with this budget unit.

Systems Development includes \$5.3 million in requirements to fund 7 positions, costs for document indexing/imaging, computer hardware, software and associated maintenance, and includes \$1.5 million in budgeted contingencies. Sources of \$2.4 million are primarily from Recorder modernization fees.

Vital Records includes \$1.1 million in requirements to fund computer software, printing and other professional services, and includes \$914,236 in budgeted contingencies. Sources of \$145,000 are from vital and health statistic fees.

Electronic Recording includes \$1.5 million in requirements for computer hardware and CeRTNA related expenses, and includes \$950,404 in budgeted contingencies. Sources of \$408,000 are from electronic recording fees and anticipated interest earnings.

Recorder Records includes \$1.4 million in requirements for staffing expenses to fund 3 positions, costs associated with preservation efforts, and includes \$502,187 in budgeted contingencies. Sources of \$408,000 are from records fees and anticipated interest earnings.

Social Security Number Truncation includes \$3.3 million in requirements to fund the cost of truncating records as required by law, and includes \$2.0 million in budgeted contingencies. Sources of \$443,200 are from redaction fees and anticipated interest earnings.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$21,925 primarily due to increases in Information Technology costs. This increase is offset by decreases in equipment, professional services, and a decrease in staffing expense due to the transfer of a position to the Assessor/Recorder/County Clerk (ARC) general fund budget unit. Sources are decreasing by \$710,892 primarily due to a reduction in fee revenue from recorded documents.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$1.0 million fund 10 budgeted regular positions. A Business Applications Manager position is being moved to the ARC general fund budget to recognize its new responsibility for oversight of both Recorder and Assessor IT operations.

2013-14 ACCOMPLISHMENTS

- Internal Audits issued 31 compliance and operational audit reports from July 1, 2013 thru June 30, 2014, making recommendations for improvement of internal controls over cash, trust funds, fixed assets, cost claims, and the management of federal grants.
- Worked diligently to evaluate and analyze a total of eleven (11) new Governmental Accounting Standards Board (GASB) Statements, including the new pension accounting standards, for their effects on the County's financial statements to either implement or develop the plans for future implementations, as required by GASB.

- Worked closely with the Information Services Department to prepare for the implementation of the Financial Accounting System (FAS) 2.2 upgrade, which required ATC to develop and test the largest numbers of testing scripts in recent years.
- Tax Collector partnered with the Land Use Services Department to develop a procedure to increase Transient Occupancy Tax (bed tax) collections within the County. Since this collaboration, the Tax Collector has received information on 131 rentals not previously registered in the Transient Occupancy Tax (TOT) program. The total TOT collected in 2012-13 was \$1.5 million; total TOT collected in 2013-14 was \$1.7 million, with \$98,519 directly resulting from this partnership.

Auditor-Controller/Treasurer/Tax Collector

DESCRIPTION OF MAJOR SERVICES

The Office of the Auditor-Controller/Treasurer/Tax Collector (ATC) is responsible for providing the County and its constituents with a variety of accounting, collections, and investment services.

The Controller Division records the collections and performs the accounting, reporting, and claims of all County financial activities to ensure sound financial management. It is also responsible for developing and implementing accounting systems and standards and administering the Countywide Cost Allocation Plan. The Disbursements Division is responsible for vendor payments, payroll services, the compilation of property tax rates, revenue disbursements to taxing agencies and managing and calculating pass-through agreement payments on behalf of Countywide successor agencies relating to the dissolution of Redevelopment Agencies.

The Treasurer Division performs the County's treasury function including the investment of all County and School District funds within the County investment pool and associated banking services. The Treasurer currently manages assets of \$3.8 - \$4.9 billion. The Tax Collector Division collects property taxes for all County taxing entities which amounted to slightly over \$2.2 billion in property taxes and other fees in 2013-14.

The Central Collections Division provides collection services for the County and Superior Court, collecting nearly \$50 million for the year ending June 30, 2014, including collection of court-ordered payments and Arrowhead Regional Medical Center's delinquent accounts receivable.

The Auditor Division performs operational and financial audits of departments, agencies and special districts, evaluates internal controls for operational improvement, and operates the Fraud, Waste and Abuse Hotline.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Staffing expenses of \$24.2 million represent the majority of expenditures in this budget unit and fund 296 budgeted positions. These expenses are necessary to provide accounting, auditing, collections, and investment services to County departments and constituents. Sources primarily represent fee/rate and cost-reimbursement revenue generated by services provided.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$966,807, primarily due to a reduction in staffing expenses and capital expenditures, and an increase in reimbursements. Sources are expected to decrease by \$330,179, primarily due to an increase in current services revenue which is offset by a decrease in other revenue. While building the 2014-15 budget, there was a shortfall of \$131,000 due to a loss of single audit revenue (\$81,000) as a result of the County's improvement from a high risk to low risk auditee which resulted in less program audits and an

increase in legal counsel expenses (\$50,000) related to property tax payers in bankruptcy. The Auditor-Controller/Treasurer/Tax Collector received additional Net County Cost of \$131,000 to offset this shortfall.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$24.2 million fund 296 budgeted positions of which 280 are regular positions and 16 are limited term positions. The budget includes a net increase of 1 position, consisting of the addition of a Systems Accountant II in Property Tax to assist with system processes relating to Redevelopment Agencies (RDA), the addition of an Accountant II in Central Payroll to comply with reporting requirements associated with the Affordable Health Care Act, and the deletion of a vacant recurrent Accountant III in Accounts Payable to offset additional costs. The two new positions are both funded by additional revenue; the Systems Accountant II by RDA revenue and the Accountant II by self-governed districts participating in County payroll.

The budget also includes 3 reclassifications: an Accounting Technician to a Supervising Fiscal Specialist and an Office Assistant II to an Office Assistant III, to reflect the actual duties performed; and the Chief, Central Collections Division to an Auditor-Controller Division Chief, to maintain consistency within the department.

Redemption Restitution Maintenance

DESCRIPTION OF MAJOR SERVICES

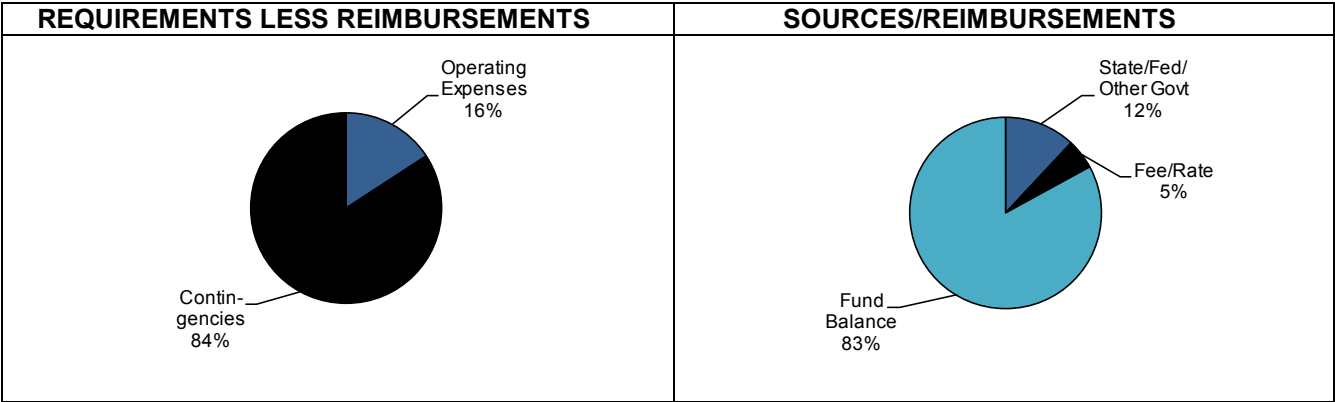

The Redemption Restitution Maintenance budget unit consists of revenue received from tax sales and revenue received from the State of California for the Victim Restitution Rebate.

Redemption Maintenance accounts for revenue received from tax sales to defray the costs of maintaining the redemption and tax defaulted files, and the costs of administering and processing the claims for excess tax sale proceeds. Revenue includes unclaimed excess tax sale proceeds collected pursuant to Revenue and Taxation Code 4674.

Restitution Maintenance accounts for rebate revenue received from the State of California for collecting and submitting Victim Restitution funds timely to the State, per Government Code 13963(f). Additionally, the rebate revenue received shall be used for furthering collection efforts.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Operating expenses of \$265,000 represent a transfer to the Auditor-Controller/Treasurer/Tax Collector's general fund budget unit for staffing and operating expenses for work related to the processing of excess tax sale proceeds. Contingencies of \$1.4 million are available to fund future operations. Sources of \$288,500 represent revenue from the State of California, unclaimed excess tax sale proceeds trust funds and anticipated interest earnings.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$243,744 due to transfers for staffing related to the processing of excess tax sale proceeds. Sources are increasing by \$64,700 primarily due to an increase in current services revenue from unclaimed excess tax sale proceeds, partially offset by a decrease in Victim Restitution Rebate revenue and lower anticipated interest earnings.

STAFFING CHANGES AND OPERATIONAL IMPACT

There is no staffing associated with this budget unit.

Health is comprised of five general fund budget units: Health Administration, Behavioral Health, Public Health, California Children's Services and Indigent Ambulance. In addition, ten special revenue funds have been established to act as financing budgets for the Health Administration, Behavioral Health and Public Health general fund budget units. Each special revenue fund collects and disburses funds based on the specific purpose and activities established including, but not limited to, alcohol and drug prevention services, tobacco cessation services and preparedness and response.

*NOTE: IHSS Public Authority is reported in the 'Other Agencies' section of this budget document.

Human Services is composed of eight County Departments: Transitional Assistance (TAD), Children and Family Services (CFS), Aging and Adult Services (DAAS), Preschool Services, Child Support Services, Veterans Affairs, Behavioral Health (BH) and Public Health (PH). Two other agencies work in conjunction with the core Human Services departments and they are: Children's Network and the Office of Homeless Services. Additionally, several support divisions under Human Services Management Services, including the Performance, Education and Resource Center provide administrative and training support to the Human Services Departments.

Transitional Assistance, Children and Family Services, Aging and Adult Services, and all Human Services support divisions are included in the Human Services Administrative Claim process. The purpose of the claim process is to provide the County with the means for determining the costs applicable to each of the numerous welfare programs. This cost determination is necessary to satisfy federal and state reporting and funding requirements and to determine appropriate federal and state financial reimbursement to the County for each of the welfare programs.

Subsistence Payments and Aid to Indigents (general relief) are either direct payments to welfare recipients or payments to organizations that provide service to the welfare recipients. The Human Services Assistant Executive Officer is responsible for all of the above budget units.

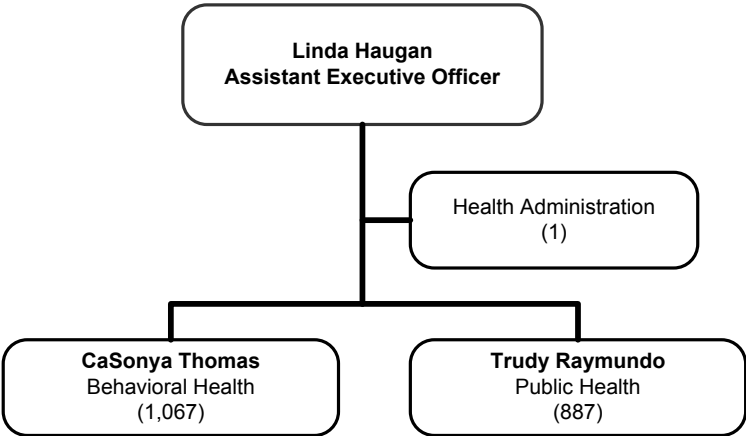

HEALTH ADMINISTRATION

DEPARTMENT MISSION STATEMENT

Health Administration develops and coordinates budgets, policies, and procedures for the County's health care departments in accordance with the strategic goals adopted by the Board of Supervisors, the County Charter, and the general laws.

Health Administration

DESCRIPTION OF MAJOR SERVICES

The role of the Health Administration budget unit is to seek and support opportunities to foster collaboration among the Department of Public Health (PH), Department of Behavioral Health (BH), and the Arrowhead Regional Medical Center (ARMC). Health Administration provides regular fiscal and policy analysis relating to the operations of these departments. Additionally, Health Administration manages the \$120.7 million Health Administration budget unit, which includes funding and related transactions for the County’s contribution for ARMC debt service payments, health related maintenance of effort costs, and transfers required to obtain federal health care funding.

Intergovernmental Transfers

This budget unit includes Intergovernmental Transfers (IGT) to the state for Disproportionate Share Hospital (DSH) Supplemental Payments, Medi-Cal managed care, and Delivery System Reform Incentive Payments (DSRIP). These IGT’s are used to send the non-federal share of DSH, Medi-Cal managed care, and DSRIP payments to the state in order to receive matching contributions. The initial investment is returned to this budget unit.

DSH supplemental payments are provided by the state to qualifying hospitals that serve Medi-Cal patients and uninsured individuals to provide for uncompensated costs of care. Medi-Cal managed care payments provide for maximum reimbursement under the allowable rate range. DSRIP funding is strictly tied to results and meeting transformation milestones. These payments are reflected as a matching contribution to the state, with a return of the initial investment to this budget unit.

Realignment and General Fund Support

General fund support and realignment funds are used to pay a portion of the ARMC debt service lease payments, the Realignment AB 8 match, and administrative costs related to this budget unit. To qualify for receipt of Health Realignment funding from the state, the County must contribute a ‘match’ of local funds. The County’s match is \$4.3 million, which is based on a formula established through AB 8 in 1979. This amount has remained constant throughout the years.

Realignment funds support administrative costs in this budget unit as follows:

- Mental Health at 9.95%;
- Social Services at 2.76%;
- Health at 87.29% (which also covers a portion of the ARMC debt service payments).

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Major expenditures in this budget unit include intergovernmental transfers for Disproportionate Share Hospital (DSH), Delivery System Reform Incentive Payments (DSRIP), and Medi-Cal managed care programs to cover the required local match, and a portion of debt service lease payments for ARMC. The major revenue source is the matching funds received from the state.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$59.9 million due to decreased intergovernmental transfers required for DSH, DSRIP, and Medi-Cal managed care programs. Sources are decreasing by \$59.9 million due to a reduction in matching funds for these programs directly related to requirements.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$160,272 fund 1 budgeted regular position. One Administrative Analyst III position was moved to the Finance and Administration budget unit in 2014-15. Overall requirements related to staffing will remain consistent as costs for support from Finance and Administration staff will be funded through operating transfers out.

Master Settlement Agreement

DESCRIPTION OF MAJOR SERVICES

This budget unit accounts for proceeds received from the tobacco lawsuit Master Settlement Agreement (MSA). In late 1998, a settlement was reached in a lawsuit filed by states against the tobacco industry. In California, the proceeds of the settlement are divided equally between the state and local governments who partnered in the lawsuit. Payments to local governments are based on a formula involving total tobacco sales and each local entity's population.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Operating transfers out of \$17.0 million reflect a transfer to the general fund, which is then used to fund the Net County Cost within the Health Administration budget unit and to offset increased health care costs within the Department of Public Health. Health Administration uses that Net County Cost to fund the \$4.3 million realignment local match requirement for 1991 Health Realignment and \$10.7 million of the debt service (lease payment) for ARMC.

Other revenue of \$17.5 million reflects the County's anticipated settlement revenue from the major tobacco companies.

BUDGET CHANGES AND OPERATIONAL IMPACT

Sources from the Master Settlement Agreement have been budgeted conservatively to reflect a decrease of \$895,127. Revenues have remained stable over the past four years with the exception of approximately \$9.8 million of extraordinary revenue received in 2012-13 for a Non-Participating Manufacturers (NPM) Adjustment settlement payment.

STAFFING CHANGES AND OPERATIONAL IMPACT

There is no staffing associated with this budget unit.

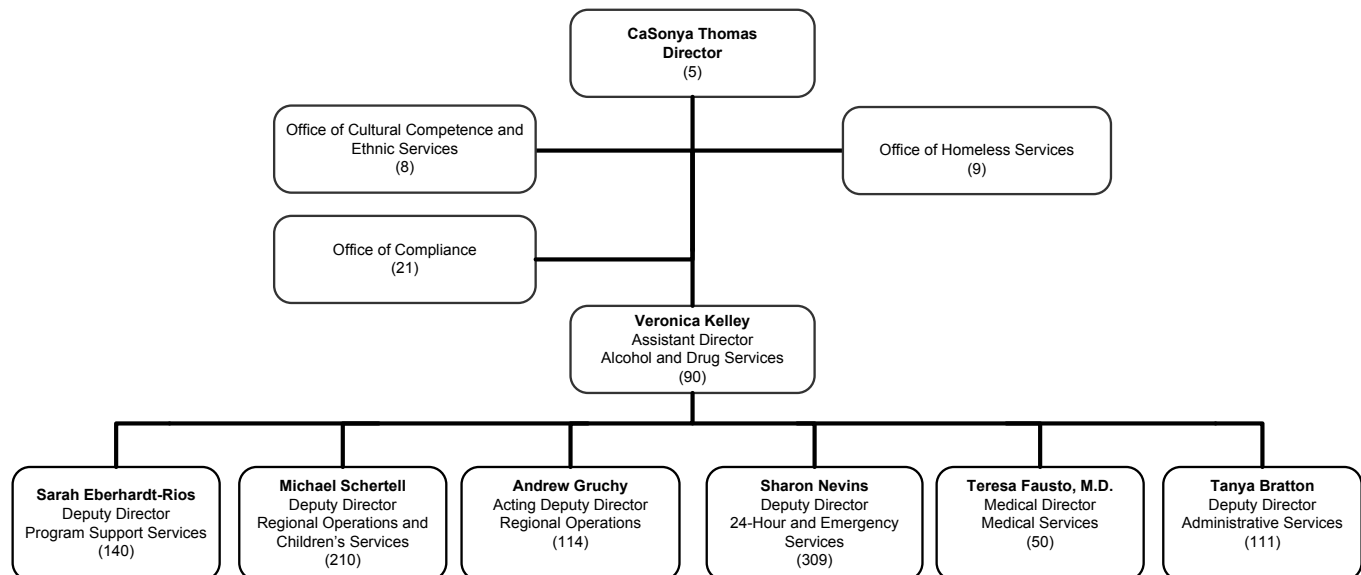

BEHAVIORAL HEALTH CaSonya Thomas

DEPARTMENT MISSION STATEMENT

The County of San Bernardino Behavioral Health Programs strive to be recognized as a progressive system of seamless, accessible, and effective services that promote prevention, intervention, recovery and resiliency for individuals, families and communities.

ORGANIZATIONAL CHART

2013-14 ACCOMPLISHMENTS

- Relocated the Needles Behavioral Health Counseling Center and the Barstow Behavioral Health Counseling Center to improve access to care and enhance the Department of Behavioral Health (DBH) network of care, while meeting the County's objective of utilizing County programs to address the needs of County residents.
- Established a collaborative relationship with the County Sheriff's Department, Colorado River Station to initiate DBH disaster response activities and coordinate HAM radio communications and radio training from their Emergency Operations Center. Select clinics can now use an interoperable HAM radio system to communicate with the Sheriff's offices during a disaster, ensuring continuity of service to the community during a disaster.
- Secured 20 apartments exclusively for older adult mental health clients at the refurbished Vintage Kendall Senior Apartment Complex in San Bernardino by partnering with the property developer and utilizing Mental Health Services Act Funding, achieving the County's objective of utilizing County programs to move participants to self-sufficiency.
- Achieved closer integration and coordination between mental health and physical healthcare services through collaboration between the DBH Integrated Healthcare Team, Arrowhead Regional Medical Center and the Department of Public Health. Successfully improved client access to healthcare services and improved overall quality of care for consumers, achieving the County's objective of utilizing County programs to address the needs of the County residents.

Behavioral Health

DESCRIPTION OF MAJOR SERVICES

The Department of Behavioral Health is responsible for providing mental health services to County residents who are either unable to afford treatment or do not live in proximity to private services. Treatment is provided to all age groups, with primary emphasis placed on treating children, families and chronically mentally ill adults (in that priority). Services are delivered throughout the County via a network of department-operated clinics, community based contract providers (residential and psychiatric skilled nursing facilities and acute hospitals), public schools, and other community-based settings. Services include: information and referrals, community outreach, client self-help and support groups, a variety of children's programs, mentally ill homeless program, employment services, case management, crisis and transitional residential assistance, augmented board and care placements, conservatorship services, supportive housing services and client transportation assistance. The department has an Alcohol and Drug Services (ADS) organizational unit which provides comprehensive substance abuse prevention and treatment programs to County residents. The department also operates as a training setting by administering various internship programs and offering continuing education for licensed department and contractor staff.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Staffing expenses of \$59.3 million fund 582 positions. Operating expenses of \$133.5 million are comprised primarily of contracted and specialized services, and make up the majority of the department's expenditures within this budget unit. Together these expenses support the clinics and programs that provide mental health and substance abuse services to county residents. Realignment revenues of \$97.1 million are provided by Sales Tax, Vehicle License Fees, and the AB 109 Public Safety Realignment program. Federal and State revenues of \$69.5 million are derived from Medi-Cal, Affordable Care Act Medi-Cal, Drug Medi-Cal, and the Substance Abuse Prevention and Treatment Block Grant. Other revenue of \$3.3 million is made up of Social Security Administration payments and reimbursements from other agencies such as Desert Mountain Selpa and First Five.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$25.0 million with staffing expense increasing \$3.6 million. These increases reflect projected step advancements, increased employee benefits such as employee group insurance, increased retirement and earned leave related costs, and a net increase of 18 positions.

Operating expenses are increasing by \$9.9 million mostly due to an increase of \$4.6 million in professional services attributed to anticipated increases in indigent consumers in the amount of \$4.0 million and another \$600,000 due to Medi-Cal Expansion consumers as a result of the Affordable Care Act of 2010. Managed Care costs are increasing by \$1.6 million, indigent hospital costs are increasing by \$1.5 million, and state hospital costs are increasing by \$700,000. An overall increase of \$1.5 million in expenditures for information technology, rents & leases, and general liability insurance makes up the balance of the total operating expense increase.

Reimbursements are decreasing by \$3.2 million due to a one-time increase in reimbursements in 2013-14 of \$6.2 million, offset by a \$3.0 million increase in reimbursements in 2014-15 for mental health and substance abuse services provided to CalWORKs clients. The \$6.2 million one-time reimbursement in 2013-14 was from the Mental Health Services Act (MHSA) special revenue fund for support services provided to MHSA programs in prior fiscal years. These costs were initially paid with Medi-Cal revenue.

Sources are increasing by \$25.0 million. An increase in 1991 Realignment revenue of \$5.0 million is due primarily to funding increases in professional contracted services for acute hospital inpatient and outpatient services.

2011 Realignment is increasing by \$8.5 million that was budgeted in the MHSA special revenue fund in the prior year. This is balanced with an increase to operating transfers out reflecting the transfer to the MHSA special revenue fund. Offsetting that increase is a decrease in 2011 Realignment revenue of \$4.5 million due to a correction in the department's interpretation of how the State collects and allocates revenue to Counties that support the department's Specialty Mental Health Services (SMHS). Programs include Early and Periodic Screening, Diagnosis and Treatment program, Managed Care services, and Alcohol and Drug Services. The department was able to more accurately estimate the 2014-15 2011 Realignment when the State clarified the methodology.

State and Federal Aid revenue is increasing by \$16.0 million due to a one-time decrease in Medi-Cal revenue in 2013-14 of \$6.2 million to settle costs initially paid with Medi-Cal revenue in prior years that should have been paid with MHSA revenue, and increases in 2014-15 Medi-Cal reimbursement related to the Affordable Care Act implementation.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$59.3 million fund 582 budgeted positions of which 578 are regular positions and 4 are limited term positions. Staffing is increasing primarily due to anticipated increases in demand for services as a result of the Affordable Care Act and the Choosing Healthy Options to Instill Change and Empowerment (CHOICE) program. Positions were added for the CalWORKs program which is expanding in 2014-15 and for the increased demand for clinical services in the coming year. Finally, there are positions added to support expanded services in collaboration with the Transitional Assistance Department for the Family Stabilization program, established by Assembly Bill 74 in 2013.

Overall the department added 20 positions and deleted 2 positions. The budget includes the following 11 new positions:

Quality Management
1 Mental Health Nurse II

Mental Health CalWORKs
1 Clinical Therapist I
1 Social Worker II
1 Mental Health Specialist

Business Services
1 Office Assistant III

CHOICE Program
1 General Services Worker II

Mesa Clinic
1 Office Assistant II

Alcohol and Drug Services
1 Mental Health Auditor
3 Social Workers II

Additional changes below include 4 transfers in from the MHSA Fund, the addition of 5 positions in various programs, the deletion of 2 Psychiatrists, and a reclassification of an Occupational Therapist II to a Social Worker II in the CalWORKs program result in a net increase of 7 positions. The position transfers and deletions are:

CHOICE Program
1 Office Assistant II

Children's Services
1 Office Assistant III

Mesa Clinic
2 Office Assistants II

Medical Services
1 Contr Adult Psychiatrists -Brd Cert

Family Stabilization
4 Mental Health Specialists

Deleted Positions

Mental Health Services Act

DESCRIPTION OF MAJOR SERVICES

On November 2, 2004, voters passed Proposition 63, which established a state personal income tax surcharge of one percent on the portion of taxpayers' annual taxable income that exceeds \$1 million. The proposition was enacted into law as the Mental Health Services Act (MHSA) effective January 1, 2005. The overall purpose and intent is "to reduce the long-term adverse impact on individuals, families, and state and local budgets resulting from untreated serious mental illness to insure that all funds are expended in the most cost effective manner and to ensure accountability to taxpayers and to the public."

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Staffing expenses of \$40.1 million fund 485 budgeted positions. Operating expenses of \$83.3 million are comprised primarily of professionally contracted services and supplies (\$66.1 million) and interdepartmental transfers out (\$14.2 million). The services and supplies account for administrative and program expenditures to execute the approved MHSA plans of which \$56.4 million are for contracted services with non-governmental organizations. The interdepartmental transfers will distribute \$14.2 million for program collaborations with Human Services, Probation, Public Defender, Children's Network, Preschool Services, Sheriff/Coroner/Public Administrator and Superintendent of Schools as well as expenditures incurred for leases paid by Real Estate Services and office supplies purchased through the Purchasing Department.

Capital expenditures of \$3.2 million are for various fixed assets, equipment and capitalized software purchases necessary for various capital improvement projects, such as: the relocation of the Pathways Clubhouse house; relocation of Older Adult Services and Community Crisis Services that serve the High Desert; and vehicles for the Community Crisis Response Teams in the High Desert and East Valley. Additional projects include the continuation of the Technology Component core projects that will allow Behavioral Health to move towards achieving an Integrated Information System Infrastructure.

Reimbursements of \$568,393 include reimbursement from Human Services for costs related to homeless services, reimbursements from the Behavioral Health general fund budget unit for administrative support, and salary reimbursements from Behavioral Health's general fund budget unit for Alcohol and Drug Services.

Departmental sources include state aid of \$106.6 million which consists of \$85.7 million for the Mental Health Services Act, \$19.6 million from Medi-Cal Federal Financial Participation, and \$1.3 million from the Substance Abuse and Mental Health Services Administration (SAMSHA), Project for Assistance in Transition from Homelessness (PATH), and Housing and Urban Development Housing Management Information System grants. Other revenue of \$6.8 million includes Children and Family Service reimbursement for Screening, Assessment, Referral and Treatment services (SART), Institute of Mental Disease reimbursements, rent reimbursement and earned interest.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$11.8 million. Staffing expenses are increasing by \$3.7 million primarily as a result of the addition of a net 26 positions to support expanded program services in regional clinics and clinical assessment services. Operating expenses are decreasing by \$2.6 million primarily due to a one-time increase in expenses in 2013-14 of \$6.2 million for support services provided to MHSA programs in prior fiscal years that were initially paid in the general fund with Medi-Cal revenue. This is offset by increases to professional and contracted service providers for mental health and prevention services in the amount of \$1.1 million. This increase primarily reflects expansion of projects specific to the Prevention and Early Intervention Expansion plan that was approved by the Board of Supervisors on December 18, 2012. The balance of the change in operating expenses is made up of an increase of \$1.4 million in general services and supplies, \$100,000 for new vehicles, and an increase of \$1.0 million for capitalized software.

Capital Expenditures are projected to increase by \$632,957. The increase is the result of capital expenditures for multi-year MHSA technology projects and SABER (San Bernardino Accessible Billing and Electronic Records), as well as the purchase of several vehicles for crisis services to transport clients in the High Desert and East Valley. The vehicles will also be used by staff to provide on-site services and outreach activities.

Contingencies are increasing by \$8.4 million due to salary savings and underutilization of service provider contracts. Reimbursements will increase by \$79,822 primarily due to increased support from the department's Alcohol and Drug Services program for their share of software licensing usage.

Operating transfers out are increasing \$1.8 million to fund expenditures incurred by other County departments such as Children's Network, Children and Family Services, Probation, and the Public Defender pursuant to a Memorandum of Understanding (MOU) with these departments. These departments assist in facilitating outreach and support services delivered on behalf of Behavioral Health. Operating transfers out also include the funding to support the development and planning to acquire a new building for Older Adult and Crisis Services that will serve the High Desert.

Sources are increasing by \$30.0 million. This includes a \$9.8 million reduction in Realignment revenue. Starting in FY 2014-15, Behavioral Health will no longer transfer Realignment funds to its MHSA operation as revenue. Instead these transactions will be recorded as operating transfers in. The overall reduction in Realignment funding is attributed to a change in budget methodology.

MHSA funding, which is included in State and Federal Aid, is projected to increase by \$24.4 million. This increase is based on the state's FY 2012-13 personal income tax surcharge cash distribution being higher than anticipated. Medi-Cal revenue is also projected to increase by \$4.1 million with the expansion of Screening, Assessment, Referral, and Treatment (SART) services with the Prevention and Early Intervention component, as well as projected revenues from the Affordable Care Act.

Other revenue is expected to increase by \$2.8 million, due to increased revenue received from First 5 for the SART and Early Identification and Intervention Services programs.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$40.1 million fund 485 budgeted positions of which 454 are regular positions and 31 are limited term positions. Staffing expenses have increased to support programs proposed through the Mental Health Services Act Community Program Planning Process for 2014-15. Thirty-three new positions are added for the expansion of regional clinical services, clinical assessment services, recovery based engagement support teams and administrative support. Along with other staffing changes, the net increase to the department is 26 positions and increased staffing expenses of \$3.7 million.

As part of the expansion of MHSA services for program expansion of regional clinical services, clinical assessment services, recovery based engagement support teams and administrative support, Behavioral Health is including the following new positions to support the 24 Hour Services Adult and Older Adult Division. These positions will support the recovery based engagement support teams, Cultural Competency and Ethnic Services

that provide outreach and engagement activities, and Medical Services to assist in evaluation and program oversight.

2 Alcohol & Drug Counselors	2 Clinical Therapists I
2 Licensed Vocational Nurses II	1 Mental Health Clinic Supervisor
4 Peer and Family Advocates III	2 Mental Health Education Consultants
1 Staff Analyst II	
1 Public Service Employee	

Offsetting the above increases is the deletion of three contract Community Liaisons from the Cultural Competency and Ethnic Services Division.

Behavioral Health Program Support Services Division added the following new positions to support mandated quality management, evaluation and program oversight.

1 Business Systems Analyst II	2 Program Specialists I	1 Secretary I
-------------------------------	-------------------------	---------------

Regional Operations and Children's Services Division added the following new positions to support a new program at the County Behavioral Health Clinics that improve assessment and referral services to meet the Mental Health Plan requirements for adult clients served at County clinics and hospitals, as well as support the Full Service Partnership program that serve clients at risk of homelessness. One extra-help Clinical Therapist I and 1 Office Assistant II are temporarily added for expansion services while recruitment is taking place.

1 Clinical Therapist I	1 Clinical Therapist II
2 General Service Workers II	1 Mental Health Nurse II
1 Mental Health Clinic Supervisor	2 Peer and Family Advocates II
1 Program Specialist II	2 Supervising Office Assistants

As part of the integration of the program services, 4 Mental Health Specialists previously funded by the Mental Health Services Act for recovery based engagement support teams will be transferred to the Alcohol and Drug Service division to support expanded service in collaboration with the Transitional Assistance Department for the Family Stabilization program that will provide intensive case management services. One General Service Worker position is dual filled due to the vital service needs of the position while an employee is on extended leave.

Special Revenue Funds - Consolidated

DESCRIPTION OF MAJOR SERVICES

Block Grant Carryover Program are funds utilized by Alcohol and Drug Services (ADS) to maintain money received from the State Department of Health Care Services (DHCS) under a multi-year cost reimbursement contract that allows the County to retain unused federal Substance Abuse Prevention and Treatment (SAPT) funds for use in the next fiscal year. These funds are to be spent on alcohol abuse prevention, education, and treatment in schools and the community as described in the annual update to the contract between the County and the State. Funds are transferred to ADS general fund budget unit based on the needs of the program.

Court Alcohol and Drug Program funding is provided by three sources: the Statham funds, which are fines collected from individuals convicted of Driving Under the Influence (DUI) offenses; Senate Bill 921, which requires persons convicted of an offense involving a controlled substance to pay a drug program fee in an amount not to exceed \$100 for each separate offense; and by Senate Bill 920 that requires persons convicted of specific alcohol related offenses to pay an additional alcohol abuse education and prevention penalty assessment in an amount not to exceed \$50. Funds are distributed to the ADS programs.

Driving Under the Influence Program as per Title 9, Division 4, Chapter 3, 9878 (m) of the State regulations and Health and Safety Code 11837.8 (a), the Department of Behavioral Health charges fees to privately owned and operated vendors for monitoring Penal Code (PC) 1000 and DUI programs. Supervision of these programs resides with the County as indicated by Vehicle Code Section 1660.7, which states that the supervision and regulation of the first offender program resides with the County. Fees collected from privately owned and operated DUI programs within the County are deposited into this fund. Funds are then transferred to the ADS unit, as needed, to meet the costs of staff assigned to this function. These funds can only be used for the cost of monitoring PC 1000 and DUI programs.

Block Grant Carryover Program has requirements of \$18.1 million, which includes contingencies of \$5.9 million. Operating expenses of \$12.1 million primarily consists of transfers to the Department of Behavioral Health's general fund budget unit for salaries and benefits as well as services and supplies costs related to alcohol abuse prevention, education, and treatment in schools and the community. Sources of \$10.8 million are primarily from federal aid received through State Department of Health Care Services.

Court Alcohol and Drug Program has requirements of \$2.2 million, including contingencies of \$2.1 million. Operating expenses of \$65,357 are used to fund Alcohol and Drug Programs as needed. Sources of \$419,713 include fines collected from DUI offenders and interest revenue.

Driving Under the Influence Program has requirements of \$643,556, which includes contingencies of \$408,525. Operating expenses of \$235,031 fund the Alcohol and Drug Services general fund budget unit to cover salaries and benefits and other miscellaneous expenditures, and to monitor the DUI/Deferred for Entry of Judgment programs. Sources of \$208,221 include DUI fees paid by program providers and interest revenue.

BUDGET CHANGES AND OPERATIONAL IMPACT

Consolidated Special Revenue Funds have requirements totaling \$20.9 million and include decreased contingencies of \$2.1 million (previously received Block Grant Funds). The decrease in requirements also reflects increased operating costs of \$836,726, associated with the expansion of Alcohol and Drug programs such as new assessment centers, sobering centers and CalWORKS. Costs of expansion include staffing, contractor services and overall operating expenses.

The \$125,742 reduction in State and Federal Aid represents a reduced Federal block grant award for the 2 year period ended October 2015. While funds were underspent in the previous year, this year's expanded activities will fully utilize the awarded funds.

Costs are incurred in Behavioral Health's budget unit and funds are transferred as needed from these Special Revenue funds to meet the costs of staff assigned to ADS programs.

STAFFING CHANGES AND OPERATIONAL IMPACT

There is no budgeted staffing in these consolidated special revenue funds.

DEPARTMENT MISSION STATEMENT

The Department of Public Health provides community and preventive health services that promote and improve the health, safety and quality of life of San Bernardino County residents and visitors.

ORGANIZATIONAL CHART

2013-14 ACCOMPLISHMENTS

- The first Countywide multi-sectorial community health assessment was completed in November 2013. This was the result of two years of organization and work by the Community Vital Signs initiative, a community-driven effort to establish a framework to improve health and wellness in the County. Over 1,000 stakeholders from a multitude of sectors were engaged during the summer of 2013 to respond to key quality of life indicators. Six priority areas were identified with education, economy, and access to health care emerging as the top three.
- EHS developed an electronic plan submittal process for new construction of food facilities to provide greater flexibility and improve responsiveness to businesses. In addition, Environmental Health Services (EHS) received an award from the National Association of Counties (NACo) for its Online Food Worker Program.
- The Preparedness and Response Program transitioned Public Health's community-based annual Flu clinics into "Mass Vaccination Clinics" to achieve 2 goals:
 - Exercise for Pandemic Influenza and familiarize the community about where they should go in the event of a Public Health Emergency and
 - Save over \$60,000 in Net County Cost and use available State grant funds. As a result of these efforts, 24 Clinics were held throughout the County with over 1,300 vaccinations provided free of cost.
- The Ryan White Program worked diligently with all funded HIV Service Providers, with the HIV Planning Council, and the community to plan, prepare for, and implement the successful transition of over 2,000 patients receiving Ryan White funded HIV care to the Low Income Health Plans in San Bernardino and Riverside Counties. These transitioned clients are now receiving care as part of the new Medicaid Expansion population (under the Affordable Care Act).
- Community clinical operations credentialed seven of its providers with Inland Empire Health Plan to ensure continuity of care for patients upon implementation of Federal Healthcare Reform and Medicaid Expansion.
- EHS created a "Human Elements" booklet to educate all facets of our County on the significance of the role EHS plays in the community in protecting public health from disease and injury.

- The Animal Care and Control (ACC) Division partnered with 275 non-profit, private sector animal rescue organizations in 2012-13 to receive homeless animals from ACC shelters. This number increased significantly to 321 rescue group partners in FY 2013-14.
- EHS teamed up with the Sheriff's Departments' Aerial Surveillance Division to combat the threat of West Nile Virus transmission by identifying mosquito breeding swimming pools throughout the County. During the summer of 2013, the Sheriff's Department referred 256 green pools to Environmental Health for abatement, which reduced the mosquito population by millions.
- The Animal Care Joint Powers Authority (JPA) completed construction of the new \$3.9 million animal shelter facility located within the Town of Yucca Valley. The County and Town will jointly own the new shelter facility and the County, through the Department of Public Health, will contract with the Town to manage and operate the new facility.
- The Healthy Communities Program added Grand Terrace and Barstow to the "healthy city" network.

COUNTY GOALS AND OBJECTIVES AND DEPARTMENT PERFORMANCE MEASURES

COUNTY GOAL: IMPLEMENT THE COUNTYWIDE VISION

Objective(s): • *Continue the County role of convening conversations on community collaboration and collective action.*

Department Strategy: • *Public health serves as the staff liaison to the countywide Vision Project's Wellness Element Group which has initiated a multi-year community-driven process to identify priority areas for improving health and wellness. The department will continue to support and facilitate the development, implementation and evaluation of the Community Health Improvement Plan (CHIP).*

Public Health

DESCRIPTION OF MAJOR SERVICES

The Department of Public Health provides a wide range of services to prevent diseases and improve the health, safety and quality of life for residents and visitors of San Bernardino County. Many services are mandated by California Health and Safety Code.

Key delivery areas include Community Health, Disease Control and Prevention, Environmental Health, Health Policy and Promotion, and Animal Care and Control. Community Health provides health care services that promote and improve the health of County residents and visitors, and assures the quality and accessibility of health care services to the public by providing clinical services through a network of Federally Qualified Health Centers and Public Health Clinics. Disease Control and Prevention provides for surveillance and prevention of communicable diseases, including tuberculosis, HIV and other transmitted diseases, and provision of immunizations to prevent disease. Environmental Health prevents, eliminates, or reduces hazards adversely affecting health, safety and quality of life through integrated, regulatory programs such as Food Protection, Vector Control, and other Land Use/Water Protection programs. Health Policy and Promotion partners with cities, organizations and communities to provide technical assistance and promote healthy lifestyles through a broad range of policy development, systems change, built environment planning, and health education. Animal Care and Control protects the public from rabies through dog vaccinations, stray animal abatement, wildlife rabies surveillance, and public education.

In addition, as a complement to the Wellness component of the County Visioning process, the Department will continue its current Community Vital Signs Initiative. This initiative is intended to be a community health improvement framework jointly developed by San Bernardino County residents, organizations and government. It builds upon the Countywide Vision by setting evidence-based goals and priorities for action that encompass policy, education, environment, and systems change in addition to quality, affordable and accessible health care and prevention services. It provides the basis for aligning and leveraging resources and efforts by diverse agencies, organizations and institutions to empower the community to make healthy choices, thereby improving the overall health and well-being of the County's residents.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Staffing expenses of \$55.8 million fund 713 positions. These positions staff 8 medical clinics, 17 Women, Infants and Children (WIC) clinics, and 2 animal shelters, as well as multiple outlying County-owned sites performing environmental health inspections, home visits and animal control staff canvassing. Operating expenses of \$28.8 million include services and supplies, travel, and reimbursements to other County departments.

State and Federal Aid and Realignment comprise 79% of the total sources for this budget unit with the remaining 21% consisting of fees, other revenue and operating transfers in.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$400,562 as a result of the following: Staffing expenses are decreasing by \$1.6 million primarily due to the deletion of regular positions and the addition of limited term positions. Operating expenses are decreasing by \$3.4 million primarily due to the Capital Development – Building Capacity grant being shifted to the operating transfers out category. Capital expenditures are increasing by \$179,494 for the purchase of Electronic Health Record software. Reimbursements are decreasing by \$1.2 million primarily due to reduced Bio-Terrorism Special Revenue fund cost reimbursements. Operating transfers out in the amount of \$3.1 million has been budgeted in 2014-15 for payments to Architecture and Engineering for the expansion of the Hesperia Health Center.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$55.8 million fund 713 budgeted positions of which 685 are regular positions and 28 are limited term positions. The 2014-15 budget includes the deletion of 18 vacant positions, the addition of 18 new positions and reclassification of 2 positions. Deletions are: 1 Office Specialist, 1 PH Program Coordinator, 1 Staff Analyst II, 1 Vector Control Technician, 1 Animal License Checker, 1 Health Education Specialist II, 1 Registered Nurse II, 1 PH Microbiologist II, 4 PH Physicians I, 2 Health Services Assistants I, 2 Nutritionists, 1 Office Assistant III, and 1 Contract Physician Assistant. The new positions are: 1 Fiscal Assistant, 1 Accountant III, 1 Public Health Manager, 1 PH Physician II, 1 Administrative Supervisor I, 1 Supervising Health Services Assistant, 1 Contract Physician Assistant, and 11 Public Service Employees. The reclassifications are: Staff Analyst II to Accountant III and Environmental Technician II to Environmental Technician I. The department expects the staffing changes to increase efficiencies in operations.

California Children's Services

DESCRIPTION OF MAJOR SERVICES

California Children's Services (CCS) is a state program that provides case management, diagnosis and treatment services to individuals up to 21 years of age with severe qualifying medical conditions and whose families are unable to pay for all or part of the care. State law requires the County to maintain a mandated minimum funding level. In addition to realignment dollars and the County's mandated contribution, funding also comes from Medi-Cal, private insurance and patient co-payments.

Budget at a Glance

Requirements Less Reimbursements*	\$21,359,774
Sources/Reimbursements	\$16,673,628
Net County Cost	\$4,686,146
Total Staff	174
Funded by Net County Cost	22%
*Includes Contingencies	

The revenue breakdown among federal, state, realignment and County general fund support depends on the type of services provided under this program. This program provides two types of services.

1. Administrative Component – Case Management activities that include determining program eligibility, evaluating needs for specific services, determining the appropriate providers, and authorizing/paying for medically necessary care. Reimbursement for administrative and operational costs for county CCS programs is shared between the state and county programs as per Health and Safety Code Section 123955 (a). Administrative funding was previously based on staffing standards and caseload mix of CCS clients; however, since 2008-09 the state has changed the funding methodology. All counties must provide the state with a projected budget based on filling all positions as determined by the staffing standards. The state determines what percentage each county's projected budget is of the total amount budgeted by all counties. The percentage is applied to the total allocation available from the state for the fiscal year which may change the actual reimbursement rate normally expected on the caseload numbers below.

Caseload percentages are as follows:

- Medi-Cal caseload percentage is 79.94%. Federal and state funds reimburse CCS for 100% of the costs.
- Healthy Families/TLICP (Targeted Low Income Children's Program) accounts for 12.62% of the caseload. This federal and state program pays 82.5% of the costs. The remaining 17.5% local share is equally funded by Social Services Realignment (8.75%) and general fund support (8.75%) and is billed to CCS on a quarterly basis.
- CCS or Non-Medi-Cal caseload accounts for approximately 7.44%. Federal and state funds pay for 50% of the costs associated with treating this clientele. The remaining 50% is split equally between Social Services Realignment (25%) and general fund support (25%).

2. Medical Therapy Component – Provides physical therapy, occupational therapy and medical therapy conference services. Licensed physical therapists and certified occupational therapists provide evaluation, treatment, consultation services and case management. The state reimburses the County 50% of the costs incurred by this program up to the allocated amount prescribed by the state. The remaining 50% is equally funded by Social Services Realignment and County general fund support. Additionally, this program is allowed to bill Medi-Cal for therapy provided to Medi-Cal eligible clients. This revenue is split 75% state and 25% county. Approximately 48% of the caseload in the medical therapy component is Medi-Cal eligible. The state also reimburses approximately \$80,000 at 100% for personnel costs while attending individualized educational programs per California AB3632.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Staffing expenses of \$15.7 million fund 174 budgeted positions and make up the majority of the expenditures within this budget unit. Operating expenses include payments to the state and other providers for treatment costs and medical supplies.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$235,004 which includes an increase of \$498,186 in staffing expenses to accommodate an additional 8 positions and a net decrease of operating expenses of \$255,139. Operating expense changes are made up of reductions in professional services, equipment purchases, capital expenditure requirements for improvements, travel and overhead transfers from Public Health, offset with increased lease expense at the new Ontario facility and increased Information Services costs.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$15.7 million fund 174 budgeted regular positions. The budget includes the addition of 2 Public Health Nurses II, 1 Supervising Public Health Nurse, 1 Social Services Practitioner, 1 Office Assistant II, 2 Office Specialists and the addition of a job share position for a Pediatric Rehabilitation Therapist. A combination of caseload growth and a need to address lower than State standard staffing related to the previous economic downturn accounts for the additional resources.

Indigent Ambulance

DESCRIPTION OF MAJOR SERVICES

This budget unit provides funding for ambulance contractors who transport indigents to the Arrowhead Regional Medical Center or the closest hospital under certain life-threatening situations. Up to the extent of available appropriation, the fund also pays for the Sheriff/Coroner/Public Administrator's cost of transportation of inmates for medical treatment. The requirements in this budget unit are maintained at a constant level.

DESCRIPTION OF MAJOR SERVICES

Bio-Terrorism Preparedness is supported by federal and state funding from the Centers for Disease Control, Pandemic Influenza and Cities Readiness Initiative. Funds support the Department's preparedness for and response to emergencies caused by bioterrorism, infectious disease, natural disasters and other public health threats such as Pandemic Influenza through the development and exercising of comprehensive public health emergency preparedness and response plans.

Tobacco Use Reduction Now (TURN) program was established in 1989 after California voters approved Prop 99, the Tobacco Tax and Health Protection Act of 1988. Twenty percent of these revenues were earmarked for health education programs in the community and in schools, to prevent and reduce tobacco use. The program provides tobacco control and educational services to the residents of the County. The primary goals of the TURN program are to reduce exposure to secondhand smoke, reduce youth access to tobacco products, counteract the influence of tobacco advertising, promote tobacco cessation and collaborate with various community based organizations through the Coalition for a Tobacco Free San Bernardino County.

Vital Statistics State Fees holds fees set by the state which are collected from the sale of birth and death certificates. Per Health and Safety Code 103625, all applicants for birth and death certificates shall pay an additional \$3, to be collected by the County, which is then disbursed 45% to the State Registrar and the remaining 55% retained by the Department. The funds may be used to defray the administrative costs of collecting and reporting with respect to those fees but also to improve and/or modernize vital records operations and data collection and analysis.

Vector Control Assessments funding is received via the property tax roll and is dedicated for vector control services. The assessments are levied against parcels within the unincorporated parts of the County and the amount assessed depends upon the level of improvement on a given parcel. Services provided by the Vector Control Program include responding to citizen compliant/service requests for community control of vectors. Additional services include monitoring for the presence of vector borne diseases, inspecting poultry ranches, dairies and riding academies for nuisance flies and other vectors and direct abatement and control of vectors in sanitary sewer systems, flood control channels and basins.

Bio-terrorism Preparedness: Requirements of \$2.0 million include \$1.9 million in transfers to the department's general fund budget unit for the costs of the department's Preparedness and Response Program and \$50,000 in contingencies for future allocation. Sources of 2.0 million are primarily from federal aid.

Tobacco Use Reduction Now: Requirements of \$207,764 include \$195,460 in transfers to the department's general fund budget unit for the costs of the Tobacco Use Reduction Now activities and \$12,304 in contingencies for future allocation. Sources of \$180,402 are primarily from state aid.

Vital Statistics State Fees: Requirements of \$957,414 include \$200,008 in transfers to the department's general fund budget unit for the costs of improvement/modernization of the vital records systems and operations and \$757,406 in contingencies for future allocation. Sources of \$132,970 are primarily vital statistic fees set by the state.

Vector Control Assessment: Requirements of \$4.6 million include \$1.6 million in transfers to the department's general fund budget unit for the operation of the Vector Control program and \$3.0 million in contingencies for future allocation. Sources of \$1.7 million are primarily funding received via property tax assessments.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by a net \$467,168 resulting primarily from the following:

- \$905,426 decrease from the use of current and roll-over Bio-Terrorism funds
- \$438,258 increase in contingencies

Sources are decreasing by \$552,842 due to decreases in state and federal funding.

STAFFING CHANGES AND OPERATIONAL IMPACT

There is no budgeted staffing in these consolidated special revenue funds.

ORGANIZATIONAL CHART

2013-14 ACCOMPLISHMENTS

Transitional Assistance Department (TAD)

- Processed over \$22 million in federal and state tax refunds and served 11,362 taxpayers in communities throughout San Bernardino County through the Volunteer Income Tax Assistance (VITA) program. These refunds stimulate economic activity in addition to fighting poverty and leading to increased self-sufficiency.
- Expanded the capacity of the Customer Service Center (CSC), processing 1.2 million phone requests related to CalWORKs, CalFresh and Medi-Cal cases in 2013, an average of 101,858 calls per month. CSC expansion has also provided crucial support to the state-wide Health Care Reform implementation.
- Received CalFresh award for Program Access Index (PAI) growth for the 2nd consecutive year. San Bernardino County ranks 3rd of 58 counties for CalFresh PAI. These efforts provide additional nutrition resources to County residents and bring additional federal dollars into the local economy.
- Received CalFresh Recognition of Excellence award for contributing to California's low CalFresh error rate of 3.98% for the 3rd consecutive year. San Bernardino County's error rate was only 1.07%.

Children and Family Services (CFS)

- Received and assessed 29,102 child abuse and neglect referrals encompassing over 58,000 children.
- Reunited 1,196 children with their families.
- Finalized 399 adoptions.
- Provided support to approximately 300 youth who remain in foster care past their 18th birthday.
- Achieved permanency for 224 children through guardianship.
- Established 14 Family Visitation and Support Centers and provided 4,223 supervised visits for children and their families.
- Sent 1,057 children to attend summer camp.
- Hosted and engaged 352 foster and kinship youth at the Annual CFS Sports Fair.
- Recognized and celebrated the role of 626 children, foster parents and resource parents at the Annual Foster Parent Picnic.
- Received two NACO awards for the Preschool Referral Project and the Permanency Readiness Program.

Department of Aging and Adult Services (DAAS)

- Received and processed 14,143 requests for IHSS services.
- The Central Intake Unit assisted over 93,000 IHSS care provider requests regarding their paychecks.
- Received 2013 National Association of Counties (NACo) Achievement Award for establishing a program (Death Match Report) that eliminates In-Home Supportive Service providers wage overpayment due to the late reporting of a recipient's death.
- Established a department mentoring program to educate and expose DAAS staff to other programs within the department that are outside their current assignments.
- Assisted over 21,000 County residents by providing In-Home Supportive Services to them so they could remain safely in their own home.
- Established a Facebook page creating a portal for seniors and others to interface with DAAS.
- Increased referrals by 15% as a result of releasing the "It's Not Your Fault" campaign to increase awareness of senior and adult dependent abuse, and marking the beginning of Older Americans month.

More DAAS accomplishments can be found in the corresponding section included in the Aging and Adult Services budget section.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Major requirements include the following:

- Staffing expenses of \$335.8 million fund 4,644 positions.
- Operating expenses of \$166.8 million represent expenses for County services, computer hardware and software, office supplies, insurance, mail services, professional services, communications, training, security, travel, goods and services for clients, facility leases, transfers out and miscellaneous operating costs.
- Capital expenditures of \$2.7 million include expenses for fixed asset equipment, capitalized software and vehicles.
- Reimbursements of \$2.0 million include payments from other County departments to HS for administrative support services as requested.

Major sources include the following:

- Realignment revenue of \$98.9 million is used to match available federal funding and replace state funding for programs that have been realigned.
- Federal and state funding of \$382.9 million represents total available funding for the administration of mandated Human Services programs.
- Operating transfers in of \$5.2 million represents funds provided from the Wraparound Reinvestment Fund which are utilized as a match to access additional Federal funding for Children's Services programs. This funding will enable Children and Family Services to enhance service levels despite increasing costs.

BUDGET CHANGES AND OPERATIONAL IMPACT

The 2014-15 budget is based on the latest information available from the developing budget situation at the state level. The latest social services allocation projections include funding and mandated program changes as addressed in the 2014-15 State Budget. Caseload growth, mandated program changes, implementation of the Affordable Care Act and Realignment changes require additional funding for many HS programs. TAD funding is anticipated to increase \$5.6 million. The increase is comprised of CalWORKs (\$2.6 million) and Cal Fresh (\$3.0 million). Remaining revenue increases are primarily CFS and DAAS increases which are a combination of

realignment and corresponding federal and state funding. All other funding for programs administered by HS is expected to remain unchanged from what was included in the 2013-14 final budget.

While this budget anticipates increased allocations across many social services programs, the ongoing availability of additional statewide revenue and realignment revenue is still uncertain. A slower than anticipated economic recovery or a slow-down of tax receipts could cause budget issues for both the state and counties which could present future challenges to the funding of social services programs. Until such time as the stability of state and realignment resources is known, it is necessary to plan for the maximum possible available funding in order to effectively take advantage of potential funding increases, yet be prepared for unexpected funding decreases. To prepare for possible future funding challenges, HS will continue to monitor developments at the state and federal levels in an effort to maintain mandated public services at appropriate levels, while utilizing all available funding.

HS strategy is to maintain staffing near current levels. These staffing levels are believed to provide the most flexibility and opportunity to provide services mandated by the state, while remaining within available allocations and funding sources. Plans for significant expenditures, whether for staff, services, supplies, equipment, or services to clients, will be monitored closely and necessary adjustments will be made as future changes to the state budget are known. Any significant differences between this budget and actual allocations received from the state will be addressed through the County's quarterly budget adjustment process.

Overall, allocations within this budget unit are expected to increase 1.5% from the previous year. This allocation increase, combined with additional funds from the Wraparound Reinvestment Fund and Realignment funds, result in a requirements increase of \$8.5 million from the 2013-14 final budget as follows:

- Staffing expenses will increase \$8.8 million over the 2013-14 final budget. Increases fund additional positions and rising benefit, retirement and salary costs. Mandated program changes contribute to net staffing increases of 32 positions in various HS departments and divisions.

	TAD	CFS	DAAS	Support	Total
2013-14 Budget	2,976	864	243	529	4,612
2014-15 Budget	3,009	865	234	536	4,644
Difference between 2013-14 Budget 2014-15 Budget	33	1	(9)	7	32

- Operating expenses are increasing \$211,042. Changes are related to increases in insurance, mailing and postage, client services costs, IHSS MOE requirements and decreases in computer hardware and software, furniture, County services costs and data processing costs.
- Capital expenditures are decreasing by \$594,816 due to reductions in equipment and vehicle purchases.
- Reimbursements are decreasing by \$312,637 which reflects a decrease in the demand for HS administrative support and a decrease in the overhead rate charged by HS Administrative Support Divisions as allowed by the state.

Sources increased by \$11.3 million from the 2013-14 budget as follows:

- Realignment increased \$6.7 million and is possible due to increased realignment collections. This increase is required to fund increased program expenditures for CFS programs (\$2.7 million), IHSS MOE (\$1.5 million) and reclassification of Adult Protective Services revenue (\$2.5 million) as "realignment". Federal and state funding available for HS programs increased a net \$5.8 million primarily due to increased funding for CalWORKs, Cal Fresh, Child Welfare Services and IHSS.
- A mix of miscellaneous revenue sources decreased \$195,479.
- Operating transfers in decreased \$1.0 million. Use of available realignment growth funding for CFS programs has reduced the necessary transfer from the Wraparound Reinvestment fund.

NET COUNTY COST

Most HS programs are state and/or federal mandates. The County share of funding is either mandated as a percentage of total program costs or as a fixed maintenance of effort. County share is comprised of a combination of Net County Cost and revenue from realignment funds. Realignment funds were created by two distinct and separate state realignment processes to offset the costs that were shifted to the County from the state for realigned programs. Their use is limited to designated social services programs.

Changes to HS County share needs are as follows:

In aggregate, the HS Administrative Claim (DPA) budget unit includes a \$2.8 million net decrease to Net County Cost. This decrease is a result of anticipated salary and benefit reductions. Net County Cost figures are estimates and are dependent upon final allocations from the state after the state budget has been adopted. HS will closely manage changes arising from the state budget. Significant changes will be addressed through the County's quarterly budget update process, as needed.

HS programs that are not state or federally mandated do not generate revenue from these sources and are funded with Net County Cost through HS. While these programs provide services that benefit HS in general, their functions do not qualify for state or federal reimbursement. These programs and their general fund impact are detailed below:

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$335.8 million fund 4,644 budgeted positions of which 4,633 are regular positions and 11 are limited term positions.

TRANSITIONAL ASSISTANCE DEPARTMENT (TAD)

TAD program funding is expected to increase over the previous year. State elimination of the CalWORKs Young Child Exemption, the engagement of currently sanctioned CalWORKs customers and state focus on Work Performance Rates requires increased Welfare to Work case management activities. As a result, TAD has identified the need to make the following staffing changes:

Additions:

- 30 Employment Services Specialist
- 3 Supervising Employment Services Specialist I

Reclassifications:

- 5 Staff Analyst I to Staff Analyst II

CHILDREN AND FAMILY SERVICES (CFS)

CFS program funding is increasing over the previous year. The workload necessitates a need to add 1 support position.

Transferred In:

- 1 Office Assistant III

DEPARTMENT OF AGING AND ADULTS SERVICES (DAAS)

DAAS allocations are expected to remain relatively flat from the previous year. As a result, the Department is recommending position changes which do not impact filled positions but rather attend to necessary administrative adjustments. Staffing changes are as follows:

Deletions

- 6 Office Assistant II

Transferred Out:

- 1 Office Assistant III
- 2 Staff Analyst II

Reclassifications

- 1 Public Health Nurse II to Registered Nurse II
- 1 Supervising Social Service Practitioner to Supervising Social Worker

HS ADMINISTRATION AND SUPPORT SERVICES

HS Administration has identified the need to enhance its agency-wide disaster preparedness planning and emergency services management capabilities, as well as augment staffing at the HS Auditing division in order to keep pace with increased audit and financial reporting requirements. Staffing changes are as follows:

- Administrative Support Division (ASD) – To accommodate the need for a more robust emergency planning and response enterprise within Human Services there will be an addition of:
 - 1 HS Emergency Services Manager
 - 2 Staff Analyst II – transferred from DAAS
 - 1 Fiscal Assistant – Transferred from HS Auditing
- Auditing Division –
 - Addition of 2 HS Auditing Managers and 2 HS Internal Auditors IV
 - Reclassification of 8 Accountants III to HS Internal Auditors III and 1 Accountant II to HS Internal Auditor II
 - Deletion of 1 Supervising Fiscal Specialist and a transfer of 1 fiscal assistant to ASD to realign unit organization.
- Information and Technology Support Division –
 - Reclassification of 1 Business Systems Analyst II to a Business Systems Analyst III. Reclassification of 1 Business Systems Analyst III to a Programmer Analyst III. Reclassification of 2 Programmers I to Programmers II in order to align position classifications with assigned work duties.
- Performance and Education Resource Center – the addition of 1 Public Service Employee
- Program Integrity Division (PID)- No staffing changes for this Fiscal Year.
- Program Development Division – No staffing changes for this Fiscal Year.
- Personnel Division – No staffing changes for this Fiscal Year.

The following chart provides an overview of the funding sources and local share requirements for the programs that are budgeted in the HSS Administrative Claim budget:

AGING AND ADULT SERVICES

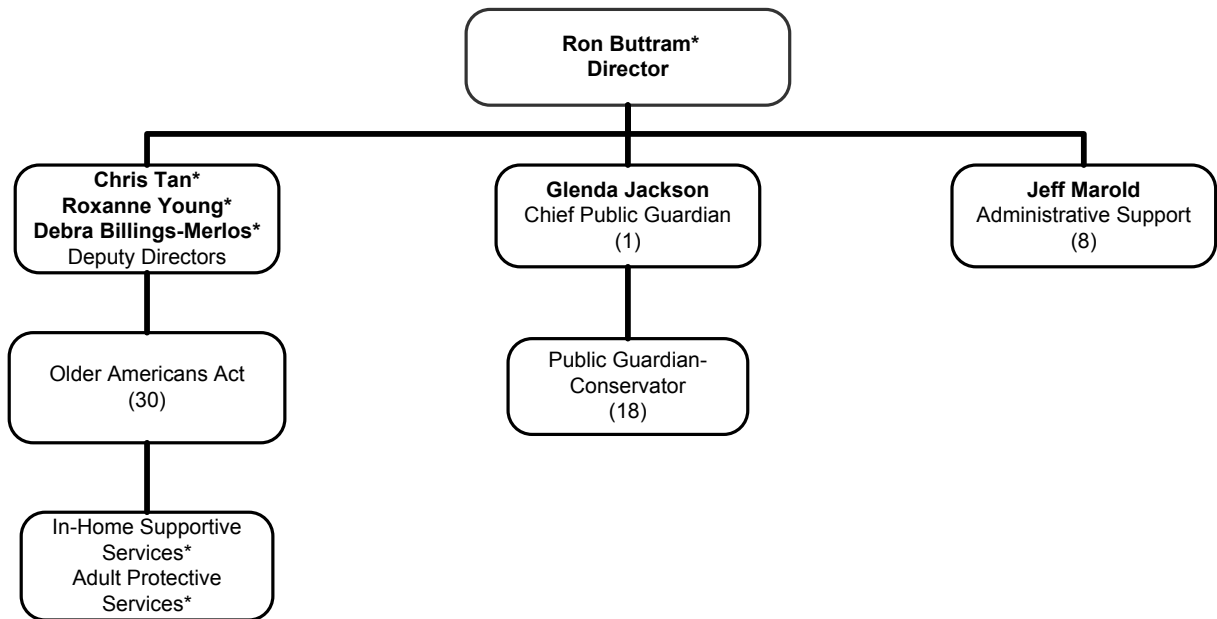

Ron Buttram

DEPARTMENT MISSION STATEMENT

The Department of Aging and Adult Services (DAAS) provides services to seniors, at-risk individuals, and adults with disabilities to improve or maintain choice, independence, and quality of life so they may age in place in the least restrictive environment.

ORGANIZATIONAL CHART

*Staffing is reimbursed by the Human Services Administrative Claim budget unit

2013-14 ACCOMPLISHMENTS

- Established a mentoring program to educate and expose DAAS staff to other programs within the department other than their current assignment.
- Received 2013 National Association of Counties (NACo) Achievement Award for establishing a program that eliminates In-Home Supportive Service (IHSS) providers wage overpayment due to the late reporting of a recipient's death.
- Provided a total of 690,391 congregate meals served in senior centers throughout the County and home-delivered meals to homebound seniors.
- Established a Facebook page creating a portal for seniors and others to interface with DAAS.
- Contacted 13,726 individuals providing information on services available to seniors.
- Provided outreach and education presentations to 129,199 seniors.
- Distributed 2,250 Farmer's Market coupons to seniors totaling \$45,000 worth of fresh fruits and vegetables.
- Distributed bus passes to 1,400 seniors totaling over 50,000 one-way bus rides.
- Assisted with 2,600 Home Energy Assistance Program (HEAP) applications for \$650,000 in utility credits for seniors.

- Established a quarterly Family Support Group in Public Guardian.
- Investigated and resolved 1,450 complaints in long-term facilities through the Ombudsman Program.
- The Central Intake Unit assisted over 93,000 IHSS care provider requests regarding their paychecks.
- Implemented innovative “We Can! Steps to Healthier Aging, Eat Better & Move More” six week program combining a curriculum focused on healthy eating and physical activity in partnership with the Department of Public Health’s Nutrition program at 12 community centers throughout the County.
- Assisted over 21,000 County residents by providing In-Home Supportive Services to them so they could remain safely in their own home.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Staffing expenses of \$3.1 million fund 33 regular and 5 limited term positions. Operating expenses of \$6.2 million includes \$4.8 million in contracted services for the Senior Nutrition, Supportive Services, Family Caregiver, and Multipurpose Senior Services programs.

Total state, federal, or government aid revenue of \$7.9 million fund programs such as the Senior Nutrition Services (Title IIIC), Multipurpose Senior Services Program (MSSP), Health Insurance Counseling and Advocacy Program, Senior Supportive Services (Title IIIB), and Family Caregiver.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$611,023 due to reductions in salaries and benefits (as a result of a departmental reorganization), services and supplies, contracted vendor payments, and reimbursements received from other departments.

Sources are decreasing by \$611,023 primarily as a result of the elimination of a one-time operating transfer from Human Services in 2013-14 and one-time revenue received late in 2013-14 from State and Federal sources.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$3.1 million fund 38 budgeted positions of which 33 are regular positions and 5 are limited term positions. In 2014-15 budgeted positions will decrease from 43 to 38 due to the transfer of one Supervising Social Service Practitioner position to another program, and the deletion of 4 vacant positions (1 Staff Analyst II, 2 Social Service Aides and 1 Contract Ombudsman Lead Coordinator). A new Supervising Accounting Technician position was approved for reclassification in lieu of a vacant Staff Analyst II position. Operations will not be affected by the reductions as work duties have already be assumed by other Department staff.

Public Guardian - Conservator

DESCRIPTION OF MAJOR SERVICES

By court appointment, the Public Guardian-Conservator acts as conservator for any individuals found to be gravely disabled or to lack capacity to manage their finances and provide their own care. A conservator has the responsibility for the conservatee's care, custody and control. The conservator determines where the conservatee lives and ensures his/her daily needs are met. Conservatees must be placed in the least restrictive placement, which may include, but is not limited to the following: medical, psychiatric, nursing, or other licensed facility or state hospital, County hospital, or United States government hospital.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Major expenditures and revenue represent the following:

- Staffing expenses of \$1.5 million will fund 19 budgeted positions.
- Reimbursements of \$1.4 million represent funding received primarily from the Department of Behavioral Health for conservatee case costs and from the Sheriff/Coroner/Public Administrator for reimbursement of warehouse operation costs.
- Realignment of \$12,951 represents AB109 Criminal Justice program revenue.
- State/federal/other government aid revenue of \$90,000 represents reimbursement for Medi-Cal Administrative Activities (MAA).
- Fee/Rate revenue of \$100,000 represents court-ordered fees paid to the Department from the estates of conservatees.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$118,357 primarily due to an MOU salary adjustment and reduced transfers for shared administrative costs with DAAS and other Human Services divisions. Additionally, requirements for 2013-14 included costs for one-time incentives.

Sources are decreasing by \$83,899 as a result of reduced revenues received for the AB 109 Criminal Justice prisoner release program and fee revenue received from conservatees.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$1.5 million fund 19 budgeted regular positions. There are no staffing changes.

CHILD SUPPORT SERVICES

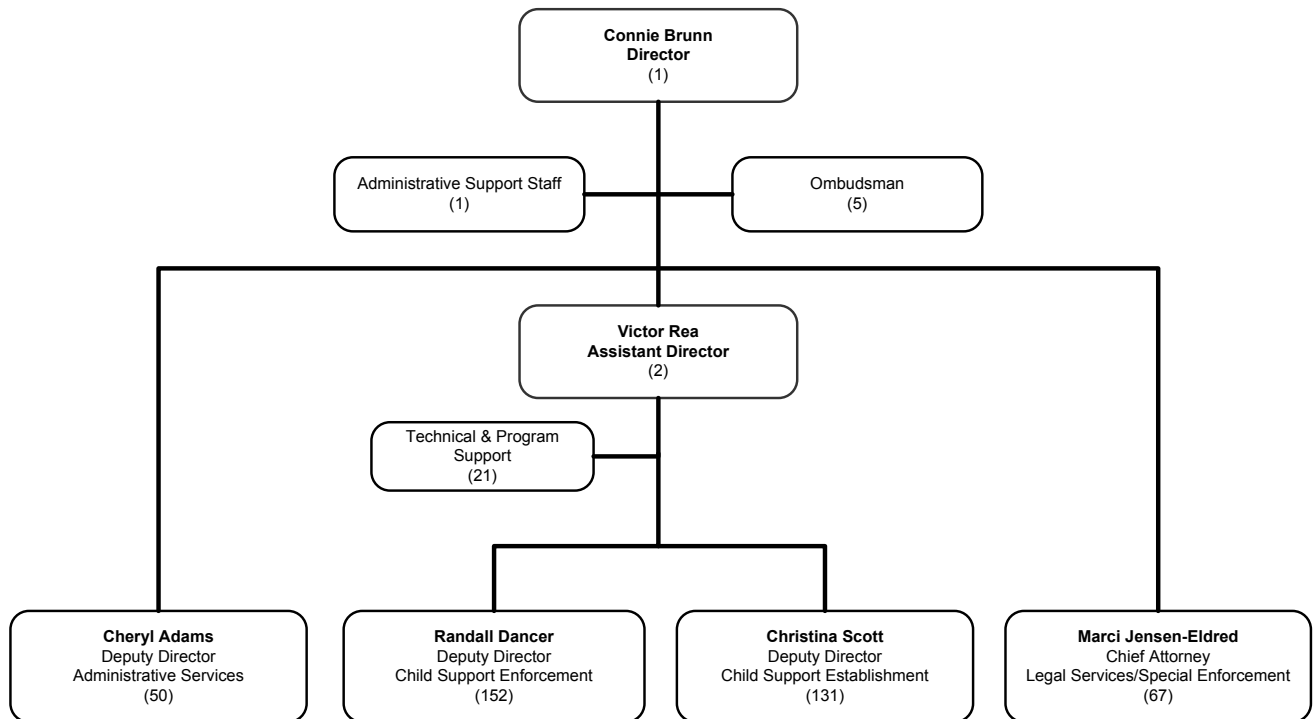

Connie Brunn

DEPARTMENT MISSION STATEMENT

The County of San Bernardino Department of Child Support Services determines paternity, establishes and enforces child support orders, and secures payments to assist families in meeting the financial and medical needs of their children. The Department provides timely and effective service in a professional manner.

ORGANIZATIONAL CHART

2013-14 ACCOMPLISHMENTS

- Collected \$169.4 million in child support payments in Federal Fiscal Year 2013.
- Ranked second in the State in program cost effectiveness, distributing \$4.35 for each dollar in funding provided to the Department.
- Received the Distributed Collections Award for achieving the greatest percentage increase in distributed collections over the three recent federal fiscal years.
- Continued efforts to ensure availability of services to all County residents by assisting customers with their child support-related issues at Transitional Assistance Department (TAD) offices located throughout the County.
- Participated in several Workforce Development Department Rapid Response sessions, providing information about the child support program and case-specific assistance to individuals who were impacted by employer downsizing.
- Conducted two webinars to provide information to employers on their role in the child support program.

- Attended numerous outreach events, including targeted outreach to military personnel, to provide resources and available services to County residents needing assistance with child support-related issues.
- Continued to work with the Probation Department and the AB 109 program, making presentations at Day Reporting Centers throughout the County to provide child support program information and case specific remedies to probationers.
- Participated in Re-Entry Support Team monthly meetings for the cities of Fontana and Rialto, providing case-specific assistance to recently-released parolees with child support cases.
- Conducted 17 outreach sessions at hospitals and birthing facilities, providing instruction on the preparation and submission of paternity declarations, resulting in submission and accuracy rates significantly higher than the statewide average.
- Developed and implemented a Program Information Kit which provides information to custodial parents about the child support process to assist in the management of their case.
- Implemented electronic recording of real property liens for child support judgments resulting in increased department efficiencies.

COUNTY GOALS AND OBJECTIVES AND DEPARTMENT PERFORMANCE MEASURES

COUNTY GOAL: PROVIDE FOR THE HEALTH AND SOCIAL SERVICES NEEDS OF COUNTY RESIDENTS
Objective(s): • To the maximum extent legally allowed, utilize County programs to move participants to self-sufficiency.

Department Strategy:

- Work in collaboration with parents to obtain accurate and appropriate child support orders for families in San Bernardino County.
- Increase the collection of current child support which will result in more money being received by San Bernardino county families.
- Educate parents about the child support program and the importance of paying consistently and the need for reliable child support on a monthly basis.

Child Support Services

DESCRIPTION OF MAJOR SERVICES

The Department of Child Support Services (DCSS) promotes family self-sufficiency by helping parents meet their mutual obligation to provide financial and medical support for their children. These services are offered throughout San Bernardino County with offices located in the high desert, the west end, and the greater San Bernardino area.

Budget at a Glance

Requirements Less Reimbursements*	\$40,039,593
Sources/Reimbursements	\$40,039,593
Net County Cost	\$0
Total Staff	430
Funded by Net County Cost	0%

*Includes Contingencies

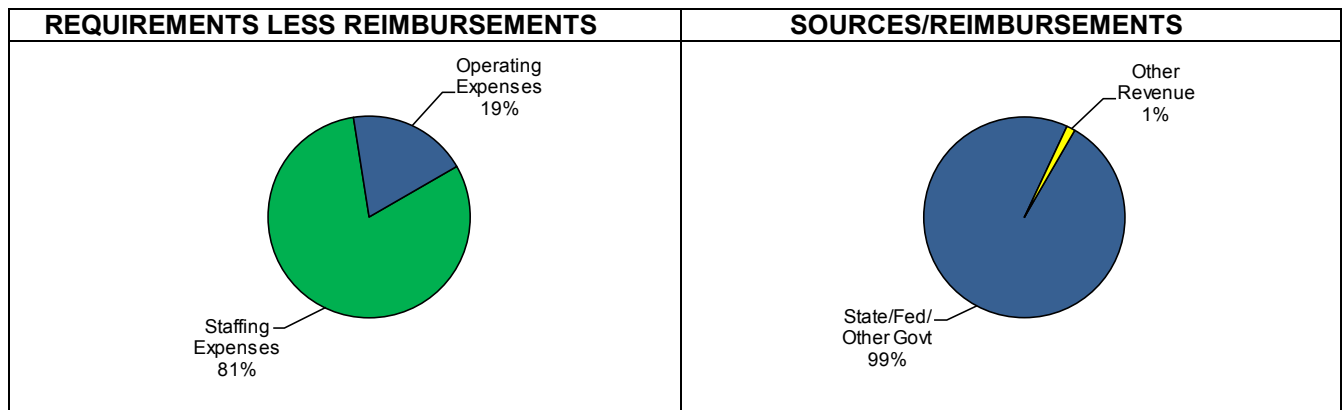

DCSS is dedicated to administering the program in a manner that puts the needs of the children first and foremost. The belief that working collaboratively with parents in understanding and meeting their obligations is a fundamental element in the success of the program.

The services provided by DCSS include the following:

- Locating parents to establish court orders for paternity, child and medical support.
- Enforcing court orders for child, family, spousal and medical support.
- Securing child support payments.
- Maintaining records of payments made and balances due.
- Modifying court orders when appropriate.

Additionally, DCSS offers services to assist customers with concerns that may arise in the progress of their case. The Ombudsman program administers the Complaint Resolution process, in which customers have the opportunity to raise concerns with the processing of their case, pursue resolution, and obtain information about the child support program and their rights and responsibilities.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Major requirements and sources include the following:

- Staffing expenses of \$32.3 million fund 430 budgeted positions.
- Operating expenses of \$7.6 million include COWCAP, professional services contracts, telephone services, mail services, leases, and other operating costs.

Sources of \$40.0 million primarily represent the federal and state allocation to fund child support operations. DCSS has no Net County Cost.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$527,119, primarily due to the deletion of 4 positions and the one-time employee incentive payment in 2013-14.

In 2013-14, the department received a one-time adjustment in other revenue. No adjustment is anticipated for 2014-15; therefore, sources are expected to decrease by approximately \$527,119. In 2014-15, federal and state funding allocations are anticipated to remain at the level adopted in 2013-14.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$32.3 million fund 430 budgeted regular positions. The budget includes a reduction of 4 positions: 1 Attorney, 1 Program Specialist, and 2 Child Support Officers. The deletion of these positions is necessitated by the anticipated increases in expenditures, primarily in COWCAP and retirement costs. This staffing reduction will require redistribution of workload among existing staff.

Wraparound Reinvestment Fund

DESCRIPTION OF MAJOR SERVICES

The Wraparound Services Program was created through Senate Bill (SB) 163, Chapter 795, Statutes of 1997, and is an intensive, community-based and family-centered process designed to allow children with serious behavior and/or emotional difficulties to remain in their community at the lowest level of care possible instead of being placed in a group home setting. Payments for Wraparound Services are included in the Aid to Families with Dependent Children (AFDC) – Foster Care budget unit. This bill allows counties to accumulate savings realized from a wraparound program and requires that the savings be reinvested in a Child Welfare Services Program.

Contracts have been established with four agencies to provide wide Wraparound Program Services to high risk children. These contracts stipulate that the County will retain 5% of the monthly Wraparound Foster Care payments for federally eligible cases and 10% of the monthly Wraparound Foster Care payments for non-federally eligible cases.

This budget unit will provide funding to 1) reinvest in services for youth in placement while they are being assessed for residential based services, 2) enhance services provided to foster care children and their families 3) expand services to youth aging out of the foster care system in order to promote self-sufficiency in these young adults, and 4) provide matching funds to access additional federal funding in support of the Child Welfare Services Program.

This budget unit requires no Discretionary General Funding (Net County Cost) since amounts are withheld from existing AFDC – Foster Care maintenance payments.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Requirements of \$13.7 million are made up of the following:

- \$48,171 in staffing expenses which funds 1 position.
- \$2.7 million in operating expenses which is made up of services and supplies, travel and public assistance expenses to provide support services to children in need.
- \$3.3 million to contingencies to be set aside for future use.
- \$9.7 million in operating transfers out;
 - \$5.2 million to the Human Services Administrative Claim budget unit to provide matching funds which will allow access to additional federal funding in support of the Child Welfare Services Program which is administered by Children and Family Services.
 - \$4.5 million to the Foster Care budget unit to offset the use of Realignment which is used for the mandated match required to draw the federal and state funding.

Reimbursements and sources totaling \$8.0 million are anticipated from unexpended funds that will be recovered from contractors as each annual contract settlement is concluded.

BUDGET CHANGES AND OPERATIONAL IMPACT

A decrease of \$1.8 million in requirements includes the following:

- Staffing expenses are decreasing by \$254,199 due to a reduction of 5 positions.
- Operating expenses are decreasing by \$652,034 due to an overall reduction in expenditures.
- Reimbursements are decreasing by \$160,000 because of lower retentions of wraparound services payments from wraparound care providers.
- Contingencies are decreasing by \$498,107 based on fund balance available to be used to cover future Wraparound Services program payments.
- Operating transfers out are decreasing by \$559,506 because of reduced need for matching funds for Child Welfare Services Programs.

Sources are decreasing by \$1.9 million due to a more realistic expectation of revenues when comparing the actual revenue from multiple prior years.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$48,171 fund 1 budgeted position. Recent staff reductions have not resulted in the reduction of services to children because those services are now being provided by staff in the Human Services Administrative Claim budget.

DESCRIPTION OF MAJOR SERVICES

Aid to Indigents (General Relief) provides mandated County subsistence in the form of cash aid for food, shelter and transportation to indigents who do not meet categorical eligibility requirements for state and federally funded programs. These general relief payments facilitate transition to an employable status and/or provide interim assistance pending receipt of Social Security Income (SSI) benefits. Revenue under this program represents retroactive SSI payments which the County receives as reimbursements for general relief assistance provided to SSI eligible indigents prior to their enrollment in the SSI program and reimbursements made by non-SSI eligible indigents when assistance under this program is no longer needed.

Domestic Violence/Child Abuse Services provides for a number of contracts with agencies to ensure temporary shelter, food, transportation, emergency services and treatment/counseling for adults and children who are victims of domestic violence and child abuse. The domestic violence program under SB 1246 is funded by a surcharge on marriage licenses and court fines imposed in domestic violence cases. The child abuse prevention program is funded by (1) realignment and (2) revenue generated from a surcharge placed on certified copies of birth certificates. Revenues from the surcharges are deposited into special revenue funds and used to fund the payments to contractors. These three revenue sources provide 100% of the funding for this program.

Entitlement Payments (Childcare) provides for the Stage 1 Childcare Program administered by the Transitional Assistance Department (TAD). This program is one of the major programs of federal welfare reform and the resulting State CalWORKs program and is intended to fund childcare for CalWORKs recipients who are seeking employment or have obtained employment. Childcare provider payments are 100% federally and state funded through reimbursements by the state.

Out-of-Home Child Care provides assistance grants for room, board and care for children pending determination of eligibility for state or federal aid, those who are ineligible due to other resources or those who are undocumented residents. Some of these children have serious emotional and medical problems which increase the difficulty of locating appropriate facilities for care. Costs for this program can fluctuate based on the unique nature and requirements of each individual case and are funded with Discretionary General Funding (Net County Cost).

Aid to Adoptive Children program provides financial assistance to adoptive parents who would otherwise not be able to provide for a child's special needs. The children are either personally disadvantaged, physically handicapped or adolescents. This program enables hard-to-place children to be adopted and taken out of the higher cost Foster Care program. This budget unit is approximately 42% federally funded. The remaining 58% is funded with realignment and Discretionary General Funding (Net County Cost).

AFDC-Foster Care provides aid payments for children living in foster homes and group care facilities. The Foster Care caseload consists of cases from both Children and Family Services (CFS) (approximately 90%) and Probation (approximately 10%). The cost of Probation related foster care cases is approximately 2 times greater than CFS cases due to the higher levels of care required for these juveniles. There are two funding eligibility criteria in the Foster Care Program, federal (federal, state and County participation) and non-federal (state and County only). Foster Care placements are generally eligible for federal financial participation if the parents meet the previous Aid to Families with Dependent Children (AFDC) Program criteria.

- For federal cases, the cost-sharing ratios are now approximately 45% federal and 55% County.
- For non-federal cases all costs are borne by the County.
- All County share-of-cost is mandated and is funded with realignment and Discretionary General Funding (Net County Cost).

Refugee Cash Assistance provides assistance payments for a maximum of eight months to all refugees who cannot meet the requirements for the Refugee Demonstration Project and CalWORKs programs. This is a Federally funded program.

Cash Assistance for Immigrants program, under AB 2779, provides cash assistance to aged, blind and disabled legal immigrants who meet the Supplemental Security Income/State Supplementary Payment (SSI/SSP) immigration status requirements in effect on August 21, 1998, and all other current SSI/SSP eligibility requirements, yet are no longer eligible for SSI/SSP solely due to their immigration status. This program is 100% state funded.

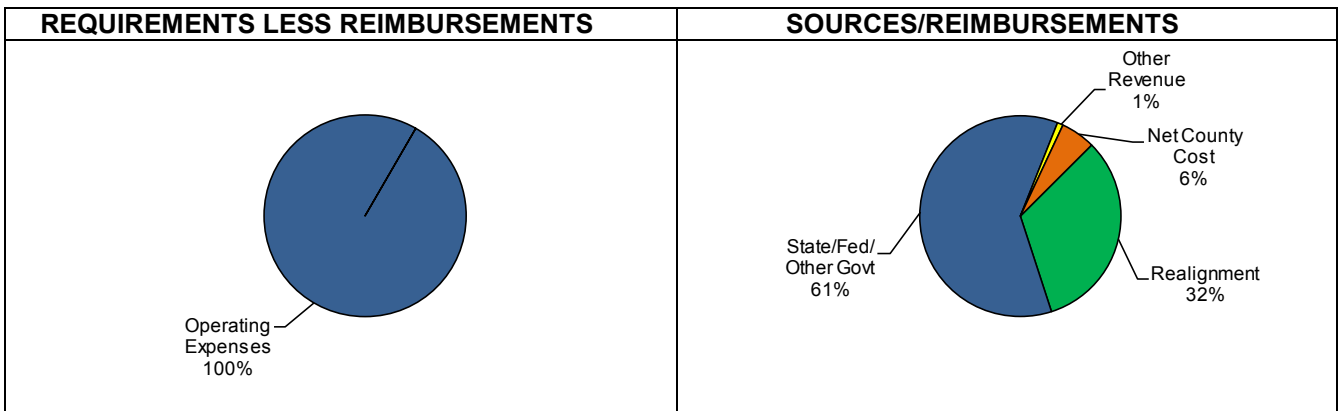

CalWORKs – All Other Families provides CalWORKs assistance payments to families eligible for aid and includes all cases that have not been identified as two-parent or zero-parent families. The federal and state governments reimburse 97.5% of the costs for this program. Approximately 47.2% of state funding is realignment. The mandated 2.5% County share is funded by Discretionary General Funding (Net County Cost).

Kinship Guardianship Assistance Program (Kin-Gap) provides a subsidy to children who leave the juvenile court dependency system to live with a relative legal guardian. It offers relative caregivers of dependent children an option for providing a permanent home to these children. To be eligible for the program, the child must have lived with the relative at least 12 consecutive months, the relative guardianship must be established pursuant to Welfare and Institutions Code 366.26, and the juvenile court dependency for the child must be dismissed. Movement to the Kin-Gap program is not automatic. The court, with a recommendation from the social worker, has discretion regarding whether termination of dependency is in the child's best interest. This program is approximately 40% federally funded. The remaining 60% is funded with realignment and Discretionary General Funding (Net County Cost).

CalWORKs – 2 Parent Families provides payments to resident families who are eligible for aid in accordance with state law. This budget includes all cases identified as having two parents in the home or in which the parents are excluded from, or ineligible for, CalWORKs. The federal and state governments reimburse 97.5% of the costs for this program. The mandated County share of 2.5% is funded by Discretionary General Funding (Net County Cost).

There is no staffing associated with these budget units. Services for the above programs are provided by staff budgeted in the Human Services (HS) Administrative Claim budget unit.

Consolidated Human Services Subsistence Funds are increasing requirements by \$5.4 million due to a combination of caseload and grant payment increases in HS Subsistence budget units. Sources are increasing by \$5.9 million which includes an increase of \$4.5 million in realignment funds and an increase of \$1.2 million in federal and state revenue. The effect of caseload growth and placement/grant cost increases in these programs as related to required matching funds and the resulting changes to realignment needs is outlined in a table included in the HS Administrative Claim budget unit. Net County Cost is being reduced by \$500,000 due to a combination of caseload increases/decreases and a restoration of Child Support collections revenue that has been restored by the state, which offsets the need for additional Net County Cost.

BUDGET CHANGES AND OPERATIONAL IMPACT

Aid to Indigents (General Relief) includes operating expenses of \$1.5 million which provides cash aid for food, shelter and transportation as well as SSI advocacy legal fees to indigents who do not meet categorical eligibility requirements for state and federally funded programs. Due to anticipated caseload decreases, total requirements will decrease by \$185,000. This caseload decrease, combined with a \$135,000 reduction in sources due to declining SSI referrals, results in a \$50,000 decrease in Net County Cost to \$1.1 million.

Domestic Violence/Child Abuse Services includes operating expenses of \$1.3 million which funds contracts with agencies to ensure temporary shelter, food, transportation, emergency services and treatment/counseling for adults and children who are victims of domestic violence and child abuse. Reimbursements of \$779,402 are from a surcharge placed on certified copies of birth certificates, marriage licenses and court fines imposed in domestic violence cases. Sources of \$531,812 represent realignment funding that is dedicated to the child abuse prevention program. There is no change to this budget unit from the prior year.

Entitlement Payments (Child Care) includes operating expenses of \$26.4 million which provides payments to childcare providers for CalWORKs Stage 1 childcare. The requirements and sources for 2014-15 will be decreased by \$4.9 million. The proposed 2014-15 Governor's budget reduced funding for this program requiring this decrease in available funding for County Welfare to Work participants.

Out-of-Home Child Care includes operating expenses of \$860,566 which provides assistance grants for room, board and care for children.

Aid to Adoptive Children includes operating expenses of \$59.2 million which provides assistance to adoptive parents who would otherwise not be able to provide for a child's special needs. Total requirements are projected to increase \$2.4 million (4.3%) over the 2013-14 budget due to continued caseload growth and associated costs resulting from the success of legislation (AB390) which encourages and promotes the adoption of eligible children. Continued increase in the average monthly grant payment is partially due to historical increases based on the child's needs and legislation (AB106) which granted a California Necessities Index (CNI) increase. Federal and realignment revenue is projected to increase \$2.3 million. An additional \$100,000 of Net County Cost is required for this program to meet mandated matches.

AFDC-Foster Care includes operating expenses of \$124.2 million, a \$1.1 million increase, consisting of \$122.2 million in aid payments and other expenses for children living in foster homes and group-care facilities and \$2.0 million in transfers to the Wraparound Reinvestment Fund. The transfer to the Wraparound Reinvestment Fund represents the 5% - 10% of monthly Wraparound Foster Care payments to contractors that are contractually retained by the County to be re-invested in Child Welfare Services programs. Costs for 2013-14 are much lower than the 2013-14 final budget and, when combined with the projected 2014-15 caseload growth and other cost escalating factors, contribute to the seemingly small increase in operating expenses year over year. Factors contributing to cost increases are:

- Overall projected caseload growth of 9% (federal cases by 11.5% and non-federal by 1.5%).
- A United States District Court order that requires utilization of a new method for determining foster home payment rates. These court-ordered rate increases were implemented in 2013-14. Although it is known that costs will increase, the financial impact has not yet been fully determined.
- Passage of state AB 12, which now allows wards and child welfare dependents to remain in extended foster care (EFC) through age 21. The financial impact of this change has not yet been fully determined.

Federal revenue will increase \$4.3 million and realignment will decrease \$3.6 million. \$4.5 million in revenue will be transferred from the Wraparound Reinvestment Fund. Child Support collection revenue has been restored by the state and is projected to be \$800,000. An additional \$100,151 of Net County Cost is required for this program to meet mandated matches.

Refugee Cash Assistance includes operating expenses of \$91,197 which provides payments to refugees who cannot meet the requirements for the Refugee Demonstration Project and CalWORKs programs. Requirements and sources are projected to decrease \$9,721 due to overall changes to caseload and grant payment costs. This is a federally funded program.

Cash Assistance for Immigrants is 100% state funded and includes operating expenses of \$2.1 million which provides payments to legal immigrants who meet the SSI/SSP immigration status requirements. Requirements and sources are projected to increase \$197,580 due to a 9% increase in caseload and a 1.5% increase in the average grant amount.

CalWORKs – All Other Families includes operating expenses of \$255.1 million which provides assistance payments to families eligible for aid and includes all cases that have not been identified as two-parent or zero-parent families. This is a \$3.3 million increase from the prior year and is a result of a state mandated 5% grant increase. Federal and state revenue of \$178.6 million and realignment revenue of \$70.5 million comprise 97.5% of the funding for this program. Child Support collections revenue has been restored by the state and is projected to be \$700,000 and contributes to the Net County Cost decrease of \$818,377.

Kinship Guardianship Assistance Program (Kin-GAP) includes operating expenses of \$8.7 million which provides subsidies to relative caregivers of children who leave the juvenile court dependency system to live with a relative legal guardian. Requirements are projected to increase \$500,000 due to an increase in caseload and placement costs. Sources are projected to increase \$400,000 due to additional federal, state and realignment funding. An additional \$123,827 of Net County Cost is required for this program to meet mandated matches.

CalWORKs – 2 Parent Families includes operating expenses of \$43.9 million which provides assistance payments to all cases identified as having two parents in the home or in which the parents are excluded from or ineligible for CalWORKs. A state mandated 5% grant increase and a 4% caseload increase requires a \$2.9 million increase in requirements. Federal and state revenue of \$42.9 million comprises 97.5% of the funding for this program, a \$2.8 million increase from the 2013-14 final budget. An additional \$34,399 of Net County Cost is required for this program to meet mandated matches.

DEPARTMENT MISSION STATEMENT

Preschool Services improves the well-being of children, empowers families and strengthens communities.

ORGANIZATIONAL CHART

2013-14 ACCOMPLISHMENTS

- Received the following two National Association of Counties Achievement Awards:
 - Preschool Referral Project with Foster care
 - Nicholson Park Family Learning and Community Resource Center
- Increased school readiness for children as measured by the Desired Results Developmental Profile (DRDP).
- Exceeded the required 50% level of professional teaching staff possessing a Bachelor's Degree or higher.
- Partnered with the Countywide 2-1-1 referral system.
- Provided support services to 15% more homeless families at local shelters.
- Partnered with St. Mary's Hospital for the third year to move Head Start and Early Head Start children recognized as "obese" into the less severe "overweight" category; and children classified as "overweight" to a "healthy weight" category. Through this partnership, Preschool Services (PSD) has been able to reduce obesity in children by 12%.
- Increased support for family self-sufficiency programs by 248% over the prior year. These programs include financial literacy workshops and educational advancement programs and workshops.
- Opened the Baker Family Learning Center through collaboration with the County Library. The unique blend of services provided by the Library and PSD allows both children and parents in the community to learn together as they access resources, programs, classes and computers.
- Served 137 children through First 5 San Bernardino, Pre-K Academy program. This collaboration has allowed PSD to provide summer preschool services to children, who might not have received preparation for entering the K-12 school system.
- Collaborated with the Department of Behavioral Health to provide Prevention and Early Intervention to approximately 200 children and 100 parents. In addition, 100 classroom teachers were trained to provide assistance in recognizing potential mental health issues, and utilizing school centered intervention with mental health professionals when appropriate.

- Engaged approximately 40 parents/caregivers to the Pathways to Success Parent Apprenticeship program. This program combined vocational training programs, on-site mentoring, and financial assistance in conjunction with related educational courses.

COUNTY GOALS AND OBJECTIVES AND DEPARTMENT PERFORMANCE MEASURES

COUNTY GOAL: PROVIDE FOR THE HEALTH AND SOCIAL SERVICES NEEDS OF COUNTY RESIDENTS

Objective(s): • *To the maximum extent legally allowed, utilize County programs to move participants to self-sufficiency.*

PSD serves about 6,000 low income and disadvantaged families with children from birth to 5 years of age and pregnant women. PSD's priority population includes children in foster care, those who are homeless and children with special needs and/or disabilities. PSD offers comprehensive child development and family support services to all enrolled children and families which include: physical health, nutrition and mental health to strengthen the child's capacity to participate successfully in school.

In order to continue to support the accomplishment of program objectives, PSD is sub-divided into the following units:

- Executive Unit – Provides leadership and guidance to all units of the department.
- Administration – Provides oversight for fiscal, budget, reporting/auditing preparation, contracts, grant writing, human resources, transportation, maintenance and facilities support to the department. In addition, this unit provides oversight for organizational development, training and technical assistance.
- Operations – Responsible for eligibility and recruitment of children, overall operations of center and home-base comprehensive child development programs, nutrition, health, mental health, disability and family and community related services.
- Quality Assurance – Provides ongoing monitoring, quality compliance, special projects, and coordinates volunteer activities.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Staffing expenses of \$31.5 million fund 706 budgeted positions to administer preschool services programs. Operating expenses of \$18.0 million include contracts for temporary help, transportation, food, and subcontractors. Additionally, there are transfers to other County departments for services such as data processing, facilities management, lease payments, Human Services, Information Technology Systems Support, and Human Resources. Capital expenditures of \$245,000 will fund the purchase and installation of two new playgrounds and eight vehicles. Reimbursements are from the Department of Behavioral Health for the operation of the Prevention and Early Intervention (PEI) and the Low-Income First Time Mothers (LIFT) programs. These programs provide children with identified social-emotional developmental challenges, as well as at risk low income first time pregnant mothers, with support services and parent/teacher training.

Sources of \$49.1 million are primarily from the federal and state government.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$33,645. Staffing expenses are increasing by \$3.4 million primarily due to an increase of 32 positions, general retirement, and salary adjustments. The net reduction to operating costs of \$554,298 is primarily the result of reductions in COWCAP, inventoriable equipment, program supplies, and general maintenance; offset by increases in general liability and other miscellaneous expenses. Capital expenditures are increasing by \$129,000 to purchase playground equipment for school site relocations and replacement vehicles. Reimbursements are increasing \$112,808 due to additional funds received from the Department of Behavioral Health for the operation of the Prevention and Early Intervention program. The increases are offset by a reduction of \$2.7 million in operating transfers out for capital projects (i.e. warehouse and other projects) not carried over into FY 2014-15.

The net increase in sources of \$160,904 is primarily due to Sequestration restoration of \$2.5 million offset by reductions in one-time revenue for a warehouse purchase of \$1.5 million, and the elimination of the First Five Pre-K program of \$800,000.

The department's beginning fund balance of (\$77,191) is the result of prior year encumbrances outstanding at June 30, 2014 that have since been cancelled in 2014-15.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$31.5 million fund 706 positions of which 68 are regular positions and 638 are limited term positions. The budget includes a net increase of 32 positions allowing the department to serve an additional 250 children as the result of the restoration of sequestration funds.

The budget includes the addition of a Maintenance Supervisor (1), Contract PSD Program Generalist 9 months (7), Contract PSD Teacher II 9 months (13), Contract PSD Teacher III 12 months (2), Contract PSD Teacher Aide II 9 months (6), Contract PSD Site Supervisor II 12 months (3), PSD Program Manager (2), and Graduate Student Intern (3). The department's increases in staff are based primarily on the restoration of federal sequestration funds and the Prevention and Early Intervention Program.

The budget also includes the deletion of a Fiscal Assistant (1), Contract PSD Program Manager (2) and Contract Site Supervisor 9 months (2).

The department also deleted contract Teacher Aide I 9 months (12) and Teacher Aide I 12 months (3) offset by the addition of Teacher Aide II 9 months (12) and Teacher Aide II 12 months (3). This adjustment was necessary due to a higher educational standard required by the federal Head Start program that aligned with the higher contract classification requirements.

PSD reclassified positions in the Quality Assurance unit to align duties with the needs of the department. 2 PSD Eligibility Worker II's were reclassified to PSD Quality Assurance Specialist II's, 3 PSD Eligibility Worker I's were reclassified to PSD Quality Assurance Specialist I, and 1 PSD Eligibility Worker I was reclassified to PSD Quality Assurance Specialist II. Also, a Contract Generalist 12 month was deleted, offset by the addition of a PSD Quality Assurance Specialist II position. Furthermore, 2 PSD Area Coordinators were reclassified to PSD Program Supervisors.

Veterans Affairs

DESCRIPTION OF MAJOR SERVICES

According to the Secretary of the U.S. Department of Veterans Affairs (VA), approximately one out of every three people in the United States is a potential VA beneficiary. The Department of Veterans Affairs provides claims assistance, information and referral, advocacy, and outreach to County residents. These benefits include medical care, life insurance, home loans, pension benefits, disability compensation, education and vocational rehabilitation. County VA employees are often the initial contact with the VA system for veterans and recently discharged military personnel in our community.

*Includes Contingencies

Services to the veteran's community are concentrated in the following areas:

Claims Assistance

Provide benefits counseling, claim preparation, and development of material evidence. Monitor adjudication and resolve issues or questions in favor of the veteran. Provide assistance with administrative and appellate review of claims.

Information and Referral

Make referrals to other County departments, homeless providers, emergency service providers, and state and federal agencies.

Advocacy

Provide individual advocacy, advocacy at the policy and legislative levels, and provide state and federal elected officials with technical assistance regarding veterans' legislation.

Outreach

Conduct outreach to retirement homes, mortuaries, schools, military separation programs, and service organizations such as the American Legion, Disabled American Veterans, Veterans of Foreign Wars, Elks, Rotary, etc., for the purpose of informing the community of veterans' benefits and services.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Staffing expenses of \$1.6 million fund 22 positions and is the main expenditure of the Veterans Affairs budget. Operating expenses of \$434,477 consist primarily of general office, COWCAP, Facilities Management costs, and other costs such as presort, printing and equipment rents and leases.

Sources of \$550,853 consist of the State Veterans Subvention Fund (which includes one-time funds), Medi-Cal Cost Avoidance Program, the Veterans Service Office Fund (state license plate sale program), and state reimbursement for contract services performed at the Barstow Veterans Home.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$210,608 primarily due to one-time costs incurred in 2013-14 for salaries and benefits, and operational costs. One-time funds in 2013-14 were from State Subvention that allowed the department to expand the veteran outreach program, upgrade the VA's automated case management system and provide non-traditional therapy (Equine Assisted Therapy) for disabled veterans. Additionally, requirements for 2013-14 include costs for an employee incentive payment.

Sources are decreasing by \$167,574 due to the utilization of one-time funding but are slightly offset by an increase in State revenue.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$1.6 million fund 22 budgeted positions, of which 18 are regular positions and 4 are limited term positions. The number of regular positions remains unchanged from 2013-14; however, the 4 temporary Public Service Employee positions are only funded through January 2015.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Operating expenses of \$228,139 include professional and specialized services, medical expenses, vehicle charges, general office expenses, and travel related to the operation of drug court programs, as well as a transfer of \$163,783 to the Superior Court to fund 2 budgeted positions. Reimbursements of \$181,168 represent payments from the County Department of Behavioral Health, to help pay for program activities. State and federal aid of \$46,971 reflects grant revenues anticipated for Drug Court activities.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements and sources are decreasing by \$334,130 due to reductions in state and federal grant funding.

STAFFING CHANGES AND OPERATIONAL IMPACT

There is no staffing associated with this budget unit.

Grand Jury

DESCRIPTION OF MAJOR SERVICES

The San Bernardino County Grand Jury is appointed annually by the Superior Court. Its responsibilities include investigating local government, examining instances of public office crime and corruption, and returning indictments in certain criminal cases brought before it by the District Attorney's Office. Funding in this budget unit covers members' stipends, office supplies, administrative staff, and other support costs. This unit funds one Grand Jury Assistant position budgeted within the Superior Court.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Major expenditures include transfers for staffing expenses of \$117,253 to the Superior Court to fund a Grand Jury Assistant position and juror stipend/expenses in the amount of \$191,236.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$13,047 primarily due to increased costs allocated from the Countywide Cost Allocation Plan (COWCAP).

STAFFING CHANGES AND OPERATIONAL IMPACT

There is no staffing associated with this budget unit.

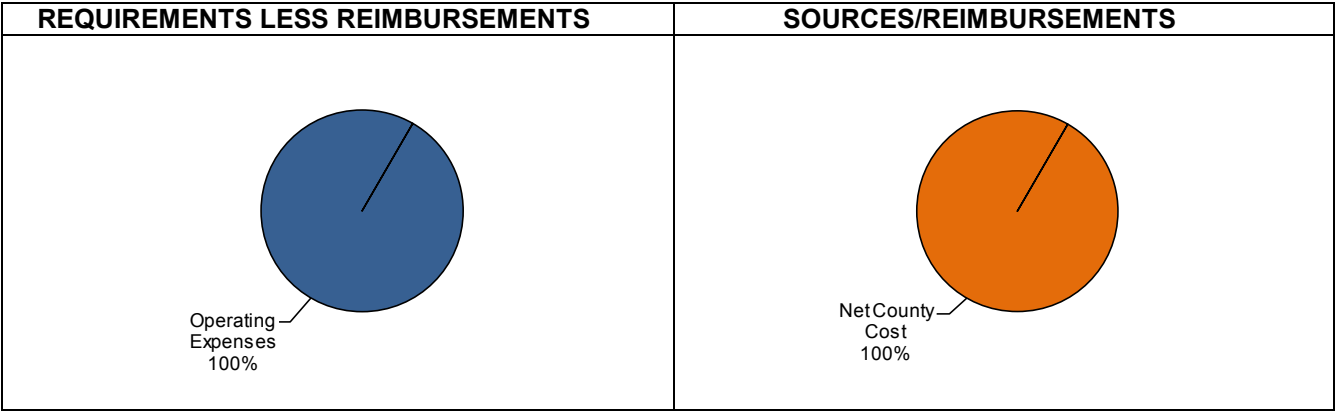

Indigent Defense Program

DESCRIPTION OF MAJOR SERVICES

The Indigent Defense Program provides for representation services appointed by the Superior Court for indigent defendants in criminal and juvenile delinquency proceedings that the Public Defender is unable to represent, and for conservatorship, guardianship, probate, family law other than Family Code § 3150 minor’s counsel, and misdemeanor appeals. A portion of this budget is also set aside for capital case defense costs for the Public Defender Capital Defense Unit. The program administers contracts, monitors caseloads and expenditures, processes accounts payable and performs trust fund accountings, and reports to the County Finance Office. The program administers and coordinates court-appointed representation services of attorneys, experts and investigators for an average of 3,000 misdemeanor and 3,800 felony cases per year, including capital and life-without-parole cases, and an average of 600 conservatorship, guardianship, probate, mental health, misdemeanor appeal and other cases per year. In coordination with the Superior Court, this program also administers the County’s Dispute Resolution Programs Act alternate dispute resolution program and its associated special revenue fund. This unit funds one analyst and one fiscal/accounting position in the Finance and Administration budget.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Operating expenses of \$10.0 million includes \$9.6 million for contracted and *ad hoc* (non-contracted) court-appointed legal representation services for indigent defendants in criminal and juvenile delinquency cases, and for other cases requiring court-appointed representation services including conservatorship, guardianship, probate, mental health, and misdemeanor appeals. Another \$430,000 is included for investigator and expert services for the Public Defender's Capital Defense Unit as well as a transfer to Finance and Administration to fund two limited-term contract employee positions for program administration services.

Fee/rate revenue of \$32,000 reflects the receipt of client payments for appointed juvenile delinquency representation services.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$240,591 primarily due to a new contract for court appointed attorney services and resulting increased costs for adult indigent defense representation services, and a new contract for delinquency representation services effective July 1, 2014.

In addition, other professional and special services for court-appointed experts and investigators for non-capital cases is decreased by \$75,000 in anticipation of ongoing reduced needs for these services as a result of the Superior Court's January 2010 implementation of its designated Penal Code § 987.2 Judge program, and the Superior Court's adoption of its *Penal Code § 987.2 Procedures and Rules*.

Special department expense for court-appointed Penal Code § 987.9 confidential services of experts and investigators for capital cases is decreased by \$25,000 in anticipation of decreased need for these services during 2014-15.

Agency Administration of \$100,000, paid to the Superior Court in prior years is eliminated for 2014-15 due to the termination of these services. Instead a transfer to Finance and Administration of \$200,000 funds two positions

for Indigent Defense program administration in 2014-15. Transfers also include funding for the Public Defender's Capital Defense Unit's capital case defense costs.

STAFFING CHANGES AND OPERATIONAL IMPACT

There is no budgeted staffing associated with this budget unit. In prior years staff supporting the program have been employees of the Court. However, the Court informed the County in 2014 that it will no longer administer the program. As a result, two positions have been added in Finance and Administration to support this program and costs associated with these positions are funded in this budget unit.

Court Facilities/Judicial Benefits

DESCRIPTION OF MAJOR SERVICES

This budget unit annually appropriates an amount that the County provides in supplemental benefits for Superior Court judges appointed before January 1, 2008. These benefits include automobile, security and education allowances. This budget unit also continues to appropriate funds for property insurance costs not covered by an agreement with the Administrative Office of the Courts, as well as security services at the Fontana Court.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Operating expenses of \$1.2 million include payment of judicial benefits for 49 judges (approximately \$21,634 per judge) who were appointed prior to January 1, 2008. According to the County's agreement with the Superior Court, new judges authorized and appointed after this date do not receive these benefits. Operating expenses also include \$151,825 for property insurance costs and transfers to the Sheriff/Coroner/Public Administrator for security services at the Fontana Court.

BUDGET CHANGES AND OPERATIONAL IMPACT

Operating expenses are decreasing by \$4,768 due to a reduction in property insurance costs.

STAFFING CHANGES AND OPERATIONAL IMPACT

There is no staffing associated with this budget unit.

Court Facilities Payments

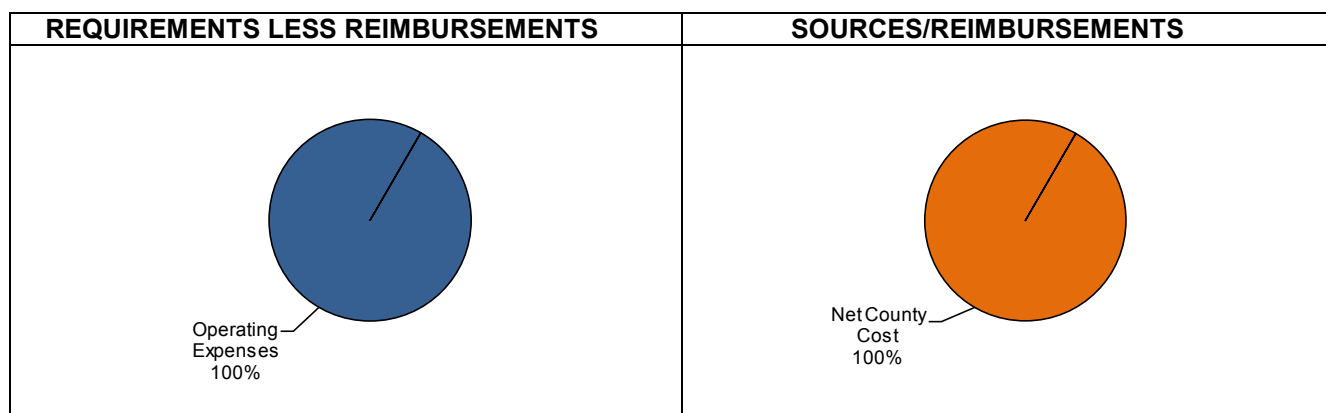

DESCRIPTION OF MAJOR SERVICES

The Trial Court Facilities Act of 2002, SB 1732, requires the transfer of responsibility for funding and operation of trial court facilities from the counties to the State of California. The County must pay the state the amount that the County historically expended for the operation and maintenance of each court facility. This budget unit was established in 2006-07 to budget and track these payments for the County's facilities. With the new courthouse, there were two facilities added in 2013-14. Four more locations are anticipated to be added during 2014-15, which will be the final obligation under this agreement.

BUDGET CHANGES AND OPERATIONAL IMPACT

There have been no changes for the 2014-15 budget. However, it is anticipated that the County Facilities Payments (CFP's) will be added for four court facilities during 2014-15. The Trial Court Facilities Act of 2002, SB 1732 (Escutia), (the Act), provided for the transfer of funding and operation of court facilities from counties to the Administrative Office of the Courts (AOC). Funds historically spent by counties (the CFP) to maintain court facilities are to be transferred to the State and the State uses that funding for the ongoing management, operation and maintenance of court facilities going forward. Because the State was constructing a new courthouse in downtown San Bernardino that would replace various existing court facilities, the payment of the CFP's to the AOC for these four court facilities is to be delayed until the new courthouse is completed. Budget adjustments will be submitted in 2014-15 to account for the new CFP's.

Trial Court Funding – Maintenance of Effort (MOE)

DESCRIPTION OF MAJOR SERVICES

On January 1, 1998, AB 233, the Lockyer – Isenberg Trial Court Funding Act of 1997 went into effect in the State of California. This bill fundamentally changed how the trial courts are funded by transferring primary responsibility for funding the courts to the state, including sole responsibility for funding future growth in court operations costs. In addition, it requires counties to make a capped maintenance of effort (MOE) payment to the state each year for operations of the courts. In return, the state allowed counties to retain many fines and forfeitures to help fund their MOE payments with the provision that collections that exceeded the amount of revenue MOE be shared equally between the state and the County.

The County's historical MOE contribution of \$28.4 million was made up of two components. The expenditure component of \$20.2 million represented the adjusted 1994-95 County expenses for court operations and the revenue component of \$8.2 million was based on the fine and forfeiture revenue sent to the state in 1994-95. In 2006-07 the revenue component changed to \$3.3 million due to legislation. Therefore, the County's current MOE contribution is \$23.6 million.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Operating expenses of \$25.5 million includes the County's capped MOE payment of \$23.6 million to the state for court operations, as well as \$2.0 million, which represents the estimated amount of the fines/forfeitures that exceed the sources component of the MOE base figure, and is shared equally with the state.

Sources of \$14.2 million include traffic and criminal fines, penalty assessments, vital statistics fees, civil filing fees, traffic school and recording fees.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements and sources are expected to decrease slightly from 2013-14 which reflects a projected decrease in fine/forfeiture collections in 2014-15 which will reduce the MOE payable to the State.

STAFFING CHANGES AND OPERATIONAL IMPACT

Courthouse Seismic Surcharge

DESCRIPTION OF MAJOR SERVICES

Funding for this budget unit comes from a \$35 surcharge on civil filings as authorized by Government Code Section 70624. Surcharge revenues were used for the Central Courthouse seismic retrofit/remodel project, which was completed in January 2011. These revenues were also used to make contributions to the state for the new courthouse in downtown San Bernardino.

In June 2007 the County privately placed \$18.4 million of revenue bonds for courthouse improvements. These bonds mature on June 1, 2037, and are payable solely from revenues generated by a \$35 civil filing fee surcharge and related interest earnings. They are not an obligation of the County. The purchasers of the bonds have assumed the risk that surcharge revenues may someday not be sufficient to make principal and interest payments. All pledged revenues are remitted monthly to a trustee acting on behalf of the owners of the bonds.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Operating transfers out of \$1.7 million reflect the amount of projected revenue and fund balance to be transferred to the bond trustee. Principal and interest payments on the bonds total \$1.3 million for the fiscal year.

Sources of \$1.7 million represent the civil filing fee surcharge revenue.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements and sources are decreasing by \$444,180 based on 2013-14 estimated collections.

STAFFING CHANGES AND OPERATIONAL IMPACT

There is no staffing associated with this budget unit.

Alternate Dispute Resolution

DESCRIPTION OF MAJOR SERVICES

The Dispute Resolution Programs Act of 1986 authorizes the local establishment and funding of dispute resolution programs as an alternative to more formal court proceedings. The County presently receives \$8 per civil filing, which funds contract alternate dispute resolution services for small claims and landlord-tenant actions, and certain civil and family law matters.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Operating expenses of \$500,000 represent costs related to contracts for mediation services.

Contingencies of \$53,844 are being set aside for future allocation as approved by the Board of Supervisors.

Fee/rate revenue of \$456,000 is anticipated from the collection of civil filing fees.

Other revenue of \$600 represents anticipated interest earnings.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$126,136 due to a reduction in contingencies caused by use of fund balance in 2013-14 to fund operations. The contract services funded by this special revenue fund were opened to competitive procurement during 2012-13, resulting in a new contract paid at a rate of \$500,000 per year.

Sources are decreasing by \$44,000 as revenues from the \$8 civil filing fee are projected to be \$456,000, which is less than the \$500,000 needed under the existing contract and, as a result, requires the use of fund balance. Some fund balance is reserved as a contingency in the event the \$8 civil filing fee revenues continue to be below the existing contract expenditures of \$500,000 per year. The contract services are anticipated to be opened for competitive procurement during 2014-15 for a new contract to be effective July 1, 2015, with the new contract payment rates to be within anticipated revenues.

STAFFING CHANGES AND OPERATIONAL IMPACT

There is no staffing associated with this budget unit.

Registration Fees

DESCRIPTION OF MAJOR SERVICES

This budget unit accounts for the "registration fee" that is collected from indigent defendants under Penal Code § 987.5 at the time appointed defense counsel is assigned. Effective July 1, 2010, the fee was increased from \$25 to a maximum of \$50 in accordance with California Senate Bill 676. The revenues from this fee are distributed at the discretion of the Board of Supervisors pursuant to Penal Code § 987.5 (e).

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Contingencies of \$166,492 are being set aside for future allocation by the Board of Supervisors.

Fee/rate revenue of \$2,400 represents projected collections from the indigent defense registration fee.

Other revenue of \$535 represents projected interest earnings.

BUDGET CHANGES AND OPERATIONAL IMPACT

Revenues from the indigent defense registration fee dropped following implementation of Assembly Bill 3000 ("Court Surcharge Guidelines"), effective September 2002, that prioritized distribution of criminal case installment payments of fines and penalties.

STAFFING CHANGES AND OPERATIONAL IMPACT

There is no staffing associated with this budget unit.

Criminal Prosecution

DESCRIPTION OF MAJOR SERVICES

The District Attorney is the public prosecutor and has the mandated responsibility to prosecute crimes committed within the County of San Bernardino, including all city jurisdictions, pursuant to Government Code 26500. Additionally, the District Attorney's Office: provides legal assistance for criminal investigations conducted by law enforcement agencies throughout the County; is the legal advisor to the Grand Jury and is authorized to submit evidence and seek indictments from that body; initiates civil commitment petitions to keep Mentally Disordered Offenders and Sexually Violent Predators in locked facilities; employs civil proceedings in asset forfeiture matters to seek the proceeds of criminal activity; and utilizes civil proceedings to seek sanctions and injunctive relief against businesses that pollute or create dangerous conditions for employees and citizens.

The District Attorney also has a duty to investigate crimes. District Attorney Investigators work to prepare cases for trial and initiate special criminal investigations. The Office also administers several state grants and other state revenues that fund prosecutors and investigators who handle Real Estate Fraud, Auto Insurance Fraud, Workers' Compensation Fraud, and other special areas of prosecution.

The District Attorney has an ethical and legal responsibility to the victims of crime. The Office seeks restitution for victims and provides emotional and financial support for victims and their families.

Finally, as the public prosecutor who handles all cases in the name of the People, the District Attorney has a responsibility to keep the citizens of this County informed through regular interaction with the media and the public.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

The majority of expenditures for the District Attorney's Office are for staffing (\$65.8 million) and operating expenses (\$8.8 million), primarily to fulfill the department's core responsibility of prosecuting crimes. These expenditures are funded mostly through \$31.0 million of Discretionary General Funding (Net County Cost) and \$27.3 million of Prop 172 revenues, required by law to be used for public safety activities. Other significant funding sources include reimbursements of \$8.9 million primarily from the department's special revenue funds, \$3.4 million of AB 109 realignment revenue, and \$3.7 million from various state/federal agencies.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by a net amount of \$224,262 primarily due to additional costs for computer equipment replacement, insurance, facility-related charges, COWCAP, software maintenance, and training/travel for newly hired staff.

Sources are increasing by \$1.2 million primarily due to an increase in Prop 172 funds of \$1.6 million, partially offset by a decrease in state/federal aid of \$376,115 because the department can no longer claim reimbursement for costs related to the prosecution of sexually violent predators.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$65.8 million fund 489 budgeted positions of which 484 are regular positions and 5 are limited term positions. The budgeted staffing reflects the addition of a contract Deputy District Attorney to assist with the continued prosecution of a criminal case related to the Department's Public Integrity Unit. This contract was approved by the Board of Supervisors on February 11, 2014 and is scheduled to terminate on June 30, 2015.

DESCRIPTION OF MAJOR SERVICES

Real Estate Fraud Prosecution accounts for activity related to the investigation and prosecution of real estate fraud crimes in the County. On January 23, 1996, the Board of Supervisors (Board) adopted Resolution 96-14 to allow the county to collect, pursuant to Government code 27388, a \$2 fee upon recording documents. On December 9, 2008, the Board adopted Resolution 2008-311 authorizing an increase of this fee from \$2.00 to \$3.00. This fee is used to fund costs of the District Attorney's Real Estate Fraud Prosecution Unit. Sources are transferred to the District Attorney's Criminal Prosecution budget unit to offset the cost of staff assigned to prosecute real estate fraud.

Auto Insurance Fraud Prosecution represents activity related to the investigation and prosecution of automobile insurance fraud. Insurance fraud is a particular problem for automobile policy holders. It contributes substantially to the cost of automobile insurance, particularly in urban areas. Prevention of automobile insurance fraud can significantly reduce insurance claim payments and may therefore produce a commensurate reduction in automobile insurance premiums. Under direction of the Insurance Commissioner, the California Department of Insurance makes funds available, as authorized by the California Insurance Code, to the District Attorney's Office for investigation and prosecution of automobile insurance fraud. Sources are transferred to the District Attorney's Criminal Prosecution budget unit to offset the cost of staff assigned to prosecute auto insurance fraud.

Workers' Compensation Insurance Fraud Prosecution accounts for activity related to the investigation and prosecution of workers' compensation insurance fraud. The California Department of Insurance, pursuant to Section 1871.83 of the California Insurance code, distributes funds to the District Attorney's Office for this purpose. These assessed funds represent a percentage of the total premiums collected by workers' compensation claims relating to the willful failure to secure the payment of workers' compensation. Of all money collected by the state, 56% is retained by the state for fraud investigation and 44% is distributed statewide to District Attorney Offices through a grant program. The funds received by San Bernardino County are administered through this budget unit. The insurance grant revenue is transferred to the District Attorney's Criminal Prosecution budget unit to offset the cost of staff assigned to prosecute workers' compensation insurance fraud.

Specialized Prosecutions was established in 1990-91 with funding from various fines and forfeitures for the District Attorney's Office to prosecute crimes such as hazardous waste dumping, consumer fraud and violations of Cal/OSHA laws. Sources are transferred to the District Attorney's Criminal Prosecution budget unit to offset the cost of staff associated with these specialized prosecutions.

Vehicle Fees – Auto Theft accounts for the receipt of assessments on vehicles registered in San Bernardino County. In May of 1995, the Board adopted a resolution, pursuant to Vehicle Code 9250.14, to impose a \$1.00 fee on each San Bernardino County new and renewal vehicle registration. The revenue from this fee is used to enhance the capacity of local law enforcement and prosecutors to deter, investigate and prosecute vehicle theft crimes. This budget unit receives the District Attorney's share of the registration assessment on vehicles registered in San Bernardino County. Sources are transferred to the District Attorney's Criminal Prosecution budget unit to offset the costs of prosecuting and investigating automobile theft crimes.

State Asset Forfeitures represent receipt of the District Attorney's share of state asset forfeiture funds. The goal of asset forfeiture is to remove the profits from those who benefit from illegal activities. While seizures and arrests present a temporary setback for criminals, asset forfeiture is effective in permanently removing the proceeds from the criminals while diminishing their ability to continue the illegal enterprise. The law permits law enforcement agencies to use the proceeds of forfeitures to offset public safety expenses. Thus, law enforcement is able to convert criminal profits into supplemental funding to inhibit illegal activities. Sources are transferred to the District Attorney's Criminal Prosecution budget unit to help offset the cost of processing asset forfeiture cases.

Federal Asset Forfeitures account for the share of federal asset forfeitures processed by the District Attorney's Office. In 1982, Congress enacted the comprehensive Crime Control act that gave federal prosecutors new forfeiture provisions to combat crime. Also created by this legislation was the Department of Justice Assets Forfeiture Fund. Proceeds from the sale of forfeited assets such as real property, vehicles, businesses, financial instruments, vessels, aircraft and jewelry are deposited into this fund and are subsequently used to further law enforcement initiatives. Under the Equitable Sharing program, proceeds from the sale of these seized assets are often shared with participating state and local law enforcement agencies. The County's share of these funds are ultimately transferred to the District Attorney's Criminal Prosecution budget unit to assist with operating costs of the Department's Asset Forfeitures Unit and other eligible public safety expenses pursuant to established guidelines set forth by the U.S. Department of Justice.

*Staffing costs for positions funded by these Special Revenue Funds are budgeted in the District Attorney's General Fund budget unit.

Real Estate Fraud Prosecution: Requirements of \$1.4 million include transfers to the Department's Criminal Prosecution budget unit for the cost of staff assigned to real estate fraud prosecution (\$1.3 million) and \$163,957 set aside in contingencies for future allocation. Sources of \$950,000 represent the amount anticipated from the \$3.00 fee collected on recording documents for real estate fraud prosecution.

Auto Insurance Fraud Prosecution: Requirements of \$1.0 million include transfers to the Department's Criminal Prosecution budget unit for the cost of staff assigned to auto insurance fraud prosecution (\$637,495) and an amount set aside in contingencies for future allocation (\$382,037). Sources of \$637,495 represent projected grant funds from the California Department of Insurance.

Workers' Compensation Insurance Fraud Prosecution: Requirements of \$2.8 million include transfers to the Department's Criminal Prosecution budget unit for the cost of staff assigned to workers' compensation insurance fraud prosecution (\$2.2 million) and \$551,192 set aside in contingencies for future allocation. Sources of \$2.2 million reflect projected grant funds from the California Department of Insurance.

Specialized Prosecutions: Requirements of \$2.1 million include transfers to the Department's Criminal Prosecution budget unit for staffing and other costs related to specialized prosecutions (\$1.8 million) and \$250,998 set aside in contingencies for future allocation. Sources of \$604,292 reflect the Department's estimate of case settlements anticipated for 2014-15 (\$595,796) and interest earnings (\$8,496).

Vehicle Fees – Auto Theft Prosecution: Requirements of \$874,224 primarily include transfers to the Department's Criminal Prosecution budget unit for costs associated with prosecuting and investigating automobile theft crimes (\$768,959) and \$105,229 set aside in contingencies for future allocation. Sources of \$795,419 represent new and renewal registration assessment on vehicles registered in San Bernardino County.

State Asset Forfeitures: Requirements of \$211,001 primarily include transfers to the Department's Criminal Prosecution budget unit to help offset the costs of processing asset forfeiture cases (\$204,000) and \$6,770 set aside in contingencies for future allocation. Sources of \$135,000 reflect the anticipated proceeds from asset forfeitures.

Federal Asset Forfeitures: Requirements of \$1.8 million include transfers to the Department's Criminal Prosecution budget unit to assist with operating expenses of the Asset Forfeiture Unit (\$368,264) and an amount set aside in contingencies for future allocation (\$1.4 million). Sources of \$353,627 represent proceeds from federal asset forfeiture funds (\$350,000) and interest earnings (\$3,627).

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$981,336, primarily in contingencies, due to reductions in total sources (\$720,286) and fund balance (\$261,050) for 2014-15. The reduction in sources is primarily because of projected decreases in fees collected on recording documents, grant funds from the California Department of Insurance, and amounts received through case settlements.

STAFFING CHANGES AND OPERATIONAL IMPACT

There is no staffing associated with these consolidated special revenue budget units.

LAW AND JUSTICE GROUP ADMINISTRATION

Special Revenue Funds - Consolidated

DESCRIPTION OF MAJOR SERVICES

Justice Assistance Grant funding is used to support a broad range of law enforcement activities to improve the overall criminal justice system. The County of San Bernardino serves as the lead agency and passes allocations through to the various local jurisdictions. Grant funds have been used for: the purchase of tasers, radios, a microscope, and computers for the Sheriff/Coroner/Public Administrator; purchase of hardware and software for the District Attorney; computer equipment purchases, and upgrades to the Public Defender's audio visual equipment; and GPS tracking and polygraph services for the Probation Department.

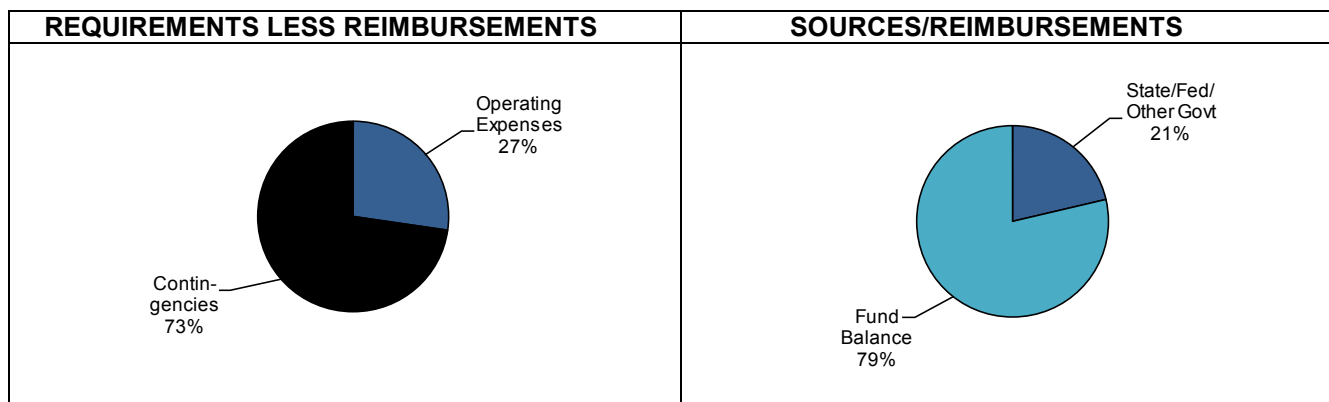

Southwest Border Prosecution Initiative is a reimbursement program under which jurisdictions in the four Southwestern U.S. Border States (Arizona, California, Texas, and New Mexico) are eligible to be reimbursed for a portion of prosecution and detention costs in federal cases. These funds are used for law and justice activities that support and enhance prosecutorial and detention services.

Operating expenses of \$1.2 million include costs of Board-approved projects not completed in the previous fiscal year. The more significant of these projects are as follows:

- Sheriff/Coroner/Public Administrator's Desert Dispatch (\$22,621)
- Purchase of software for the Sheriff's Presynct Project (\$45,817)
- District Attorney GRIP Program (\$27,000)
- ISD Corporation contract for Law & Justice Group Server (\$35,000)
- Public Defender's Imaging Project (\$236,878)
- Contribution to the Law and Justice Group for administrative expenses (\$184,184)
- Probation's Video Courtroom (\$42,888)
- District Attorney Mock Trial Program (\$8,500)

Contingencies of \$3.1 million represent the amount available for future projects as identified by the Law and Justice Group and approved by the Board of Supervisors.

Sources of \$909,953 include the 2014 Justice Assistance Grant and projected reimbursement claims from the federal government.

BUDGET CHANGES AND OPERATIONAL IMPACT

Consolidated Special Revenue Funds are decreasing requirements by \$1.2 million and decreasing sources by \$47,734. Additionally, departmental fund balance has decreased by \$1.1 million primarily as a result of the one-time nature of grant funding.

STAFFING CHANGES AND OPERATIONAL IMPACT

There is no staffing associated with this budget unit.

DEPARTMENT MISSION STATEMENT

The Probation Department is dedicated to protecting the community through assessment, treatment and control of adult and juvenile offenders by providing a range of effective services based on legal requirements and recognized professional standards.

ORGANIZATIONAL CHART

2013-14 ACCOMPLISHMENTS

- San Bernardino Day Reporting Center became fully operational in July 2013.
- San Bernardino and Victorville Day Reporting Centers became State certified as Outpatient Mental Health Services Clinics in September 2013.
- Probation to Work program was re-established in November 2013. This program provides job readiness skills and opportunities for offenders seeking employment.
- K-9 Field Services Unit established in November 2013. This unit consists of four canines/handlers for drug detection work.
- Probation Apprehension Team made 250th arrest in December 2013. This team exclusively seeks to serve arrest warrants on offenders who have absconded from supervision.
- Special Services Bureau became operational in March 2014.

COUNTY GOALS AND OBJECTIVES AND DEPARTMENT PERFORMANCE MEASURES

COUNTY GOAL: MAINTAIN PUBLIC SAFETY

Objective(s): • *Work with all elements of the County's public safety services to reduce costs while maintaining the highest level of service that funding will support.*

Department Strategy: • *Supervise adult and juvenile probationers at an appropriate level to reduce recidivism.*
• *Assess each new adult and juvenile offender to determine expected risk of recidivating and their criminogenic risk factors to ensure appropriate supervision level.*

Measurement	2012-13 Actual	2013-14 Target	2013-14 Actual	2014-15 Target
Percent of adult supervision cases recidivating.	4.6%	3.5%	4.9%	27.0%
Percent of juvenile supervision cases recidivating.	6.8%	6.0%	6.5%	27.0%
Percentage of new adult supervision cases assessed within 60 days.	94.7%	94.0%	95.2%	95.5%
Percentage of new juvenile supervision cases assessed within 60 days.	96.4%	97.2%	95.2%	97.5%

Upon first observation, it may appear that the adult and juvenile recidivism rates for 2014-15 are increasing significantly. However, the increase merely reflects the way that recidivism is now defined and does not represent growth in the number of individuals recidivating. The new definition for adult recidivism, as adopted by the Chief Probation Officers of California (CPOC), now includes all misdemeanor convictions. These convictions were not part of the prior formula for determining recidivism. For juvenile recidivism, the percentages in prior years included non-ward probationers (Welfare and Institutions Code 654 and 654.2). These non-wards will continue to be supervised by Probation and receive services but will no longer be counted in the base for recidivism. In addition, new methodology adopted by CPOC for both the adult and juvenile measurement compares the number of convictions versus the amount of closed caseloads in a given review period rather than the entire group of probationers, which also revises the percentages.

Administration, Corrections and Detention

DESCRIPTION OF MAJOR SERVICES

Probation executive management is responsible for the overall leadership to provide Department policies and procedures that focus on maintaining public safety while operating in a fiscally responsible and business-like manner. These efforts are driven by the principles of operating with management integrity, relying on recognized professional practices, and developing innovative programs to meet the changing needs of the population.

*Includes Contingencies

Each of the following bureaus focus on providing for the health and social service needs of County residents, whether managing field operations in the community or caring for minors in detention, by addressing each individual's criminogenic risk factors and providing services that meet those specific needs:

- Community Corrections Bureau (CCB) is responsible for adult and juvenile supervision, investigation reports for the courts, and case management services. CCB utilizes appropriate evidence-based treatment and supervision services as identified through validated assessment tools. With the development of AB109, the Department has created Day Reporting Centers (DRC) in each region to provide services to the entire adult offender population by offering services from a wide variety of governmental agencies such as the Behavioral Health, Workforce Development, Transitional Assistance, and other related agencies much like the Juvenile Division currently operates. All efforts are aimed at minimizing recidivism and moving offenders into a role of self-sufficient, producing citizens.
- Detention Corrections Bureau (DCB) is responsible for the County's Juvenile Detention and Assessment Centers (JDAC) and Department operated residential treatment options in secured environments for legally detained and court ordered minors. DCB works with all law enforcement agencies in the County when a minor is considered for detention, and works with multiple County agencies inside the facilities, as well as local community groups such as faith based organizations to address the needs of the juveniles.
- Administrative Services Bureau (ASB) is responsible for the organizational and administrative support functions that include budgets, grants, payroll/personnel, purchasing, accounts payable, courier/file management, reception and analytical units. Each of these units work with other County agencies, from fiscal management to contract development, to ensure that the Department is operating in a fiscally responsible and business-like manner while staying focused on the primary objective to maintain public safety.
- Special Services Bureau (SSB), created in March 2014, is responsible for unique operations that cover requirements beyond community corrections and detention services and are all encompassing throughout the Department. The units include: Training, Research, Automated Systems, External Affairs, Prison Rape Elimination Act (PREA), Policies and Procedures, Audits and Inspections, Probation Apprehension Team (PAT), and the Criminal Intelligence Unit (CIU). Prior to the development of this new Bureau, these units were spread across multiple Bureaus. Unifying these efforts provides consistent services across all Bureaus and for Department operations across the County.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

The large majority of expenditures for 2014-15 consist of staffing and facility costs related to the supervision and treatment of adult offenders and legally detained juveniles. These costs include operation of the day reporting centers and the juvenile detention and assessment centers. The Department's sources of revenue are as follows: AB109 realignment funds (\$28.6 million), Prop 172 revenues (\$19.5 million), Youthful Offender Block Grant (Realignment) (\$7.7 million), state support for Juvenile Probation Funding (\$5.3 million), reimbursements from other departments/budget units (\$3.6 million), federal Title IV monies (\$3.1 million), other realignment funding (\$2.7 million), various other state/federal funds (\$2.6 million), and fees received for providing services (\$740,100). The department is also receiving \$73.1 million of Net County Cost for 2014-15.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$8.7 million primarily due to a large reduction in operating transfers out. During 2013-14, the department transferred one-time monies to the Capital Improvement Fund for the following projects: \$5.1 million to acquire an office building for the West Valley Day Reporting Center; \$1.8 million for the cost of converting the Library Administration building in San Bernardino to a day reporting center; and \$0.4 million to replace the outdated security cameras at the High Desert Juvenile Detention and Assessment Center. AB 109 realignment revenue carried over from prior years was used in 2013-14 to fund these transfers.

Sources are decreasing by \$14.3 million primarily due to \$8.9 million of one-time uses of AB 109 realignment revenue in 2013-14 for various capital projects. The 2014-15 budget also includes a \$4.9 million net reduction in state/federal aid, mostly because of reduced Title IV allocations, and a \$500,000 decrease in revenue generated from fees. However, the department has received additional Net County Cost to offset these reductions.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$108.6 million fund 1,183 budgeted positions of which 1,175 are regular positions and 8 are limited term positions. The Department's budgeted staffing reflects a decrease of 5 vacant positions (3 Probation Officer II's due to reduced funding for the House Arrest Program; 2 Background Investigators because workload

demands no longer justify retaining these positions). These reductions are expected to have a negligible effect on department operations.

The budget also includes the following reclassifications to better reflect the duties and responsibilities of these positions:

- Office Assistant III to Office Specialist
- Licensed Vocational Nurse II to Quality Management Specialist.

Juvenile Justice Grant Program

DESCRIPTION OF MAJOR SERVICES

The Juvenile Justice Crime Prevention Act allocates state resources annually to fund programs that address juvenile crime prevention and focus on public safety. The Juvenile Justice Coordinating Council, mandated to oversee local programming, consists of a variety of County and community leaders that develop and recommend the comprehensive Multi-Agency Juvenile Justice Plan. This plan identifies and addresses the public safety gaps in services for juvenile offenders and their families throughout San Bernardino County.

Current programs include Day Reporting Centers, School Probation Officers and a variety of other programs designed to effectively meet the diverse needs of youth.

This budget unit was established to receive funds from the Juvenile Justice Grant Program Special Revenue Fund to pay for program expenses and staffing costs when incurred, and avoid cash flow issues.

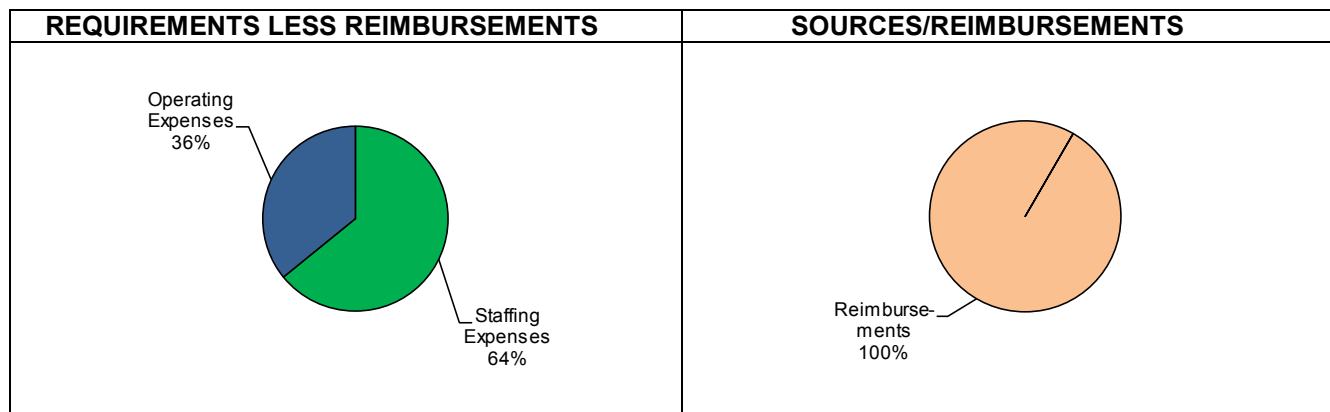

The Juvenile Justice Grant revenue is funded under the State Public Safety Realignment program.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Staffing and operating expenses totaling \$6.2 million represent the cost of programs for at-risk juveniles that include day reporting centers, counseling and tutoring services, school probation officers, and the District Attorney's Let's End Truancy (LET) Program. This budget unit is funded by \$6.2 million in reimbursements from the department's Juvenile Justice Crime Prevention Act – Special Revenue Fund.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$129,914 primarily as the result of less funding available for costs of the House Arrest Program.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$4.0 million fund 39 budgeted regular positions. There are no changes in the budgeted staffing for 2014-15.

DESCRIPTION OF MAJOR SERVICES

Juvenile Justice Crime Prevention Act (JJCPA) accounts for the annual allocation of resources from the state to fund programs that address juvenile crime prevention and focus on public safety. The Juvenile Justice Coordinating Council, mandated to oversee local programming, consists of a variety of county and community leaders that develop and recommend the Comprehensive Multi-Agency Juvenile Justice Plan. This plan identifies and addresses the public safety gaps in services for juvenile offenders and their families throughout San Bernardino County. Staffing is budgeted in the Juvenile Justice Program Grant general fund budget unit and reimbursed by this budget unit.

SB 678 – Criminal Recidivism allocates state funding resources to oversee programs for the purposes of reducing parolee recidivism. The funding is intended to improve evidence-based probation supervision practices and will enhance public safety outcomes among adult felons who are on probation. Improving felony probation performance, measured by a reduction in felony probationers who are sent to prison because they were revoked on probation or convicted of another crime while on probation, will reduce the number of new admissions to state prison. The staff is budgeted in the Probation general fund budget unit and reimbursed by this budget unit.

AB 1628 – Juvenile Reentry Program allocates state funding resources to gradually assume responsibility for supervision of juveniles released from the state's Division of Juvenile Justice (DJJ). This shift of parole supervision to the counties gives local officials more responsibility for the rehabilitation of youth in their communities. This legislation authorizes counties to establish a Juvenile Reentry Fund that would accept state money to address the costs of local supervision and rehabilitative programs.

Asset Forfeiture 15% accounts for State of California Health and Safety Code Section 11489 collections which mandates that fifteen percent of distributed seizure funds are used for the sole purpose of funding programs designed to combat drug abuse and divert gang activity. Expenditures for this fund include drug and gang unit expenses not reimbursed through other sources.

State Seized Assets accounts for Probation's proportionate share of asset forfeitures seized in conjunction with other agencies. Expenditures for this budget unit include safety equipment and training expenses not reimbursed through other sources.

* Staffing costs for these Special Revenue funds are located within Probation's General Fund budget units (JJCPA staff is in Juvenile Justice Grant Program budget unit and SB 678 staff is in Probation-Administration, Corrections and Detention budget unit). However, the funding for these programs is located within these special revenue funds.

Juvenile Justice Crime Prevention Act: Requirements of \$10.7 million include transfers totaling \$6.2 million primarily for the Juvenile Justice Grant Program, the Department's House Arrest Program, and the District Attorney's LET program. Also included is \$4.5 million in contingencies available for future allocation. Sources of \$5.9 million primarily represent the projected state allocation of JJCPA funding.

SB 678 – Criminal Recidivism: Requirements of \$6.7 million include transfers of \$1.9 million to the Department's general fund budget unit for reimbursement of salary/benefit costs and other operating expenses. In addition, \$4.8 million is set aside in contingencies for future allocation. Sources of \$1.7 million represent the projected state allocation of SB 678 funding.

AB 1628 – Juvenile Reentry Program: Requirements of \$455,951 represent contingencies available for supervision of juveniles and rehabilitative programs. Sources of \$110,000 represent this program's anticipated state allocation for 2014-15.

Asset Forfeiture 15%: Requirements of \$9,976 represent costs related to drug abuse and gang diversion programs.

State Seized Assets: Requirements of \$54,806 include an array of costs such as training, seminars, safety equipment, travel, and incentives for graduates of the youth Gang Resistance Education and Training (G.R.E.A.T.) program.

BUDGET CHANGES AND OPERATIONAL IMPACT

Total sources are decreasing by \$1.8 million to reflect a reduction of state funding for the SB 678 Criminal Recidivism program. Under current law, this program is scheduled to sunset in January 2015. Because of the large fund balance available, this reduction is not expected to have any immediate impact on operations.

STAFFING CHANGES AND OPERATIONAL IMPACT

There is no staffing included in these consolidated special revenue funds.

Public Defender

DESCRIPTION OF MAJOR SERVICES

The Public Defender promotes justice and protects constitutional rights by providing mandated representation to indigent adult clients in felony, misdemeanor, and mental health civil commitment cases, as well as to clients facing probation, parole or post-community supervision release violations. The Public Defender also represents the County's children facing juvenile delinquency proceedings. Using a holistic approach, the Public Defender seeks to increase client opportunities for achieving self-sufficiency. The role the department plays in the criminal justice system reflects the check and balances found in American democracy.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Public Defender expenditures for staffing, operating costs and the purchase of fixed assets are necessary to achieve the department's mission of promoting justice and protecting constitutional rights. These expenditures are funded primarily through Net County Cost of \$31.9 million. Sources include \$2.6 million of Realignment funds, legal services fees of \$961,500 and SB 90 reimbursements from the State.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$114,695 primarily due to lower staffing expenses as a result of turnover and new staff being paid at lower step levels. Sources are decreasing by \$999,804 million primarily due to the elimination of reimbursement from the state for the defense of sexually-violent predators. However, the anticipated loss of \$600,000 in revenues has been replaced with an equivalent increase in Net County Cost from the General Fund.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$31.9 million fund 247 budgeted positions of which 229 are regular positions and 18 are limited term positions. The department added the following 4 new positions: 1 Social Service Practitioner, 1 Investigative Technician II, and 2 Public Service Employees. The Social Service Practitioner will provide social service support and intervention to clients in the adult criminal divisions. The Investigative Technician II position will provide relief to the Desert Division Investigator unit by performing research, investigative support functions and trial preparation support. One Public Service Employee position will be dedicated to an imaging project and the second position will support the Information Technology unit.

SHERIFF/CORONER/PUBLIC ADMINISTRATOR

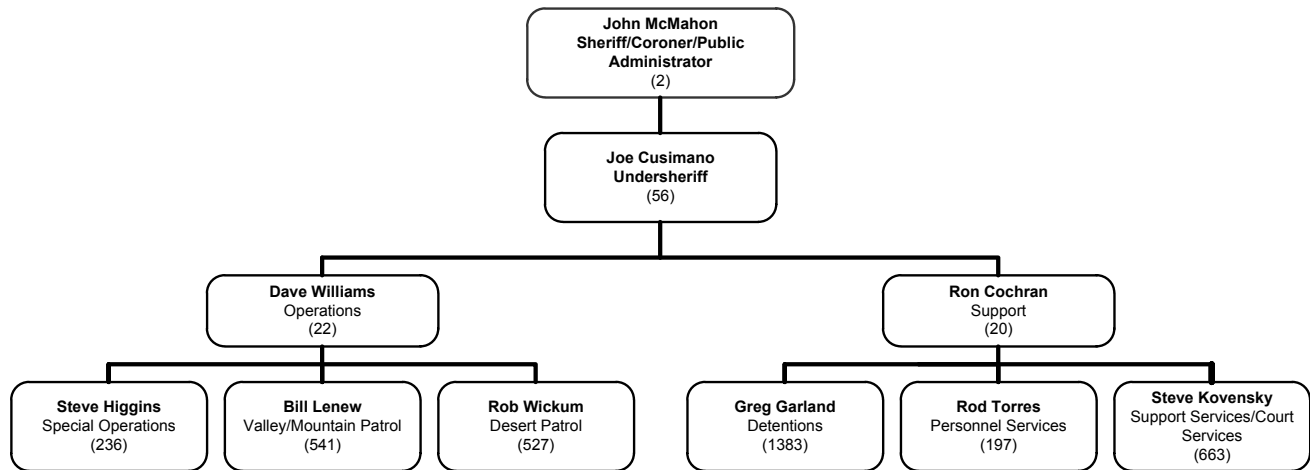

John McMahon

DEPARTMENT MISSION STATEMENT

The Sheriff/Coroner/Public Administrator provides professional public safety services to residents and visitors of San Bernardino so they can be safe and secure in their homes and businesses.

ORGANIZATIONAL CHART

2013-14 ACCOMPLISHMENTS

- Opened Phase I of the High Desert Detention Center (formerly known as Adelanto Detention Center) expansion project, which was funded primarily by the State of California's AB 900 grant. This resulted in a net addition of 222 beds to the facility capacity, as well as provided additional in-house medical services and inmate booking. Both of these enhanced services reduced the need to transport prisoners to the West Valley Detention Center in Rancho Cucamonga, thus reducing the amount of time spent booking inmates, which, in turn, allowed deputies to more quickly return to patrol duties.
- Implemented the Homeless Outreach and Proactive Enforcement (H.O.P.E) Program, which is a collaborative, inter-agency approach to successfully dealing with the County's homeless population. The Sheriff's Department was able to utilize Proposition 30 revenue to fund this team, which is comprised of one detective and two deputies. The H.O.P.E Team made 506 contacts, resulting in 264 referrals for housing assistance.
- After a comprehensive staffing and overtime analysis, the department was able to identify and transfer 15 Deputy Sheriff positions from the Correction's Bureau to several County Patrol stations in both the valley and desert regions. These deputy positions were added without the need for additional Net County Cost and will improve response times, as well as enhance overall public safety in these unincorporated areas.
- In partnership with the District Attorney's Office, the Sheriff's Department implemented a Countywide Human Trafficking Detail, whose focus is on intervention and diversion of victims who are sexually exploited for profit. In a six month period, the detail has made over 70 arrests and has assisted numerous victims with escaping from this life-threatening cycle of physical and emotional abuse.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Requirements of \$204.6 million include the cost of providing patrol operations for the County's unincorporated areas. Also included are costs related to the following administrative and support divisions: Automotive, Bureau of Administration, County Building and Security, Civil Liabilities, Criminal Intelligence, Employee Resources, Internal Affairs, Public Affairs, Technical Services, Training (Basic Academy, Emergency Vehicle Operations Center, Range), Specialized Investigations, Aviation, Arson/Bomb, Coroner, Court Services, Communications, and the Inland Regional Narcotics Enforcement Team (IRNET). Also included in this budget unit are the Training/Academy, Public Gathering, Aviation Services and Search and Rescue operating funds, previously accounted for as special revenue funds.

Operations are funded by a variety of sources, the more significant of which are listed below:

- \$109.2 million in Proposition 172 half cent sales tax revenue
- \$ 50.6 million in allocation of Net County Cost
- \$ 37.5 million in reimbursements (primarily from the department's Law Enforcement Contracts)
- \$ 27.0 million from the state for providing court security services (2011 Realignment Funds)
- \$ 1.7 million from the state for the Cal MMET program
- \$ 7.3 million in fees/charges for providing an array of law enforcement related services
- \$ 2.5 million in various state and federal grants
- \$ 850,000 in Proposition 30 funding for enhanced law enforcement
- \$ 600,000 in Proposition 69 funding related to the collection of DNA information on inmates
- \$ 500,000 from the state under the Citizen's Option for Public Safety (COPS) Program
- \$ 500,000 from proceeds from sale of fixed assets

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$13.9 million due to a reduction of \$7.5 million in COWCAP and Central computing expenses, primarily due to allocating said expenses and the corresponding Net County Cost to the department's other operating units. Staffing expenses are decreasing by \$4.3 million primarily due to the net change resulting from increases in retirement costs offset by savings associated with one-time 2013-14 Sheriff's Trainee expenses to staff Phase 1 of the High Desert Detention Center Expansion, reductions in worker's compensation costs and anticipated MOU savings. The remaining \$2.1 million reduction in Requirements includes a reduction in travel and transfers out.

Sources are relatively flat compared to the prior year, with a net decrease of \$1.5 million. Revenues related to Proposition 172, the half cent sales tax for law enforcement is expected to increase by \$6.5 million in 2014-15 and is primarily offset by decreases in State realignment (\$1.5 million) and Federal and State funding (\$5.6 million).

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$190.6 million fund 1,688 budgeted positions of which 1,574 are regular positions and 114 are limited term positions. The department is increasing budgeted staffing by a net of 2 positions which includes the following position actions:

Additions:

Sheriff - Detentions

DESCRIPTION OF MAJOR SERVICES

Penal Code Section 4000 designates the Sheriff to manage the County's detention facilities for the following uses: detention of persons committed in order to secure their attendance as witnesses in criminal cases; detention of persons charged with crime and committed for trial; confinement of persons for contempt, or upon civil process, or by other authority of law; confinement of persons sentenced to imprisonment upon conviction of a crime; or violation of the terms and condition of post release community supervision.

The San Bernardino County Sheriff operates four Type II detention facilities with a total maximum inmate capacity of 6,653. West Valley Detention Center, Central Detention Center, and High Desert Detention Center (formerly known as Adelanto Detention Center) house pre-trial inmates and the Glen Helen Rehabilitation Center houses persons sentenced to serve time in a County facility.

On April 4, 2011, the Governor of California signed Assembly Bill 109, the Public Safety Realignment Act, which created a significant change to the California correctional system. This law, which became effective on October 1, 2011, transferred responsibility for housing/supervising inmate and parolee populations classified as low-level offenders from the California Department of Corrections and Rehabilitation (CDCR) to counties. AB 109 allows newly sentenced low-level offenders to serve their sentence in a county jail facility rather than the state prison system.

Phase 1 of the High Desert Detention Center (formerly known as Adelanto Detention Center) opened on February 6, 2014. This completed portion of the expansion project allows the department to increase capacity by 222 beds.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Requirements of \$183.0 million represent the cost to staff and operate the County's four detention facilities. This includes costs of the food services division that serves approximately 21,000 meals each day, the health services division that is responsible for providing healthcare to over 6,000 inmates, and the transportation detail that transports over 286,000 inmates annually, primarily for court appearances. The most significant sources of financing for this budget unit are as follows:

- \$136.9 million of Net County Cost
- \$ 30.4 million in Realignment funding (AB 109 Public Safety Realignment)
- \$ 6.1 million from the U.S. Marshal for housing federal inmates
- \$ 3.6 million received from the Inmate Welfare Fund
- \$ 2.8 million reimbursement from the Local Detention Facility Revenue Fund
- \$ 1.2 million from charging inmates for electronic monitoring

- \$ 1.0 million from charging inmates participating in the work release program
- \$875,360 from the U.S. Department of Justice, State Criminal Alien Assistance Program (SCAAP)

The 2014-15 budget also includes ongoing expenses funded with Net County Cost for Phase 1 of the High Desert Detention Center (HDDC), which formally opened on February 6, 2014. Phase 1 added an additional 222 beds to bring the system's total current operational capacity to 6,235 beds.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$12.9 million primarily due to the transfer of expenditures and Net County Cost of \$7.3 million to this budget unit from the Sheriff/Coroner/Public Administrator budget unit for proper recording of County information services and the Countywide Cost Allocation Plan (COWCAP) expenditures. The remaining increase of \$5.6 million primarily consists of an increase of \$3.8 million in Operating Transfers Out for various detention related capital improvement projects, and increased insurance costs which rose by \$1.1 million over the prior year.

Sources are decreasing by \$11.3 million primarily associated with reduced revenues across multiple programs within the department. This includes a decrease of \$3.9 million in AB 109 revenue resulting from a reduction in the County's AB 109 base allocation and the elimination of one-time AB 109 revenue which was used to fund the 2013-14 costs associated with Phase 1 of the HDDC. An additional revenue reduction of \$4.8 million is due to continued reductions in the usage of County jails by the US Marshals, which has resulted in a decrease in associated revenue. Finally, the department has seen reduced revenue of \$2.7 million due to reduced participation in the electronic monitoring and work release programs, as well as a reduction in the amount of reimbursement available from the Inmate Welfare Fund.

While reductions in sources are substantial, Net County Cost has increased by \$24.2 million within this budget unit. This has provided ongoing funding for Phase 1 of the HDDC and also allowed the department to reduce reliance on revenues which are highly volatile from year to year.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$145.9 million fund 1,383 budgeted positions of which 1,332 are regular positions and 51 are limited term positions. The budget includes the deletion of 1 vacant Licensed Vocational Nurse I – Corrections and 1 vacant Correctional Nurse II to fund anticipated increases in the physician services contract.

The department also has various reclassifications included in the 2014-15 budget, as follows:

- 1 Sheriff's Custody Specialist to a Sheriff's Training Specialist I
- 5 Sheriff's Training Specialist Is to Sheriff's Training Specialist IIs
- 1 Supervising Sheriff's Custody Specialist to a Sheriff's Training Specialist I

Sheriff – Law Enforcement Contracts

DESCRIPTION OF MAJOR SERVICES

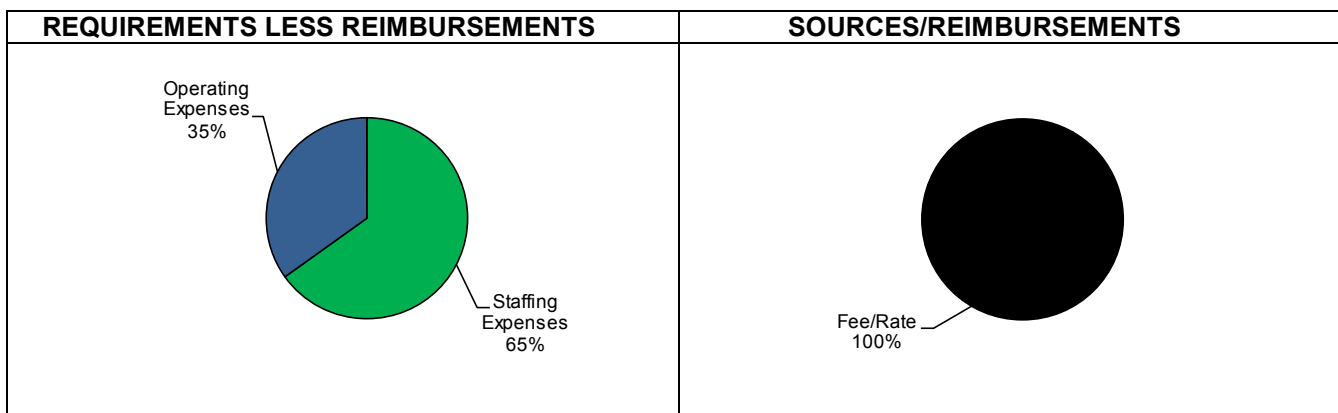

The San Bernardino County Sheriff provides contract law enforcement services to 14 cities/towns (Adelanto, Apple Valley, Big Bear, Chino Hills, Grand Terrace, Hesperia, Highland, Loma Linda, Needles, Rancho Cucamonga, Twentynine Palms, Victorville, Yucaipa and Yucca Valley) within San Bernardino County and the San Manuel Band of Mission Indians. The Commanders for these stations also act as the city's Chief of Police, affording the cities an economical way of providing quality law enforcement services to its citizens while maintaining seamless cooperation between cities and County stations, resulting in a more effective and efficient broad-based law enforcement environment.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Requirements of \$128.3 million primarily include \$83.8 million for 576 budgeted law enforcement and professional staff, assigned to stand-alone stations and serving as city police departments. Operating expenses within this budget unit total \$44.9 million and include the following, all of which are funded through law enforcement contracts with various cities/towns and the San Manuel Band of Mission Indians:

- \$ 18.5 million for service hours provided from County stations for smaller city operations
- \$ 5.9 million for dispatch services
- \$ 5.2 million for COWCAP (Countywide Cost Allocation Plan) charges
- \$ 3.4 million for insurance charges
- \$ 3.0 million for fuel and auto repair/parts
- \$ 2.6 million for vehicle/equipment replacement charges
- \$ 863,625 for 800 MHz radio communication charges
- \$ 884,566 for computer connectivity charges
- \$ 4.5 million for miscellaneous and other administrative support charges

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$1.0 million primarily due to a one-time expense in 2013-14 of \$5.3 million associated with a rebate of workers compensation premiums due to contract cities as detailed in the County's 2013-14 Third Quarter Budget Report (May 6, 2014, Item 77).

The reduction associated with the 2013-14 workers compensation rebate of \$5.3 million is offset by changes in the following areas:

- Increases in staffing expenses of \$1.7 million primarily associated with increased retirement costs;
- Increases in services and supplies of approximately \$1.0 million due to increased insurance costs;
- Increases in central services costs of \$479,996 due to increased central computing costs;
- Increases in transfers of \$803,140 due to increased reimbursements to the Sheriff's patrol budget for recovery of vehicle costs and recovery of costs associated with dual operation stations; and

- A decrease in reimbursements of \$348,244 for year 2 reductions to the Yucaipa charge-back program representing year 2 of a 3 year phase out agreement which transitions Yucaipa's law enforcement contract model from the dual operation model to the stand alone model in a way that is mutually beneficial to the City and County. Deputies assigned to patrol the surrounding unincorporated area will do so from the Yucaipa police facility at no cost to the County. This agreement will not impact the level of service provided to the unincorporated areas in the Mentone area.

Sources are increasing by \$6.1 million, due to contract revenue being increased to fund cost increases over the prior period's law enforcement contracts, which include increased workers' compensation, increased retirement costs, and increased operating expenses. This budget unit will also see the removal of one-time Discretionary General Funding (Net County Cost) associated with the workers' compensation rebate.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$83.8 million fund 576 budgeted regular positions. The budget includes the addition of 3 positions due to changes within the Rancho Cucamonga law enforcement contract, which includes the following changes:

Additions:

- 1 Sheriff's Service Specialist
- 2 Office Specialists (Job Share)

DESCRIPTION OF MAJOR SERVICES

The Inland Regional Narcotics Enforcement Team (IRNET) is a joint project among city, county, state and federal agencies in the Inland Empire aimed at combating major narcotics and money laundering operations. **IRNET Federal** accounts for IRNET share of federal asset forfeitures. **IRNET State** accounts for IRNET share of state asset forfeitures, and was established to comply with federal guidelines requiring state forfeiture funds to be kept separate from federal forfeiture funds.

Federal Seized Assets (DOJ) accounts for asset forfeitures from federal cases filed with the U.S. Department of Justice (DOJ) through its asset forfeiture program and **Federal Seized Assets (Treasury)** accounts for asset forfeitures from cases filed with the U.S. Department of Treasury. Receipts from this program are required to be maintained in separate funds and must not replace existing funds that would be made available to the Sheriff/Coroner/Public Administrator in the absence of forfeiture funds.

State Seized Assets accounts for asset forfeiture proceeds from cases filed and adjudicated under state asset seizure statutes. The California Health and Safety Code requires these funds be maintained in a special fund and that 15% of all forfeitures received after January 1994 are set aside for drug education and gang intervention programs. The proceeds are used to offset a portion of the labor costs for staff assigned to the IRNET Team and High Density Drug Trafficking Area (HIDTA) task forces. The 15% allocated to drug education programs is used to fund the Sheriff/Coroner/Public Administrator's Drug Use is Life Abuse (DUILA) program, Crime-Free Multi-Housing, Law Enforcement Internship and Operation Clean Sweep Programs. Funds are also used for maintenance of seized properties. Services for the drug education program are provided by staff budgeted in the Sheriff/Coroner/Public Administrator's general fund budget unit, and reimbursed by this budget unit.

San Bernardino County **Auto Theft Task Force (SANCATT)**, established by the Board of Supervisors in 1995, deters, investigates and prosecutes vehicle theft organizations and provides statistical and financial reports to the State Controller, State Legislature and California Highway Patrol as required by AB183. In January 2010, AB183 was extended to January 1, 2018 by AB286 (Chapter 230; 2009). This budget unit accounts for vehicle registration assessments, per Vehicle Code 9250.14, allocated to the Task Force. Revenue from these fees offsets operating expenses for qualified expenditures by participating agencies. Staffing costs for those positions assigned to SANCATT are reimbursed to the Sheriff/Coroner/Public Administrator's general fund budget unit.

CAL-ID Program funding is used for the operating expenses of the Local Automated Fingerprint Identification System (AFIS), and reimburses general fund expenditures for salaries and benefits. The budget unit is funded from joint trust contributions by all local contracting municipal agencies. Staffing costs for those positions assigned to the CAL-ID program are reimbursed to the Sheriff/Coroner/Public Administrator's general fund budget unit.

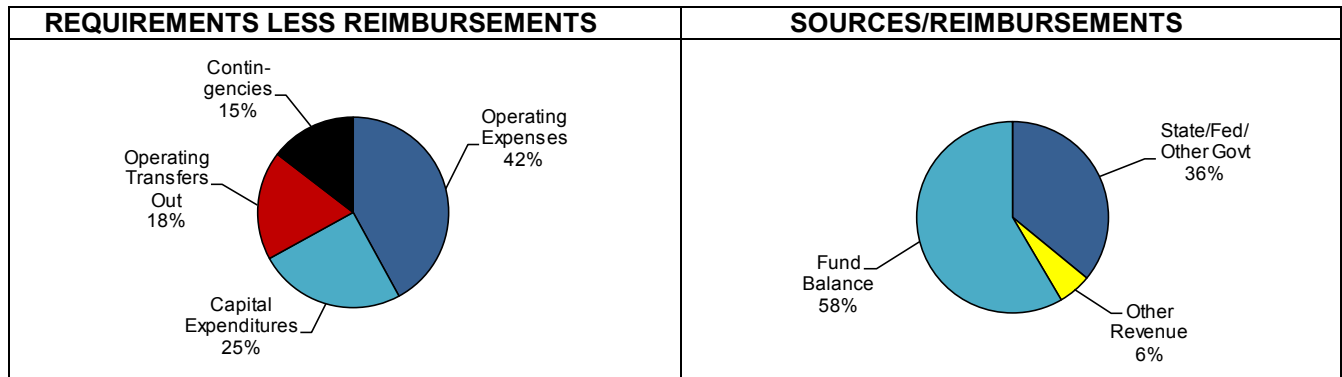

Court Services Auto accounts for processing fines collected under AB1109 and are used for purchases and maintenance of automotive equipment necessary to operate court services.

Court Services Tech accounts for processing fees collected under AB709 used for automated equipment and furnishings necessary to operate court services.

In accordance with State legislation (AB1805) effective July 1, 2007, **Local Detention Facility Revenue** accounts for an allocation of funds from the State replacing booking fees previously charged by the County to cities and local entities, as permitted by Government Code Section 29550. Funds are required to be used for the purpose of operating, renovating, remodeling, or constructing local detention facilities.

* Funds to be discontinued in 2014-15.

IRNET Federal: Requirements of \$3.8 million reflect the following: \$2.0 million in operating expenses (including transfers to the Sheriff/Coroner/Public Administrator's general fund budget unit to support the cost of overtime and 1 position), \$1.6 million in contingencies for future allocation, and \$200,000 in one-time additional equipment purchases. Sources of \$1.0 million include anticipated asset forfeiture funds (\$1.0 million) and projected interest earnings (\$10,500).

IRNET State: Requirements of \$374,723 are budgeted for operating expenses (\$60,600) and contingencies (\$314,123). Sources of \$60,600 include anticipated asset forfeiture funds (\$60,000) and projected interest earnings (\$600).

Federal Seized Assets (DOJ): Requirements of \$12.5 million primarily reflect the following: \$1.4 million for the replacement of helicopter engines, \$1.7 million to replace and maintain law enforcement related computer hardware and software, \$3.2 million for vehicle replacement, \$3.0 million for equipment purchases, and \$962,454 for law enforcement related software applications. Sources of \$4.1 million primarily represent anticipated revenue from DOJ cases to be settled during 2014-15.

Federal Seized Assets (Treasury): Requirements of \$356,637 primarily include \$200,000 of computer related equipment. Sources of \$5,300 represent projected asset seizures and interest earnings.

State Seized Assets: Requirements of \$4.0 million primarily include the following: \$3.2 million for departmental Capital Improvement Program projects, \$124,550 for various capital expenditures, and \$522,523 for the cost of drug education programs (including transfers to the Sheriff/Coroner/Public Administrator's general fund budget unit to support 2 positions), vehicle maintenance, fuel, repairs, and other general expenses. Sources of \$1.2 million primarily represent anticipated state asset seizures.

Auto Theft Task Force: Requirements of \$984,231 provide for salary reimbursements to participating agencies, including transfers to the Sheriff/Coroner/Public Administrator's general fund budget unit to support 4 positions, other task force operating costs, and funds set-aside in contingencies for future allocations. Sources of \$850,500 primarily represent vehicle registration fees.

CAL-ID Program: Requirements of \$5.9 million primarily include \$3.9 million in transfers to the Sheriff/Coroner/Public Administrator's general fund budget unit for staffing costs of 40 personnel assigned to this program. Also included is \$1.4 million for the following operating expenses: monitoring and maintenance costs for equipment, fuel, computer hardware and software items, replacement of fingerprinting stations, and upgrades to serviceable stations and \$623,800 in contingencies for future allocation. Sources of \$5.3 million are from the CAL-ID Program trust fund and directly offset all claimable costs.

Court Services Auto: Requirements of \$2.5 million includes \$58,000 in operating expenses, \$1.3 million to replace vehicles, and \$1.2 million set aside in contingencies. Sources of \$808,000 primarily reflect anticipated court fines.

Court Services Tech: Requirements of \$2.4 million includes \$390,000 in operating expenses, \$275,000 for purchase of computer equipment and software upgrades, and \$1.7 million in contingencies. Sources of \$407,000 primarily represent estimated court fines.

Local Detention Facility Revenue: Requirements of \$2.8 million includes \$2.8 million in transfers to the Sheriff/Coroner/Public Administrator's general fund budget unit for expenditures related to the operation, renovation, remodeling, or construction of local detention facilities. Sources of \$2.8 million represent the booking fee allocation anticipated from the state.

Ongoing revenue and expenses associated with the **Contract Training, Search and Rescue, Aviation, Public Gathering, and Capital Projects Fund** budget units were transferred into the department's general fund budget unit in 2013-14. Requirements included in the budget represent fund balance which will be expended in order to close out these Special Revenue Funds in 2014-15. The Contract Training budget unit includes requirements of \$3.2 million which will fund future Capital Improvement Projects at the departments training facilities. Requirements totaling \$92,581 in the Search and Rescue budget unit will fund vehicle purchases for the departments search and rescue operations. Requirements in Aviation of \$330,276 will be used to help fund one-time Aviation related projects. The remaining fund balance in the Public Gathering and Capital Projects Fund will be transferred to the department's general fund budget unit in 2014-15.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$611,705, resulting primarily from the following changes:

- \$549,074 increase in Federal Seized Assets (DOJ) funds that are set-aside for future projects.
- \$2.2 million increase in capital expenditures for the purchase of computer equipment.
- \$332,147 decrease in contingencies to fund new one time expenditures.
- \$1.8 million decrease in operating transfers out, which is due to the completion of 2013-14 capital projects.

Sources are increasing by \$708,476 primarily due to the \$460,000 federal seized asset cases to be settled in 2014-15 and \$380,193 from CAL-ID trust fund. This is slightly offset by a reduction in Other Revenue, which represents the transfer out of remaining fund balance for the Public Gathering and Capital Projects funds.

AGRICULTURE/WEIGHTS AND MEASURES

Roberta Willhite

DEPARTMENT MISSION STATEMENT

The Department of Agriculture/Weights and Measures protects the environment, agricultural industry, businesses and consumers of this state and county through regulation and satisfies its customers by providing services that promote the health, safety, well-being, and quality of life of its residents according to the County Charter, general laws, and the will of the customers it serves.

ORGANIZATIONAL CHART

2013-14 ACCOMPLISHMENTS

- Performed 2,450 site visits to shipping terminals, inspected over 11,500 plant shipments, rejected 61 shipments for various violations and intercepted 18 foreign pest species.
- Visited 4,015 businesses requiring a Weights and Measures inspection, inspected 30,100 devices and issued 1,240 Notices of Violation.
- Checked the price accuracy on 24,650 items in an effort to achieve an overall price overage error rate of less than 2%. The measured error rate achieved was 1.8%.
- Serviced an average of 13,825 traps per month in an effort to detect unwanted foreign pests.
- Lobbied the California Department of Food and Agriculture and Cooperative Ag Support Services for the Asian Citrus Psyllid treatment coordinator position to assist citrus growers.
- Developed commercial citrus treatment zones for the Asian Citrus Psyllid.

COUNTY GOALS AND OBJECTIVES AND DEPARTMENT PERFORMANCE MEASURES

COUNTY GOAL: IMPROVE COUNTY GOVERNMENT OPERATIONS

Objective(s): • *Monitor and evaluate operations and implement strategies to continually improve efficiency and effectiveness.*

Department Strategy: • *Perform device inspections on a monthly basis, shifting resources as necessary, to enable the inspection of a minimum of 75% of the devices (i.e. scales, gas pumps) annually.*
• *Service insect traps on a monthly basis, shifting resources as necessary to enable completion of the contracted servicing levels.*

Agriculture/Weights and Measures

DESCRIPTION OF MAJOR SERVICES

The Department of Agriculture/Weights and Measures protects the environment, public health, worker safety and the welfare of the public by helping residents and businesses comply with state and local agricultural and consumer protection laws. The department enforces plant quarantines, detects and eradicates unwanted foreign pests, regulates pesticide use, verifies pricing accuracy of goods, and regulates all business transactions based on units of measures such as weight or volume. Additional duties include inspecting eggs, produce and nursery stock, certifying plant shipments for export, controlling vegetation along state and County right-of-ways and flood control channels, and other miscellaneous services provided to businesses and the general public. The department has two canine inspection teams that are utilized with great success to detect plant materials from within unmarked agricultural parcels found at industrial shipping terminals. The department works closely with the California Department of Food and Agriculture (CDFA) and has several revenue contract agreements with CDFA that provide funding for related state mandated programs.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Staffing expenses make up the majority of expenditures within this budget unit. These expenses are necessary in order to provide mandated inspection services in the field for agriculture and weights and measures. Herbicide purchases, vehicle and equipment maintenance charges comprise the majority of the department's operating expenses. Sources of \$5.5 million are derived primarily from license and permit fees, reimbursement via State Contracts, County's portion of Unclaimed Gas Tax, and reimbursement for weed control services.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$17,550 primarily due to staffing expenses being reduced based on new employees budgeted at lower step levels. Requirements also include a new lease purchase (2 months funding) for a vehicle equipped with computerized spray equipment. Keeping the department fleet and equipment updated will enhance operations and improve efficiency by reducing down time from equipment needing repairs.

Sources are increasing by \$95,900 primarily due to an increase in Fee/Rate revenue.

Funding of \$65,000 for the Cooperative Extension Program was eliminated and Net County Cost was reduced by a corresponding amount as part of the Recommended Budget; however, the funding was restored by the Board at the budget hearing on June 17, 2014.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$4.9 million fund 64 budgeted positions of which 63 are regular positions and 1 is a limited term position. There is a net increase in budgeted staffing of 1 position. This budget includes adding 1 Public Service Employee position, restoring 2 regular positions that were eliminated five years ago due to the Retirement Incentive Program (RIP), and deleting 2 Contract Canine Assistant positions. The restoration of 1 Supervising Agricultural/Standards Officer and 1 Office Assistant III position will enable the department to work more efficiently and meet existing workload requirements in the Consumer Protection Division. The deletion of 2

Contract Canine Assistant positions and replacement with the newly added Public Service Employee position will provide temporary support while the department searches for a suitable replacement contract employee.

California Grazing

DESCRIPTION OF MAJOR SERVICES

The California Grazing budget unit funds a variety of range improvement projects such as cattle guards, fencing, pipelines, tanks and other water dispensing facilities adopted by the County's Range Improvement Advisory Committee (RIAC). RIAC is comprised of five lessees of federal grazing land and one wildlife representative, and are appointed by the Board of Supervisors. RIAC recommends various grazing improvement projects for funding to the Board of Supervisors. The Bureau of Land Management (BLM), the federal agency responsible for leasing the grazing allotments to the ranchers, reviews the environmental impact of projects. Funding for these projects comes from fees paid to the federal government for grazing rights by ranchers under the provisions of the federal Taylor Grazing Act of 1934. A portion of the grazing fees is distributed back to the County to finance improvements on federal lands. The County acts in a trustee capacity for theses funds.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Operating expenses of \$145,635 provide for a variety of grazing/range improvement projects on federal lands, and these improvement projects are approved by the Board of Supervisors through recommendations from the RIAC. Sources are derived from the federal government as a pass through based on a portion of fees paid by the ranchers directly to the federal government for grazing rights.

DEPARTMENT MISSION STATEMENT

San Bernardino County Department of Airports plans, organizes and directs the County's airport and aviation system to provide high-quality aviation facilities and services in a safe and efficient manner, optimizing the benefit to the communities and citizens of the County.

ORGANIZATIONAL CHART

2013-14 ACCOMPLISHMENTS

- Apple Valley Airport - Completed construction and dedication of fuel storage facility - \$3.1 million capital investment; project completed \$200,000 under construction budget.
- Chino Airport - Negotiated sub-tenancy agreement with aircraft manufacturing company Soaring America, a subsidiary entity to the Mooney Aircraft Company, to locate new research and development division to San Bernardino County, which brings hi-tech jobs to the region.
- Twentynine Palms Airport - Erected new aircraft storage facility for use by airport tenants.

COUNTY GOALS AND OBJECTIVES AND DEPARTMENT PERFORMANCE MEASURES

COUNTY GOAL: PURSUE COUNTY GOALS AND OBJECTIVES BY WORKING WITH OTHER GOVERNMENTAL AGENCIES

- Objective(s):**
- *Work with Federal, State and regional governments and organizations to ensure San Bernardino County receives its fair share of resources and to help shape legislation and regulations which affect the County.*

- Department Strategy:**
- *Improve and maintain Airport infrastructure, such as runways and drainage systems by maximizing utilization of Federal Aviation Administration and Cal Trans Aeronautics funding.*
 - *Continue to develop and maintain focus on structured and preventative maintenance programs to address infrastructure deficiencies.*

Measurement	2012-13 Actual	2013-14 Target	2013-14 Actual	2014-15 Target

COUNTY GOAL: CREATE, MAINTAIN AND GROW JOBS AND ECONOMIC VALUE IN THE COUNTY

- Objective(s):**
- *Continue business retention and expansion programs while implementing office and industrial attraction strategies emphasizing provision of high-paying jobs.*

- Department Strategy:**
- *Maximize structured outreach activities to private sector business entities thus informing prospective businesses of real estate opportunities at various County airports.*
 - *Continue to closely monitor existing airport businesses to ensure continued success; assist by providing clearinghouse guidance to available related resources.*

Airports

DESCRIPTION OF MAJOR SERVICES

The Department of Airports provides for the management, development, maintenance and operation of six airports. The department assures that County airports are maintained and operated in compliance with state and federal regulations. The department works cooperatively with other airports located within the County regarding state and federal aviation programs, issues and requirements. The department participates and provides input to aviation industry support organizations, as necessary, to develop local, national and state aviation policy.

The County's six airports include:

1. Apple Valley Airport, a County Service Area (CSA-60) with a significant sport aviation base;
2. Baker Airport, located adjacent to the Town of Baker and supports 1-40 between Barstow and Las Vegas;
3. Barstow-Daggett Airport, which features significant military activity and the Fort Irwin Helicopter Maintenance Base, both of which support the Fort Irwin National Training Center;
4. Chino Airport, a Federal Aviation Administration (FAA) designated reliever to John Wayne Airport and one of the largest general aviation airports in the country with approximately 650 based aircraft;
5. Needles Airport, a critical transportation link along the Colorado River; and
6. Twentynine Palms Airport, a center for soaring activity serving the surrounding community, including the United States Marine Corps Air-Ground Combat Center.

The County's airports produce revenue to operate and maintain the airport system. Revenues are generated from facility rents, concession and user fees, and, in the case of Apple Valley Airport, property taxes dedicated to the support of CSA-60. State and federal grants are significant sources for funds to construct, improve and maintain airport infrastructure.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Staffing expenses of \$2.0 million fund 20 budgeted regular positions that provide support for 6 County-operated airports. Operating expenses of \$1.8 million include Countywide Services (COWCAP), property insurance, utilities, other professional services and general maintenance. Reimbursements of \$997,086 are from Airport's special revenue and enterprise funds and are primarily for staffing costs and services/supplies expenses that are incurred by the Airport's general fund budget unit for personnel that are assigned to support the Apple Valley Airport and Chino Airport Commercial Hangar complex. Sources of \$2.8 million primarily represent Rents and Concession receipts at the various airports.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$186,863 which includes an increase of \$113,470 in staffing expenses due to anticipated retirements (leave cash outs), step increases, and an increase to general member retirement costs and a decrease in operating expenses primarily attributed to a reduction of utility charges at Chino Airport. Capital expenditures are decreasing slightly from the prior year, and consist of purchasing a mower in 2014-15 to maintain the grounds at Chino Airport. Operating transfers out are eliminated as this budget unit will not be transferring funds to the Capital Improvement Program budget in 2014-15. Sources are decreasing by \$186,863 to reflect anticipated rents and concessions collection levels.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$2.0 million fund 20 budgeted regular positions. A minor restructuring of the department's fiscal function has resulted in the reclassification of 1 position: Fiscal Assistant to Fiscal Specialist. Reclassifying this position will align the position classification with the new scope of job duties.

Airports Special Revenue Funds - Consolidated

DESCRIPTION OF MAJOR SERVICES

Chino Airport Commercial Hangars complex is managed, maintained, and operated by the Department of Airports. The Commercial Hangars at Chino Airport were constructed in 1987 with proceeds from a 30-year bond issue. In addition to maintenance expenses, requirements are budgeted annually for insurance costs and bond repayment. Requirements for this budget unit are funded from rental revenues and available fund balance. There is no staffing associated with this budget unit. However, this budget unit reimburses the Airport's general fund budget unit for the cost of staffing incurred to support the Commercial Hangar complex.

The Chino Airport Incentive Fund was established mid-year in 2007-08 to provide separate accountability for all costs and revenues related to the objective of attracting and retaining businesses at Chino Airport. There is no staffing associated with this budget unit

Airports Capital Improvement Program is a Capital Improvement Program (CIP) that is managed by the Department of Airports and includes projects for Baker Airport, Barstow-Daggett Airport, Chino Airport, Needles Airport, and Twentynine Palms Airport. Projects funded in this budget unit include utility, storm water, and fire suppression plans, Airport Master Plans, Airport Layout Plans, construction and rehabilitation for numerous runways, taxiways, water systems, airport facilities, annual pavement maintenance, infrastructure and rehabilitation of reverted buildings. The capital projects for Apple Valley Airport (County Service Area 60) are budgeted in a separate budget unit. All Capital Improvement Projects for all six airports that are administered by the Department, or by Architecture and Engineering on behalf of the Department, are reported in the Capital Improvement Program section of this budget book. There is no staffing associated with this budget unit

Chino Airport Commercial Hangars has approximately \$1.1 million in requirements for operating expenses, which includes transfers of \$856,394 for the bond payment and \$138,264 in services and supplies for operations. Sources of approximately \$1.1 million are generated from rents and concessions receipts from commercial tenants in the amount of \$547,964 and an operating transfer in from the Airports Capital Improvement Program budget unit in the amount of \$585,210 to fund current services. The Chino Airport Commercial Hangars, if fully occupied at the current market lease rate, will not generate adequate revenues to fully fund the operations, maintenance, and bond obligation expenses through the bond payment period.

Chino Airport Incentive Fund has \$26,933 in requirements for operating expenses for services and supplies, which is primarily for the completion of the Chino Airport Master plan, and is supported by the current fund balance of \$26,933.

Airports Capital Improvement Program has \$5.0 million in requirements which includes \$1.6 million in capital expenditures, primarily for: the ground water assessment associated with the groundwater plume at Chino Airport for \$200,000; the Chino Airport pavement and maintenance projects for \$390,746; and an on-call engineering contract for various projects for \$200,000. Operating transfers out of \$2.2 million primarily consists of transfers to Architecture and Engineering (A&E) for management of various CIP's, including: \$1.1 million for

the Chino Runway Safety and Fire Suppression project and \$240,000 for the Kimball Avenue Storm Water Conveyance project, both at the Chino airport; and \$585,210 to the Chino Airport Commercial Hangars to fund current services. Sources of \$1.9 million are primarily from Federal grants for various CIP's including the Chino Fire Suppression Removal project.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by a net \$716,729 primarily to reflect a decrease of \$606,389 in operating transfers out due to fewer A&E managed projects in 2014-15. Sources are decreasing by a net \$450,133 primarily attributed to the elimination of an operating transfer in from the Airport general fund budget to the Airport Capital Improvement Program budget due to financial constraints in the Airport general fund budget.

STAFFING CHANGES AND OPERATIONAL IMPACT

There is no staffing associated with this budget unit.

CSA 60 – Apple Valley Airport – Operations

DESCRIPTION OF MAJOR SERVICES

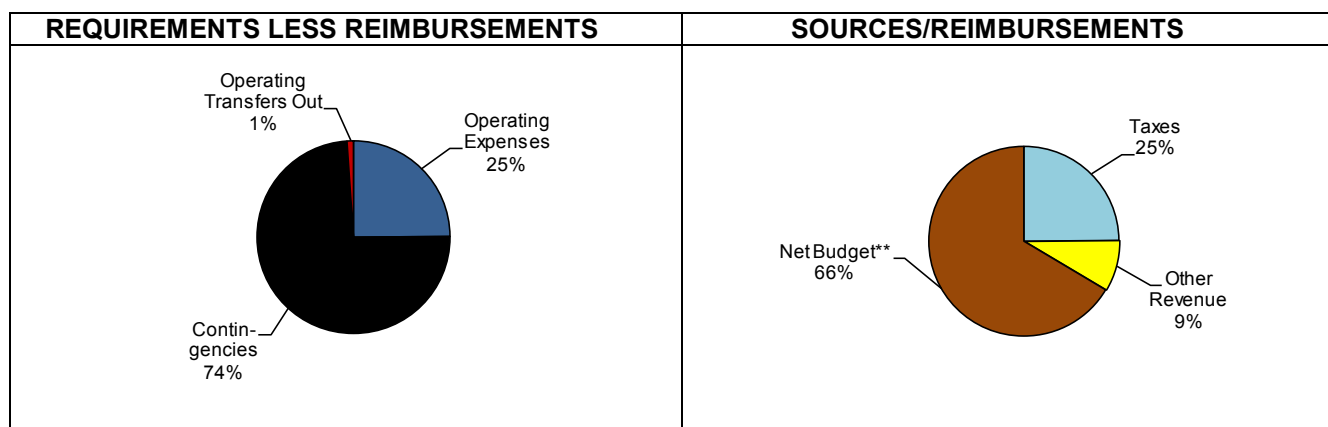

County Service Area 60 (CSA 60) funds the operation, capital projects and maintenance of Apple Valley Airport, which is administered and staffed by the County of San Bernardino Department of Airports. Apple Valley Airport, which was built in 1970, is a public use airport providing general aviation services to the High Desert region. CSA 60 is primarily funded by local property tax and revenue generated from airport leasing activities.

**Net Budget reflects Total Sources less Total Requirements for Internal Service and Enterprise funds. When Net Budget is negative, it means that the department will be using assets that have been carried over from the prior year.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Operating expenses of \$1.6 million include \$859,117 in transfers to reimburse the Airport's general fund budget for staffing costs, services and supplies costs for personnel assigned to support the Apple Valley Airport, and general airport operating expenses including utilities. Contingencies of \$4.8 million are set aside for future capital projects and major unanticipated expenses. Sources of \$2.2 million primarily consist of \$1.6 million from property tax revenue receipts and \$530,050 for leasing related activity revenues.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$877,429 primarily due to a \$1.3 million increase in contingencies set aside for future capital projects and major unanticipated expenses. This increase is offset by a decrease in operating expenses based on a reduction of depreciation expense of \$460,006.

Sources are decreasing by \$61,545 primarily due to a reduction of revenue at a realistic level for 2014-15.

STAFFING CHANGES AND OPERATIONAL IMPACT

There is no staffing associated with this budget unit. However, this budget unit reimburses the Airport's general fund budget unit for staffing costs incurred in connection with service to the Apple Valley Airport.

CSA 60 – Apple Valley Airport – Capital Improvement Program

DESCRIPTION OF MAJOR SERVICES

County Service Area 60 (CSA 60), through the Department of Airports, manages the Capital Improvement Program (CIP) for Apple Valley Airport. Projects include utility, storm water, fire suppression plans, Airport Master Plan and construction/rehabilitation of numerous runways, taxiways, and airport facilities. Projects are funded with proceeds from CSA 60 – Apple Valley Airport Operations budget and when available, Federal Aviation Administration and Cal Trans Aeronautics grants.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Requirements of \$3.1 million consist primarily of operating transfers out of \$2.1 million to Architecture and Engineering (A&E) for the management of capital improvement projects, including \$1.2 million for the airport perimeter road project, \$650,000 for a taxiway and parking lot reconstruction projects and \$250,000 for a hangar facility door upgrade project at Apple Valley Airport. Capital expenditures of \$600,000 represent three projects including \$300,000 for runway pavement project, \$200,000 for fog sealing and striping, \$50,000 land use planning study and \$50,000 on call engineering services agreement at Apple Valley Airport. Contingencies of \$302,961 are set aside for future projects and/or unanticipated expenses. Sources of \$275,000 consist primarily of funding from the Federal Aviation Administration (FAA) for a runway rehabilitation project.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$1.0 million primarily due to a decrease in direct construction related services and supplies expenses, and a decrease in contingencies due to use of funding for planned projects.

Sources are increasing by \$211,000 primarily due to FAA grant funding for a runway rehabilitation project.

STAFFING CHANGES AND OPERATIONAL IMPACT

There is no staffing associated with this budget unit.

ARCHITECTURE AND ENGINEERING

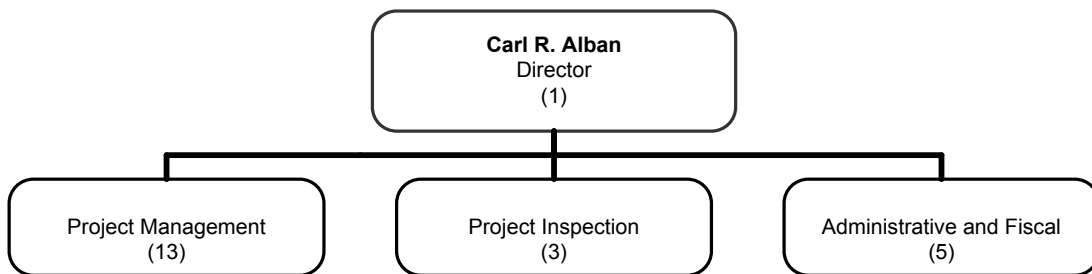

Carl R. Alban

DEPARTMENT MISSION STATEMENT

The Architecture and Engineering Department is committed to the timely and cost effective design and construction of projects included in the County's annual Capital Improvement Program, providing quality improvements to ensure accessible and safe environments for County departments and the public they serve.

ORGANIZATIONAL CHART

2013-14 ACCOMPLISHMENTS

- Completed 130 projects of varying size and locations to maximize job creation, with a total value of \$180 million. These projects are funded by Discretionary General Funding, bond funds, or County departments, and have generated approximately \$80 million in construction payroll and another \$20 million in consultant and management fees.
- Completed 6 projects with an estimated annual savings of 815,000 kilowatt hours (kWh) and 20,000 therms, resulting in an estimated ongoing utility savings of \$120,000 per year. The incentives received from the utility companies of approximately \$180,000 will be utilized in continuing on-going energy efficiency projects
- Completed approximately 50 projects that have replaced or repaired mechanical systems, roofing, pavement and utility infrastructure, thereby extending their useful life and significantly reducing the number of maintenance and service calls.
- Completed 7 projects specifically related to improving public safety services, including the expansion of the High Desert Detention Center, security improvements at the Glen Helen Rehabilitation Center and the Coroner's facility; the remodel of the former Victorville station to house multiple divisions; the construction of new fire stations at Angelus Oaks and Spring Valley Lake; and the construction of the Probation Central Day Reporting Center.
- Constructed a new location for the Children's Assessment Center, expanding their ability to better serve the public. A&E also continued its efforts to improve facility accessibility with the completion of parking lot projects at the Barstow Courthouse, Barstow Library, Arrowhead Regional Medical Center, the County Government Center, and the installation of automatic doors at the Veterans Affairs Office in Rancho Cucamonga.

COUNTY GOALS AND OBJECTIVES AND DEPARTMENT PERFORMANCE MEASURES

COUNTY GOAL:

OPERATE IN A FISCALLY-RESPONSIBLE AND BUSINESS-LIKE MANNER

Objective(s):

- Invest County resources in ways which create more ongoing revenue to reinvest in maintaining and improving services.

Department Strategy:

- Continue to implement and build upon strategies developed under the County's energy efficiency partnership with SCE.

DESCRIPTION OF MAJOR SERVICES

The Architecture and Engineering Department (A&E) is responsible for planning and implementing the design and construction of projects for Arrowhead Regional Medical Center, Airports, Regional Parks, Community Development and Housing and other County departments. These projects are approved as part of the annual Capital Improvement Program (CIP), or added during the year as organizational needs and priorities change. A&E collaborates with County departments and County Finance and Administration to develop the scope, schedule and budget for these projects. Following approval of the project elements, A&E administers the projects from conceptual design through construction to completion and close-out.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Staffing expenses of \$2.5 million make up a majority of A&E's expenditures within this budget unit. Operating expenses of \$628,769 fund services and supplies, central services, travel and transfers to Information Services Department for support and Real Estate Services Department for overhead. Capital expenditures of \$127,000 are for continued improvements to A&E's automated Project Tracking System and the purchase of one vehicle. Reimbursements of \$3.3 million are for project management and inspection services provided by A&E staff on capital projects.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$32,465. Staffing expenses are increasing by \$308,900 due to Worker's Compensation Insurance cost increase and the addition of 2 Project Manager II positions in 2013-14 that did not require a budget adjustment at the time and the addition of 1 Supervising Project Manager position in 2014-15. Additionally, operating expenses are increasing by \$183,732 primarily due to an increase in Information Services Department (ISD) charges for electronic equipment maintenance and ISD direct labor. Capital expenditures of \$127,000 include an increase of \$72,000 (\$45,000 for software development costs and \$27,000 for the purchase of one vehicle). Reimbursements of \$3.3 million include an increase of \$597,097. The total departmental expenditure authority is fully reimbursed from services provided to the Capital Improvement Program.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$2.5 million fund 22 budgeted regular positions. For 2014-15, a Supervising Project Manager position is added due to the increase in Project Managers supervised and workload requirements, and a Project Development Analyst position is reclassified to a Project Manager I position to be more consistent with the work being performed, increasing the number of budgeted staffing from 21 to 22 regular positions. Three positions in the Administrative and Fiscal section of Real Estate Services are budgeted in this department.

DEPARTMENT MISSION STATEMENT

The San Bernardino County Library System (SBCL) is a dynamic network of 32 branches that serves a diverse population over a vast geographic area. SBCL strives to provide equal access to information, technology, programs, and services for all the people who call San Bernardino County home.

ORGANIZATIONAL CHART

2013-14 ACCOMPLISHMENTS

- Implemented the Federal E-Rate program, which allowed for library branches to offer faster internet access and the addition of Wi-Fi.
- Refreshed both public and staff computers at the Trona, Adelanto, Apple Valley, Fontana, Wrightwood, Joshua Tree, Chino, Grand Terrace, Needles, and Twentynine Palms library branches.
- Added over \$1.0 million in new library materials and digital eContent.
- Remodeled the Apple Valley Library which included the addition of a computer lab, repainting and recarpeting, and a more efficient layout.
- Partnered with First 5 for the first combined Reading Railroad program, which drew over 3,500 participants at the Hesperia and Fontana Lewis Library locations.
- Served 408 adults through the Adult Learning Program.
- Reviewed and revised staffing schedules at various branch locations to ensure better coverage during peak demand periods.

COUNTY GOALS AND OBJECTIVES AND DEPARTMENT PERFORMANCE MEASURES

COUNTY GOAL: IMPROVE COUNTY GOVERNMENT OPERATIONS

Objective(s): • *Monitor and evaluate operations and implement strategies to continually improve efficiency and effectiveness.*

Department Strategy:

- *Maintain a replacement cycle for computer hardware between 4 - 6 years to ensure that public access computers are available for use and fully functional with reliable hardware and software*
- *Continue to replace outdated materials and purchase new materials to give library customers access to the latest information and new personal enrichment resources*
- *Offer programs for multiple age groups to promote the Countywide Vision of cradle-to-career education, fostering personal and professional development and enrichment*

County Library

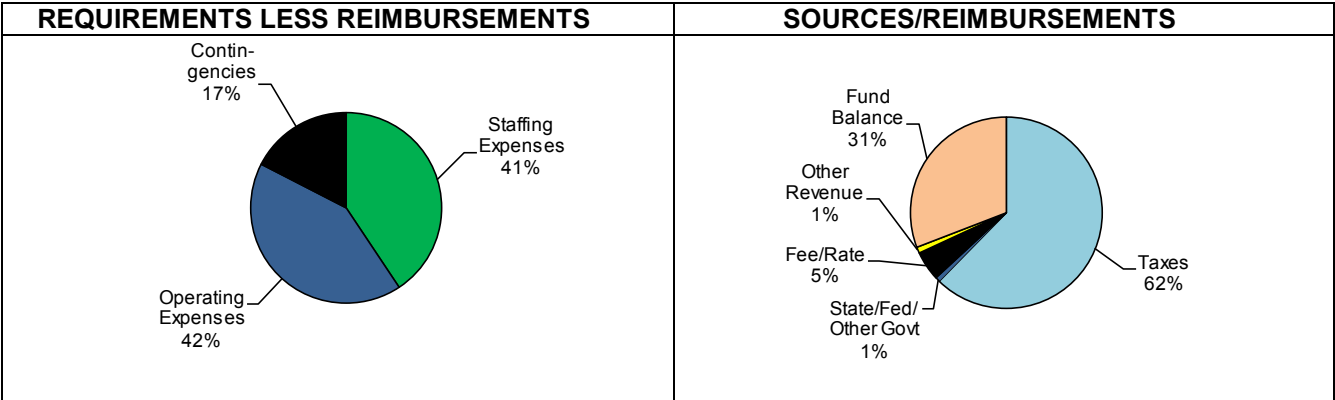

DESCRIPTION OF MAJOR SERVICES

The San Bernardino County Library (Library) provides public library services through a network of thirty two branches in the unincorporated areas and seventeen cities within the County. The Library provides access to information through its materials collection and offers more than 1,000 Internet accessible public computers. These public computers also provide access to a number of online databases and other electronic resources. Electronic access to the County Library's collection of materials is available through the Internet, and daily delivery services provide for materials to be shared among the various branches. The Library's online catalog provides access to over 1 million items. The system allows for patrons at any of the 32 library branches to directly request materials held at other branches and have those items delivered to their local branch for pick up. In addition, the Library's OverDrive system allows online access for library patrons to thousands of eBooks, Audiobooks, music, and video through their personal device or web browser.

The Library is continuing to complete a major improvement to its computer communications infrastructure for the coming year. This will be accomplished by greatly increasing available bandwidth at 29 branch locations. This will not only allow faster Internet access, it will also allow the Library to add wireless service to most branches currently without wireless connectivity. The annual costs for the upgrade will actually be less than the Library is currently paying for those services – primarily due to significant federal and state discounts.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Staffing expenses of \$8.2 million are the largest portion of the department's expenditures, which encompasses staffing for 32 library branches and support staff at Library Administration. Operating expenses of \$8.5 million include general operating expenses for branch locations, computer and telecommunication charges for internet access at branch locations, utilities, COWCAP charges, and custodial/maintenance charges. Sources of \$14.0 million primarily represent property tax allocations and library fines and fees collected from patrons. Of the \$6.2 million in Fund Balance, \$1.9 million is comprised of RDA funds being held pending a final disposition.

BUDGET CHANGES AND OPERATIONAL IMPACT

Major changes for the department include an increase in operating expenses due to planned improvements to various County Library branches and replacement of outdated Radio Frequency Identification equipment for patron self-service checkout. Anticipated improvements include carpet and paint refreshes and floor plan reconfigurations at the Needles, Phelan, and Yucca Valley Branch libraries. Major revenue changes also include an increase in property tax allocations, and a decrease in state aid due to the State Library’s decision to only provide one-time funding for literary services.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$8.2 million fund 291 budgeted positions, of which 279 are regular positions and 12 are student intern positions. The Library is adding 12 paid student intern positions to cultivate future library staff and create job opportunities for young people, leading to greater career opportunities. The Library is reclassifying an Automated Systems Analyst I position to a Librarian II, due to a position now being needed in the area of material development and program administration. The budget also includes reclassifying a Library Services Manager position to an Administrative Manager position, due to the position performing higher level duties and expanded management responsibilities.

COUNTY MUSEUM

Leonard X. Hernandez

DEPARTMENT MISSION STATEMENT

The San Bernardino County Museum maintains and develops unique cultural and natural science collections related to the region and the greater Southwest. Through responsible collection, preservation, exhibition, and education, the County Museum inspires the public to a deeper understanding of their cultural and natural history.

ORGANIZATIONAL CHART

2013-14 ACCOMPLISHMENTS

- Completed a Capital Improvement Project to remove the carpeting from the Mammal Hall in order to comply with the Museum's Pest Management policy. Replaced with epoxy based flooring, which will greatly reduce the ability for pests to damage the artifacts and exhibits.
- Repainted the patron areas of the Museum to refresh the look of these areas.
- Sandblasted, primed and repainted the Geodesic Dome to ensure protection of the metal structure. In addition, the decaying walkway around the dome was removed and replaced with a more durable material.
- Partnered with Veteran Affairs to create an exhibit called Aquaponics. This partnership will add a new element of education to share with visitors and patrons regarding the life cycle of fish within its ecosystem and how the waste is recycled into the vegetable garden.

County Museum

DESCRIPTION OF MAJOR SERVICES

The County Museum ranks among the top accredited regional museums in California and provides enhanced “Quality of Life” for County and regional residents. It contains an encyclopedic collection of cultural and natural heritage in public trust from the greater Southwest region. The Museum is comprised of the following divisions: Education, Exhibitions, Anthropology, History/Archives and Geological Sciences. All divisions enhance public learning through educational services for families, general public, school groups, educators, and scholars at the main Museum facility, historic sites and Victor Valley Museum. The County Museum specifically enriches “Quality of Life” to County residents through cultural and natural science educational programs and activities for the public at its facility in Redlands, as well as the following seven regional sites: Agua Mansa Cemetery in Colton, Casa de Rancho Cucamonga (John Rains House) in Rancho Cucamonga, Daggett Stone Hotel in Barstow, Asistencia Outpost of the Mission San Gabriel in Redlands, Yorba-Slaughter Families Adobe in Chino, Yucaipa Adobe in Yucaipa and the Victor Valley Museum in Apple Valley. These programs and activities involve the preservation of cultural and natural heritage collections, display of permanent and special exhibitions, and care and preservation of historical sites depicting the history and culture of San Bernardino County and the greater southwest region. The County Museum has been accredited by the American Association of Museums since February 23, 1973. In 2002, the Museum received its reaccreditation that will continue through 2017.

In 2014-15, the County Museum will be working with a consultant to review the operations, collections, and readiness for accreditation. This process will enhance the Museum’s ability to leverage its institutional value while identifying sustainable ways to advance in achieving the County Vision. Museum staff will also be working as a team to continue presenting educational programs, highlight the Museum’s collections, and refine the services it offers to be as competitive as possible in the area of grants and funding opportunities. Part of this process will include reviewing the Hall of Geological Wonders to determine a phased approach of opening aspects of the exhibits and thereby enhancing the Museum experience and attendance.

For 2014-15, an increase of \$552,870 in Net County Cost is necessary to sustain Museum operation at a minimal level with bridge funding while the consultant review is conducted. Included in Net County Cost is \$125,000 as a one-time amount for the transition of the Victor Valley Museum.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Staffing expenses of \$1.3 million fund 15 regular budgeted positions and 6 limited term budgeted positions that provide program services and oversight for the main Museum facility in Redlands, Victor Valley Museum and six historic sites throughout the County. Operating expenses of \$1.9 million primarily includes services and supplies expenses of \$377,347 for educational programming, exhibits, insurance, advertising, security services, general operating expenses; transition costs of \$125,000 for the Victor Valley Museum; COWCAP charges of \$784,979; central services charges of \$474,536 for Facilities Management and Information Services Department charges; and transfers of \$131,917 primarily related to the Museum's off-site storage. Reimbursements of \$70,000 are from the Apple Valley Airport operating budget for phase I and II of a new interpretive exhibit. Sources of \$457,050 are primarily derived from admission fees, education service revenue, facility rental fees, and Archeological Information Center fees.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$34,914 due to a decrease in staffing expenses of \$199,394 primarily due to the deletion of 1 position, which will have a minimal impact on daily operations. Operating expenses are increasing by \$238,308 primarily due to increased COWCAP and internal County charges. Sources are decreasing by \$517,956 primarily due to state and federal contracts ending with no replacement contracts currently approved, and by scaling back fee and program revenue projections to a conservative level. Net County Cost of \$2.7 million has been increased by \$552,870 to sustain Museum operations at a minimal level while a more comprehensive study is conducted with respect to reorganizing and developing innovative solutions for the Museum's financial challenges. Of this amount, \$125,000 is a one-time increase for the transition of the Victor Valley Museum.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$1.3 million fund 21 budgeted positions, of which 15 are regular positions and 6 are limited term positions. Staffing changes are comprised of the deletion of 1 Museum Excavation Technician (vacant) position.

Museum Store

DESCRIPTION OF MAJOR SERVICES

The Museum Store operates as an enterprise fund under the management of the San Bernardino County Museum. The store is considered a critical part of the K-12 visitor experience and provides many museum related items for sale including books and publications, educational toys, thematic novelty items related to exhibitions, jewelry, minerals, and souvenirs. The Museum Store provides important information to patrons regarding current exhibitions in the Museum, and enhances lifelong learning for families and adult audiences.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Staffing expenses of \$27,492 fund two part-time regular positions that operate the Museum Store. Operating expenses of \$36,639 are specific to purchases for resale (inventory), and include \$5,000 for point-of-sale system (POS) software purchases. Equipment costs of \$5,000 are included to purchase hardware in connection with the outdated POS. Sources of \$55,000 are generated from novelty items/souvenirs product sales, books and publications.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$1,957 due to an increase in operating expenses and capital expenditures for a new point-of-sale system, offset by decreased staffing costs as the result of funding two part-time positions instead of one full-time position.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$27,492 fund 2 budgeted part-time regular positions. The Museum has converted the 1 full-time General Services Worker II position into 2 part-time positions. This will allow for greater coverage at the Museum Store to ensure that it is open during the peak hours each day the Museum is open.

LAND USE SERVICES

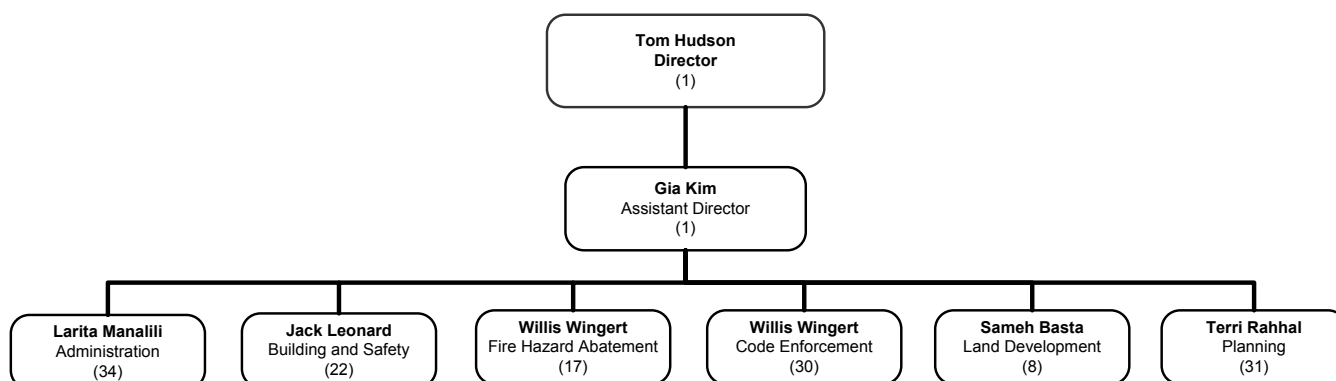

Tom Hudson

DEPARTMENT MISSION STATEMENT

The Land Use Services Department is dedicated to ensuring a balance in the areas of housing, business, and recreational needs for the diverse cultures and communities of San Bernardino County. This is accomplished through comprehensive regional planning and enforcement of building standards, land uses, and environmental impacts.

ORGANIZATIONAL CHART

2013-14 ACCOMPLISHMENTS

- Created a Leadership Response Team and a comprehensive, easy-to-use Customer Survey Program
- Provided the ability to Skype with customers from office to office through remote communication at the front counter
- Used County Fire Crews to abate fire hazards. This new partnership kept an additional crew available to fight fires throughout the peak fire season
- Planning created a Minor Revision Application and Fee to reduce the cost and procedure for minor revisions proposed by applicants
- Planning worked through Legislative Analysts to review and comment on proposed California Environmental Quality Act reforms
- Completed over 20,000 Building and Safety inspection calls. Over 95% of inspection calls were performed on scheduled days
- Created a “One Stop Shop” for permitting system, integrating Land Use Services, Fire, Land Development and Environmental Health Services
- Consolidated the grading plan review process to minimize the review time
- Transferred building violation work to Code Enforcement
- Implemented a self-certification program for smoke detectors and carbon monoxide alarms, thereby alleviating unnecessary second-day calls and applicant inconveniences
- Reduced the average processing time for complex conditional use permit project applications by 26%
 - Use of a new tracking system to analyze staff time utilization and to assist in future decisions
 - Closer coordination between intake technicians at the Planning front counter and the project planners
 - Emphasis on explaining the need for special studies (biological, geologic, etc.) before the application packet is submitted
 - Use of contract planners to process applications when there is an unexpected increase in application submittals and for specialized reviews

- New Standard Operating Procedures including scheduling projects for Development Review Committee meetings and Planning Commission hearings
- Enhanced cost recovery practices for Fire Hazard Abatement
- Expanded the Short Term Rental Program by 21%
- Streamlined review process with Special Districts
- Awarded grants through the Resource Development Team
 - SCAG Compass Blueprint Sustainability Program Grant \$90,000
 - CEC Renewable Energy Element Grant \$700,000
- Improved website to include FAQ's for the most common questions received from the public in order to enhance our customer service and operate more efficiently
- Developed website to allow public to search for the zoning of their home
- Enhanced Demolition and Board-up program
- Enhanced prosecution of entrenched problem cases in Code Enforcement
- Created and adopted new Solar Ordinance
- Reorganized Mining Team and permit system
- Established an electronic plan submittal (ePlans) for planning projects
- Met with thirteen cities (Rialto, Ontario, Big Bear Lake, Chino, Redlands, San Bernardino, Rancho Cucamonga, Fontana, 29 Palms, Grand Terrace, Yucca Valley, Colton and Barstow) as of April 8, 2014 to keep communication open on land use and development matters and coordinating planning efforts. At least three additional city visits will be scheduled in April 2014
- Building and Safety Inspectors and Plans Examiners obtained training on the 2013 CA Codes
- Code Enforcement abated 22 dangerous buildings
- Code Enforcement streamlined the Rehab/Demo program and successfully met the 10% reduction time to complete demolition projects
- Fire Hazard Abatement changed its policies to meet the Constitutional principle of equal treatment under the law with the goal of increasing timely compliance to Notices to Abate
- Fire Hazard Abatement achieved the 99% target of successful abatements for properties identified as having hazardous conditions
- Planning worked with Economic Development, California Department of Health, and the City of Rialto in a public/private collaboration with the developer on the Bloomington Housing Project, an affordable housing community that utilized federal funds to provide safe and healthy affordable housing, a community library and community space where services will be provided

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Staffing expenses of \$2.8 million fund 36 budgeted positions. Operating expenses of \$2.0 million include \$725,176 for COWCAP charges, \$605,753 in Central Services, \$150,786 in license renewal charges for the department's permitting system and Enterprise Agreement, and \$20,000 in charges payable to the Information Services Department for application development and direct labor charges. Reimbursements of \$4.3 million are comprised of transfers from the other Land Use Services divisions for administrative support.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$715,630, primarily due to no capital expenditures included in the 2014-15 budget. The department intends to request additional appropriation in a future quarterly report for capital expenditures relating to the department's planned permitting system upgrade.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$2.8 million fund 36 budgeted positions of which 31 are regular positions and 5 are limited term positions. There is a net reduction of 1 position. Changes in staffing include the addition of 1 Office Assistant II, 1 Fiscal Specialist, 2 Public Service Employees, and the transfer in of 1 Fiscal Specialist from Fire Hazard Abatement, offset by the deletion of 2 vacant Office Assistant III positions, the transfer of 1 Staff Analyst II position to the Planning division, and the transfer of 3 Secretary I positions to the Building and Safety, Code Enforcement, and Planning divisions. The department also converted 2 regular Office Assistant III positions to 2 Contract Office Assistant III positions. These changes will enable the department to streamline and enhance program support and reduce the allocable costs from the Administration division to the various divisions of Land Use Services.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Staffing expenses of \$2.9 million fund 31 budgeted positions. Operating expenses of \$5.1 million include \$308,537 related to the General Plan Update, and \$418,108 in litigation expenses for the Cadiz project. Other major operating expenses include consultants, project expenses reimbursable by applicants, and transfers to Land Use Services – Administration for administrative support.

Sources of \$3.7 million include \$1.2 million from applicants for project expenses, \$1.5 million in fees for current services, and \$955,000 in state grant funding for the renewable energy element portion of the General Plan Update.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$1.1 million primarily due to reduction in one-time funding for the multi-year General Plan Update project. The department intends to request additional appropriation as it is needed, from the amount set aside in General Fund Reserves for this project. Other budget changes include a decrease in one-time projects funded by district discretionary funds, and an increase in staffing expenses to fully staff the department to adequately handle work volume.

Sources are decreasing by \$242,510, primarily due to a decrease of reimbursement for litigation expenses, and revenues related to decreases in one-time projects.

Net County Cost is decreasing by \$902,807 primarily due to a reduction in funding for the General Plan Update. Net County Cost of \$4.3 million includes \$600,000 in new ongoing allocation to fund indirect expenses related to Planning work on general fund projects that was not previously being charged.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$2.9 million fund 31 budgeted positions of which 23 are regular positions and 8 are limited term positions. Staffing is increasing by 5 positions to ensure compliance with State and Federal laws and to mitigate County liability through the efficient processing of mining applications and Financial Assurance documents. These additions include: 1 Contract General Plan Update Manager, 1 Contract General Plan Project Manager, 1 Extra Help Engineering Technician IV, and the transfer of 1 Secretary I position and 1 Staff Analyst II position from the Land Use Services - Administration division.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Staffing expenses of \$2.2 million fund 22 budgeted positions. Operating expenses of \$2.9 million is comprised primarily of transfers to Land Use Services – Administration for administrative support, vehicle services charges, COWCAP, and consultants. Sources of \$4.6 million are primarily from fees charged for permit and plan reviews.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$585,495, primarily due to changes in budgeted staffing, consultant costs as a result of the vacancy of the Building Official position, contract building inspectors, and transfers to the Land Development division for work performed on plan reviews.

Sources are increasing by \$703,325, primarily due to an increase in permit and plan review fees.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$2.2 million fund 22 budgeted positions, of which 19 are regular positions and 3 are limited term positions. Changes in budgeted staffing include the addition of 2 Building Inspector II positions, the addition of 1 Regional Building Inspector Supervisor, the transfer of 1 Secretary I position from the Land Use Services – Administration division, the deletion of 1 Extra Help Building Inspector II position, and the deletion of 2 Extra Help Building Inspector III positions. The addition of the 2 Building Inspector II positions will assist in meeting the increase in inspection demands. Deleting 1 Extra Help Building Inspector II position and the 2 Extra Help Building Inspector III positions was a result of declining activity for the Moly Corp project.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Staffing expenses of \$3.1 million fund 30 regular positions. Operating expenses include \$300,000 for the demolition of derelict properties. Other major expenditures include graffiti abatement contracts, vehicle service charges, litigation, and transfers to Land Use Services – Administration for administrative support.

Sources of \$858,000 are comprised primarily of revenues from administrative citations and home rental permits.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$166,530 primarily due to the decrease in funding for County Counsel litigation costs.

Sources are increasing by \$214,244, primarily due to administrative citation collections, and further increase in revenue for the rental permit program that began growing in 2013-14.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$3.1 million fund 30 budgeted regular positions. Changes in staffing include the transfer in of 1 Secretary I position from the Administrative unit and addition of 1 Code Enforcement Officer II position to assist with the annual rental and Building Enforcement program, which will result in additional revenues.

In 2013-14, staff efforts were shifted to the Short Term Rental Program to focus on rental properties that are not currently enrolled in the Short Term Rental Program. Continued staff focus on this program will result in additional revenue and will ensure that Code Enforcement is diligent in pursuing property owners to comply with County Code.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Operating expenses of \$1.6 million include \$887,111 for contract weed abatement services, \$324,857 in transfers to Land Use Service – Administration for administrative support, and \$80,000 for vehicle service charges. These expenses are necessary to identify and mitigate all fire hazard risks throughout the County.

Sources of \$2.3 million are comprised primarily of contracts with cities and fire protection districts (\$278,569), administrative citations (\$150,000), and charges to property owners for abatement services (\$1.1 million).

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$10,837, primarily due to the increase in retirement benefits and a reduction in reimbursements.

Sources are increasing by \$52,619, primarily due to an increase in processing of liens releases on properties.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$965,608 fund 17 budgeted positions, of which 12 are regular positions and 5 are limited term positions. Changes to staffing include the transfer in of 3 Office Assistant III positions from the Administration Unit and the transfer out of 1 Fiscal Specialist to the Administration Unit, resulting in an increase of 2 positions.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Staffing expenses of \$932,808 fund 8 budgeted regular positions.

Operating expenses totaling \$470,071 are primarily comprised of Computer Software and Hardware expense of \$7,800, Other Professional and Specialized Services of \$78,262, County Counsel expense of \$30,000, and transfers of \$282,866 to Land Use Services – Administration for administrative support.

Reimbursements of \$251,212 are comprised primarily of transfers from the Building and Safety Division for work performed and from Administration for projects supported.

Sources of \$548,398 are primarily comprised of fees for current services.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$119,741 primarily due to an increase in transfers to Land Use Services – Administration for administrative support and increased contract labor utilization to assist with the increase in plan review volume. Sources are increasing by \$163,398 as a result of anticipated increases in plan review revenues.

The Land Development Division was a new addition to the Land Use Services Department in 2013-14, moving to Land Use Services from the Department of Public Works, to provide improved customer service to the development community and to streamline operations. Drainage plan reviews are also now being performed by the Land Development Division for the Building and Safety Division.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$932,808 fund 8 budgeted regular positions. The Land Development Division began performing grading reviews for Building and Safety, improving customer service as well as helping to streamline services.

PUBLIC WORKS

Gerry Newcombe

DEPARTMENT MISSION STATEMENT

The Public Works Department provides a broad range of services and infrastructure to help ensure safe and desirable communities for the people of San Bernardino County. Areas of responsibility include roads, traffic, flood control, storm water quality, water conservation, solid waste services, and County surveyor functions.

ORGANIZATIONAL CHART

2013-14 ACCOMPLISHMENTS

- Surveyor – Launched a new website of Interactive Maps, which provides easy access for the public to view geographic data about where County transportation, flood control and solid waste facilities and projects are located throughout the County in April, 2013. The website has continued to grow and evolve throughout 2013, with the addition of snow removal routes in November. The website address to view these maps is <http://sbcountypdw.maps.arcgis.com/home/index.html>. The Division continued to expand services for Geographic Information Systems support, with projects performed for Public Works and other County departments. In addition, geographically referenced versions of the DPW 'Wall Maps' were made available, which offer additional online research capabilities for the land surveying community.
- Transportation – Utilized various federal, state and local funding sources in the completion of \$34.3 million in capital improvement projects, including over \$18.3 million in pavement improvement projects, which included 12.3 miles of road repaving projects (6.1 miles of which were on Sheep Creek Road and Phelan Road), 18.6 miles of overlay projects, and 111.5 miles of roadway surface sealing protection projects. The completed projects include the construction of a half a mile of new paved roadway on Hatchery Drive; a bridge repair project to reopen Hinkley Road at the Mojave River; a roadway stabilization project to secure the eroding road and provide pedestrian access on Maple Lane near Big Bear High School; over 3.25 miles of new median construction on Valley Boulevard and Cedar Avenue to improve traffic safety (primarily funded with Federal Highway Safety Improvement grant funds); 3 sidewalk projects on Almond Avenue, Ridge Crest Road and Grandview Road; a widening project on Slover Avenue; a widening and new signal installation on Ranchero Road at Escondido Avenue; a new signal on Valley Boulevard at Banana Avenue; 3 drainage projects; 2 traffic delineator projects; a retaining wall; and an intersection realignment. The Division also started construction of a \$29.0 million new railroad grade separation on Glen Helen Parkway south of Cajon Boulevard near the junction of Interstate 215 and 15 in the Devore area, partially funded with Discretionary General Funding of \$3.4 million in 2013-14 and \$4.0 million in 2014-15 as one-time contributions towards the local share of cost.

- Solid Waste – Accomplished County objective of living within our means, fully funding the maintenance of infrastructure and facilities, and the provision of state-of-the-art basic operating systems through the completion of the following capital improvement projects:

- 1) \$2.1 million - Landfill Gas Collection and Control System at the Big Bear Sanitary Landfill
- 2) \$3.6 million - Phase I Borrow Area Liner Project at the Barstow Sanitary Landfill
- 3) \$130,000 - Unattended Lane Project at the Mid-Valley Sanitary Landfill
- 4) \$145,000 - Major improvements to landfill gas extraction wells at Colton Sanitary Landfill

Furthermore, for the unincorporated areas of the County, the Division implemented the outreach and monitoring requirements for mandatory commercial recycling as required by state law and the expanded requirements for construction waste management plans, also required by the state. The Division participated in seven community outreach events. Through the solid waste franchise program, the Division assisted with two community cleanup events by providing collection bins and disposal services. The Division achieved a 64.5% diversion rate for municipal waste, which is up from the 62.1% diversion rate for the prior year, exceeding the State mandated 50% diversion rate. The Division continues its outreach efforts to unincorporated areas with franchised solid waste services to provide education and increase the understanding of the value curbside trash collection services have in their communities. These outreach efforts have resulted in a 4.7% drop in exemption applications to mandatory trash service from 2012-13.

- Flood Control District – Utilized various federal, state and local funding sources for construction of flood control facilities. The District applied for and received a grant from the California Department of Water Resources, Stormwater Flood Management Program in the amount of \$5.2 million for the construction of Amethyst Basin located in the City of Victorville. Also, the District started construction of the Alabama at City Creek project in the Highland/Redlands area, which is funded by Federal and State agencies, three local cities, and the Inland Valley Development Agency, and started construction on the Mountain View Acres Storm Drain in the Victorville area, which is anticipated to be completed in 2014-15. In addition, the District completed the following projects: construction of Lytle Cajon Channel Invert Repair for \$3.7 million in the Colton/San Bernardino area; and construction of Sheep Creek Grouted Rock Bank Protection for \$4.7 million in the Wrightwood area. The District also constructed interim recharge basins as a pre-construction earth removal project for the Amethyst Basin project in the Victorville area and removed approximately 40,000 cubic yards of material in San Timoteo basins 13 to 15 at minimal cost to the County due to the contractors providing removal services in exchange for retention of all excavated materials.

Surveyor

DESCRIPTION OF MAJOR SERVICES

The function of the County Surveyor is to review subdivision maps as prescribed by state law, prepare legal descriptions and maps, perform design and construction surveys for various County departments, assist the public in matters relating to land boundaries, and ensure that sound surveying is used in the preparation of maps and plans for project development within the County. The County Surveyor ensures these maps and plans conform to conditions of approval, local ordinances, standards for development, and state laws. Field crews perform boundary and construction surveys for other County departments and are responsible for perpetuation of controlling survey monuments. The County Surveyor also maintains the integrity of the Countywide Geographic Information Services (GIS) Parcel Basemap.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Staffing expenses of \$2.7 million make up the majority of the Surveyor's expenditures funding 25 regular positions. Operating expenses include services and supplies, software upgrades, and increases to Geographic Management Services, COWCAP and liability insurance. No capital expenditures are planned in 2014-15 in order to reduce operating costs and allow for the purchase of software upgrades. These costs are necessary in order to provide the public with protection in matters as they relate to sound surveying practices and to meet state mandated time frames. Sources of \$2.8 million include fees charged to customers for field surveys, review of subdivision maps, and the preparation of legal descriptions and maps.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$269,175. Major changes for the Surveyor include a decrease in operating expenses of \$126,010 and eliminating capital expenditures in 2014-15 in order to accommodate anticipated revenue reductions. Computer hardware, equipment, special departmental, microfilming, and vehicle charges are decreased to help offset revenue decreases.

Sources are decreasing by \$251,516 due to a reduction in work performed for the Transportation Division as a result of Proposition 1B funding ending in 2013-14.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$2.7 million fund 25 budgeted regular positions. The 2014-15 budget includes the reclassification of an Engineering Technician II to an Engineering Technician III.

Monument Preservation

DESCRIPTION OF MAJOR SERVICES

The Survey Monument Preservation budget unit was established to account for expenses incurred related to the retracement or re-monument surveys of major historical land division lines, upon which later surveys are based. These include, but are not limited to, surveys of government section lines, rancho section lines, acreage subdivision lot lines, and subdivision boundary lines. The services related to this budget unit are funded by a \$10 fee charged to the public for filing or recording specific types of grant deeds conveying real property.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Operating expenses of \$175,401 are for services specifically related to retracement or re-monument surveys. Fee/rate revenue of \$62,000 is from fees charged to the public for filing or recording specific types of grant deeds conveying real property.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$64,760 primarily due to an anticipated increase in services related to retracement or re-monument surveys.

STAFFING CHANGES AND OPERATIONAL IMPACT

There is no staffing associated with this budget unit.

DESCRIPTION OF MAJOR SERVICES

Road Operations is responsible for the operation, maintenance, and improvement of the County's road system that currently includes approximately 2,554 miles of roadways. Additional activities include administration, planning, design, construction, environmental management, and traffic operations.

The Division's routine maintenance activities include patching and crack filling on approximately 7,500 lane-miles of asphalt pavement, grading of 420 miles of unpaved roads, shoulder maintenance, snowplowing of over 500 miles of mountain roads, traffic signal maintenance at 83 intersections, roadside weed abatement in urban areas, traffic sign and pavement striping maintenance throughout the system, storm repairs and cleanup, maintenance of 380 bridges and thousands of concrete box and metal pipe culverts, as well as maintenance of drainage facilities such as inlets, ditches, dikes, and gutters. Maintenance functions are provided through 13 yard districts with regional facilities located to best serve the 20,000 square-mile area of the County.

Road activities are funded primarily from highway-users sources. Funding sources consist of state fuel taxes (Highway Users' Tax or Gas Tax), local transportation funds generated by sales tax revenues (Measure I), and development fees. The Department has eight established Local Area Transportation Facilities Development Plans and one Regional Development Mitigation Plan containing 16 subareas in the Valley and Victor Valley areas of the County to collect funds for the purpose of mitigating the traffic impacts of new development. Construction of major improvements (such as new roads, bridges, or adding of lanes) is limited to a few projects per year based on available funding.

The County's goal, for the maintained roads Pavement Condition Index (PCI), is good or better rating. Currently the average rating is in the very good range with some roads below a PCI rating of "Fair". In prior years, the Division utilized Gas Tax to fund the local share of major infrastructure projects such as major arterials and grade separations instead of utilizing those funds to maintain or improve the County Maintained Road System (Road System). Over the last three years, the General Fund provided a total of \$13.4 million to the Division to support the Pavement Management Program. With the focus of the Transportation Division being shifted to emphasize the maintenance of the Road System ahead of capital projects to ensure that the pavement condition of the Road System does not deteriorate, the Division allocated its main funding sources to support maintenance and pavement preservation projects. Thus for 2014-15, a General Fund contribution for maintenance activities is not necessary. Routine maintenance and pavement preservation projects will still be funded at \$23.0 million and \$18.0 million respectively and other Departmental functions such as traffic safety and support will still be maintained at the same level. This fundamental shift will also have an impact on the ability to complete non-pavement preservation projects as Gas Tax is no longer available to pay for the local share of these projects. These projects will now be reflected as unfunded and will be completed at the discretion of the Board of Supervisors.

Therefore, in 2014-15, the County General Fund is contributing \$1.1 million for the Slover Avenue and San Bernardino Avenue widening projects, \$183,520 for the local match for the Glen Helen Parkway bridge replacement project, \$300,000 for bridge studies on National Trails Highway, \$75,000 for a sidewalk near the Joshua Tree National Park Visitor's Center, and due to the slow growth in developer fees, the General Fund will also follow-up the 2013-14 contribution with another one-time funding contribution, this time of \$4.0 million, to help with the required development contribution of the Glen Helen Parkway grade separation project. Furthermore due to the end of Proposition 1B funding in 2013-14, which contributed over \$31.7 million to pavement improvement projects since 2008, it is expected that in the upcoming years, the Division will not be able to sustain an \$18.0 million allocation to the Pavement Management Program and will require additional discretionary general funding to maintain the pavement condition of the Road System.

Measure I is a Countywide one-half cent transaction use tax that was passed by the voters of San Bernardino County in November 1989 (1989 Measure), and extended by voters in 2004 (2004 Measure), to provide funding for transportation improvements until 2040. Local pass through Measure I primarily funds roadway resurfacing, rehabilitation, and other pavement improvement projects, but may also be used as the local funding match for grant or other County participation projects, such as bridge, safety or widening projects, as well as traffic signal projects throughout the County. The County is divided into six sub-areas, and the Measure I funds received must be spent within the sub-area in which they were collected. The sub-areas are as follows: North Desert, Morongo Basin, San Bernardino Mountains, Colorado River, Victor Valley, and San Bernardino Valley.

Facilities Development Plans were established by County ordinance to collect development traffic impact fees for new construction of roads within the boundaries of the established fee areas. Fee ordinances are approved in the areas of Helendale/Oro Grande, High Desert (Phelan and Pinon Hills), Lucerne Valley, Oak Hills, Snowdrop Road, South and East Apple Valley, and Summit Valley. Interim fee plans were developed for the Big Bear and Joshua Tree areas, but are currently on hold and being reviewed by the Division.

Regional Development Mitigation Plan was adopted by the Board of Supervisors in 2006 as a condition of the voter approved Measure I Ordinance to generate development fair-share contributions for regional transportation needs resulting from the impacts of new development in the urban areas of the County. Projects include freeway interchanges, regional arterials, arterials, and railroad grade separation projects. The County of San Bernardino's development contribution target shares were calculated for each of the unincorporated city spheres of influence in the San Bernardino Valley and Victor Valley as part of San Bernardino Associated Government's (SANBAG) Development Mitigation Nexus Study. Development impact fees are collected at the time of issuance of a building permit for all residential, commercial, and industrial development. When sufficient fees are collected to cover the development contribution fair-share amount of projects, applications are submitted to SANBAG for the regional Measure I and/or federal and state funds necessary to construct the regional arterial roads, freeway interchanges, and railroad grade separation projects listed in the Regional Development Mitigation Plan. An update to the Regional Development Mitigation Plan (Plan) was adopted July 22, 2014, replacing the Plan that had been adopted June 26, 2012.

Total Special Revenue Funds	143,222,083	76,050,425	67,171,658	338

Road Operations has requirements of \$99.0 million consisting of the following: \$28.7 million for staffing expenses to fund 338 positions; \$78.1 million for operating expenses such as road maintenance, equipment/materials purchases, vehicle maintenance, County internal service and administrative expenses, insurance, professional services for road construction projects, and transfers for labor/equipment usage within all Department of Public Works divisions; \$7.9 million for capital expenditures which includes \$2.1 million to purchase land and right-of-way for planned road construction projects, \$5.3 million to replace equipment needed for daily road operations and maintenance and \$503,000 primarily for signal controller equipment; \$27.3 million in reimbursements which includes \$11.0 million from other Department of Public Works divisions for labor and equipment usage and \$16.3 million in project related labor and services and supplies reimbursements primarily into Road Operations from Measure I and the Regional Development Mitigation Plan funds; and \$11.3 million in contingencies of which \$7.8 million is for future construction projects and a new accounting system and \$3.5 million is for future equipment replacement.

Sources of \$65.8 million consist of \$56.3 million in state, federal and other government aid which includes \$41.9 million in Gas Tax and \$14.4 million in state, federal, and other government aid for construction projects, with some of the major contributions being as follows:

- \$7.4 million from SANBAG, State Proposition 1B and railroad contributions for shares of the Glen Helen Grade separation project
- \$3.4 million from Highway Bridge Program for various bridge repair and replacement projects
- \$751,700 from Highway Safety Improvement Program for National Trails Highway raised pavement markings project
- \$700,000 from Public Lands Highway funds for the design of Needles Highway realignment and widening project
- \$357,100 from Safe Routes to School funds for pedestrian access improvements and flashing lighted crosswalks on Pacific Street

Also included in sources are: fee/rate revenue of \$3.5 million which includes \$1.2 million from permit/inspection fees and other miscellaneous reimbursement for services from outside agencies, \$1.3 million in City participation for shared pavement condition improvement projects; \$669,000 from Regional Parks for design services for the Santa Ana River Trail project; and \$410,550 in other sources consisting primarily of interest earnings and mitigation fees for development impacts to the County Maintained Road System; and \$5.7 million in operating transfers in consisting of General Fund contributions for capital projects.

Measure I has requirements of \$30.8 million consisting of \$19.3 million in operating expenses for road construction projects, which includes road overlays, rehabilitations, and drainage improvements; \$11.5 million in contingencies set aside for future road constructions projects; and \$77,473 in reimbursements from Regional Development Mitigation to partially fund a portion of costs associated with the Ranchero Road project. Sources of \$7.1 million include \$7.0 million in Measure I sales tax and \$69,164 in estimated interest earnings.

Facilities Development Plans has requirements of \$3.0 million, which includes \$1.7 million in operating expenses primarily for the design of Shadow Mountain Road in the Helendale/Oro Grande area and Rock Springs Road Widening and Bridge over the Mojave River in the Southeast Apple Valley area. Additionally, \$1.3 million has been allocated to contingencies for future construction projects. Sources of \$58,384 consist of anticipated development fees and estimated interest earnings.

Regional Development Mitigation Plan has requirements of \$10.4 million which includes \$4.0 million in operating expenses for the Road Operations fund and Measure I for the Slover Avenue and San Bernardino Avenue widening projects, Glen Helen Grade separation project, Ranchero Road widening and signal project, and the Cherry Avenue at Interstate 10 and Cedar Avenue at Interstate 10 interchange improvement projects (SANBAG's public local share of \$2.1 million and development fees available of \$1.9 million); and \$6.4 million allocated to contingencies for future road construction projects. Sources of \$3.1 million include \$2.1 million from SANBAG's public local share for various road projects and \$1.0 million in development fees with a small amount of interest earned for cash on hand.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$19.8 million primarily due to decreases in operating expenses and contingencies because of fewer new major infrastructure projects and the end of Proposition 1B funding in 2013-14. Major infrastructure projects that are completed, or nearing completion and no longer have budget requirements, are the Slover Avenue and Cherry Avenue widening projects, the roadway stabilization on Maple Lane and the new signal and widening on Ranchero Road.

Sources are decreasing by \$29.9 million primarily because of fewer project reimbursements from outside agencies, such as less federal reimbursement due to the completion of the Lenwood Road and Alabama Avenue emergency projects, less reimbursement from other agencies for projects that are completed, or nearing completion, like the project listed above, and due to a projected decline in gas tax revenues.

The fund balance increased by \$10.0 million primarily due to a delay of construction projects, additional development mitigation fees received, and receipt of gas tax revenues that were not anticipated to be received until 2014-15.

PROGRAMMATIC INFORMATION

With the focus of the Transportation Division being the maintenance of the County's Maintained Road System, public safety, and infrastructure improvements, a variety of road related projects have been identified for 2014-15.

Project Type	Major Projects	Funding Sources
Major Rehabilitation and Overlay	H Street, Division Drive, Beech Avenue, Jurupa Avenue, Cactus Avenue, Sterling Avenue, Pacific Street, Vista Road, Helendale Road, Shadow Mtn Road, Del Rosa Drive, Luna Road	Measure I and Gas Tax
Surface and Chip Seal	Various roads and locations in: Apple Valley, Big River, Fontana, Bloomington, Calico, Daggett, Lenwood, Colton, Crestline, Del Rosa, Goffs, Lake Arrowhead, Montclair, Morongo Basin, Joshua Tree, Muscoy, Phelan, Wrightwood, Victorville, San Antonio Heights and Trona	Measure I and Gas Tax
Major Infrastructure Improvements	Glen Helen Parkway grade separation, Yates Road reconstruction, Interstate 10 at Cherry Avenue interchange improvement, Institution Road paving, and the Slover Avenue and San Bernardino Avenue widening projects	Measure I, Gas Tax, Federal and State grants, General Fund Discretionary one-time funds, Developer Fees, and other local agencies

Project Type	Major Projects	Funding Sources
Public Safety	National Trails Hwy raised pavement markers, Pacific Street and Beech Avenue flashing lighted crosswalks, Central Avenue at Phillips Boulevard new signal, Parker Dam, Two Hundred Sixty-Third Street guardrail installations, and a sidewalk near the Joshua Tree Visitor Center	Measure I, Gas Tax, Federal and State grants, and General Fund Discretionary one-time funds
Bridge Repair and Replacement	Yermo Bridge, Garnet Street Bridge and several bridge repairs/replacements on National Trails Highway	Federal grants, Gas Tax, Federal Toll Credits

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$28.7 million fund 338 budgeted positions of which 287 are regular positions and 51 are limited term positions. The budget reflects a net decrease of 7 positions. Changes include the addition of the following new positions:

- 1 Public Works Planning Division Chief in order to replace the deletion of a vacant Public Works Engineer IV as noted below as the duties of this position have shifted to a more managerial level with less engineering. This addition will not have a budgetary impact since it is a replacement of an equivalently budgeted position.
- 1 Payroll Specialist to replace positions lost in previous years due to funding issues. The new position will help ensure sufficient internal controls exist for payroll transactions upon which billing activities are based.
- 1 Contract Public Works Accountant to backfill an existing Accountant III in order to analyze current processes and assist in the consolidation of multiple cost accounting systems.
- 1 Contract Business Systems Analyst III to support various IT improvements taking place, such as a new County-wide permitting system upgrade and the consolidation of multiple cost accounting systems.

The Transportation Division is also deleting 7 positions, of which 6 are vacant (1 Public Works Engineer IV being replaced by a Public Works Planning Division Chief as noted above; 3 Public Works Engineer II's; 1 Supervising Land Surveyor; 1 Engineering Technician IV) and one position is being deleted (Transportation Analyst II, retired) without an impact to departmental operations. The Division is also transferring 4 positions (1 Chief Public Works Engineer; 3 Public Works Engineer III) to the Flood Control District in order to assist with the workload that is anticipated in the Flood Permits Division, Environmental Management Division, and National Pollutant Discharge Elimination System program over the next few years.

In addition, the budget includes the following reclassifications:

- Administrative Supervisor II to Public Works Accounting Manager
- Engineering Technician II to Engineering Technician III

Solid Waste Management Enterprise Funds - Consolidated

DESCRIPTION OF MAJOR SERVICES

Operations Fund is responsible for the operation and management of the County's solid waste disposal system, which consists of six regional landfills, nine transfer stations, and thirty-three closed landfills or disposal sites. The Solid Waste Management Division also administers the County's solid waste franchise program which authorizes and regulates trash collection by private haulers in the County unincorporated area, and state mandated waste diversion and recycling programs. This is the only fund that has staffing associated with it.

Total Staff	82
*Includes Contingencies	

Note: While the Solid Waste Management Division has approximately \$109 million in short-term assets such as cash that is used to support the operations of the system, the Division is estimating its Unrestricted Net Assets to be in deficit by \$80.5 million at June 30, 2014 due to the inclusion of approximately \$192.8 million of long term landfill liabilities for pollution remediation obligations, future closure construction, and post-closure maintenance. These liabilities do not come due within the current year budget and represent future costs that will be funded with future revenue. For 2014-15, the Division will be using approximately \$8.4 million of its short term assets to balance the budget.

Site Closure and Maintenance Fund provides for the closure of landfills and for post-closure maintenance (e.g. fencing, storm damage, soil erosion, but excluding landfill gas and groundwater monitoring) required by Titles 14 and 27 of the California Code of Regulations. This budget unit accounts for the requirements and sources related to the planning, design, permitting, construction, and maintenance activities required for closure and post-closure maintenance of County landfills.

Site Enhancement, Expansion and Acquisition Fund provides for the construction of landfills and transfer stations, purchase of land, construction of ancillary facilities, and site enhancements, all of which are directly related to the increase of waste capacity. This budget unit accounts for the requirements and sources related to the planning, permitting, design, and construction activities required for the expansion and/or enhancement of County landfill and transfer station operations.

Environmental Fund provides environmental mitigation and monitoring activities (e.g., landfill gas systems operation, maintenance and monitoring, groundwater monitoring and remediation) at disposal sites and active and closed landfill sites for the health and safety of the public. This budget unit accounts for the requirements and sources related to these environmental mitigation/monitoring activities, and habitat mitigation.

Environmental Mitigation Fund (EMF) was established to provide separate accountability of that portion of the tipping fee designated as a resource for addressing solid waste facilities impacts on local communities. On July 10, 2001, the Board of Supervisors (Board) approved an Environmental Mitigation Fund Use Policy. In accordance with this policy, projects or programs must reduce, avoid, or otherwise mitigate impacts arising from the operations and management of a County owned landfill or transfer station to be eligible for use of EMF monies. Current programs funded through EMF monies are the Household Hazardous Waste Program in unincorporated County communities, ongoing since 1993; and the Host Cities Program. Sources collected in this fund are also used to make contractual payments to the seven host cities with a County landfill or transfer station within its boundary or sphere of influence. On March 30, 2004, the Board approved an amended EMF Use Policy that revised the eligibility criteria to include the County's portion of costs associated with debris cleanup in the aftermath of a locally declared disaster. Also, as of 2008-09 and forward, all uncovered load fees are transferred into this fund and used to finance the fund's activities.

Closure and Post-Closure Maintenance Fund provides for the funding of landfill closure construction for those facilities that fall within the regulatory requirements of landfill facilities that were still actively receiving waste as of 1989. Deposits are made to this budget unit from the Solid Waste Operations budget unit, as needed, to provide proper funding, based upon the amount of waste deposited into the landfills each year. No expenditures are booked to this budget unit, only operating transfers out to the Site Closure and Maintenance budget unit and

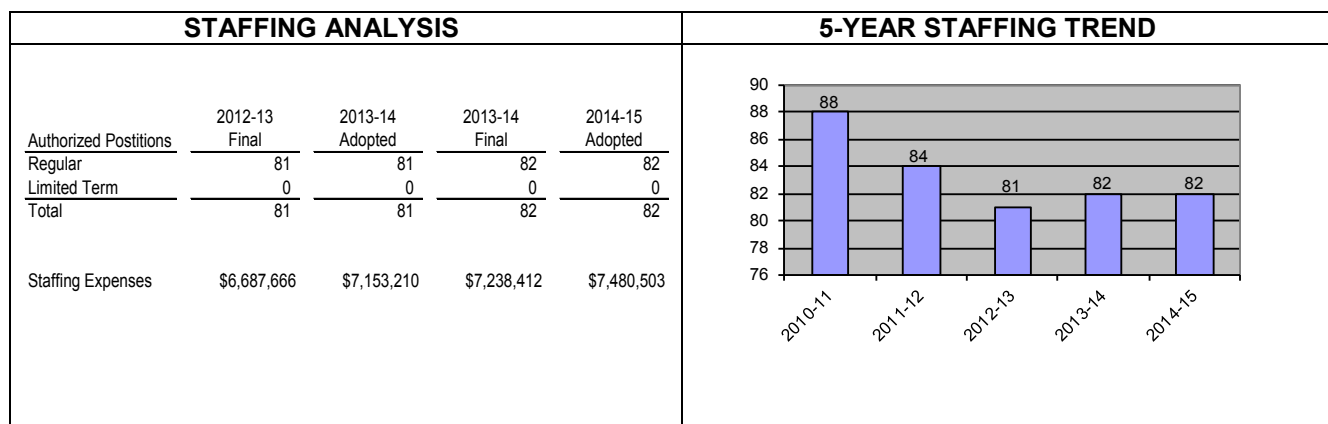

operating transfers in for financial assurance deposits, when required. Operating transfers out to the Site Closure and Maintenance budget unit can only be done when Solid Waste Management Division receives written approval from CalRecycle for the release of funds.

Solid Waste Management Earned Leave Fund provides for the funding of employee compensated absences which are the accumulated vacation, holiday benefits, sick pay, and compensatory time recorded as an expense and non-current liability as benefits are earned. In the event of retirement or termination, an employee is paid 100% of accumulated vacation, holiday and compensatory time. This fund was newly created in 2011-12.

Operations Fund has requirements of \$61.0 million for operation of the County's solid waste disposal system, which primarily includes: \$7.5 million of staffing expenses that fund 82 budgeted positions; operating expenses of \$43.1 million which primarily consists of services and supplies of \$38.8 million, including the landfill operations contracts and other professional services needed to maintain the County's disposal sites, transfers of \$410,416, central services of \$323,002, and other charges of \$3.5 million which includes \$2.1 million for payments to the Board of Equalization based on a per ton of landfill waste and \$1.3 million set aside for potential legal settlements; \$3.1 million for capital expenditures; reimbursements of \$81,000 from other departments; and \$7.5 million in operating transfers out to the Environmental Fund for operations, maintenance and monitoring of landfill environmental control systems. Sources of \$60.1 million includes funds generated from landfill gate fees, special land use assessments, solid waste franchise fees, royalty agreements, land leases, interest earned on fund balance, and a small state grant for beverage container recycling education and outreach program.

Sources received in this budget unit also fund the activities of other solid waste budget units and is reflected as operating transfers out.

Site Closure and Maintenance Fund includes requirements of \$3.4 million for partial final closure of the Mid-Valley Landfill Unit 1's south and west slopes. Sources of \$618,580 include allocated special assessments, landfill gate fees that support closure activities, and interest earnings.

Site Enhancement, Expansion and Acquisition Fund includes requirements of \$6.8 million of which \$2.4 million is for the Mid-Valley Unit 3 Liner project, \$400,000 for Barstow Perimeter Fencing, \$700,000 for San Timoteo lateral expansion project, and \$3.3 million in operating transfers out to the Environmental Fund for capital projects and annual maintenance/monitoring of existing landfill gas, air, and groundwater systems. Sources of \$3.5 million are from allocated landfill gate fees that support expansion activities and interest earnings.

Environmental Fund includes requirements of \$11.8 million for the following list of projects related to the construction, operation, maintenance, and monitoring (OM&M) of environmental control systems to protect groundwater, air, soil and habitat mitigation per Title 5 and Title 27 regulations:

- \$4.0 million - Countywide - Landfill Gas Extraction System OM&M
- \$2.4 million - Countywide - Water Quality Response Program OM&M
- \$847,000 - Barstow Landfill – Landfill Gas Extraction System
- \$400,000 - Big Bear Landfill - Landfill Gas Extraction System
- \$154,057 - Heaps Peak Disposal Site - Leachate Treatment System OM&M
- \$1.5 million - Heaps Peak Disposal Site - East Slope Stabilization/Southern Rubber Boa Habitat Mitigation
- \$250,000 – Lenwood-Hinkley – Bioenhancement Pilot Study
- \$1.0 million - Mid-Valley Landfill – Perchlorate – Groundwater Monitoring and Reporting
- \$434,000 - Mid-Valley Landfill – Water Replacement Order Implementation Agreement and Standby Water Rights
- \$132,037 – Mid-Valley Landfill – Corrective Action Plan - Groundwater Routine OM&M
- \$5,464 - Milliken Landfill - Easement Agreements – Edison
- \$541,000 - Yucaipa Disposal Site - Groundwater Treatment System
- \$125,203 – Tools, Equipment, Utilities, General Equipment Maintenance

Sources of \$9.8 million consist primarily of operating transfers in from the Operations Fund of \$7.4 million and allocated landfill gate fees of \$2.4 million.

Environmental Mitigation Fund includes requirements of \$6.6 million for that portion of the tipping fee designated as a resource for addressing solid waste facilities impacts on local communities as payments to seven host cities with a landfill or transfer station in their sphere of influence or within incorporated city limits. Sources of \$7.2 million are from allocated special assessments and landfill gate fees.

Closure and Post-Closure Maintenance Fund is not expected to have any required Financial Assurance activity for the period 2014-15.

Solid Waste Management - Earned Leave Fund has sources of \$50,600, of which \$600 represents interest earned and \$50,000 that represents an operating transfer in from the Operations Fund for approximately one-twentieth of the unfunded liability of employees' earned leave balances.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$633,793. Significant changes include a net increase in operating expenses of \$5.8 million, primarily due to an increase of \$2.3 million for Contractor related costs of operating the County Landfills, including additional import tonnage required by contract, and \$2.2 million increase in professional services for new capital improvement projects; and various repairs and maintenance at County disposal sites,

utilities, and computer software and hardware purchases, and a net increase in capital improvements of \$562,428. These increases were offset by a decrease in operating transfers in of \$7.2 million since the Environmental Mitigation Fund has sufficient operating cash.

Sources are decreasing by \$7.7 million, primarily due to a decrease in operating transfers in of \$7.2 million; and a net decrease of \$482,862 in total revenue from an increase of \$3.9 million in gate fees, primarily due to increased import tonnage, offset by a net decrease of \$4.4 million in residual equity transfers in, interest earnings, FEMA revenue, and litigation settlement revenue.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$7.5 million fund 82 budgeted regular positions. The reclassification of one Staff Analyst I to a Staff Analyst II is included in the budget due to higher level budget and fee analysis work now required of departments.

San Bernardino County Flood Control District - Consolidated

DESCRIPTION OF MAJOR SERVICES

The San Bernardino County Flood Control District (District) was created in 1939 under special state legislation. Since its inception, the District has developed an extensive system of flood control and water conservation facilities, including dams, conservation basins, debris basins, channels and storm drains. The purpose of these facilities is to intercept and convey flood flows through and away from developed areas of the County, as well as to promote water conservation and improved water quality.

The District covers the entire County, including all of the incorporated cities. The District is divided into six geographic flood zones (in recognition of the different characteristics and flood control needs in various areas). Zone 1 encompasses the County's West End, from the Los Angeles and Riverside County lines to West Fontana. Zone 2 encompasses the central area of the San Bernardino Valley easterly of Zone 1 to approximately the Santa Ana River and City Creek demarcations. Zone 3 covers the East end of San Bernardino Valley, east of Zone 2. Zone 4 covers the Mojave River Valley region, from the San Bernardino Mountains to Silver Lakes. Zone 5 primarily includes the San Bernardino mountains. Zone 6 encompasses the remainder of the County not covered by other zones. The District has also established a Countywide administrative zone (Zone 7). The District's funding is primarily derived from property taxes, federal and state aid on specific projects, subdivision and permit fees, rents and royalties, and revenue from local water agencies for water spreading services.

The District's principal functions are as follows:

Flood Protection on Major Streams: In cooperation with the federal government, the District conducts programs for channel and levee construction, floodwater retention, and debris basin maintenance. Programs or projects are often done in cooperation with the incorporated cities, the U.S. Army Corps of Engineers, and the U.S. Bureau of Reclamation.

Water Conservation: The District operates and maintains water conservation basins and spreading grounds. Water from the local mountains and Northern California is spread and percolated into the groundwater basins underlying the County. The District has numerous joint use agreements with water districts allowing use of District facilities for groundwater recharge.

Storm Drain Construction: The District is active in comprehensive storm drain master planning/construction and cooperates with incorporated cities and other agencies in storm drain projects.

Facility Maintenance: The District has a proactive maintenance program for its facilities. Regular inspections of the storm drains, channels, and basins are made as required by various state and federal agencies.

National Pollutant Discharge Elimination System (NPDES): The District is the lead permittee in the San Bernardino Valley area-wide NPDES permit with 16 cities as co-permittees. The NPDES program, through the State Water Quality Management Board, regulates storm water quality through very detailed and complex permits, which affect everyone within the Santa Ana River Watershed and now in the high desert area of the Victor Valley under Phase II of the permit.

Flood Operations: During the flood season, the District maintains telemetry systems for monitoring rainfall and runoff and dispatches storm patrols as dictated by the projected severity of a storm. The District has access to a weather satellite data delivery system to provide state-of-the-art weather information. The system provides advance warning of major storm activity.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Staffing expenses of \$15.3 million fund 155 budgeted positions to oversee administration, operations and maintenance of the District's facilities. Operating expenses of \$82.1 million primarily include: \$44.0 million in service contracts for construction projects; \$12.4 million for bond payments and debt service; and \$18.0 million in transfers, of which \$13.3 million is for internal payroll distribution, and \$3.1 million to pay the Transportation Division for work performed on District projects and to reimburse for administrative costs. Capital expenditures of \$3.7 million are primarily needed to purchase land and right of way for mitigation and/or construction purposes. Reimbursements of \$13.9 million are primarily related to internal labor distribution charges.

The District's primary revenue source is property taxes budgeted at \$40.6 million. Other major revenue sources include governmental aid of \$4.1 million to partially fund Seven Oaks Dam maintenance and the NPDES program, operating transfers in of \$20.7 million (\$1.3 million from the County general fund for the NPDES program and \$19.4 million for internal administrative transfers between funds), and other revenue of \$2.5 million primarily from anticipated land sales.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$215,918 due to a decrease in contingencies of \$16.4 million primarily to fund planned construction projects, an increase in operating expenses of \$9.3 million (which includes the planned construction projects), and an increase in operating transfers out of \$6.2 million due to additional transfers between the District's zones.

Sources are decreasing by \$3.6 million primarily due to a decrease in other revenue of \$9.7 million which reflects an anticipated decrease in land sales for 2014-15 partially offset by an increase in operating transfers in of \$6.2 million as a result of additional transfers between the District's zones.

Additionally, the fund balance has increased by \$3.3 million primarily as a result of delayed planned construction projects in 2013-14.

PROGRAMMATIC INFORMATION

Flood Control facility maintenance funding has increased to \$13.2 million Countywide primarily due to environmental mitigation requirements. The NPDES program is budgeted at \$6.2 million and is funded by the County (\$1.3 million), the sixteen participating cities (\$2.0 million) and the District (\$2.9 million). Contingencies are budgeted at \$47.4 million for projects in design and environmental phase, not yet ready for construction. Furthermore, the table below reflects District projects planned for 2014-15:

Project Type	Major Projects	Funding Sources
Maintenance	Maintenance of Channels, Creeks and Basins Countywide	Property Taxes
Basin Construction	Cactus Basin #3; Donnell Basin Phase I; Amethyst Basin; Bandicoot Basin	Property Taxes; CA Department of Water Resources
Channel Construction	Elder Creek; Mountain View Acres; Kitchen Dean Wash; Sand/Warm Creek Confluence; Rialto Channel at Riverside Avenue; Rimforest Drainage Mitigation; Wilson Creek; Desert Knolls Wash	Property Taxes; Discretionary General Funding
Levee Construction	Mojave River I-15 Levee	Property Taxes

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$15.3 million fund 155 budgeted positions of which 152 are regular positions and 3 are limited term positions. The budget reflects a net increase of 5 positions. Changes include the addition of the following new positions:

- 1 Office Assistant II to provide clerical assistance and customer service support for the District.
- 1 Office Assistant III for the Flood Permits Division due to workload increases in that division.
- 1 Automated Systems Technician to provide technical support to over 500 computers at multiple sites.
- 1 Contract Flood Arborist to ensure compliance with Federal Emergency Management Agency and U.S. Army Corps of Engineers levee certification requirements.

The District is deleting 3 vacant positions (2 Supervising Planners and 1 Public Works Engineer IV) and transferring in 4 positions (1 Chief Public Works Engineer, 3 Public Works Engineers III) from the Transportation Department in order to assist with the workload that is anticipated in the Flood Permits Division, Environmental Management Division, and NPDES over the next few years.

In addition, the budget includes the reclassification of a filled Staff Analyst I to Staff Analyst II.

Expenses associated with these Major Improvements consist primarily of right of way acquisition expenses, consultants for design or geotechnical services, labor, and construction costs.

Flood Control Equipment

DESCRIPTION OF MAJOR SERVICES

The Flood Control District Equipment budget unit is an internal service fund established to fund the purchase and maintenance of all District vehicles and heavy equipment. This fund is funded by equipment user fee charges to the various Flood Control District zones and to other divisions within the Department of Public Works.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Operating expenses of \$1.8 million make up a large portion of the expenditures for this budget unit and consist of motor pool charges, equipment repairs, and maintenance charges from the Fleet Management Department. Additionally, capital expenditures of \$1.3 million include the following purchases:

- \$5,000 for a Paint Sprayer (graffiti removal)
- \$16,000 for 2 Light Tower Trailers
- \$30,000 for a John Deere Mower (replacement)
- \$450,000 for a D7R Dozer (replacement)
- \$350,000 for a 4900 Multi-body (replacement)
- \$135,000 for 3 4x4 Extended Cab Trucks (replacements)
- \$85,000 for a Service/Welder (replacement)
- \$195,000 for 3 4x4 Flatbed Trucks (replacements)
- \$35,000 for a 15 Passenger Ford (replacement)

Fee/Rate revenue of \$2.0 million includes the District's heavy equipment fleet rates and is the main revenue source.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$816,000 primarily due to the amount of new equipment and vehicles being purchased to replace outdated units. Sources are decreasing by \$1.1 million due to the decrease in rental usage revenues, a decrease in equipment sales, and the elimination of residual equity transfers.

STAFFING CHANGES AND OPERATIONAL IMPACT

There is no staffing associated with this budget unit.

REAL ESTATE SERVICES

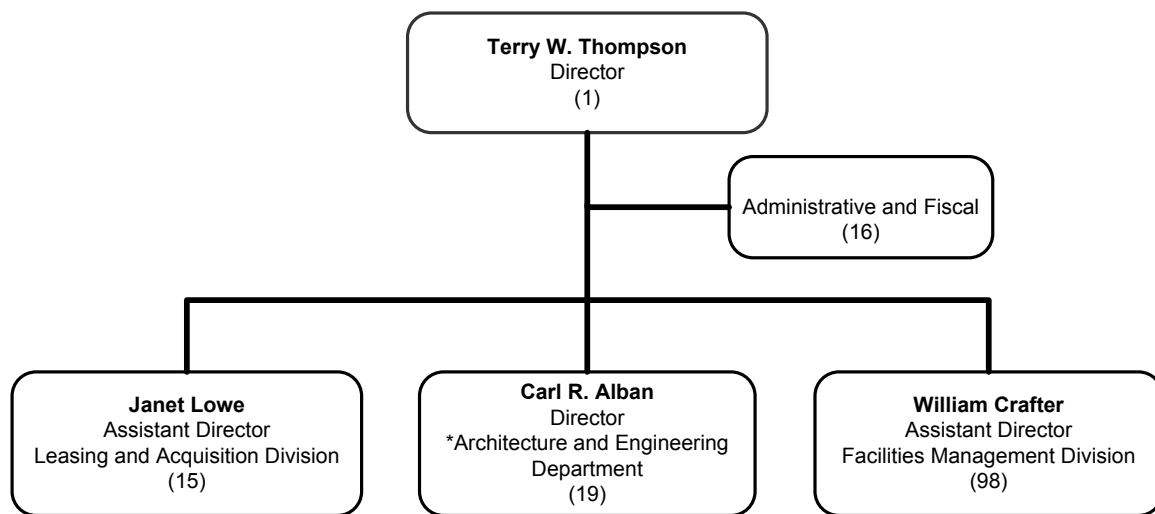

Terry W. Thompson

DEPARTMENT MISSION STATEMENT

The Real Estate Services Department is committed to providing a broad spectrum of timely, professional and quality real estate related services including leasing, appraisal, acquisitions, surplus property sales, inventory of owned and leased buildings and land, maintenance, grounds and custodial service, and design and construction of projects included in the annual Capital Improvement Program.

ORGANIZATIONAL CHART

*The Architecture and Engineering Department budget is shown under its own budget section.

2013-14 ACCOMPLISHMENTS

- Leasing and Acquisition Division (LAD), effectively marketed County-owned property that is not necessary for the specific needs of the County and selling more than 160 acres of underutilized agricultural land in Chino to Watson Land Development, who is processing entitlements for two industrial complexes that have the potential to generate more than 1,000 jobs.
- LAD collaborated with Human Services (HS) to analyze and review the useful life, energy costs, modernization and expansion needs for office space for various HS departments; executed leases for the Transitional Assistance Department (TAD) to strategically locate Call Centers throughout the County, to reduce traffic and parking requirements and institute easier methods to record registrations for medical care under the Affordable Care Act; and negotiated new leases for larger TAD facilities, to accommodate the growing client list for services in Colton (46,000 square feet), Needles (10,000 square feet), Yucaipa (20,000 square feet) and Redlands (27,000 square feet). Each of these new sites were constructed to Leadership in Energy and Environmental Design (LEED) Certified Silver, resulting in sustainable site development, water savings, energy efficiency, and indoor environmental quality.
- LAD negotiated a twenty-five year, 66,640 square foot lease for the Sheriff's Department at San Bernardino International Airport for a new aviation facility.
- Facilities Management Division (FMD), in collaboration with Information Services Department and Architecture and Engineering, integrated six different heating, ventilation and air conditioning building automation systems in 31 buildings into one networked system utilizing the County's Wide Area Network, allowing remote control, diagnostic and system failure alerts during and after normal business hours.

- FMD increased the number of preventative maintenance tasks from 7,549 in 2012-13 to 8,298 in 2013-14 to ensure the scheduled life of the systems and equipment in our buildings, and to ensure equipment efficiencies to reduce energy consumption and cost.

Real Estate Services Department

DESCRIPTION OF MAJOR SERVICES

The Real Estate Services Department (RES D) consists of the Leasing and Acquisition Division, Administrative and Fiscal section, Facilities Management Division, and the Architecture and Engineering Department (shown elsewhere in the County budget).

The Leasing and Acquisition Division negotiates and administers revenue and expenditure leases on behalf of County departments. Revenue leases allow for the use of County-owned facilities, generally at County parks and airports, and generate revenue to offset expenses incurred to provide such facilities to residents and users. Expenditure leases provide space in leased facilities throughout the County for departments and their employees to support the delivery of services in locations convenient to the residents served. In addition, the division is responsible for the property management of court facilities within the County and the County-owned land and dairy facilities in the Chino Agricultural Preserve.

The Leasing and Acquisition Division also provides appraisal, acquisition, and relocation assistance for County departments and, upon request, to other agencies including San Bernardino Associated Governments (SANBAG), the State of California, and various cities. Staff establishes values and acquires the necessary rights-of-way needed to complete public safety projects, including the construction and maintenance of transportation corridors and floodways. This Division also acquires land and facilities for various functions and disposes of property determined to be surplus to the County's needs.

The activities of the Leasing and Acquisition Division are conducted in accordance with, and in support of, the County goals to operate in a fiscally responsible and business-like manner, to maintain public safety, to provide for the health and social service needs of County residents, and to pursue County goals and objectives by working with other governmental agencies.

The Administrative and Fiscal section is responsible for maintaining an inventory of all County land and buildings, including leased facilities, and provides all support functions including budgeting, personnel administration and automation services.

The Facilities Management Division serves the public by providing quality custodial, grounds and maintenance services that enable County departments and staff to effectively meet the expectations of their customers.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Staffing expenses of \$2.6 million make up the majority of Real Estate Services Department's expenditures within this budget unit. Operating expenses of \$470,875 fund services and supplies, central services, travel and transfers. Reimbursements of \$1.9 million are for transfers from Architecture and Engineering Department (A&E) and the Facilities Management Division (FMD) for department overhead for shared administrative and fiscal staff, and from the Rents budget (RNT) for administration of expenditure leases (based on 3% of annual lease cost in excess of \$36,000). Sources of \$1.2 million are based on billable labor hours for leases with annual lease cost less than \$36,000, and for acquisition and appraisal services billed at an hourly rate.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$9,859. Staffing expenses are increasing by \$28,527 due primarily to increased retirement costs and employee group insurance costs. Operating expenses are increasing by \$66,338 related to the expense of upgrading the Countywide Integrated Workplace Management System (IWMS). Reimbursements are increasing by \$104,724 due to an increase in department overhead allocated to A&E and FMD, as well as an increase in administrative fees transferred from the Rents budget. Sources are decreasing by \$2,326 due to a reduction of billable labor hours charged to departments associated with appraisal and acquisition activities.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$2.6 million fund 23 budgeted regular positions. In 2014-15, the department is deleting one Real Property Agent II due to a decrease in workload in appraisals and acquisitions and adding a Business System Analyst I to manage the upgrading of the IWMS previously known as Computer Aided Facilities Management (CAFM).

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

The major expenditures for this budget unit are primarily rent and lease payments of \$46.0 million paid to landlords. In addition, expenditures include transfers of \$762,916 to Facilities Management for operating expenses for non-billable vacant space in County buildings, \$1.4 million to Real Estate Services for property lease management, and \$166,396 to the Sheriff/Coroner/Public Administrator for the 303 Building security costs. Reimbursements of \$47.4 million represent payments from County departments for lease payments and administrative fees, and \$97,286 from the Public Health Department in-lieu of rent for the Haven office building in Rancho Cucamonga. Sources of \$1.0 million represent lease payments from tenants for lease of County-owned property.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by a net \$1.4 million. Operating expenses are increasing by \$3.1 million due to an increase in expenditure leases and rental payments paid to landlords. Reimbursements increased by \$3.2 million for lease costs and administrative fees paid to Real Estate Services Department by various County departments. Operating transfers out to the general fund decreased by \$1.2 million due to reduced lease revenue. Total sources decreased by \$1.4 million primarily due to termination of leases with the Superior Court of California and various tenants previously occupying space at the 268 Hospitality building.

STAFFING CHANGES AND OPERATIONAL IMPACT

There is no staffing associated with this budget unit.

Courts Property Management

DESCRIPTION OF MAJOR SERVICES

The Trial Court Facilities Act of 2002, SB 1732, required the transfer of responsibility for funding and operation of trial court facilities from all counties to the State of California on behalf of the Judicial Council of California, Administrative Office of the Courts (AOC). In addition, as each transfer occurred, the County and AOC entered into an agreement that defined whether the County or the AOC manages the operations and maintenance of the building. This budget unit is used to manage and account for reimbursements from the AOC for maintenance, utilities, insurance, overhead expenditures and work order request for space occupied by the local court in County-managed facilities. This budget unit is also used to manage and account for payments to the AOC for cost associated with the space occupied by County departments in AOC-managed facilities.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Operating expenses of \$3.3 million include payments of \$992,491 to the AOC for operations, maintenance and utility costs for space occupied by County departments in AOC-managed court facilities; \$341,649 to Risk Management for property insurance; and transfers of \$1.9 million to Facilities Management Division (FMD), Utilities (UTL) and Real Estate Services for reimbursement of the AOC's share of operations, maintenance, utility and administrative cost in County-managed court facilities. Reimbursements of \$992,491 from FMD and UTL budget units are for AOC-managed court facilities and sources of \$2.3 million represent the AOC's share of operations, maintenance, utility, administrative and insurance cost for County-managed court facilities.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements and sources of \$2.3 million are increasing by \$7,184 due to an increase in utility costs for County-managed court facilities.

STAFFING CHANGES AND OPERATIONAL IMPACT

There is no staffing associated with this budget unit.

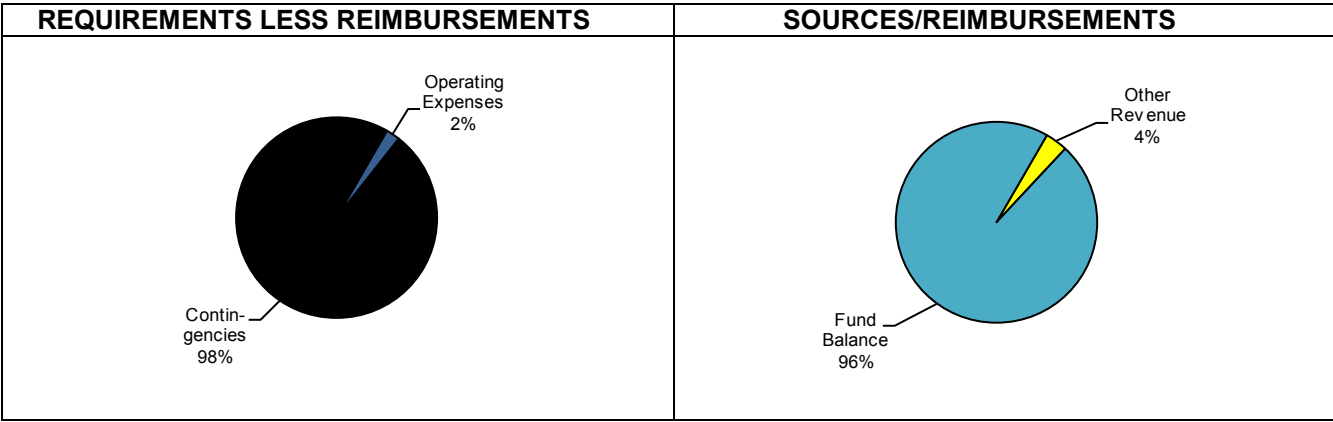

Chino Agricultural Preserve

DESCRIPTION OF MAJOR SERVICES

The Real Estate Services Department administers a special revenue fund to continue the Agricultural Land Acquisition and Preservation Program under the California Wildlife, Coastal and Parkland Conservation Act (Proposition 70). The department is responsible for negotiating and managing leases for the properties acquired and developing recommendations for the ultimate use/disposition of these properties. Property management activities include arranging for all ordinary and emergency repairs and improvements necessary to preserve and maintain the properties in their present condition and improve operating efficiency, or altering them to enhance lease potential and/or comply with lease requirements. Expenditures are fully funded through revenues received from the lease of acquired properties.

Requirements of \$16.3 million include an increase of \$6.6 million in contingencies, due to the sale of dairy property in Chino in 2013-14. Sources of \$587,617 include an increase of \$40,381 primarily due to an increase in anticipated interest revenue.

STAFFING CHANGES AND OPERATIONAL IMPACT

There is no staffing associated with this budget unit.

Facilities Management Division

DESCRIPTION OF MAJOR SERVICES

The Facilities Management Division (FMD) provides routine maintenance, grounds and custodial services to ensure County facilities are well maintained, including 24 hours per day – 7 days per week emergency building maintenance. Services also include repairing building structures, equipment, and fixtures.

Budget at a Glance

Requirements Less Reimbursements*	\$17,408,669
Sources/Reimbursements	\$16,795,610
Net County Cost	\$613,059
Total Staff	102
Funded by Net County Cost	4%

*Includes Contingencies

FMD's focus is on asset protection. Using data and support systems, it maintains the County's valuable facilities and equipment, preserves a high level of functionality, supports sustainability projects, and promotes responsible and efficient use of resources.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Staffing expenses of \$8.3 million constitute nearly half of FMD's expenditure authority. Operating expenses of \$9.1 million constitute the other half and fund contracts for grounds, maintenance and custodial services; materials for repairs and maintenance of County facilities and equipment; and vehicles, tools, supplies, systems development charges, overhead and administrative costs. Reimbursements of \$3.2 million and sources of \$13.6 million are from County departments, the Administrative Office of the Courts (AOC), and local courts who are billed for services provided.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$170,085 primarily due to a reduction in staffing expenses (\$210,761) due to the local courts terminating County custodial services by moving out of County-owned facilities and into the new San Bernardino Justice Center.

Sources are increasing by a net \$11,359 primarily due to an increase of \$722,170 in basic service charges to County departments for grounds, custodial and maintenance services, offset by decreases in revenue of \$315,695 from the Courts for the reduction of custodial services and an anticipated decrease of \$395,116 for requisition work requested by County departments.

FMD will receive \$613,059 in Net County Cost for Information Services Department (ISD) charges for additional phases of development of the financial reporting system, and to cover basic services for vacant or tenant-occupied County offices.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$8.3 million fund 102 regular positions including the addition of 3 full-time positions (2 Custodian IIs to assist in supervision and 1 Safety and Code Compliance Technician to monitor and track fire, life, and safety issues). These additions are offset by the deletion of 8 Custodian Is, 1 Supervising Custodian, 1 Fiscal Specialist and 1 Supervising Grounds Caretaker primarily due to the local courts terminating County

custodial services by moving out of County-owned facilities and into the new San Bernardino Justice Center. Four positions in the Administrative and Fiscal section of Real Estate Services are budgeted in this department.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Operating expenses represent utility costs for County facilities. Sources of \$283,329 represent utility costs passed on to customers and third parties that occupy County-owned space.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing \$740,820 primarily due to anticipated rate increases for various utilities, the addition of new facilities, and increased costs in central services and transfers. A decrease of \$41,590 in capital expenditures is due to the completion of enhancements to the Utilities' payables software in 2013-14. Reimbursements of \$1.3 million decreased by \$61,190 due to the termination by County departments of utility service for leased space.

Sources are increasing by \$5,834 for utility costs passed on to customers and third parties that occupy County-owned space. Net County Cost is increasing by \$734,986 due to increased utility costs for County facilities occupied by general fund departments.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$162,990 fund 2 regular positions in the Administrative and Fiscal section of Real Estate Services. There is no change in budgeted staffing for 2014-15.

DEPARTMENT MISSION STATEMENT

Regional Parks Department ensures diversified recreational opportunities for the enrichment of County residents and visitors while protecting the County's natural, cultural, historical and land resources.

ORGANIZATIONAL CHART

2013-14 ACCOMPLISHMENTS

- Continued reduction of electrical, water and sewer utility usage at Prado and Cucamonga-Guasti Regional Parks by initiating energy efficient repairs
- Entered into a 3-year agreement (effective January 1, 2014) with Urban Parks Concessionaires (Operator) that will provide for outsourcing the daily management and operations of Lake Gregory Regional Park
- Completed Confluence Park, a recreational oasis for those who travel on the Santa Ana River Trail
- Completed the Campground "O" Restroom at Calico Ghost Town
- Completed the 12 camp sites at Cucamonga-Guasti Regional Park, and 20 full camp sites at Glen Helen Regional Park
- Entered into an agreement with Live Nation to allow concert and special event camping at Glen Helen Regional Park

COUNTY GOALS AND OBJECTIVES AND DEPARTMENT PERFORMANCE MEASURES

COUNTY GOAL: CREATE, MAINTAIN AND GROW JOBS AND ECONOMIC VALUE IN THE COUNTY

Objective(s): • Utilize County programs and resources to support the local economy and maximize job creation.

Department Strategy:

- Collaborate with community partners to provide training opportunities in the field of land management.
- Promote youth entry into workforce/workplace environment through summer youth employment.
- Reserve a minimum of 50% of PSE summer positions as a means of supporting youth looking for part-time jobs.

COUNTY GOAL: OPERATE IN A FISCALLY-RESPONSIBLE AND BUSINESS-LIKE MANNER

Objective(s): • Live within our means, fully funding the maintenance of infrastructure and facilities, the provision of state-of-the-art basic operating systems, liabilities, and reserves; while forming capital to strategically invest in the future.

Department Strategy:

- Reduce reliance on the County General Fund by continuing to address infrastructure repairs and thereby reducing utility costs.
- Enhance and develop new amenities that will enhance the park experience for patrons, which generate additional revenues hence less reliance on the County General Fund.
- Continue to streamline park operations and identify supply cost inefficiencies using preventive maintenance measures to reduce ongoing repair costs.

Regional Parks

DESCRIPTION OF MAJOR SERVICES

The Regional Parks Department is responsible for the operation and maintenance of nine regional parks located throughout the County. These parks, which encompass 8,668 acres, are as follows: Prado (Chino), Cucamonga-Guasti (Ontario), Glen Helen (San Bernardino), Mojave River Forks (Summit Valley), Mojave Narrows (Victorville), Moabi (Needles), Lake Gregory (Crestline), Yucaipa, and Calico Ghost Town (Yermo). Visitors to the County parks enjoy open space, walking trails, camping, swimming, fishing, picnicking, equestrian activities and other recreational opportunities. The department hosts cultural, educational and special events through the use of park resources and contractual agreements with private and non-profit organizations. The department features special events such as Calico Ghost Haunt and the Wild West Festival at Calico Ghost Town, Huck Finn Jubilee at Cucamonga-Guasti, and Dragon Boat Races at Lake Gregory. Educational programs are the Environmental Science Day Camp at Yucaipa, and a Junior Fishing Workshop at multiple parks.

The department is also responsible for maintaining 17.8 miles of open, accessible and usable trails through the County Trails Program. Additionally, the department oversees operation of the Morongo Wildlife Preserve in Morongo Valley, administers the lease with the operators of Lake Gregory Regional Park, the San Manuel Amphitheater, Park Moabi and concession contracts that offer amenities to park users.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Staffing expenses of \$5.4 million fund 232 budgeted positions (61 full-time, 21 part-time, and 150 seasonal/extra help employees) to oversee administration, operations and maintenance for the nine regional parks, the County Trails System, and various special events/programs. Operating expenses of \$6.9 million include stocking fish at park lakes, turf maintenance contracts (Prado, Cucamonga-Guasti, Yucaipa, and Glen Helen Regional Parks), supplies for general maintenance and special projects, aquatic facility supplies, office supplies, computer hardware and software replacement/upgrades, credit card use fee charges, advertising park events/amenities, restroom supplies, insurance, and COWCAP of \$3.7 million. Sources of \$7.9 million represent fees from camping, fishing, park entrance, swimming, facility use, special events, and concessionaire and/or partnership agreements.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$838,566. Operating expenses are increasing by \$1.3 million primarily due to increases in COWCAP charges (\$630,983), security services for Glen Helen and Calico Parks (\$120,982), contract payments to Urban Parks for the management of Lake Gregory Regional Park (\$275,000), and insurance premiums (\$219,053). Reimbursements are increasing by \$157,171 due to the amount of transfers from other Regional Park funds and other departments.

Sources are decreasing by \$6,996, which includes a decrease in Fee/Rate revenue and Other Revenue primarily due to the reduction in revenue from the outsourcing of Lake Gregory Regional Park, and an increase in operating transfers in to reimburse park staff for project management and marketing labor. Net County Cost support from County Discretionary General Funding was increased to support the increase in COWCAP charges plus an additional \$275,000 authorized on a one-time basis to fund the Lake Gregory Management Fee.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$5.4 million fund 232 budgeted positions, of which 82 are regular positions and 150 are limited term positions.

Due to projected budgetary constraints, the department continues to address program priorities and the provision of park services with a lower level of staffing resources and by a reconfiguration of position classifications which resulted in a net decrease of 20 positions.

The budget includes the addition of 2 positions: 1 Program Specialist position to provide for the full-year cost of an employee for marketing and recreational programming at various parks including Calico Ghost Town and 1 full-time General Services Worker II position for park support.

The budget includes the following reclassifications: 1 Youth Services Coordinator position reclassified to a Staff Analyst II, 1 Assistant Park Superintendent position reclassified to a Park Planner 1, and 1 Fiscal Specialist position reclassified to a Staff Aide. These reclassifications enable the department to make organizational changes and match duty/responsibility changes planned for 2014-15 with commensurate classifications for those individuals affected.

The budget includes the following deletions: 12 Public Service Employee positions and 10 General Services Worker II positions (part-time positions). Some of the related duties/responsibilities for deleted positions will be streamlined and spread to other full-time positions. The department is committed to managing park activities with this reduction in staffing.

DESCRIPTION OF MAJOR SERVICES

County Trails System was established by the Board of Supervisors and the Regional Parks Department was assigned as the steward of the County's Regional Trail Program charged with the development, operation and maintenance of regional and diversified trails throughout the County. This budget unit was established to follow compliance requirements for federal and state grant funding used in the development and construction of the trail system. Currently the Department has built seven miles of the Santa Ana River Trail. This section makes the link to Riverside County, offering users over 22 miles of contiguous trail along the Santa Ana River.

San Manuel Amphitheater was established to account for lease payments received annually from the operators of the San Manuel amphitheater at Glen Helen Regional Park. Each year, approximately 70% of this revenue is transferred to the County General Fund to fund the cost of the amphitheater's debt service payment.

Amphitheater Improvements at Glen Helen was established to provide for improvements to the San Manuel Amphitheater at Glen Helen Regional Park. These improvements are designed to maintain the amphitheater and its facilities in their current condition in order to preserve a quality entertainment experience for its visitors. This budget unit is funded jointly by deposits from the County and the operators of the amphitheater.

Park Maintenance/Development was established to provide for the maintenance, development and emergency repairs at all regional parks. The costs associated with this budget unit are funded through an allocation of park admission fees.

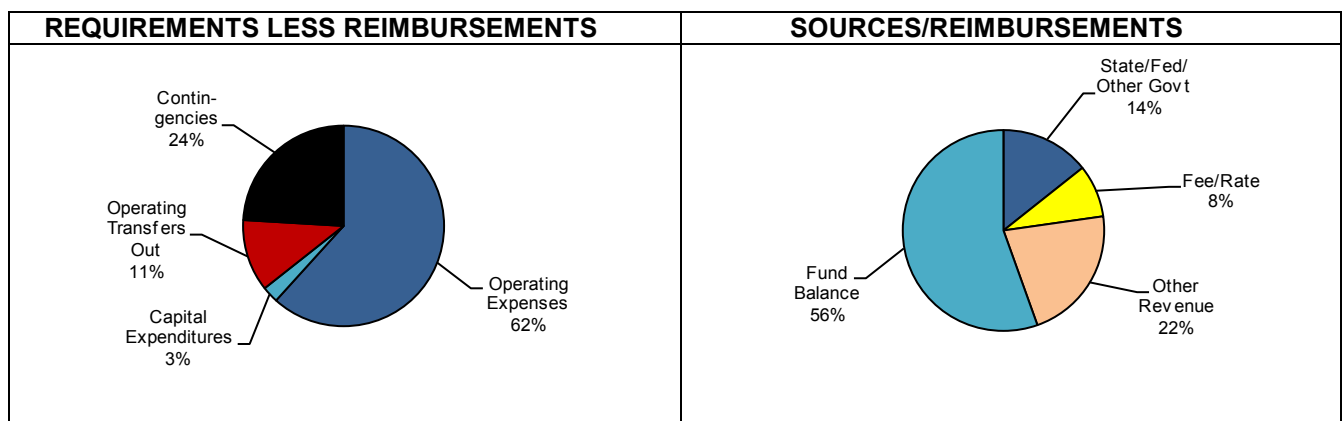

Calico Ghost Town Marketing Services was established to provide separate accountability and operations of marketing services for Calico Ghost Town Regional Park. A portion of revenues from Calico Ghost Town concessionaire operations and park admission fees are used to advertise and market several special events including Calico Days, Calico Ghost Haunt, Civil War, Bluegrass in the Spring and Wild West Days.

Off-Highway Vehicle License Fee was established by Off-Highway Vehicle (OHV) "in-lieu of taxes". Fees are provided from the California State Controller's Office based on the amount of OHV recreation in the County. The state collects these fees for each OHV identification plate sold by the Department of Motor Vehicles.

County Trails System includes operating expenses of \$830,255 for the anticipated costs for finalizing design, environmental and acquiring trail right-of-way for Phase III (Waterman Ave. to California) and Reach "A" of Phase IV of the Santa Ana River Trail (California Street to Orange Street, Redlands; 3.5 miles). Contingencies of \$414,405 are set aside for unanticipated expenses. Sources are based on \$485,000 in State Local Transportation Funds (SANBAG) for Phase III of the Santa Ana River Trail and state revenue of \$100,000 from Prop 84 grant funds from the Coastal Conservancy for the Santa Ana River Trail (Phase IV initial funding). Grant revenue reimbursements will be contingent upon incurring project expenses first, which will create cash flow challenges for this fund. The department will work with the County Administrative Office for financial assistance prior to grant contracts or construction contracts being presented to the Board of Supervisors for approval.

San Manuel Amphitheater includes operating expenses of \$1.4 million for payments to the County General Fund for the cost of the annual debt service payment for the amphitheater (\$1.0 million), other payments of \$442,284 for payment to the Regional Parks general fund budget unit for the upkeep and management of the amphitheater (\$417,284) and to the Amphitheater Improvements at Glen Helen budget unit (\$25,000) as required per the lease agreement with the operators of the amphitheater. Contingencies of \$1,564 are set aside

for unanticipated expenses. Sources of \$1.4 million include use of money/property as rent from the operators of the amphitheater and interest earnings.

Amphitheater Improvements at Glen Helen includes operating expenses of \$300,000 which represent a provision for maintaining the amphitheater to preserve quality entertainment experiences for its visitors. Contingencies of \$276,869 are set aside for unanticipated expenses. Reimbursements of \$25,000 represent the County's contribution towards improvements at the amphitheater per provisions of the lease agreement. Sources of \$26,200 include a \$25,000 matching contribution from the operators for the amphitheater per the lease agreement.

Park Maintenance/Development includes operating expenses of \$544,933 to be used in part for ongoing upgrades and implementation of a new Point of Sale system. The balance of the requirements authority is available for emergency repairs and development for the current fiscal year as well as held for repairs and development for future years. Capital expenditures for park equipment are budgeted at \$141,250, which include a CAT backhoe and utility vehicles. Replacement of heavy-equipment is part of the department's plan to rotate out all non-repairable or outdated equipment with high repair costs. Contingencies of \$199,339 are set aside for unanticipated expenses. Sources are anticipated at \$342,040 for current services representing a portion of gate entrance fees collected throughout all regional parks.

Calico Ghost Town Marketing Services includes total operating expenses of \$557,407 for the costs of producing special events at the Park, advertising of Calico Ghost Town, travel, and transfers. Travel of \$14,100 is expected for participation in the annual POW-WOW International Trade Show, a crucial event in promoting Calico Ghost Town and its specialized events. Approximately 60% of the attendance at Calico Ghost Town is a result of the tours booked at this trade show. Transfers of \$80,173 to the Regional Parks general fund budget unit represent the labor cost of park staff time (outside of regular duties) to produce and assist with the set up for the special events. Contingencies of \$30,321 are set aside for unanticipated expenses. Sources of \$384,600 include all special event gate revenue and, as stipulated in the concession contracts, the Department also contributes a percentage of the regular day fees collected throughout the year. Use of money and property revenue of \$54,600 represents rent payments from Calico concessions, and interest earned on the fund balance.

Off-Highway Vehicle License Fee includes operating expenses of \$554,360 for enforcement, safety, trail signage, maintenance and administration of the Off-Highway Vehicle Fund (OHV) throughout the County, at Moabi Regional Park, and Calico Ghost Town. Operating transfers out of \$382,543 are programmed for Calico Ghost Town Off Highway Vehicle campground hook-ups. Contingencies of \$728,336 are budgeted for unforeseen future projects. Sources consist of \$305,000 that is received from the state, which is derived from vehicle registrations/licensing for use of off-highway operations in the County. The California Public Resources code 5090.50 specifies that these funds may be used for "...planning, acquisition, development, maintenance, administration, operation, enforcement, restoration, and conservation of trails, trailheads, areas and other facilities associated with the use of off-highway motor vehicles, and programs involving off-highway motor vehicle safety or education."

BUDGET CHANGES AND OPERATIONAL IMPACT

Consolidated Special Revenue Funds are decreasing requirements by \$647,090, and sources are decreasing by \$380,246. Decreases to requirements primarily relate to capital expenditures planned for the construction of Phase III of the Santa Ana River that were not initiated during 2013-14 as planned due to environmental delays and were re-budgeted at a lower level for 2014-15. Decreases to sources are primarily related to the lower revenues intended to fund the cost of Phase III.

STAFFING CHANGES AND OPERATIONAL IMPACT

There is no staffing associated with these budget units.

Active Outdoors

DESCRIPTION OF MAJOR SERVICES

The Active Outdoors program was created to provide programs that promote a healthy outdoors lifestyle. All programs under "Active Outdoors" are funded by grants, operating transfers in from Regional Parks, or created through partnerships with local and/or state agencies. The Environmental Science Day Camp (ESDC) is a part of the program and is offered at Yucaipa Regional Park. ESDC takes place during the traditional school year, Wednesday through Friday, and follows the California State 4th & 5th grade science curriculum for wildlife, botany and geology. Each student attends the program with their class for a full day of learning, exploration, and hiking. Other programs in addition to the Environmental Science School Day Camp include the Junior Fishing Workshops and Derby, Doggie Palooza, and The Outdoor Family Program.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Staffing expenses of \$32,525 fund 4 budgeted Public Service Employee positions that will operate the Environmental Science Day Camp and other programs such as Junior Fishing Workshops and Doggie Palooza. Operating expenses of \$31,061 will primarily fund services and supplies for use in the Environmental Science Day Camp program, The Outdoor Family program, and fishing poles, equipment/supplies for the Junior Fishing Workshop. Expenses also include the costs of supplies, awards and printing materials for all programs within Active Outdoors. Sources of \$62,500 are anticipated through an operating transfer in from the department's Park Maintenance/Development fund in the amount of \$35,000, and the balance of \$27,500 through vendor fees, participation fees associated with the Junior Fishing Workshop and Doggie Palooza, as well as sponsorship revenue for The Outdoor Family program.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$6,633. Active Outdoors includes a new program for 2014-15, The Outdoor Family program. Services and supplies expenses for the program are the primary reason for the overall increase in operating expenses. Operating transfers out of \$11,100 to the Regional Park's general fund budget is eliminated because of one-time program expenses incurred in 2013-14.

Sources are increasing by \$15,392 due to an increase in other revenue of \$22,500, which is primarily attributed to The Outdoor Family program revenues and sponsorships and a reduction of \$7,108 in operating transfers in from the Regional Park Maintenance/Development fund. The Snack Bar operation at Lake Gregory was outsourced in 2012-13 and the residual funds were closed out in 2013-14.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$32,525 fund 4 budgeted limited term positions. There are no changes to budgeted staffing.

REGISTRAR OF VOTERS

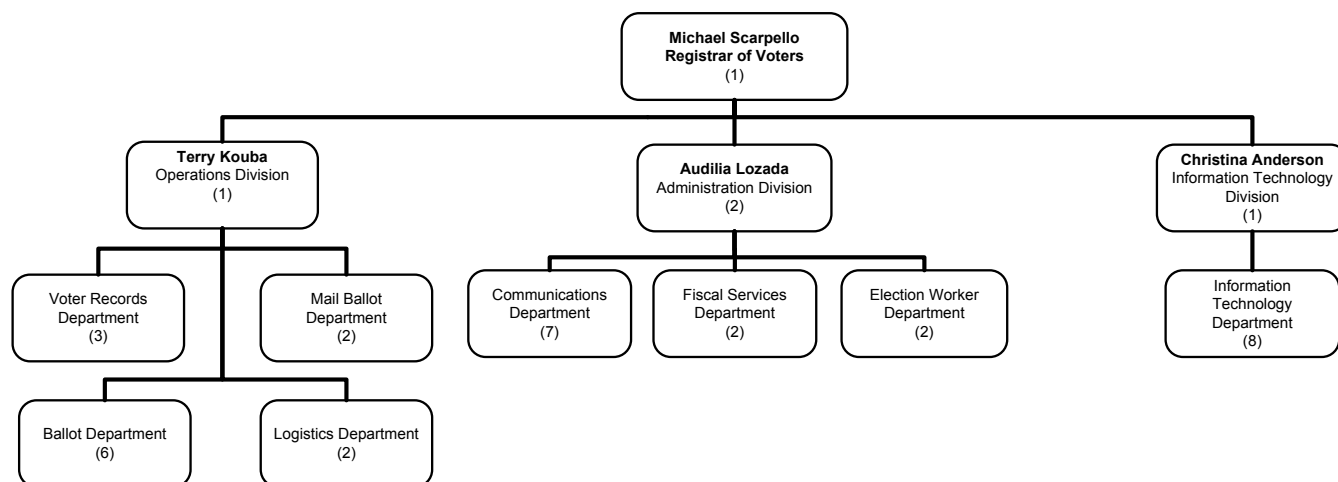

Michael Scarpello

DEPARTMENT MISSION STATEMENT

The Registrar of Voters Office upholds the integrity of the electoral process by consistently conducting fair and open elections that are accessible to all and that accurately reflects the intent of the electorate, promotes public confidence, increased voter participation, and strengthens democracy while providing the highest quality of customer service.

ORGANIZATIONAL CHART

2013-14 ACCOMPLISHMENTS

- Conducted two regularly scheduled elections and a record number of fifteen special elections.
- Conducted and completed two bid processes for the printing and mailing of official ballots and Voter Information Guides (sample ballots) resulting in two new contracts that will save \$360,000 in three years.
- Renegotiated an existing contract with an election vendor that will result in savings of \$38,000.
- Designed and added four new election templates into our election management software, EDATE (Election Deadline, Assignment, and Task Engine).
- Reviewed, revised, and documented over twenty-five Elections Office processes and procedures that will help make office operations more effective and efficient.
- Began a project to flowchart all Elections Office processes in an effort to visualize, find flaws, and improve processes.
- Converted a multi-piece, paper-based system used to track jurisdictions, offices, office holders, and candidates, to a single electronic system that will increase the accuracy of our records and decrease labor costs.
- Enhanced the Elections Office website by adding new interactive maps that allow voters to locate Mail Ballot drop-off locations, and by adding a new District Lookup Tool with modern looking maps seven times larger than previously displayed.
- Used GIS technology to implement both a new delivery tracking system that helps predict delivery times and monitor the progress of deliveries, as well as a new poll worker assignment system that helps assign poll workers to polling places more efficiently.

- Implemented a program to assist government agencies that are required by law to distribute voter registration applications to their customers to become compliant with the law. This resulted in an increase from 79 compliant agencies to 160 agencies.

COUNTY GOALS AND OBJECTIVES AND DEPARTMENT PERFORMANCE MEASURES

COUNTY GOAL: IMPROVE COUNTY GOVERNMENT OPERATIONS

Objective(s): • *Monitor and evaluate operations and implement strategies to continually improve efficiency and effectiveness.*

Department Strategy:

- Expand the Elections Office Election Deadline, Assignment and Task Engine (EDATE) system to maximize effectiveness and efficiency of election operations.
- Review, revise, and document Elections Office policies and procedures.
- Expand the Elections Office website by adding new applications that query and present personalized customer information.

COUNTY GOAL: IMPROVE COUNTY GOVERNMENT OPERATIONS

Objective(s): • *Monitor and evaluate operations and implement strategies to continually improve efficiency and effectiveness.*

Department Strategy:

- Expand the availability of voting opportunities by increasing the number of registered permanent mail ballot voters.
- Create cost savings by decreasing the number of polling places used in major elections by eliminating under-utilized polling places.
- Create cost savings by increasing the number of voters who receive their Voter Information Guide electronically.

Registrar of Voters

DESCRIPTION OF MAJOR SERVICES

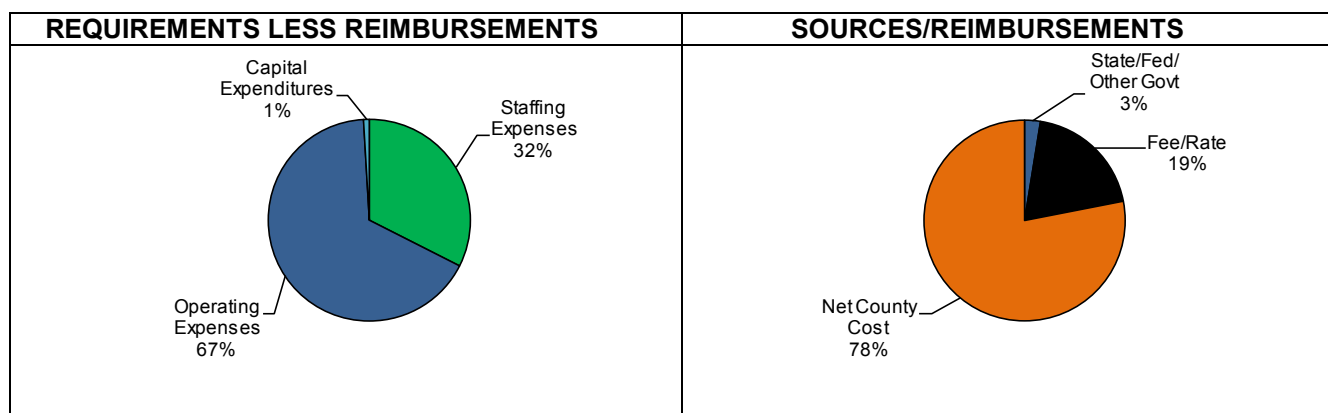

The Elections Office of the Registrar of Voters is responsible for conducting efficient and impartial elections, and to provide the means by which every eligible citizen can exercise their voting rights and privileges, as provided by local ordinances and Federal and California Election Codes. To support this function, the department is organized into three divisions and eight sections that are in alignment with the County's goals of improving County Government operations and operating in a fiscally-responsible and business-like manner.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Requirements of \$8.5 million enable the department to conduct one minor (July 2014) and one major election (November 2014), and includes staffing expenditures of \$2.8 million for 37 budgeted positions, operating expenses of \$5.7 million, and capital expenditures of \$78,000. Operating expenses primarily consist of services and supplies of \$5.2 million for routine operations and election-related expenditures (such as temporary labor, ballots, postage, poll workers and other professional services). Capital expenditures of \$78,000 include the purchase of two document scanners to be used for voter registration activities (\$6,500 each; \$13,000 total) and ballot printing equipment funded by a portion of the Federal Voting Assistance Program Grant (\$65,000). Sources of \$1.9 million are derived from a variety of sources. These sources include: Secretary of State quarterly postage reimbursement (\$20,000), Help America Vote Act Grant (\$130,000), Federal Voting Assistance Program Grant (\$65,000), sale of services and products including maps, voter files and certified documents (\$12,000), and election services for participating jurisdictions (\$1.6 million).

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements and related sources will fluctuate based on a 4-year election cycle with the Presidential Election being the most costly of the major elections. Requirements are decreasing by \$947,771. The department is transitioning from a two major election cycle in 2013-14 to a one major election cycle in 2014-15. The budget includes provisions for one minor and one major election as follows: July 8, 2014, for the City of Chino Special Election (minor); and the November 4, 2014 Gubernatorial General Election (major). In addition, the department has implemented numerous cost saving measures which has resulted in reduced requirements.

Sources are decreasing by \$629,000. The first election is 100% reimbursable; however the Gubernatorial General Election is only 27% reimbursable.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$2.8 million fund 37 budgeted positions, of which 27 are regular positions and 10 are temporary help (Public Service Employees positions). The Elections Office continues to analyze its strengths and weaknesses within its organizational structure to increase its effectiveness, lower temporary help agency expenditures and provide appropriate backup for existing employees. As a result, 1 new Programmer Analyst I position was added to the Information Technology Division to primarily assist with operations application programming, web application programming and state mandated VoteCal Voter Registration project. Ten temporary help (Public Service Employee positions) were also added to reduce costly temporary help agency expenditures. An Elections Analyst position was deleted and an Office Assistant IV position (vacant) was reclassified to an Elections Technician position. This reclassification will allow the department to reassign more complex duties, including knowledgebase and phonebank coordination.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Operating expenses of \$7,868 includes services, supplies, and administrative costs and fund various projects such as conservation programs and education as approved by the Commission.

Fee/rate revenue of \$4,700 primarily represents fines imposed on hunting, fishing, and environmental infractions and from sales of hunting maps.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$1,673 due to increased operating expenses of \$3,235 primarily due to costs for the purchase of additional hunting maps and contributions towards wildlife conservation and education programs.

Contingencies are decreasing by \$1,562 to purchase additional hunting maps and contribute towards wildlife conservation and education programs

Fee/rate revenue is increasing by \$433 due to higher than expected collection of fines.

STAFFING CHANGES AND OPERATIONAL IMPACT

There is no staffing associated with this budget unit.

CSA 70 Countywide was established by an act of the County of San Bernardino Board of Supervisors on December 29, 1969 to provide a centralized mechanism for administration of personnel and operations which serve all board governed special districts. The employees are engaged in multi-district operations funded by the various sanitation, water, road, streetlights, and park and recreation districts. Staff provides centralized and regional management services, administration, engineering, fiscal, human resources, lien administration, park maintenance, payroll, information services, road maintenance and inspection services.

CSA 70 D-1 Lake Arrowhead was established by an act of the County of San Bernardino Board of Supervisors on August 26, 1974 to maintain a dam located on the east side of Lake Arrowhead known as Papoose Lake. The Improvement Zone is funded by property taxes and provides security, maintenance, replacement shrubbery, reforestation, and engineering services.

CSA 70 DB-1 Bloomington was established by the County of San Bernardino Board of Supervisors on February 10, 2004. On January 23, 2004, property owners approved an annual service charge per parcel with a 2.5% annual inflationary increase, currently \$633.20. The Improvement Zone is responsible for the maintenance of two detention basins and four landscaped intersections in the Bloomington area.

CSA 70 EV-1 East Valley was established by the San Bernardino County Board of Supervisors on April 23, 1996. The District is responsible for the maintenance of the Alabama Street storm drain in the Redlands Citrus Plaza area. Funding for this Improvement Zone's operation is generated through a developer buy-in charge, which was received in fiscal year 2008-09.

CSA 70 DB-2 Big Bear was established by an act of the County of San Bernardino Board of Supervisors on April 27, 2010. The Improvement Zone maintains a detention basin, open space and storm drain conveyances to the basin of a newly developed tract on Maple Drive in the Big Bear area. This Improvement Zone's operations are funded by an annual service charge levied on property owners within the District.

CSA 120 North Etiwanda Preserve was formed on July 1, 2009 as a result of Local Agency Formation Commission Resolution No. 3051. The resolution included the dissolution of CSA 70 OS-1 and OS-3. The CSA provides for the management, protection and operation of 1,202 acres of open space and mitigation property. Acreage is primarily composed of mitigated Riversidean Alluvial Fan Sage Habitat located north of Rancho Cucamonga and east of Day Creek Blvd. The CSA is primarily funded by interest income generated annually from a non-wasting endowment fund. Additional endowments are received when mitigation acreage and management responsibility is accepted by the CSA. The CSA also receives grants and other funding for operation of the open space district.

CSA 70 TV-2 Morongo Valley was established by an act of the County of San Bernardino Board of Supervisors on October 18, 1976 to provide nine channels of UHF television and one channel of VHF television translator service to the 38 square miles of the Morongo Valley area. This Improvement Zone provides service to approximately 2,000 households and is funded by property tax revenue.

CSA 70 TV-4 Wonder Valley was established by an act of the County of San Bernardino Board of Supervisors on July 11, 1995 to provide eight channels of UHF television translator service broadcast from Pinto Mountain, for the direct benefit of Wonder Valley. This Improvement Zone is funded by a special tax of \$5 per parcel on 4,871 parcels and provides basic community television program services to approximately 2,000 households. The Improvement Zone also funds a part-time TV production assistant for community television, and a basic community television program service.

CSA 70 TV-5 Mesa was established by an act of the County of San Bernardino Board of Supervisors on July 11, 1995 to provide eight channels of UHF translator service broadcast from Pinto Mountain to the 100 square mile area encompassing Copper Mesa, Desert Heights, Flamingo Heights, Landers, and Yucca Mesa. This Improvement Zone provides service to approximately 18,000 households and is funded by a special tax of \$25 per improved parcel on 6,842 parcels that was approved by voters in 1995.

Community Facilities District (CFD 2006-1) Lytle Creek was established by the San Bernardino County Board of Supervisors on March 13, 2007. Also, on March 13, 2007, the Board adopted an ordinance authorizing the levying of special taxes to fund the maintenance of public infrastructure. 2009-10 was the first year of the special tax levy. The CFD is responsible for the maintenance of open space and storm drain protection services in the Glen Helen area.

CSA 40 Elephant Mountain – Requirements of \$1.4 million include salaries and benefits that fund 1 regular position; operating expenses for television translator services operations and maintenance; purchase of a digital transmitter and equipment upgrades; travel/training costs; transfers for indirect costs for salaries/benefits and service/supplies; operating transfers out for the Pinto Mountain roadway project; and contingencies. Sources of \$360,095 are primarily from property taxes and other revenue including rental income. Fund balance of \$1.1 million funds budgeted contingencies and planned capital expenditures.

CSA 70 Countywide – Requirements of \$13.3 million include salaries and benefits that fund 96 positions including 93 regular and 3 limited-term positions; operating expenses for department-wide administrative support services; transfers for shared positions with other departments; vehicle costs; training costs; contingencies; and contract services for other County departments. Other County departments for which services are provided include Regional Parks, Sheriff/Coroner/Public Administrator (Sheriff), Behavioral Health, Airports, and department-wide service agreements with Architecture and Engineering, County Museum, and Arrowhead Regional Medical Center. Also included in requirements are capital expenditures for vehicle and equipment purchases, as well as capital improvement projects for Lake Gregory Dam, the Glen Helen Lift Station, and improvements at Mojave Narrows. Sources of \$6.1 million primarily include revenue from water and sanitation operations and maintenance for Regional Parks, Sheriff, and Airports; revenue for the capital improvement projects listed above; an operating transfer in from the County General Fund and countywide engineering and lien administration revenues. Fund balance of \$7.2 million funds budgeted contingencies, current capital expenditures, and future operations.

CSA 70 D-1 Lake Arrowhead – Requirements of \$1.9 million include operating and maintenance expenses for Lake Arrowhead Dam; transfers for allocated indirect costs; operating transfers out for the Rouse Road slurry seal project; and contingencies. Sources of \$508,400 primarily include property taxes. Fund balance of \$1.4 million funds budgeted contingencies.

CSA 70 DB-1 Bloomington – Requirements of \$135,131 include operating and landscape maintenance expenses, transfers for allocated indirect costs, and contingencies. Sources of \$44,244 are primarily from service charges. Fund balance of \$90,887 funds budgeted contingencies.

CSA 70 EV-1 East Valley – Requirements of \$210,690 include operating expenses for maintaining the Alabama Street storm drain protection and contingencies. Sources of \$251 reflect interest revenue. Fund balance of \$210,439 funds budgeted contingencies and future maintenance projects.

CSA 70 DB-2 Big Bear – Requirements of \$76,491 include operating and maintenance expenses for a detention basin, open space, and storm drain as well as contingencies. Sources of \$16,748 are primarily from service charges. Fund balance of \$59,743 funds budgeted contingencies.

CSA 70 TV-2 Morongo Valley – Requirements of \$924,555 include operating and maintenance expenses for television translator services; transfers for allocated indirect costs; acquisition of backup digital TV equipment; and contingencies. Sources of \$146,066 are primarily from property taxes. Fund balance of \$778,489 funds budgeted contingencies and planned capital expenditures.

CSA 70 TV-4 Wonder Valley – Requirements of \$162,983 include operating and maintenance expenses for television translator services, transfers for allocated indirect costs, and contingencies. Sources of \$24,540 are primarily from a special tax. Fund balance of \$138,443 funds budgeted contingencies, planned capital expenditures and supports operations.

CSA 70 TV-5 Mesa – Requirements of \$730,033 include operating and maintenance expenses for television translator services; transfers for allocated indirect costs; capital improvement projects such as installation of power poles and insulators; acquisition of backup digital TV equipment; and contingencies. Sources of \$182,400 are primarily from special taxes. Fund balance of \$547,633 funds budgeted contingencies and future capital improvement projects.

CFD 2006-1 Lytle Creek – Requirements of \$388,142 include operating expenses for maintaining open spaces and storm drain protection, transfers for allocated indirect costs, and contingencies. Sources of \$28,173 are primarily from special taxes. Fund balance of \$359,969 funds budgeted contingencies and future maintenance projects.

CSA 120 North Etiwanda Preserve – Requirements of \$84,504 include operating and maintenance expenses of the preserve; conservation studies; transfers for allocated indirect costs; and contingencies. Sources of \$51,638 are primarily from a Proposition 117 Habitat Conservation Grant, operating transfers in from interest earned on the endowment trust fund, and mitigation acceptance fees. Fund balance of \$32,866 funds contingencies and future maintenance programs.

BUDGET CHANGES AND OPERATIONAL IMPACT

Major changes in requirements include:

- An increase in staffing expenses of \$791,424 primarily due to the net increase of 3 regular positions to support operations;
- A decrease in capital expenditures of \$2.7 million due to fewer capital improvement projects as compared to 2013-14;
- An increase in reimbursements of \$3.2 million primarily due to an increase of fixed asset transfers as a result of the transfer of completed capital projects to the County; and
- A decrease in operating transfers out of \$1.7 million due to the cancellation of construction of an office building in CSA 70 D-1 Lake Arrowhead.

Major changes in sources include a net decrease in operating transfers in of \$5.1 million due to the reclassification of revenue to reimbursements for completed capital improvement projects transferred to the County in 2014-15, offset by an increase of \$1.1 million from the County General Fund for the County's Glen Helen Facilities water line project.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$9.5 million fund 97 budgeted positions of which 94 are regular positions and 3 are limited term positions and represent a net increase of 3 positions. The 2014-15 budget reflects a net increase of 12 regular positions and a decrease of 9 limited term positions. The budget includes the addition of the following 15 regular positions: 4 Maintenance Worker I's, 2 Clerk II's, 1 Treatment Plant Operator II, 1 Automated Systems Technician, 1 District Planner, 1 Management Analyst, 1 Deputy Director, 1 BG CSA 70 District Services Coordinator, 1 BG Water and Sanitation Supervisor, and 2 BG CSA 70 Customer Service Representatives. The addition of the positions detailed above is the result of a departmental reorganization, increased workload, and to meet the requirements of the Affordable Care Act. The addition of 15 regular positions is offset by the decrease of 3 regular and 9 limited term positions due to the deletion of 1 Maintenance Worker II, 1 Maintenance Worker III, 1 Payroll Specialist, 8 Public Service Employees (1 in CSA 40 Elephant Mountain and 7 in CSA 70 Countywide Water and Sanitation Division), and 1 Public Service Employee – Equipment Operator.

The 2014-15 budget also includes the reclassification of 1 Administrative Secretary I to an Administrative Secretary II.

CSA 20 Joshua Tree was established by an act of the County of San Bernardino Board of Supervisors on June 1, 1964. Resolution 1993-22 consolidated the services of fire with streetlighting, park and recreation. This park CSA provides funding for four parks, three ball fields, one recreation center building, a water playground, a skateboard park, and a 12,000 sq. ft. community center. This park CSA also provides maintenance for approximately 297 streetlights. Funding of this District is derived from property taxes and a \$30 improved parcel and \$10 unimproved parcel service charge. Currently there are approximately 4,468 improved parcels and 5,527 unimproved parcels.

CSA 29 Lucerne Valley was established by an act of the County of San Bernardino Board of Supervisors on December 30, 1964. The park CSA provides park and recreation services, a cemetery, television translators, and streetlighting to the community of Lucerne Valley. The park CSA serves approximately 3,000 residents and provides an equestrian center for local horse groups and for events. Services are funded by property taxes and park program fees.

CSA 42 Oro Grande was established by an act of the County of San Bernardino Board of Supervisors on December 27, 1965, to provide water, sewer, park, refuse collection, and streetlighting services to the community of Oro Grande. This park CSA serves approximately 123 residences. In 2009-10 the District consolidated park and streetlight services to increase operational efficiencies and reduce administrative activities. The park CSA funds the operation and maintenance of 40 streetlights. Services are funded by property taxes, park program fees, and other miscellaneous revenue.

CSA 56 Wrightwood was established by an act of the County of San Bernardino Board of Supervisors on September 19, 1966, to provide park and recreation services along with one community center and one senior center. The community of Wrightwood provides various park and recreation activities for approximately 3,000 users. Services are funded primarily by property taxes.

CSA 63 Oak Glen-Yucaipa was established by an act of the County of San Bernardino Board of Supervisors on December 18, 1967, to maintain a 19-acre park site which contains a historical schoolhouse, tennis court, playground, picnic area and paved parking lot for unincorporated areas in Yucaipa and Oak Glen. This park CSA is located 4 miles northeast of Yucaipa and serves approximately 10,000 park visitors annually. Services are funded primarily by property taxes.

CSA 70 M Wonder Valley is located ten miles east of Twenty-Nine Palms and was established by an act of the County of San Bernardino Board of Supervisors on July 1, 1991, to provide park services to the community of Wonder Valley. This park Improvement Zone is funded by a \$10 per parcel, per year service charge levied on 4,634 parcels.

CSA 70 P-6 El Mirage was established by an act of the County of San Bernardino Board of Supervisors on October 15, 1990. This Park Improvement Zone provides park and recreation services for approximately 3,710 users through a special tax of \$9.00 per parcel, per year billed on 3,549 parcels.

CSA 70 P-8 Fontana was established by an act of the County of San Bernardino Board of Supervisors and a service charge of \$394 per parcel for the first year was approved on July 13, 1993, to provide park maintenance and streetlighting services for Tract 15305 in an unincorporated area east of Fontana. The property that has been maintained has been sold and the maintenance and streetlighting costs will be minimal.

CSA 70 P-10 Mentone was established by an act of the County of San Bernardino Board of Supervisors on November 28, 1995, to provide park maintenance, landscaping, and streetlighting services. There are 28 streetlights in the District. The park Improvement Zone is funded by a service charge with a maximum charge of \$500 per parcel, per year. The 2014-15 service charge is \$375 per parcel and will be levied on 128 residential properties.

CSA 70 P-12 Montclair was established by an act of the County of San Bernardino Board of Supervisors on February 7, 2006, and voters approved a \$700 per parcel, per year service charge with a 1.5% inflationary increase to provide landscaping, graffiti removal, block wall maintenance, and streetlighting services to Tract 17509 in the Montclair area. The service charge for 2014-15 is \$731.98 per parcel and will be levied on 37 parcels.

CSA 70 P-13 El Rancho Verde was established by an act of the County of San Bernardino Board of Supervisors on August 1, 2006, to provide landscape improvements to the Riverside Avenue median in the unincorporated area of El Rancho Verde. A \$142.65 per parcel, per year service charge for 509 parcels, approved by property owners in the improvement zone, covers ongoing maintenance costs associated with landscape improvements.

CSA 70 P-14 Mentone was established by an act of the County of San Bernardino Board of Supervisors on December 19, 2006, to provide landscape maintenance, streetlighting services and a detention basin to Tract 16602 in the Mentone area. A per parcel service charge with a 2.5% inflationary increase was approved on July 10, 2007. The 2014-15 service charge of \$350 will be levied on 108 parcels.

CSA 70 P-16 Eagle Crest was established by an act of the County of San Bernardino Board of Supervisors on January 23, 2007, to provide landscape maintenance and streetlighting services to Tract 16756 in the Mentone area. CSA 70 P-19 Gregory Crossings – Requirements of \$29,233 include operating expenses, maintenance, transfers for allocated indirect costs; and contingencies. Sources of \$19,800 are primarily from service charges. Fund Balance of \$9,433 primarily funds budgeted contingencies and supports operations.

CSA 70 P-20 Mulberry Heights – Requirements of \$22,261 include operating expenses, maintenance, and transfers for allocated indirect costs; and contingencies. Sources of \$21,000 are primarily from service charges. Fund balance of \$1,261 supports operations as this district is in its first year of operations.

CSA 70 W Hinkley – Requirements of \$26,934 include operating expenses, maintenance, transfers for allocated indirect costs; and contingencies. Sources of \$10,555 are primarily from property taxes and an operating transfer in from CSA 70 Countywide to augment operations due to decreases in property taxes. Fund balance of \$16,379 primarily funds budgeted contingencies and supports operations.

CSA 82 Searles Valley – Requirements of \$39,870 include expenses for park operations; transfers for allocated indirect costs; and contingencies. Sources of \$25,147 are primarily from an annual operating transfer in from CSA 82 Searles Valley Sanitation District. Fund balance of \$14,723 primarily funds budgeted contingencies.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$416,447. Major changes in requirements include a net increase in operating expenses of \$236,747 primarily due to the addition of three newly formed CSAs, an increase in services and supplies, and an increase in allocated direct and indirect costs supporting salaries and benefits and services and supplies; a planned net decrease in contingencies of \$183,058 to support operations as the available fund balance of the CSAs exceed the department's required 25% reserve threshold; and a decrease in operating transfers out of \$466,675 due to a reduction in operating transfers out for capital improvement projects for 2014-15.

Sources are decreasing by \$129,643. Major changes in sources include a decrease in state, federal, or government aid of \$100,660 due to a decrease in expected grant revenue for 2014-15.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$721,764 fund 23 budgeted positions of which 7 are regular positions and 16 are limited term positions and represent a net increase of 1 position. The budget reflects an increase of 2 limited term positions due to the addition of 2 BG CSA 29 Public Service Employees, offset by the decrease of 1 regular position due to the deletion of 1 BG Park Maintenance Work III.

Big Bear Valley Recreation and Park District – Requirements of \$3.2 million include staffing expenses to fund 48 positions of which 12 are regular positions and 36 are limited-term; operating expenses for park and facility operations and maintenance; transfers for allocated indirect costs; capital expenditures for various park improvement projects including Ranch Park improvements, Dana Park playground improvements, and the purchase of beach equipment; contingencies; and operating transfers out for the property tax share allocated to Big Bear Alpine Zoo. Sources of \$2.2 million are primarily from property taxes, and fee/rate revenue from park programs, services, and concessions. Fund balance of \$1.0 million primarily funds budgeted contingencies and planned use for operational requirements and to fund capital expenditures.

Big Bear Alpine Zoo (formerly known as Moonridge Animal Park) – Requirements of \$1.2 million includes staffing expenses to fund 16 positions of which include 11 regular positions and 5 limited-term positions; operating expenses for park and facility operations, maintenance, animal feed, property rental, and professional veterinary services; and transfers for allocated indirect costs. Sources of \$1.0 million are primarily from fee/rate revenue for entrance, park services, and concessions, operating transfers in from Big Bear Valley Recreation and Park District of a share of property tax, and interest earned on the Big Bear Alpine Zoo capital improvement project funds to assist in property rental costs until the Zoo is able to move to its new location. Fund balance of \$195,941 primarily funds programmed capital improvement projects, the purchase of equipment and vehicles, and supports operations.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$368,253. Major changes in requirements include an increase in staffing expenses of \$239,782 primarily from higher workers compensation costs and the reclassification of limited-term PSE positions to regular benefited positions; an increase in operating expenses of \$267,043 primarily due to an increase in utility costs and increased allocations of indirect costs; an increase in capital expenditures of \$64,500 due to planned improvements at Dana Park, Ranch Park, and other park improvements, the purchase of beach equipment and the purchase of an all-terrain vehicle; and a decrease in contingencies of \$203,072 primarily due to the above increases.

Sources are increasing by \$144,881. Major changes in sources include a decrease in state, federal, or government aid of \$65,000 due to reduced levels of grant funding from a Department of Aging and Adult Services grant and an increase in fee/rate revenue of \$217,898 from an increase in fees for park services.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$1.8 million fund 64 budgeted positions of which 23 are regular positions and 41 are limited term positions and represent a net decrease of 2 positions. The budget reflects an increase of 15 positions due to the addition of 1 BG Park Maintenance Worker 2, 2 Big Bear P&R Maintenance Worker I's, 6 Big Bear Animal Keeper I's, 1 BG Big Bear P&R PSE Park Service Employee, 1 BG Park Maintenance Worker III, 1 BG Moon Ridge Veterinarian Technician, 1 BG Big Bear Lead Animal Keeper, and 2 BG Big Bear Recreation Coordinators. The addition of the positions as detailed above is the result of an increased workload and to meet the requirements of the Affordable Care Act. These increases are offset by the deletion of 1 BG Big Bear P&R Maintenance Superintendent, 14 BG BB P&R PSE Park Service Employees, and 2 BG PSE Zoo Service Employees.

The budget also includes the reclassification of 4 regular positions, consisting of the following:

- 1 BG Office Assistant II to a Fiscal Specialist;
- 1 BG Park Maintenance Worker 1 to a BG Park Maintenance Worker 2;
- 1 BG Park Maintenance Worker 2 to a BG Park Maintenance Worker III; and
- 1 BG Park Maintenance Worker 2 to a BG Park Maintenance Worker 1.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$135,427. Major changes in requirements include a net increase in operating expenses of \$188,350 primarily due to a decrease in scheduled road maintenance, increase in transfers out for both direct and indirect costs for supporting salaries and benefits and services and supplies, and an increase in debt payments for CSA 70 R-47 Rocky Point; an increase in capital expenditures of \$108,485 due to the planned paving project for CSA 70 R-47 Rocky Point; a decrease in operating transfers out of \$1.0 million due to fewer programmed road paving projects for 2014-15; and an increase in contingencies of \$572,384 primarily as a result of lower than expected snowplowing for the winter of 2013. There are no major changes in sources.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$29,866 fund 1 limited term position. There is no change in staffing.

CSA 42 Oro Grande was established by an act of the County of San Bernardino Board of Supervisors on December 27, 1965 to provide sewer services to the community of Oro Grande. This sanitation CSA is located five miles northwest of Victorville, and provides sewer services to 238 Equivalent Dwelling Units (EDU). Services are funded by user fees and service charges.

CSA 53B Fawnskin is located on the north shore of Big Bear Lake. The sanitation CSA was established by an act of the County of San Bernardino Board of Supervisors on January 2, 1968. The sewage collection system is operated by the Department and includes an innovative vacuum system, which serves 1,257 EDUs. Sewage treatment is provided by contract with Big Bear Area Regional Water Agency (BBARWA). Services are funded by user fees and service charges.

CSA 64 Spring Valley Lake was established by an act of the County of San Bernardino Board of Supervisors on December 30, 1968. This sanitation CSA is located southeast of the City of Victorville. The sewage collection system is operated by the Department and the Victor Valley Wastewater Reclamation Authority (VWRA) provides sewer services to 4,326 EDUs and maintains three lift stations. Services are funded by property tax revenue, user fees, and service charges.

CSA 70 BL Bloomington was established on November 19, 2013, by an act of The San Bernardino County Board of Supervisors in the Bloomington area for the purpose of providing sewer service. The costs to construct the sewer line that will serve the Applicant's property will be paid by the Applicant and the sewer line will be deeded to the CSA 70 BL Bloomington upon completion. The sewer fees will be adopted in the 2015-16 Resolution Establishing Various Fees for water and sewer services.

CSA 70 GH Glen Helen was established by an act of the County of San Bernardino Board of Supervisors on August 17, 2004, to provide park and recreation, sanitation, and streetlight services to the Glen Helen area. The sanitation Improvement Zone provides sanitation services to the San Bernardino Sheriff's Department Detention facility as well as a Master Planned community currently in development. The sanitation Improvement Zone currently provides sewer service to 728 residential EDUs. Services are funded by developer contributions, user fees, and service charges.

CSA 70 S-3 Lytle Creek was established by an act of the County of San Bernardino Board of Supervisors on December 2, 1974, to provide sanitation services to residents in the Lytle Creek Community and the U.S. Forest Service. The sanitation Improvement Zone currently provides sewer service to 798 EDUs. Services are funded by user fees and service charges.

CSA 70 S-7 Lenwood was established by an act of the County of San Bernardino Board of Supervisors on December 19, 1977, to provide sewer services to the community of Lenwood. The sanitation Improvement Zone completed construction of a new sewer system to replace individual septic systems within Lenwood but is limited to specific property owners who approved assessments to pay the debt service. The City of Barstow performs routine maintenance of the system. This sanitation Improvement Zone is responsible for non-routine repairs.

CSA 70 SP-2 High Country was established by an act of the County of San Bernardino Board of Supervisors on May 20, 1985, and is located 1.5 miles west of Hesperia. The sanitation Improvement Zone owns and operates a sewer collection system that provides service to 231 EDUs in the High Country Development tract of homes.

** Net Budget reflects Total Sources less Total Requirements for Internal Service and Enterprise funds. When Net Budget is negative, it means that the department will be using assets that have been carried over from the prior year.

Through an out-of-area service agreement with the City of Hesperia, the Improvement Zone also provides service to 517 EDUs within city boundaries. Services are funded by user fees and service charges.

CSA 79 Green Valley Lake was established by an act of the County of San Bernardino Board of Supervisors on September 7, 1971, to maintain a sewer collection system and interceptor, with sewage treatment provided through a contract with Running Springs Water District (RSWD). The sanitation CSA provides sewer service to 1,227 EDUs. Services are funded by user fees and service charges.

CSA 82 Searles Valley was established by an act of the County of San Bernardino Board of Supervisors on June 28, 1976. On June 6, 2000, the sanitation CSA combined and included Improvement Zones SV-3 (Trona) and SV-4 (Pioneer Point) through the Board of Supervisors Resolution No. 2000-132. The newly combined sanitation CSA 82 provides sewage collection service to 759 EDUs as well as streetlight services. Services are funded by property tax revenue, user fees, and service charges.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$2.2 million. Major changes in requirements include an increase in operating expenses of \$207,495 primarily as a result of increased allocation of both direct and indirect costs for CSA 70 Countywide support. A decrease in capital expenditures of \$1.5 million is due to the near completion of CSA 70 BL Bloomington sewer system. Contingencies are decreasing by \$239,647 due to planned use of unrestricted net assets for the purchase of various equipment, including: three generators for CSA 70 S-3 Lytle Creek, CSA 79 Green Valley Lake, CSA 53 B Fawnskin; the purchase of a VFD Pump for CSA 70 Glen Helen; and mainline replacements in CSA 82 Searles Valley. Operating transfers out is decreasing by \$674,127 as a result of replacement reserves now being used to fund projects instead of using operating funds.

Sources are decreasing by \$2.0 million. Major changes in sources consist of a decrease in state, federal, and other government aid of \$2.1 million due to a decrease in Community Development and Housing grant funding for 2014-15. In 2013-14, grant funding was received for the construction of sewer lines in CSA 70 Zone BL Bloomington.

CSA 30 Red Mountain was established by an act of the County of San Bernardino Board of Supervisors on December 30, 1964 to provide funding for the maintenance and operation of 15 streetlights in the community of Red Mountain. This streetlight CSA is funded through property tax revenue.

CSA 53A Big Bear was established on September 19, 1966 by an act of the County of San Bernardino Board of Supervisors to provide streetlight services to the community of Fawnskin in the Big Bear area. This streetlight CSA receives property taxes to fund the operation and maintenance of 15 streetlights.

CSA 54 Crest Forest was established by an act of the County of San Bernardino Board of Supervisors on September 19, 1966 to provide streetlight services to the community of Crest Forest. This streetlight CSA receives property taxes to fund the operation and maintenance of 178 streetlights.

CSA 70 EV-1 Citrus Plaza was established by an act of the County of San Bernardino Board of Supervisors on April 23, 1996. Community Facilities District 2010-1 was formed in 2010 to provide an ongoing funding mechanism for the streetlight energy charges of 149 streetlights in the unincorporated area of the County known as the "Donut Hole". The Rate and Method of Apportionment sets a special tax for each parcel to pay for the streetlighting energy charges. There are currently 50 parcels billed for this special tax.

CSA 70 GH Glen Helen was established by an act of the County of San Bernardino Board of Supervisors on August 24, 2004, to provide services for Tract 15900. Tract 15900 is an approved development of approximately 2,086 housing units in a development area known as "Lytle Creek North Development" project, which includes a provision for the installation of 283 streetlights in this area. On January 30, 2007, voters approved a service charge of \$41.71 per parcel, per year with an annual 2.5% inflationary increase to fund streetlight services. The service charge for 2014-15 is \$49.58 per parcel and is currently billed on 812 parcels.

CSA 70 SL-2 Chino was established by an act of the County of San Bernardino Board of Supervisors and a \$122 per parcel, per year service charge with a 1.5% inflationary increase was approved by voters on November 16, 2004. The 2014-15 service charge is \$100 per parcel based on requirements and available fund balance and will be billed on 26 parcels.

CSA 70 SL-3 Mentone was established by an act of the County of San Bernardino Board of Supervisors and voters approved a service charge of \$40 per parcel, per year with a 1.5% annual inflationary increase on February 15, 2005. This streetlight Improvement Zone funds 12 streetlights in the community of Mentone. The 2014-15 service charge is \$42.46 and 69 parcels will be billed.

CSA 70 SL-4 Bloomington was established by an act of the County of San Bernardino Board of Supervisors and voters approved a \$247 per parcel, per year service charge with a 2.5% annual inflationary increase on August 22, 2006. This streetlight Improvement Zone funds 5 streetlights in the community of Bloomington. The 2014-15 service charge is \$100 per parcel based on requirements and available fund balance, and will be billed on 31 parcels.

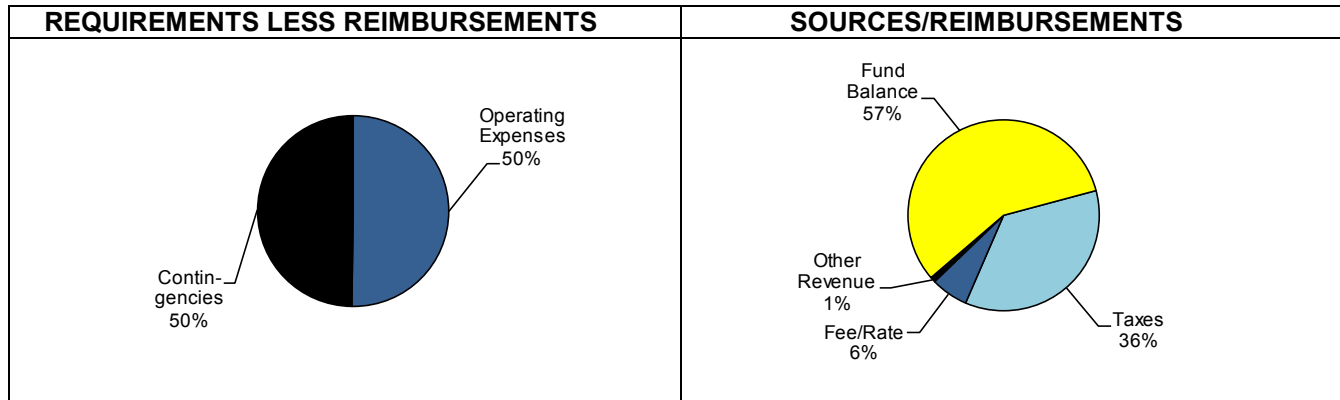

CSA 70 SL-5 Muscoy was established by an act of the County of San Bernardino Board of Supervisors and voters approved a service charge of \$18 per parcel, per year with an annual 2.5% inflationary increase on June 5, 2007. The 2014-15 service charge of \$18.45 will be billed on 2,160 parcels. This streetlight Improvement Zone funds 207 streetlights in the community of Muscoy.

CSA 73 Arrowbear Lake was established by an act of the County of San Bernardino Board of Supervisors on December 28, 1970. This streetlight Improvement Zone receives property taxes to fund the operation and maintenance of 17 streetlights.

CSA SL-1 Countywide was established by an act of the County of San Bernardino Board of Supervisors on December 27, 1965. This streetlight CSA receives property taxes to fund the operation and maintenance of 3,521 streetlights in communities throughout the County.

CSA 42 Oro Grande – Requirements of \$260,075 include operating and maintenance costs, transfers for allocated indirect costs, operating transfers out to provide funding for the Chlorinator project, and contingencies. Sources of \$247,100 are primarily from user fees, connection fees, and service charges.

CSA 64 Spring Valley Lake – Requirements of \$3.7 million primarily include operating and maintenance costs; transfers for allocated indirect costs; operating transfers out to fund various capital improvement projects including Service Line Replacement, a Meter Replacement project, the installation of a pump and motor, a Chlorinator project, and depreciation for future replacement projects; and contingencies. Sources of \$2.9 million are primarily from property taxes, user fees, and service charges.

CSA 70 CG Cedar Glen – Requirements of \$834,364 include operating and maintenance costs, transfers for allocated indirect costs, operating transfers out to the replacement reserves for future projects, debt service, and contingencies. Sources of \$586,177 are primarily from user fees, service charges, and special assessments.

CSA 70 F Morongo Valley – Requirements of \$129,926 include operating expenses for water connection services, including operations and maintenance costs, transfers for allocated indirect costs, other charges for loan payments consisting of a CSA Revolving Loan and a County loan payment; and contingencies. Sources of \$112,635 are primarily from user fees and service charges.

CSA 70 J Oak Hills – Requirements of \$4.0 million primarily include operating and maintenance costs; transfers for allocated indirect costs; debt service; operating transfers out to provide funding for the Water Pipeline Replacement project, Booster Site 2 project, and the Well House project; and contingencies. Sources of \$3.1 million are primarily from user fees, service charges, and an operating transfer in from the expansion reserve fund to assist in the cost of debt service.

CSA 70 W-1 Goat Mountain – Requirements of \$617,153 primarily include: operating and maintenance costs; transfers for allocated indirect costs; operating transfers out to provide funding for the Rehab Pressure Reducing Valve (PRV) Stations project, the Meter Replacement project, the Service Line Replacement project, and the Chlorinator project; and contingencies. Sources of \$425,407 are primarily from user fees and service charges.

CSA 70 W-3 Hacienda – Requirements of \$208,456 include operating and maintenance costs, transfers for allocated indirect costs, operating transfers out to provide funding for the Meter Replacement project, and contingencies. Sources of \$166,805 are primarily from user fees and service charges.

CSA 70 W-4 Pioneertown – Requirements of \$154,119 primarily include operating and maintenance costs, transfers for allocated indirect costs, operating transfers out to the replacement reserves for future capital improvement projects, and contingencies. Sources of \$118,933 are primarily from user fees and service charges.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$1.0 million. Major changes in requirements include an increase in operating expenses of \$100,786 primarily due to an increase in the allocation of both direct and indirect costs for CSA 70 Countywide support and services and supplies; an increase in capital expenditures of \$489,499 due to an increase in programmed capital improvement projects, an increase in contingencies of \$382,635 to meet the Department's operating reserve requirements, and a decrease in operating transfers out of \$2.0 million as a result of replacement reserves now being used to fund projects instead of the operating funds.

Sources are increasing by \$194,986. Major changes in sources include an increase in fee/rate revenue of \$561,171 primarily due to increased user rates in some districts and a decrease in operating transfers in of \$256,601 due to capital projects being funded by replacement reserve funds rather than operations.

STAFFING CHANGES AND OPERATIONAL IMPACT

Special Districts Department CAPITAL IMPROVEMENT PROGRAM Jeff Rigney

MISSION STATEMENT

The Capital Improvement Program receives and evaluates capital expenditure requests, recommends priorities for the acquisition or improvement of land, facilities and infrastructure, oversees and monitors major capital projects, and guides growth and change of County facilities and infrastructure by anticipating future needs.

ORGANIZATIONAL CHART

SUMMARY OF BUDGET UNITS

Funding for capital projects is included in Capital Improvement Program funds for Special Districts General, Parks, Roads, Sanitation, and Water County Service Areas and Zones.

DESCRIPTION OF MAJOR SERVICES

The Capital Improvement Program (CIP) is an internal planning tool administered by the Special Districts Department (Department) to provide the Board of Supervisors (Board) with information to assist in the decision-making process for the allocation of limited resources to capital projects. The CIP provides for the acquisition, construction, reconstruction, fixtures and equipment, renovation, rehabilitation or replacement of facilities, equipment, and infrastructure with a life expectancy of at least five years and capital costs of \$5,000 or more. The program:

- Recommends priorities for capital projects based on capital improvement criteria for the Department's general, parks, roads, sanitation, and water facilities and infrastructure;
- Prepares the annual CIP budget, monitors and directs implementation of approved projects through the department;
- Provides direct oversight for major capital projects;
- Performs long-range planning to:
 - Link department capital and operational budget plans to Countywide strategic plans
 - Conduct physical condition assessments through periodic surveys of facilities to identify major, large-scale projects to repair and rehabilitate department assets
 - Identify opportunities for energy efficiencies, life-cycle increases, and maintenance operating cost reductions
 - Identify future infrastructure needs of the department
 - Develop formal estimates of costs and seek adequate project funding

BUDGET HISTORY

The CIP is funded by a number of sources, including the County general fund, and County Service Area (CSA) and Improvement Zone operating and reserve funding, and various other funding sources including grants:

- Discretionary General Funding: Funded from County General Fund discretionary dollars provided to CIP for department projects.
- Other Funding: Underlying funding source is from CSA and Improvement Zone funding, or is from a dedicated source for a specified purpose (such as grants).

The Department's CIP includes construction, rehabilitation, and repair projects for numerous facilities, structures, and infrastructure. CIP funds are budgeted in various capital budget units and expended in various capital asset object codes: 4005-Land, 4010-Improvements to Land, 4030-Structures and Improvements to Structures, 2445-Professional Services, and 5030-Operating Transfers Out.

ANALYSIS OF 2014-15 ADOPTED BUDGET

Each year, Department Regional Managers are requested to submit possible capital improvement projects for the individual CSAs and Improvement Zones, including Big Bear Recreation and Park District and Bloomington Recreation and Park District. The Engineering Division prepares feasibility studies, scopes of work, and estimates for these projects. The Engineering Division also works closely with the Administrative/Budget Division to evaluate available funding for the projects. A total of 77 projects for a total of \$20.4 million are being requested by the Department within this budget for 2014-15.

2014-15 ADOPTED BUDGET

The following are funded in the 2014-15 Adopted Budget of \$20.4 million:

- General Districts** **\$4.5 million**
 - Snowdrop Road - \$4.0 million for design and construction of a new road in the Rancho Cucamonga area funded by a voter approved special assessment that was initiated in 2013-14.
 - CSA 40 Elephant Mountain - \$150,132 for service road paving.
 - CSA 70 D-1 Lake Arrowhead Dam - \$180,000 for construction of a detention basin for flood control that was initiated in 2013-14.
 - CSA 70 D-1 Lake Arrowhead Dam - \$99,974 for road repair.
 - CSA 70 TV-4 Wonder Valley - \$151,359 for replacing and updating television translator.
- Park Districts** **\$331,446**
 - CSA 20 Joshua Tree Park - \$249,681 for Desert View Conservatory to design and construct an interpretive trail system that was initiated in 2013-14.
 - CSA 20 Joshua Tree Park - \$81,752 for pavement resurfacing project.
 - CSA 20 Joshua Tree Park - \$7 for roof enclosure project to transfer remaining funds to operating fund SGD-200 due to completion of project.
 - CSA 56 Wrightwood Park - \$6 for Skatepark improvement fund to transfer remaining funds to operating fund due to completion of project.
- Big Bear Valley Recreation and Park District** **\$5.9 million**
 - Big Bear Alpine Zoo - \$5.8 million for design and construction of a new zoo site for relocation that was initiated in 2013-14.
 - Big Bear Alpine Zoo - \$83,600 from relocation project fund for lease payment for existing location.
 - Erwin Park - \$1,610 for Erwin Park clubhouse renovation that was initiated in 2013-14.
- Bloomington Recreation and Park District** **\$574,143**
 - Kessler Park - \$283,715 for Kessler Park improvements including ball field lighting, tot lot, and equestrian facilities that was initiated in 2013-14.
 - Kessler Park - \$290,000 for Kessler Park improvement fund to transfer remaining funds to operating fund SSD-625 after reimbursement from grant.
 - Kessler Park - \$425 for Kessler Park improvement fund to transfer remaining funds to operating fund SSD-625 due to completion of project.
 - Ayala Park - \$3 for Ayala Park to transfer out remaining funds to operating fund SSD-625 due to completion of project.
- Road Districts** **\$1.5 million**
 - Paving Projects - \$826,013 for road paving projects in CSA 59 Deer Lodge Park (\$208,080), CSA 69 Lake Arrowhead (\$550,323), and CSA 70 R-2 Twin Peaks (\$67,610).
 - Slurry Seal Projects - \$639,103 for slurry seal projects in CSA 70 R-33 Big Bear City (\$19,502), R-39 Highland Estates (\$154,361), R-5 Sugarloaf (\$370,586), R-36 Pan Springs (\$44,311), and R-42 Windy Pass (\$50,343).
- Sanitation Districts** **\$3.0 million**
 - CSA 42 Oro Grande - \$54,659 for replacement of 300 feet of sewer line that was initiated in 2013-14.
 - CSA 53B Fawnskin - \$250,000 for vacuum system upgrades.
 - CSA 53B Fawnskin - \$30,000 for manhole raising project.
 - CSA 70 GH Glen Helen - \$9,500 to complete installation of manhole and piping for a Vector Dump Basin at the waste treatment plant that was initiated in 2013-14.
 - CSA 70 GH Glen Helen - \$16,000 to complete installation of an isolation valve at the Glen Helen Wastewater Treatment Plant that was initiated in 2013-14.
 - CSA 70 GH Glen Helen - \$940,000 to complete construction of sludge drying beds at the Glen Helen Wastewater Treatment Plant that was initiated in 2013-14.

- CSA 70 GH Glen Helen - \$68,630 to install new SCADA alarm system to monitor equipment operation at the Glen Helen Wastewater Treatment Plant.
- CSA 70 GH Glen Helen - \$95,000 for clarifier upgrade project.
- CSA 70 S-3 Lytle Creek – \$84,000 for Sludge Drying Bed repair/maintenance.
- CSA 70 S-3 Lytle Creek – \$66,000 for chemical feed degreaser system replacement.
- CSA 79 Green Valley Lake – \$359,785 to complete construction of 50,000 gallons additional wet well capacity to extend emergency response time at Awanhee Lift Station that was initiated in 2013-14.
- CSA 79 Green Valley Lake – \$60,000 for televising and repair of sewer lines.
- CSA 82 Searles Valley – \$375,816 for Pioneer Point outfall replacement and repairs.
- Transfers to Reserves – The following transfers to reserves are also programmed as a result of remaining fund balances following project completion or the cancellation of projects:
 - CSA 42 Oro Grande (\$29,566)-cancellation of the Victor Valley Wastewater Reclamation Authority connection vault and meter project.
 - CSA 64 Spring Valley Lake (\$162,852)-cancellation of manhole sealing project.
 - CSA 64 Spring Valley Lake (\$106,344)-cancellation of the Victor Valley Wastewater Reclamation Authority connection vault and meter project.
 - CSA 70 S-3 Lytle Creek (\$52,803)-completion of project.
 - CSA 79 Green Valley Lake (\$4,500)-cancellation of manhole sealing project.
 - CSA 79 Green Valley Lake (\$90,285)-cancellation of pump rehabilitation project.
 - CSA 82 Searles Valley (\$100,666)-cancellation of slip lining project.

• Water Districts

\$4.6 million

- CSA 70 J Oak Hills – \$146,421 to complete phase I of radio read meter replacement project that was initiated in 2013-14.
- CSA 70 J Oak Hills – \$1.4 million for phase II of radio read meter replacement project.
- CSA 70 J Oak Hills – \$165,000 to complete water line extensions and looping project that was initiated in 2013-14.
- CSA 70 J Oak Hills – \$150,000 to complete pipeline replacement project east of Escondido Road that was initiated in 2013-14.
- CSA 70 J Oak Hills – \$144,500 to complete replacement of 2,500 feet of existing pipeline within the Improvement Zone that has reached its full service life. This project was initiated in 2013-14.
- CSA 70 J Oak Hills – \$71,248 to construct a new booster station at Site 2A to increase water pressure at higher elevations within the Improvement Zone.
- CSA 70 J Oak Hills – \$120,000 to complete construction project for well house that was initiated in 2013-14.
- CSA 70 J Oak Hills – \$22,400 for well house roof repairs.
- CSA 42 Oro Grande – \$110,500 for land acquisition for possible tank site.
- CSA 42 Oro Grande – \$107,000 to complete the design phase of Reservoir 2 that was initiated in 2013-14.
- CSA 42 Oro Grande – \$79,980 to complete a mainline replacement project that was initiated in 2013-14.
- CSA 64 Spring Valley Lake – \$233,330 to complete phase I of the radio read meter replacement project that was initiated in 2013-14.
- CSA 64 Spring Valley Lake – \$251,820 to complete drilling and site preparation for Well #7 that was initiated in 2013-14.
- CSA 64 Spring Valley Lake – \$250,000 to complete site preparation for new 3 million gallon reservoir that was initiated in 2013-14.
- CSA 64 Spring Valley Lake – \$1,944 to complete design of new 3 million gallon reservoir that was initiated in 2013-14.
- CSA 64 Spring Valley Lake – \$87,150 to install pump motor.
- CSA 70 W-1 Landers – \$298,916 for completion of rehabilitation of pressure relief system that was designed in 2013-14.
- CSA 70 W-1 Landers – \$61,600 for completion of rehabilitation of Reservoir A, Site 2 that was initiated in 2013-14.
- CSA 70 W-1 Landers – \$150,000 for radio read meter replacement project that was initiated in 2013-14.

- CSA 70 W-1 Landers – \$150,000 to complete service line replacement project that was initiated in 2013-14.
- CSA 70 W-3 Hacienda – \$50,000 for radio read meter replacement project.
- CSA 70 W-3 Hacienda – \$30,390 for replacement of aged booster station.
- CSA 70 W-4 Pioneertown – \$60,919 for completion of design phase for offsite supply pipeline that was initiated in 2013-14.
- CSA 70 W-4 Pioneertown – \$275,000 for debt payment after grant reimbursement proceeds are received.
- Transfers to Reserves – The following transfers to reserves are also programmed as a result of remaining fund balances following project completion or the cancellation of projects:
 - CSA 70 CG Cedar Glen (\$937) completion of water system improvements project.
 - CSA 70 CG Cedar Glen (\$1,280) completion of water system improvements project.
 - CSA 70 J Oak Hills (\$208) completion of reservoir rehabilitation project.
 - CSA 70 J Oak Hills (\$58,331) cancellation of pump motor installation project.
 - CSA 64 Spring Valley Lake (\$132,900) cancellation of pressure relief valve rehabilitation project.
 - CSA 64 Spring Valley Lake (\$15,739) completion of well #4 rehabilitation project.
 - CSA 70 W-3 Hacienda (\$500) cancellation of mainline valve insertion project.
 - CSA 70 W-4 Pioneertown (\$34,194) cancellation of meter replacement project.
 - CSA 70 W-4 Pioneertown (\$50) cancellation of manifold piping project.

The 2014-15 new projects in the amount of \$9.2 million and carry over projects in the amount of \$11.2 million are included in the department's 2014-15 CIP budgets. These projects will extend the useful life of facilities, ensure continued service of infrastructures, and decrease operating expenses in some cases.

The CIP projects below are programmed in both Capital Projects funds and enterprise funds. CIP projects that support the Department's Water and Sanitation Districts are primarily budgeted in enterprise funds.

SAN BERNARDINO COUNTY FIRE PROTECTION DISTRICT

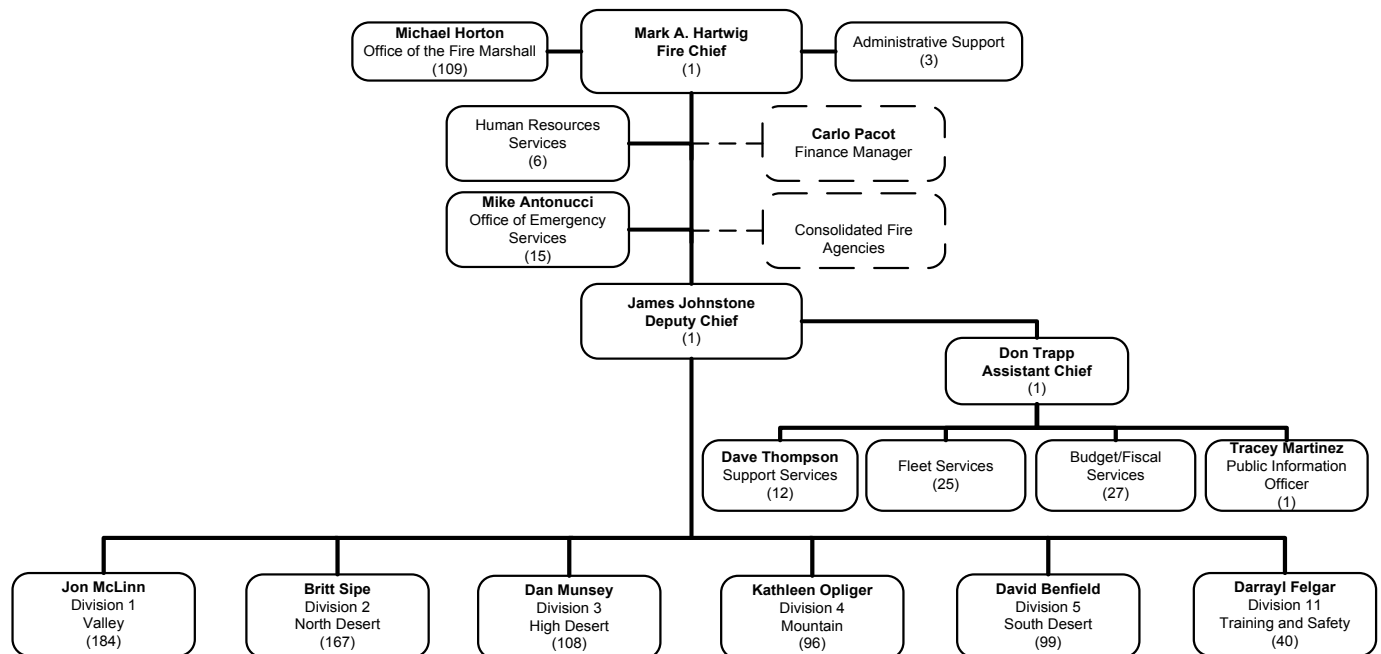

Mark A. Hartwig

DEPARTMENT MISSION STATEMENT

San Bernardino County Fire is a community based all-risk emergency services organization dedicated to the health and well-being of the citizens of San Bernardino County through a balance of regionalized services delivery and accountability to the local community.

ORGANIZATIONAL CHART

2013-14 ACCOMPLISHMENTS

- Presented a balanced budget and minimized service reductions.
- Contracted with the Crest Forest Fire Protection District.
- Implemented a pilot all-risk Airship Program with the Sheriff/Coroner/Public Administrator.
- Implemented an Inmate Fire Crew Program in partnership with the Sheriff/Coroner/Public Administrator.
- Developed an Advanced Life Support First Responder Fee.
- Participated in the State Ground Emergency Medical Transport Program to received Federal funds for the unreimbursed cost of Medi-Cal ambulance transports.
- Integrated all fleet services with County Fleet.

COUNTY GOALS AND OBJECTIVES AND DEPARTMENT PERFORMANCE MEASURES

COUNTY GOAL: MAINTAIN PUBLIC SAFETY

- Objective(s):**
- *Work with all elements of the County's public safety services to reduce costs while maintaining the highest level of service that funding will support.*

- Department Strategy:**
- *Partner with County departments and outside agencies to further develop training programs.*
 - *Establish a new Fire Fighter Trainee classification as the main source of new professional firefighters to be trained in the Fire Fighter Training Academy.*

Measurement	2012-13 Actual	2013-14 Target	2013-14 Actual	2014-15 Target
Number of Inmate Fire Crews.	N/A	5	3	5
Number of Fire Fighter Trainees that successfully complete the Training Academy.	N/A	N/A	N/A	20

COUNTY GOAL: OPERATE IN A FISCALLY-RESPONSIBLE AND BUSINESS-LIKE MANNER

- Objective(s):**
- *Develop a long-term budget plan which brings the County into operational and programmatic balance.*
 - *Invest County resources in ways which create more ongoing revenue to reinvest in maintaining and improving services.*
 - *Implement information management best-practices that will unify technology platforms and move toward a standardized enterprise approach.*

- Department Strategy:**
- *Implement electronic payment options for customers to help reduce delinquent bills.*
 - *Implement electronic patient care reporting and ambulance billing using electronic tablets, web based software, and support from ICEMA to improve collection rate.*

Measurement	2012-13 Actual	2013-14 Target	2013-14 Actual	2014-15 Target
Percentage decrease in delinquent accounts for all fees billed.	N/A	N/A	N/A	30%
Ambulance billing collection rate.	33%	N/A	30%	38%

COUNTY GOAL: PROVIDE FOR THE HEALTH AND SOCIAL SERVICES NEEDS OF COUNTY RESIDENTS

- Objective(s):**
- *To the maximum extent legally allowed, utilize County programs to move participants to self-sufficiency.*
 - *Maximize the utilization of Federal and State programs and funding to address the needs of County residents.*

- Department Strategy:**
- *Convert Limited Term Fire Fighter Paramedics in Fire's ambulance stations to the new, non-safety classification of Ambulance Operator-Paramedic to stabilize the workforce.*
 - *In collaboration and partnership with the Arrowhead Regional Medical Center (ARMC), implement a pilot community paramedic program to reduce hospital readmissions.*
 - *Participate in the Federally funded Ground Emergency Medical Transport (GEMT) cost reimbursement program to reduce General Fund Subsidy.*
 - *Implement billing of First Responder Fee to reduce General Fund subsidy.*

Fire Administration

DESCRIPTION OF MAJOR SERVICES

The San Bernardino County Fire Protection District (County Fire) covers 18,353 square miles, operates 63 fire stations and 11 facilities within four Regional Service Zones (Mountain, North Desert, South Desert and Valley), and serves 64 unincorporated communities, the City of Grand Terrace and the Town of Yucca Valley. Additionally, County Fire provides fire protection services, via contracts, to four cities (Adelanto, Needles, Victorville and Hesperia) and two independent fire protection districts (Crest Forest and Fontana). County Fire's executive management is provided by the Fire Chief, Deputy Chief, Assistant Fire Chief, Fire Marshal, as well as Division Chiefs and Program Managers.

County Fire is an all-risk fire department providing emergency mitigation and management for fire suppression, emergency medical services (paramedic and non-paramedic), ambulance services, hazardous materials (HAZMAT) response, arson investigation, technical rescue including water borne, flooding and mudslide, winter rescue operations, and terrorism and weapons of mass destruction. As part of disaster preparation, response, and mitigation, the Department's Office of Emergency Services specifically provides support and assistance to the 24 cities and towns, as well as all the unincorporated portions of the County. The field functions are supported by a Countywide management system that includes organizational business practices, human resources, financial and accounting services, vehicles services and support, and equipment warehousing and distribution. County Fire also provides for the management of community safety services such as fire prevention, building construction plans and permits, household hazardous waste, Local Oversight Program for hazardous materials, HAZMAT facility inspections, planning and engineering, and public education and outreach.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Requirements of \$23.3 million, which include staffing expenses of \$12.4 million and operating expenses of \$6.8 million, are necessary to provide an adequate level of administrative, finance, and support services for County Fire. Capital expenditures of \$4.8 million reflect County Fire's vehicle, apparatus and other equipment replacement plan. Reimbursements of \$9.4 million primarily represent transfers from County Fire's regional service zones, HAZMAT, Household Hazardous Waste, and the Office of Emergency Services to fund administrative and support services functions. Contingencies of \$7.5 million are available to fund future operations, including capital improvement projects and a full-scale firefighter training academy. Operating transfers out of \$1.1 million primarily include the distribution of funds to the North Desert Regional Service Zone for operational support.

Sources for this budget unit consist principally of property taxes (\$6.8 million); revenue generated from various fees and contract services (\$1.8 million); and other revenue (\$665,916) primarily from the Land Use Services

Department for use of County Fire's Hand Crews. Also included is \$6.1 million of operating transfers in, which represents \$2.9 million from the County general fund to help fund the 2014-15 vehicle replacement program and emergency fuel provision, as well as \$3.2 million from County Fire's capital replacement set-asides to enhance funding for the cost of vehicle purchases and capital improvement projects.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements reflect a net increase of \$2.0 million primarily because reimbursements and staffing expenses are decreasing by \$5.2 million and \$2.8 million, respectively. The decrease in reimbursements is primarily due to County Fire's 16 Battalion Chiefs being transferred to their operational regional service zones. The decrease in staffing expenses is primarily the net result of a savings from the transfer of the Battalion Chiefs, partially offset by a cost increase from the addition of the 14 new positions as described below.

Sources are increasing by \$1.3 million primarily because of additional operating transfers of \$1.1 million from capital replacement set-asides for vehicle purchases and capital improvement projects.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$12.4 million fund 130 budgeted positions of which 100 are regular positions and 30 are limited term positions. The net decrease in staffing of 5 positions reflects the following:

- Addition of 9 Fire Suppression Aide positions due to establishment of Special Operations under the Training and Education Division. These additions, which are primarily for more support to the Land Use fuel clearing program, will increase the Fire Hand Crew to a total of 27 positions.
- Addition of 3 positions (2 Engineers and 1 Captain) to provide full time supervision to the Inmate Fire Crew Program that will be in full force with 5 crews (for a total of 75 inmate participants) by the end of 2015.
- Addition of 1 Nurse Educator to support training of the new career ambulance operator classifications, Advance Life Support First Responder, and other medical related services.
- Transfer in of 1 Collection Officer from Hazardous Materials to consolidate fiscal staff.
- Transfer out of 16 Battalion Chiefs to County Fire's regional service zones for better cost accountability.
- Deletion of 1 Office Assistant III due to an anticipated increase in operational efficiencies for fleet services.
- Net decrease of 2 extra-help positions due to workload considerations.

Mountain Regional Service Zone

DESCRIPTION OF MAJOR SERVICES

The Mountain Regional Service Zone was formed through a reorganization process effective July 1, 2008, per Local Agency Formation Commission Resolution 2997. This regional service zone provides fire protection services to the areas of Angelus Oaks (Station #98), Fawnskin (Station #96), Forest Falls (Station #99), Green Valley Lake (Station #95), and Lake Arrowhead (Stations #91, #92, #93 and #94). Ambulance transport services are provided to the Lake Arrowhead community out of Stations #91, #92 and #94. Fire protection services are also provided to the Crest Forest Fire Protection District through a service contract (Stations #25 and #26). Additionally, within this regional service zone there is one voter approved special tax (Paramedic Service Zone PM-1) that provides funding for services to the community of Lake Arrowhead.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Requirements of \$17.5 million include staffing expenses of \$10.4 million for 96 budgeted positions needed to provide fire protection, paramedic, and administrative services to this regional service zone, as well as operating expenses of \$4.1 million to support the operations of 10 fire stations including costs related to the facilities, equipment, and various services. The most significant sources of revenue for this budget unit are property taxes (\$8.8 million), fee/rate revenue from a fire protection contract, ambulance services, and special assessments (\$5.2 million), and operating transfers in (\$559,991) consisting of \$45,281 from the County general fund to support operations and \$514,710 from capital replacement set-asides for a variety of capital projects.

Within the Mountain Regional Service Zone, there is **Service Zone PM-1 Lake Arrowhead** that is funded by a voter approved special tax authorized by the Board of Supervisors in September 1986 (originally under CSA 70 Zone PM-1). This special tax provides supplemental funding to support paramedic services to the community of Lake Arrowhead. The voter approved special tax was increased by the voters in June 1991, from \$10 to not to exceed \$17 per parcel. For 2014-15, the amount of the special tax is set at \$17 per parcel with a total parcel count of 15,688. Services are provided through Fire Stations #91, #92 and #94. This Paramedic Service Zone is separately budgeted at the organization level within the regional service zone and audited annually.

The Mountain Regional Service Zone also includes a contract with Crest Forest Fire Protection District for services provided by County Fire.

Requirements	Sources	Fund		Staffing
		Balance		

Contract Entity

Crest Forest Fire Protection District	4,229,040	4,229,040	0	23
---------------------------------------	-----------	-----------	---	----

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$752,249, which includes additional staffing expenses of \$611,117 primarily due to the addition of 3 Battalion Chief positions transferred from County Fire Administration; additional operating expenses of \$85,290 due to increases to the Crest Forest Fire contract; decreased operating transfers out of \$591,511 as a result of not having to budget for the cardiac monitor transfer (new units for 2014-15 will be purchased from capital replacement set-asides) and fewer capital projects being managed by the County Architecture and Engineering Department. Contingencies are increasing by \$981,508 for future year costs.

Sources are decreasing by a net amount of \$207,847. Major changes in sources include increases in taxes (\$304,681), and fee/rate revenue (\$474,953) primarily due to the service contract with Crest Forest Fire Protection District. However, these increases are essentially offset by a \$765,066 reduction in operating transfers in due to a decrease in the County general fund subsidy for 2014-15.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$10.4 million fund 96 budgeted positions of which 61 are regular positions and 35 are limited term. The Mountain Regional Service Zone has a net increase of 4 positions as follows:

- Addition of 4 Paid Call positions (1 Captain, 1 Lieutenant, 1 Engineer and 1 Firefighter) to the Crest Forest Fire Protection contract to bring the fire district up to its full fire-fighting capability.
- Transfer in of 3 Battalion Chiefs from County Fire Administration to properly account for the cost of these positions.
- Transfer out of 3 Firefighters to the North Desert Regional Service Zone because the aligning of certain positions to the new classification of ambulance operator resulted in fewer staff being available for firefighting responsibilities in the North Desert Regional Service Zone.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Requirements of \$46.5 million include staffing expenses of \$32.3 million for 284 budgeted positions needed to provide fire protection, paramedic, ambulance transport, and administrative services to this regional service zone, as well as operating expenses of \$12.3 million to support the operations of 26 fire stations including costs related to the facilities, equipment, and various services. The most significant sources of revenue for this service zone are property taxes (\$6.4 million), fee/rate revenue from fire protection contracts, ambulance services and special assessment taxes (\$28.9 million), and operating transfers in of \$8.1 million, which includes County general fund support of \$6.8 million for suppression operations.

Within the North Desert Regional Service Zone, there are four Fire Protection Service Zones (Service Zones): FP-1 Red Mountain, FP-2 Windy Acres, FP-3 El Mirage, and FP-5 Helendale/Silver Lakes that are funded by voter approved special taxes. Each service zone is separately budgeted at the organization level within the regional service zone and audited annually. The following provides more detail of each service zone:

Service Zone FP-1 Red Mountain special tax was originally approved by the Board of Supervisors in December 1964 (originally under CSA 30 Zone FP-1). Service Zone FP-1 provides fire protection services to the community of Red Mountain and is funded by a voter approved special tax not to exceed \$332 per parcel, which was approved in March 1985. For 2014-15, the amount of the special tax is set at \$171 per parcel with a total parcel count of 72. County Fire provides fire protection services to Service Zone FP-1 through a contract with the Kern County Fire Department.

Service Zone FP-2 Windy Acres special tax was originally approved in January 1985 by the Board of Supervisors (originally under CSA 70 Zone FP-2). Service Zone FP-2 provides fire protection services to the community of Windy Acres and is funded by a voter approved special tax not to exceed \$407 per parcel, which was approved in June 1991. For 2014-15, the amount of the special tax is set at \$80 per parcel with a total parcel count of 117. County Fire provides fire protection services to Service Zone FP-2 through a contract with the Kern County Fire Department.

Service Zone FP-3 El Mirage special tax was originally approved by the Board of Supervisors in March 1987 (originally under CSA 38 N Zone FP-3). Service Zone FP-3 provides fire protection services to the community

of El Mirage and is funded by a voter approved special tax (approved in March 1987) for \$9.00 per parcel with no annual inflationary adjustment. This \$9.00 special tax is applicable to a total of 3,562 parcels for 2014-15. Services are provided through Fire Stations #11 and #322.

Service Zone FP-5 Helendale/Silver Lakes special tax was originally approved by the Board of Supervisors in April 2006 (originally under CSA 70 Zone FP-5). Service Zone FP-5 provides for fire protection and paramedic staffing services to the community of Helendale/Silver Lakes and is funded by a voter approved special tax in (approved in June 2006) for \$117 per parcel and includes an annual cost of living increase of up to 3%. For 2014-15, the amount of the special tax is set at \$139.72 per parcel with a total parcel count of 7,661. Services are provided through Fire Station #4.

Within the North Desert Regional Service Zone, County Fire also provides contract services to the cities of Adelanto, Victorville and the Hesperia Fire Protection District.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$3.2 million primarily due to additional staffing expenses of \$2.8 million from the transfer in of 6 Battalion Chief positions from County Fire Administration as well as retirement/benefit increases. Increased reimbursements of \$745,956 are from the Adelanto, Hesperia and Victorville contracts for cost sharing of the Battalion Chief positions. Contingencies increased by \$1.0 million and are available for future year operations.

Sources are increasing by \$2.1 million. Major changes in sources include additional fee/rate revenue of \$470,271 primarily due to increased fire protection contract revenue resulting from retirement and benefit increases. Operating transfers in are increasing by \$1.5 million primarily because of \$1.0 million of financial support budgeted from County Fire Administration for 2014-15.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$32.3 million fund 284 budgeted positions of which 186 are regular positions and 98 are limited term. Staffing increased by a net 9 positions as a result of the following:

- Transfer in of 6 Battalion Chiefs from County Fire Administration to better account for the cost of these positions.
- Addition of 3 Engineers to help maintain the fire-fighting capability of this regional service zone.
- The aligning of certain positions to the new classification of ambulance operator prompted these changes that have no overall effect on budgeted staffing:
 - Transfer in of 3 Firefighters from the Mountain Regional Service Zone.
 - Addition of 18 Ambulance Operators.
 - Deletion of 12 Limited Term Firefighters.
 - Deletion of 9 Paid Call Firefighters.

South Desert Regional Service Zone

DESCRIPTION OF MAJOR SERVICES

The South Desert Regional Service Zone was formed through a reorganization process effective July 1, 2008, per Local Agency Formation Commission Resolution 2997. This regional service zone provides fire protection services and paramedic services, as applicable, to the areas of Big River (Station #17), Black Meadow Landing (Station #55), Havasu Landing (Station #18), Johnson Valley (Station #43), Joshua Tree (Station #36), Landers (Station #19), Panorama Heights (Station #35), Parker Strip (Station #21), Park Moabi (Station #34), Pioneertown (Station #38), Wonder Valley (Station #45), Yucca Mesa (Station #42), and Yucca Valley (Station #41). Fire protection services are also provided to the City of Needles (Station #31) through a service contract, as well as ambulance transport service to Havasu Lake and paramedic service/ambulance transport to Yucca Valley. Additionally, within the South Desert Regional Service Zone are two voter approved special tax fire protection zones that provide additional funding for services to the communities of Wonder Valley and Havasu Lake.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Requirements of \$14.8 million include staffing expenses of \$8.6 million for 99 budgeted positions needed to provide fire protection, paramedic, ambulance transport, and administrative services to this regional service zone. Additionally, operating expenses of \$2.8 million support the operations of 14 fire stations including costs related to the facilities, equipment, various services. The most significant sources of financing for this zone are property taxes of \$5.6 million, fee/rate revenue from contracts and ambulance services of \$2.4 million, and operating transfers in of \$3.4 million, which includes County general fund support of \$3.2 million.

Within the South Desert Regional Service Zone, there are two Fire Protection Service Zones (Service Zones): FP-4 Wonder Valley and FP-6 Havasu Lake that are funded by voter approved special taxes. Each service zone is separately budgeted at the organization level within the regional service zone and audited annually. The following is more information regarding these two Service Zones:

Service Zone FP-4 Wonder Valley special tax was originally approved by the Board of Supervisors in August 1972 (originally under CSA 70 M Zone FP-4). Service Zone FP-4 provides fire protection services to the community of Wonder Valley and is funded by a voter approved special tax of \$30 per parcel (approved in June 2005) with an annual 1.5% inflationary increase. For 2014-15, the amount of the special tax is set at \$33.30 per parcel with a total parcel count of 4,634. Services are provided through Fire Station #45.

Service Zone FP-6 Havasu Lake special tax was originally approved by the Board of Directors of the San Bernardino County Fire Protection District in February 2009. This was the first new service zone created after the County Fire reorganization. Service Zone FP-6 provides fire protection services to the community of Havasu Lake and is funded by a voter approved special tax of \$113 per parcel (approved in May 2009) with an annual 3% cost of living increase. For 2014-15, the amount of the special tax is set at \$124.02 per parcel with a total parcel count of 1,345. Services are provided through Fire Station #18.

Within the South Desert Regional Service Zone, County Fire also provides contract services to the City of Needles.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$2.4 million which includes an increase in staffing expenses of \$1.2 million principally because of the addition of 3 Battalion Chief positions transferred from County Fire Administration. Operating expenses are decreasing by \$607,209 primarily the result of reduced transfers to Administration for the cost of the Battalion Chief positions transferred into this budget unit. Contingencies are increasing by \$2.3 million and are available to fund future year projects.

Sources are increasing by \$140,550, which includes additional Fee/Rate revenue of \$570,164 primarily due to the annual increase in the Needles contract and additional Ambulance and Special Assessment Revenue. These increases are largely offset by a \$514,805 reduction in operating transfers in due to a decrease in County general fund support for suppression operations.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$8.6 million fund 99 budgeted positions of which 54 are regular positions and 45 are limited term. Staffing increased by a net 6 positions as follows:

- Transfer in of 3 Battalion Chiefs from County Fire Administration to better account for the cost of these positions.
- Addition of 1 Lieutenant Paid Call Firefighter (PCF) to help maintain the fire-fighting capability of this regional service zone.
- The aligning of certain positions to the new classification of ambulance operator prompted these changes that have the overall effect of increasing budgeted staffing by 2 positions:
 - Addition of 18 Ambulance Operators.
 - Deletion of 3 Firefighters.
 - Deletion of 9 Limited Term Firefighters.
 - Deletion of 4 Paid Call Firefighters.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Requirements of \$39.9 million include staffing expenses of \$28.5 million for 191 budgeted positions needed to provide fire protection, paramedic, and administrative services to this regional service zone. Additionally, operating expenses of \$7.8 million support the operations of 16 fire stations including costs related to the facilities, equipment, and various services. The most significant financing sources for this zone are property taxes of \$8.4 million, fee/rate revenue from contracts and special assessments of \$23.8 million, and operating transfers in of \$3.7 million, which includes County general fund support of \$3.4 million.

Within the Valley Regional Service Zone, there are two Paramedic Service Zones (Service Zones): PM-2 Highland and PM-3 Yucaipa, which are funded by voter approved special taxes. Each service zone is separately budgeted at the organization level within the regional service zone and audited annually. The following provides additional information for these two Service Zones:

Service Zone PM-2 Highland special tax was originally approved by the Board of Supervisors on July 1985 (originally under CSA 38 L Zone PM-2). Service Zone PM-2 provides paramedic services to the unincorporated area of Highland and the unincorporated area of City of San Bernardino (City) through a contract with the City. The services are funded by a voter approved special tax not to exceed \$19 per residential unit and \$38 per commercial unit, with no annual cost of living rate increase. These not to exceed amounts of \$19 and \$38 have been approved for 2014-15 and are applicable to 5,040 residential units and 237 commercial units.

Service Zone PM-3 Yucaipa special tax was approved by the Board of Supervisors on December 1986 (originally under CSA 38 M Zone PM-3), and the City of Yucaipa detached from the service zone in July 1999. Service Zone PM-3 provides paramedic services to the unincorporated community of Yucaipa through a contract with the City of Yucaipa and is funded by a voter approved special tax not to exceed \$24 per residential parcel and \$35 per commercial parcel (approved in December 1986), with no annual cost of living rate increase. These not to exceed amounts of \$24 and \$35 have been approved for 2014-15 and are applicable to 203 residential units and 63 commercial units.

Within the Valley Regional Service Zone, County Fire also provides contract fire suppression, emergency medical response, and emergency management services to the Fontana Fire Protection District.

<u>Contract Entity</u>				
City of Fontana	23,596,152	23,596,152	0	109

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$4.7 million. Major requirement changes include additional staffing expenses of \$3.8 million primarily due a net increase of 14 budgeted staffing, as described below, and increased retirement/benefit costs. Contingencies are increasing by \$2.1 million and are available to fund future projects.

Sources are increasing by \$2.7 million. Major changes in sources include an additional \$2.9 million in fee/rate revenue primarily because of increased contract revenue from the Fontana Fire Protection District due to a total of 9 regular positions being added. Taxes are increasing by \$517,698 due to more negotiated pass-thru revenue resulting from the dissolution of redevelopment agencies.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$28.5 million fund 191 budgeted positions of which 165 are regular positions and 26 are limited term. Staffing for 2014-15 is increased by 14 positions as follows:

- Addition of 9 positions (3 Captains, 3 Engineers and 3 Firefighters) due to expansion of the Fontana contract for Station #72.
- Transfer in of 4 Battalion Chiefs from County Fire Administration to better account for the cost of these positions.
- Addition of 1 Paid Call Firefighter (PCF) to assist with maintaining the fire-fighting capability of this service zone.

Community Facilities District 2002-2

DESCRIPTION OF MAJOR SERVICES

The County of San Bernardino Board of Supervisors formed Community Facilities District (CFD) 2002-2 (Central Valley Fire Protection District-Fire Protection Services) on August 6, 2002 to ensure a financing mechanism to provide fire protection services within the boundaries of the area formerly known as Central Valley Fire Protection District, which is now part of the Fontana Fire Protection District as a result of the County Fire Reorganization LAFCO 3000 on July 1, 2008. The CFD authorizes a special tax levy each year in the approximate amount of \$565 per developed acre on new non-residential development within CFD 2002-2.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Operating expenses of \$285,500 are budgeted to facilitate the transfer of net proceeds of the special tax levy, minus minor administrative costs, to the Fontana Fire Protection District. These expenses are offset by the special tax levy that is expected to generate revenue of \$285,000 in 2014-15.

BUDGET CHANGES AND OPERATIONAL IMPACT

The CFD is administered by County Fire and all revenue received is passed through to the Fontana Fire Protection District. It is anticipated that this CFD will not have any new annexations or increased costs for 2014-15; therefore, changes to this budget are minimal.

STAFFING CHANGES AND OPERATIONAL IMPACT

There is no staffing associated with this budget unit.

Hazardous Materials

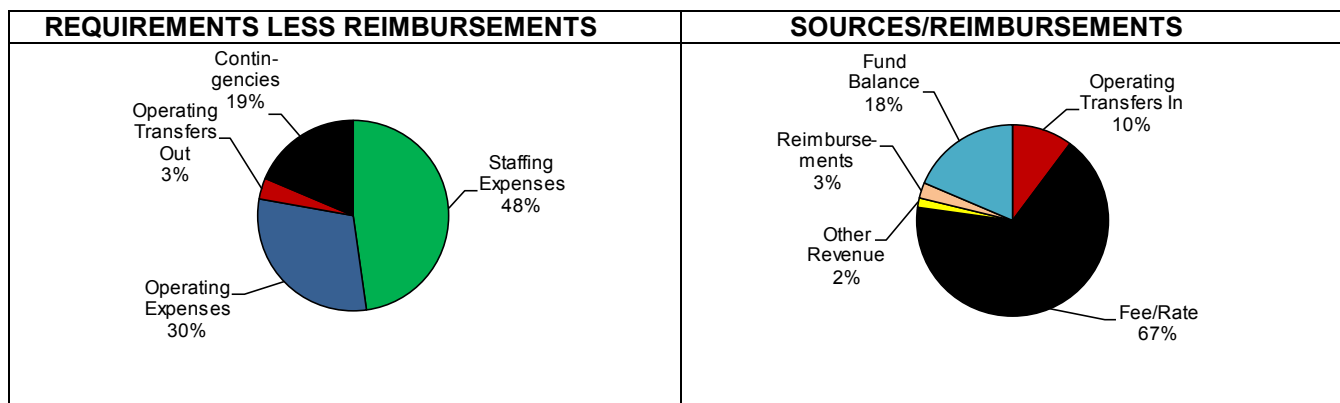

DESCRIPTION OF MAJOR SERVICES

County Fire is an all-risk department that provides for the oversight and regulation of all commercial hazardous materials and wastes. The program administered by the Office of the Fire Marshal provides services in three major areas and these services are provided to all businesses in all cities within the County. The first program is the Certified Unified Program Agency (CUPA) that inspects about 4,000 businesses to ensure the proper management of hazardous materials and wastes in six areas of State regulatory concern. The second program involves the cleanup of contamination from leaking underground storage tanks. Monitoring of about one thousand underground storage facilities has led to the investigation of leaks at hundreds of facilities. Staff in this program is assigned to work with the owner of the facility to provide the best and fastest methods to remove the contamination and protect ground water. The third program provides emergency response to, and investigation of, all releases of hazardous materials. This 24/7 team responds to all types of releases from businesses, pipelines, tanker trucks and rail cars. The team is capable of mitigating the release as well as ensuring that any contamination resulting from the spill or release is remediated below any level of health risk concern. If there is any sign of misconduct, the program contacts the County Environmental Crimes Task Force that coordinates all investigatory activity with the District Attorney's office.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Requirements of \$9.9 million include staffing expenses of \$4.8 million for 43 budgeted positions needed to provide support oversight and regulation of all commercial hazardous materials and wastes within the County. Additionally, operating expenses of \$3.0 million support the operations of the Hazardous Materials program including costs related to facilities, vehicles, and various services. The most significant financing sources for this budget unit are fee/rate revenue of \$6.8 million, which includes health fees, permit/inspection fees and emergency responses, and operating transfers in of \$1.0 million primarily from capital replacement set-asides to fund the digital records imaging project and equipment purchases.

BUDGET CHANGES AND OPERATIONAL IMPACT

Significant changes in requirements include a \$616,864 decrease in staffing expenses primarily because of a net reduction of 6 positions, a \$1.1 million increase in operating expenses for the records imaging project, and a \$619,800 decrease in capital expenditures due to reduced vehicle/equipment purchases planned for 2014-15.

The decrease in sources of \$186,218 reflects reduced fee revenues (\$374,726) and discontinued grant funding (\$52,671), partially offset by additional operating transfers in of \$210,180 from capital replacement set-asides for the records imaging project funded by non-compliance penalties.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$4.8 million fund 43 budgeted regular positions. Hazardous Materials reduced staff by a net 6 positions as a result of time studies to determine time on task for all activities/programs, reassignment of duties, and adjustment for discontinued grant funding. As a result of these actions, the following changes are included in the 2014-15 budget:

- Deletion of 6 positions (1 Hazardous Materials Specialist 3; 1 Supervising Hazmat Specialist; 1 Supervising Hazmat Specialist/HM Responder Team; and 3 Public Service Employees-Office Assistants).
- Transfer out of 1 Collection Officer to County Fire Administration to consolidate fiscal staff.
- Addition of 1 Hazardous Materials Specialist 2.

These staffing changes are being accomplished with negligible impact on service levels because the operational changes increased efficiency and productivity. Additionally, implementation of the California Environmental Reporting System, which created electronic submission of business plans and other processes, resulted in decreased preparation time for inspections and compliance follow up.

Homeland Security Grant Program

DESCRIPTION OF MAJOR SERVICES

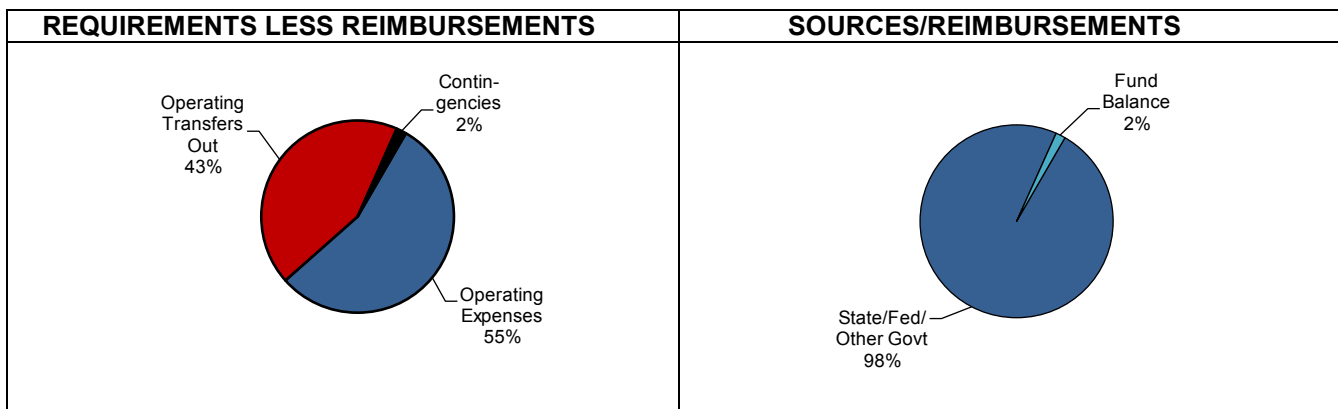

The California Emergency Management Agency, formerly known as Cal EMA, announced on July 10, 2013 the name change to California Governor's Office of Emergency Services (Cal OES). This name change was in accordance with the provisions of the Governor's Reorganization Plan No. 2 (Government Code Section 8585 (a)(1)), dated May 3, 2012. Since 1999, grant funds have been received through Cal OES from the Federal Emergency Management Agency (FEMA) for terrorism risk capability assessments and eligible equipment for Emergency First Responders. The Homeland Security Grant Program (HSGP) is one tool among a comprehensive set of federal measures administered by Cal OES to help strengthen the state against risks associated with potential terrorist attacks. These grants allow San Bernardino County to continue implementing the objectives and strategies of the HSGP and respond to other catastrophic events.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Operating expenses of \$1.7 million primarily represent reimbursements to other budget units and grant sub-recipients for costs incurred in relation to the HSGP. Operating transfers out of \$1.3 million are budgeted to the Sheriff/Coroner/Public Administrator, Public Health and other County departments for the cost of grant-related terrorism risk capability assessments and eligible equipment. Sources of \$3.0 million include revenue from FEMA, through Cal OES, for the HSGP.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements and sources are decreasing by \$3.8 million and \$3.6 million, respectively, due to completion of 2011 and 2012 HSGP projects in prior year.

STAFFING CHANGES AND OPERATIONAL IMPACT

There is no staffing associated with this budget unit.

Household Hazardous Waste

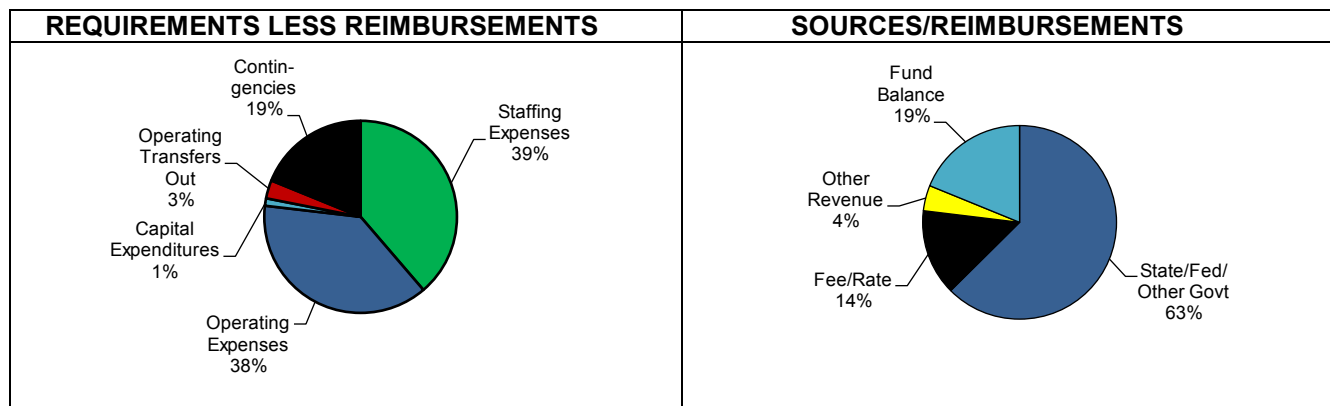

DESCRIPTION OF MAJOR SERVICES

County Fire is an all-risk department that provides a nationally recognized award-winning program for management of Household Hazardous Waste (HHW). This program is administered by the Office of the Fire Marshal. These full service activities include the collection, packaging, transportation, re-use, recycling and ultimate environmentally safe disposal of HHW. The program re-uses or recycles hundreds of thousands of pounds of waste paint, used oil, batteries, pesticides and other household chemicals that can not be put down the drain or dumped in a landfill. The program also conducts public education programs and activities to reduce or eliminate the impact of these hazardous wastes on public health and the environment. With the exception of the City of Fontana, the program contracts with every city and town in the County to make these services available to almost all residents.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Staffing expenses of \$1.5 million fund 33 budgeted positions needed to provide full service activities for the collection, packaging, transportation, re-use, recycling and ultimate environmentally safe disposal of HHW. Additionally, operating expenses of \$1.5 million represent the cost of operations and administrative support to fulfill contracts with the cities and towns to ensure that these services are available to the residents of this County. The primary sources of revenue include \$2.0 million from participating contract cities/towns, \$572,591 generated from fees/rates, and \$457,000 in state grant funds.

BUDGET CHANGES AND OPERATIONAL IMPACT

Capital expenditures are decreasing by \$100,000 due to the completed purchase of a box van in prior year, while contingencies are increasing by \$134,641 and are available for future year costs. Sources are decreasing by \$159,300 primarily because operating transfers in are reduced due to the prior year purchase of the box van.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$1.5 million fund 33 budgeted positions of which 19 are regular positions and 14 are limited term positions. There are no staffing changes for 2014-15.

Office of Emergency Services

DESCRIPTION OF MAJOR SERVICES

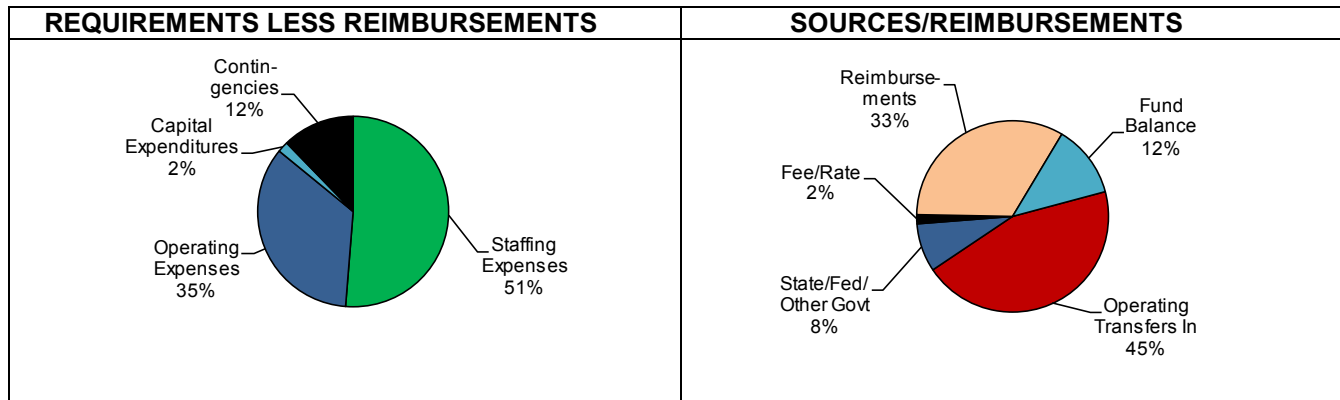

County Fire is an all-risk department providing emergency management and disaster planning and coordination throughout the County through its Office of Emergency Services (OES). OES functions as the Lead Agency for the San Bernardino County Operational Area (OA). While County OES does not directly manage field operations, it ensures the coordination of disaster response and recovery efforts through day-to-day program management and during a disaster or emergency. As part of disaster preparation, response, and mitigation, OES specifically provides support and assistance to all 24 cities and towns, as well as all the unincorporated portions of the County. It is the single point of contact for California Governor's Office of Emergency Services (Cal OES) for all County activities. OES manages numerous grants such as the Homeland Security Grant Program (HSGP) and the Emergency Management Performance Grant (EMPG), among many others. OES is also responsible for developing and implementing numerous County-wide plans such as the Hazard Mitigation Plan, the Mass Care and Shelter Plan, and the Catastrophic Recovery Plan. OES also coordinates various task forces and boards such as the County's Flood Area Safety Taskforce.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Requirements of \$2.4 million include staffing expenses of \$1.8 million for 19 budgeted positions needed to provide emergency management and disaster planning/coordination throughout the San Bernardino County Operational Area. Additionally, operating expenses of \$1.2 million represent support and assistance to all 24 cities and towns, as well as the unincorporated portions of the County, and include costs related to facilities, vehicles, grants, and various services. The most significant source of revenue for this budget unit is a \$1.6 million operating transfer in from the County general fund for financial support.

BUDGET CHANGES AND OPERATIONAL IMPACT

The \$331,984 increase in staffing expenses includes the addition of two new contract positions to effectively staff the County's Emergency Operations Centers. Decreases in operating expenses (\$638,487), reimbursements (\$355,478), and state/federal revenue (\$693,899) are all due to closure of the 2012 and 2013 EMPG grants and completion of the 2011 HSGP and 2012 HSGP projects in prior year. The \$342,033 increase in operating transfers in represents additional County general fund subsidy for support of the recently-opened High Desert Emergency Operations Center.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$1.8 million fund 19 budgeted positions of which 16 are regular positions and 3 are limited term positions. Budgeted staffing for 2014-15 is increased by a net 2 positions as follows:

- Addition of 2 Contract Emergency Services Officers to support the High Desert Emergency Operations Center and the Valley Emergency Operations Center.
- Addition of 2 Office Assistant III positions to perform office clerical job duties.
- Deletion of 2 Public Service Employees replaced by two new regular positions.

In addition to the above, the budget includes one reclassification (Staff Analyst I to Staff Analyst II) to better reflect the duties and responsibilities of that position.

The operational impact of these staffing changes will provide for adequate staffing coverage in order to complete grant projects and allow OES to provide emergency management services to the contract cities of Fontana and San Bernardino.

TERMINATION BENEFITS AND CAPITAL REPLACEMENT SET-ASIDES

Termination Benefits and Capital Replacement Set-Asides are funded with one-time sources of revenue. The amount set-aside for Termination Benefits provides a funding source to offset the costs incurred for employee termination benefits. Capital Replacement Set-Asides are established for specific capital projects or future capital needs, as well as for the purchase of new/replacement vehicles and other equipment.

IN-HOME SUPPORTIVE SERVICES PUBLIC AUTHORITY

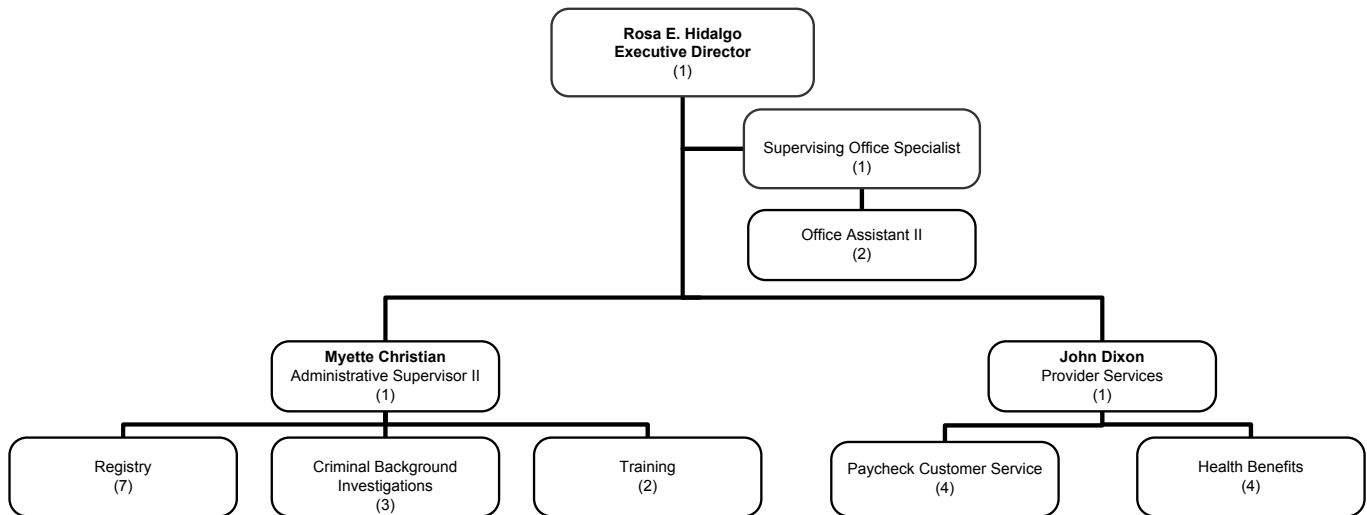

Rosa E. Hidalgo

DEPARTMENT MISSION STATEMENT

In-Home Supportive Services Public Authority improves the availability and quality of Homecare in the County of San Bernardino.

ORGANIZATIONAL CHART

2013-14 ACCOMPLISHMENTS

- Transitioned several provider services from the Department of Aging and Adult Services to the In-Home Supportive Services Public Authority (IHSS) during January 2014. Services included provider orientation, enrollment, payroll customer service, and employment verifications which includes worker's compensation.
- Successful agreement with the Service Employees International Union United Healthcare Workers West (SEIU-UHW) for the period of July 2013 through December 2014.
- Implemented the Coordinated Care Initiative through agreement with Inland Empire Health Plan and Molina Healthcare.
- Processed over 6,750 criminal background reports through the Criminal Background Investigations Unit to comply with State of California's IHSS fraud initiative.
- Assisted over 1,644 IHSS recipients in finding a caregiver to remain safely in their home avoiding institutional placement.
- Developed consumer training program to provide increased interviewing and supervising skills in order to hire and supervise caregivers. Most of our consumers in this program are new to IHSS. Over 200 consumers were able to complete this training.

In-Home Supportive Services – Public Authority

DESCRIPTION OF MAJOR SERVICES

The In-Home Supportive Services (IHSS) program was created in 1973 to serve elderly, blind, and/or disabled individuals who are not able to remain safely in their home without assistance. Section 12302.25 of the Welfare and Institutions Code (WIC) mandates that each county, on or before January 1, 2003, must act as, or establish, an employer of record for collective bargaining purposes for IHSS care providers. The IHSS Public Authority (PA) was established to comply with this mandate.

In addition to its role in collective bargaining, the IHSS PA is required by WIC to provide the following mandated services:

- Establish a registry of potential care providers.
- Investigate the background and qualifications of potential care providers.
- Refer potential care providers from the registry to IHSS consumers upon request.
- Provide training for both IHSS care providers and consumers.
- Perform other functions related to the delivery of IHSS as designated by the governing board.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Requirements of \$8.2 million are made up of the following:

- Staffing expenses of \$1.3 million which funds 26 positions.
- Operating expenses of \$4.5 million which consists of licensing and maintenance costs of the annual registry and provider health benefits database, provider and staff training, provider background investigations and finger printing, COWCAP, and payments for provider health benefits.
- Contingencies of \$1.4 million established to guarantee appropriate cash flow due to retroactive reimbursements from federal and state funding sources.
- Operating transfers out of \$1.0 million which represents the required local share match for Public Authority (PA) administration and health benefits paid to the State as part of the new mandated Maintenance of Effort (MOE) agreement. The HS Administrative Claim budget unit makes the entire match payment to the State for all IHSS MOE components.

State, federal, and other government aid revenue and other revenue of \$5.8 million represents the state and federal mandated share of PA expenditures.

Operating transfers in of \$1.0 million represent the match mandated by State legislation due to the recent changes made to the IHSS MOE funding structure. This is funded with 1991 Social Services Realignment transferred from the HS Administrative Claim budget unit.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$202,845, which includes an increase in staffing expenses of \$150,863 as a result of adding 7 new positions. The PA took responsibility for IHSS provider payroll, enrollment and orientation from the Department of Aging and Adult Services and will be adding an additional Office Assistant position due to overall workload needs. The cost of 6 of the 7 positions is directly abated by Aging and Adult Services, offsetting the overall increase in cost. Operating expense is increasing by \$18,287 to replace all computers and upgrade existing software and other miscellaneous increases.

Sources are increasing by \$203,275 due to an increase in available federal/state funding of \$168,650. Realignment is decreasing by \$975,000 due to an accounting adjustment that reclassifies this source as an operating transfer in. Overall realignment usage is increasing by 3.5% or \$34,125, from \$975,000 to \$1,009,125, as mandated by State legislation with the recent changes made to the IHSS MOE funding structure.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$1.3 million fund 26 limited term budgeted positions. Due to new responsibilities mandated by State and Federal agencies, such as the Cal MediConnect initiative, the Affordable Care Act, and new Federal legislation on overtime and services for homecare workers, the department required a restructuring of existing staff to be able to adequately cover the new work requirements. Detailed changes are outlined below:

In 2014-15 the PA will take over Provider Payroll, Enrollment and Orientations from the Department of Aging and Adult Services and have added the following positions to meet the increased workload:

- 3 Contract Office Assistant IV
- 2 Contract Office Assistant III
- 2 Contract Office Assistant II

ECONOMIC AND COMMUNITY DEVELOPMENT CORPORATION

Mary Jane Olhasso

DESCRIPTION OF MAJOR SERVICES

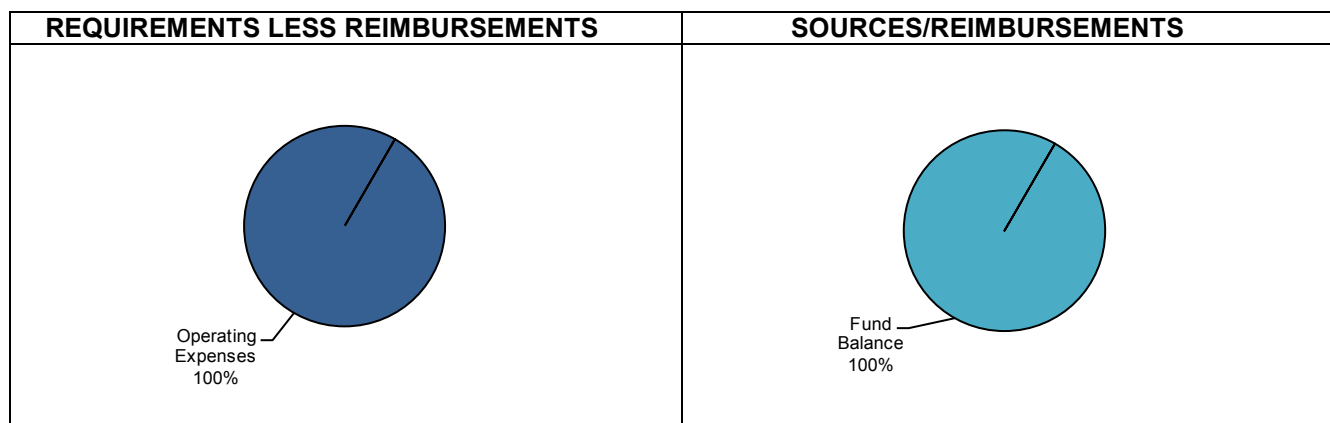

In September 1987, the Board of Supervisors formed the County of San Bernardino Economic and Community Development Corporation to provide additional methods of financing the acquisition of property, for and on behalf of private enterprise, to promote and enhance economic development and increase opportunities for useful employment. On May 8, 2012 (Item #45), the Board of Supervisors amended the Articles of Incorporation and the By-Laws to enable the Corporation to establish an Advisory Board that would comply with the requirements for designation as a Community Development Entity (CDE) by the Community Development Financial Institution Fund of the United States Department of the Treasury. The Corporation was designated as a CDE in December 2012. The Corporation will apply for New Market Tax Credits, as they become available, which if awarded will be used to attract investments in businesses located in eligible census tracts.

The annual Economic and Community Development Corporation budget provides for professional services related to the issuance of bonds, promotion of the financing program and other program related costs. Economic and Community Development Corporation is a function of the Economic Development Agency.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Operating expenses of \$93 represent costs associated with maintaining the Economic and Community Development Corporation. If a decision is made to issue bonds or to expand the existing services the budget would be modified to increase operating expenses for costs associated with the issuance of bonds, the expanded services and/or other related costs. The increase in operating expenses would be offset by a budget adjustment for the anticipated revenue.

BUDGET CHANGES AND OPERATIONAL IMPACT

Since no bonds are planned to be issued due to low market interest rates, total requirements reflect the available fund balance.

STAFFING CHANGES AND OPERATIONAL IMPACT

There is no staffing associated with this budget unit.

COUNTY INDUSTRIAL DEVELOPMENT AUTHORITY

Mary Jane Olhasso

DESCRIPTION OF MAJOR SERVICES

In March 1981, the Board of Supervisors created the San Bernardino County Industrial Development Authority (CoIDA) to issue tax-exempt industrial bonds for the furtherance of economic development and the creation of new jobs within the County. The annual CoIDA budget typically provides for funding for the cost of professional services related to the issuance of bonds, promotion of the financing program and other program related costs. CoIDA is a function within the Economic Development Agency.

INLAND COUNTIES EMERGENCY MEDICAL AGENCY (ICEMA)

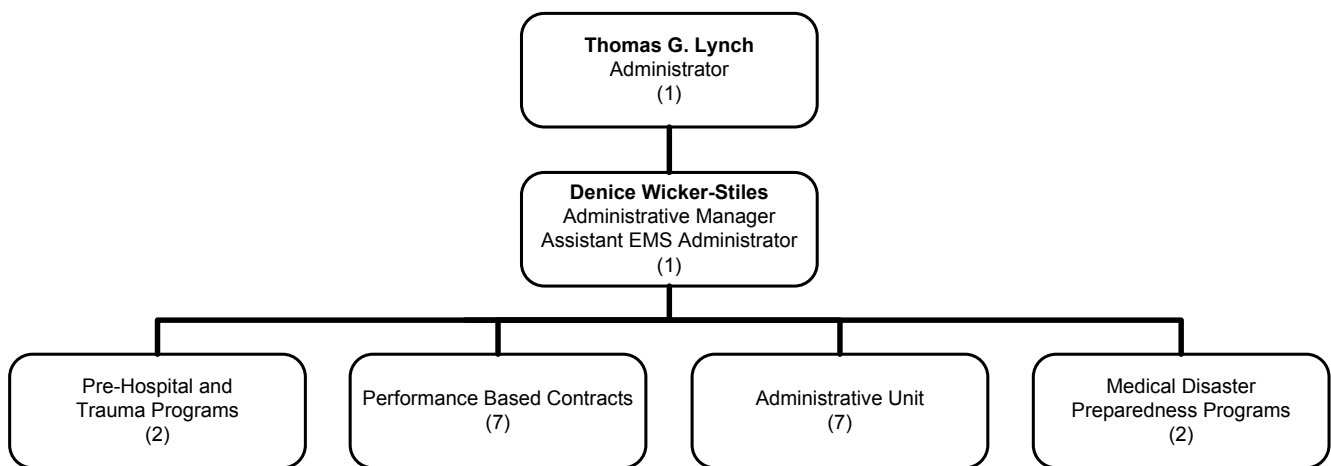

Thomas G. Lynch

DEPARTMENT MISSION STATEMENT

Inland Counties Emergency Medical Agency ensures an effective system of quality patient care and coordinated emergency medical response by planning, implementing, and evaluating an effective emergency medical services system including fire departments and public ambulances, pre-hospital providers, and hospitals, including specialty care hospitals, such as trauma and cardiac care hospitals.

ORGANIZATIONAL CHART

2013-14 ACCOMPLISHMENTS

- Expanded data collection and participation in the electronic patient care record management system in order to increase the efficiency and effectiveness of the County's Emergency Medical Services (EMS) system and provided real-time patient care data for quality care and medical control.
- Developed a service contract with the California Emergency Medical Services Authority to fund development of a statewide data repository. ICEMA subsequently submitted nearly one million EMS patient care records collected statewide to the national database, marking the first data submission for the state of California.
- Developed a service contract with the California Emergency Medical Services Authority to fund development of a health information exchange between prehospital personnel and hospitals for improved patient care.
- Reorganized stakeholder committees to increase stakeholder input and improve staff efficiency and effectiveness.

COUNTY GOALS AND OBJECTIVES AND DEPARTMENT PERFORMANCE MEASURES

COUNTY GOAL: PROVIDE FOR THE HEALTH AND SOCIAL SERVICES NEEDS OF COUNTY RESIDENTS

Objective(s): • *Maximize the utilization of Federal and State programs and funding to address the needs of County residents.*

Inland Counties Emergency Medical Agency

DESCRIPTION OF MAJOR SERVICES

The Inland Counties Emergency Medical Agency (ICEMA) was developed under a Joint Powers Agreement with San Bernardino, Inyo and Mono Counties. ICEMA is responsible for ensuring effective emergency medical services for the three County areas. Specifically, they are charged with the coordination, evaluation and monitoring of emergency medical services within public and private pre-hospital providers, specialty hospitals, paramedic base hospitals, as well as the effectiveness of Emergency Medical Services (EMS) educational programs and medical disaster preparedness.

MAJOR EXPENDITURES AND REVENUE IN 2014-15 ADOPTED BUDGET

Staffing expenses of \$2.0 million fund 20 budgeted positions.

Operating expenses of \$1.6 million are primarily comprised of other professional and specialized services (\$177,000), Hospital Preparedness Program expense (\$179,639), computer software and hardware expense (\$167,810), services and supplies transfers out for building lease expenses (\$436,859), and COWCAP (\$122,361).

Sources of \$3.7 million are primarily comprised of fees for current services, performance based contract revenues and state and federal grant funds.

BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$913,909 due to the reduction in the purchase of equipment and supplies for the Hospital Preparedness Program, a reduction in computer software expenses, and elimination of a one-time operating transfer out, offset by an increase in contingencies.

Sources are decreasing by \$832,824 as a result of decreased federal, state and SB612/1773 (Maddy) funding.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$2.0 million fund 20 budgeted positions, of which 16 are regular positions and 4 are limited term positions. Despite increases to benefit costs, a small overall reduction occurred due to the elimination of one contract position.

CAPITAL IMPROVEMENT PROGRAM

Gary McBride

MISSION STATEMENT

The Capital Improvement Program receives and evaluates capital expenditure requests, recommends priorities for the acquisition or improvement of land, facilities and infrastructure, oversees and monitors major capital projects, and guides growth and change of County facilities and infrastructure by anticipating future needs.

ORGANIZATIONAL CHART

SUMMARY OF BUDGET UNITS

Funding for capital projects is included in the Architecture and Engineering Department (A&E) Capital Improvement Program (CIP) funds, and specific Arrowhead Regional Medical Center (ARMC), Airports, Regional Parks, Transportation, and Solid Waste Management CIP funds.

DESCRIPTION OF MAJOR SERVICES

The Capital Improvement Program (CIP) is an internal planning tool administered by the County Administrative Office (CAO) to provide the Board of Supervisors (Board) with information to assist in the decision-making process for the allocation of limited resources to capital projects. The CIP provides for the acquisition, construction, reconstruction, initial fixtures and equipment, renovation, rehabilitation or replacement of facilities or equipment with a life expectancy of at least five years and capital costs in excess of \$5,000. The program:

- Receives and evaluates requests to lease or expand leased space or to vacate, occupy, alter, remodel or construct County-owned space, land, or facilities;
- Recommends priorities for capital projects based on criteria in the Capital Budget Policy for government facilities, regional parks, airports, transportation, and solid waste facilities;
- Prepares the annual CIP budget, monitors and directs implementation of approved projects through the Architecture and Engineering (A&E), Real Estate Services, Airports, Regional Parks and Public Works departments;
- Provides direct oversight for major capital projects;
- Develops and implements facility standards and maintains land and building inventories;
- Performs long-range planning to:
 - Link department capital and operational budget plans to Countywide strategic plans,
 - Conduct physical condition assessments through periodic surveys of facilities to identify major, large-scale projects to repair and rehabilitate County assets,
 - Identify opportunities for energy efficiencies, life-cycle increases, and maintenance cost reductions,
 - Identify future space and infrastructure needs of the County,
 - Develop formal estimates of costs and seek adequate project funding,
 - Identify opportunities for public-private partnerships for the development of County facilities, and
 - Identify and develop estimates of major maintenance and repairs needed to county facilities.

The CIP section of the budget book includes:

- A summary of new projects administered by A&E, the Department of Public Works (DPW) – Transportation and Solid Waste Management Divisions, and small capital projects managed by other County departments
- A status of large, multi-year carryover construction projects managed by A&E, and
- A five-year capital plan for major maintenance and repairs of the County's facilities, including roofing, paving, heating, ventilation and air conditioning, interior and exterior renovations, and infrastructure projects.

Information on CIP projects for Special Districts, managed by Special Districts, are found in the Special Districts Department section of this budget book. Information on CIP projects for the Flood Control District, managed by the Flood Control District, are found in the Operations and Community Services section of this budget book.

BUDGET HISTORY

The County's CIP is funded by the County general fund and various other funding sources:

- **Discretionary General Funding:** Projects managed by A&E include general rehabilitation and repair projects based on a five-year capital plan for County facilities and structures. These are funded utilizing an annual ongoing base budget of Discretionary General Funding which is currently \$12.0 million. Additional major projects may be funded from one-time Discretionary General Funding for acquisition, construction or major remodel projects.
- **Department/Other Funding:** A&E also manages department funded projects where the underlying funding source is from a general fund department or from a funding source over which the Board has discretion (such as realignment, fines and forfeitures, or internal service funds such as Risk Management and Fleet Management), or is from a dedicated source for a specific purpose (such as grants, Inmate Welfare Fund, enterprise funds, Courts, Library, fees, dedicated gas and sales tax, and state and federal aid).

The amount of Discretionary General Funding (Net County Cost) allocated for CIP varies annually based on available one-time funding. The following chart demonstrates the Board's commitment in recent years to address the backlog of deferred maintenance projects and new investment in Capital facilities and projects. General fund contributions to CIP over the past five years total **\$240.5 million**, which includes both the ongoing allocation primarily used for maintenance, rehabilitation and repair projects, and additional allocations, both ongoing and one-time for additional capital projects. Contributions have averaged approximately \$48.1 million per year.

CIP funds are budgeted in various capital budget units and expended in various capital asset object codes for County-owned facilities: 4005-Land, 4010-Improvements to Land, 4030-Structures and Improvements to Structures, 4040-Equipment and 5010/5012-Transfers. The CIP budget also includes funding for non-owned facilities: 3305-Contributions to Other Agencies (for various city or community sponsored deferred maintenance/infrastructure capital projects that provide benefits to County residents), and 3310-Contributions to Non-Owned Projects (generally Community Development and Block Grant funded projects also administered by A&E).

IMPACT OF CAPITAL IMPROVEMENT PROJECTS ON OPERATING BUDGETS

The County has a separate capital budget policy. This policy directs that project proposals should indicate the project's impact on the operating budget, including, but not limited to, long-term maintenance and operational costs necessary to support the facility. The plan for funding projected staffing, operation and maintenance, and utility costs must be identified as part of the approval process for each capital project.

Operational impacts resulting from new construction, major remodels, and expansion projects, such as operating expenses and new staffing costs, are summarized in the discussion of the individual new and carryover projects that follow.

Operating expenses such as maintenance, grounds, custodial and utility costs are budgeted in the Real Estate Services Department - Facilities Management and Utility budgets. County departments reimburse these costs quarterly or through the Countywide Cost Allocation Plan. New staffing and other operational costs incurred as a result of new construction, expansions or major remodels are budgeted in the individual County department budgets.

2014-15 ADOPTED BUDGET

On January 6, 2014, County departments were requested to submit CIP requests for Discretionary General Funding for 2014-15. The CAO received 166 requests from 21 departments with an estimated total project cost of \$152.0 million. Departments submitting more than one CIP request prioritized their requests. CIP requests were also submitted by A&E, Facilities Management and Regional Parks for general maintenance and repair capital projects. Projects were evaluated and prioritized by representatives from the County Administrative Office (CAO), Real Estate Services, A&E and Facilities Management.

The base budget allocation for CIP for 2013-14 was \$12.0 million. Based on the submittals, for 2014-15, the CAO recommended that the base budget allocation for CIP remain the same. This funding level allows the County to continue to invest in County building assets for maintenance and repairs at an acceptable level.

The following are funded from the Discretionary General Funding base budget allocation of **\$12.0 million** for major maintenance, repair and rehabilitation projects for 2014-15:

- Deferred Maintenance \$3.6 million**
 - Minor CIP Program – This program will address minor deferred or unscheduled maintenance projects for County facilities in the total amount of \$2,398,564. One project will replace the sewage ejection pump at the 303 Building located at 303 W. 3rd Street in San Bernardino (\$40,000). The balance of the funding will be for projects identified and implemented as they occur during the year.
 - Regional Parks Improvement Program – This program will address various deferred maintenance or infrastructure improvement projects at Regional Park facilities in the total amount of \$1,000,000. Seven projects are funded at Glen Helen, Calico, Mojave Narrows, Cucamonga-Guasti, and Yucaipa Regional Parks for 2014-15.
 - Exterior Renovation Program - This program will make various improvements to renovate building exteriors in the amount of \$160,000. Three projects are currently planned: Apple Valley Library Exterior Repair/Painting/Wet Seal Windows (\$100,000); Barstow Library Exterior Painting (\$35,000); and Twin Peaks Building Wet Seal Windows (\$25,000).
 - Needles Complex/Courthouse Exterior Reseal and Paint – This project will reseal and paint the exterior of the Needles Courthouse and County Building located at 1111 Bailey Avenue. The funding sources are Discretionary General Funding of \$59,545 and the Administrative Office of the Courts (AOC) (\$30,455) for the Court's share of capital costs.
 - Big Bear Courthouse Exterior Repair/Painting – This project will paint the exterior of the courthouse. The funding sources are Discretionary General Funding of \$31,544 and the AOC (\$8,456) for the Court's share of capital costs.
- Heating, Ventilation and Air Conditioning (HVAC) \$2.4 million**
 - HVAC Program - Three HVAC projects in the total amount of \$2,145,000 are planned for 2014-15: County Government Center HVAC Modifications-1st and 2nd Floors (\$1,500,000); Countywide-Variou-HVAC Control Upgrades (\$500,000); and 303 Building Fan Coil Units for IDF Rooms (\$145,000).
 - County Government Center (CGC) Central Plant Cooling Tower, Pumps, Electrical and Controls – This project will replace a cooling tower, pumps, electrical and controls at the CGC Central Plant located at 351 N. Arrowhead Avenue in San Bernardino. The funding sources are Discretionary General Funding of \$235,900 and the AOC (\$114,100) for the Court's share of capital costs.
- Interior Renovations/Remodels \$1.9 million**
 - Coroner Building Expansion Project – This project will expand the Coroner Building approximately 3,800 square feet. The funding source is Discretionary General Funding of \$1,415,000. Additional operating costs for the expansion area are approximately \$23,000 annually.

- Interior Renovation Program – Funding of \$461,987 will renovate interior spaces in County buildings: Intern Housing Gilbert Street Repairs to Various Buildings (\$202,987); Countywide Conference Room Upgrade (\$100,000); and CGC Rotunda Painting (\$30,000); and leave a portion of funding unallocated (\$129,000) for other interior renovation projects as they are identified.
 - Sheriff's Scientific Investigations Division Remodel – This project will remodel the Scientific Investigations Division space located at 200 S. Lena Road in San Bernardino. The funding source is Discretionary General Funding of \$110,000.
- **County Buildings Acquisition and Retrofit Project** **\$1.6 million**
 - Funding in the total amount of \$1,600,000 is added to the Buildings Acquisition and Retrofit Project for paving, sidewalks and new landscaping improvements to the CGC Campus (\$1,000,000) and Energy Management Controls (EMC) for the 268 Building (\$600,000) in San Bernardino.
- **Infrastructure** **\$0.7 million**
 - Site Infrastructure Program - Seven projects in the total amount of \$660,000 will improve site infrastructure: San Bernardino-Gilbert Street-Water Line Repairs/Replacements (\$350,000); Parker Sheriff's Residence Post Construct Garages (\$100,000); San Bernardino Mtn. View Sidewalks (\$50,000); San Bernardino Gilbert Street Vaults (\$25,000); Countywide Backflow Cages (\$50,000); Fontana Office Building Remove and Replace Sidewalks (\$50,000); and San Bernardino Phoenix Building Remove and Replace Westside Patio (\$35,000).
- **Paving** **\$0.6 million**
 - Pavement Management Program - Three paving projects in the total amount of \$340,000 are funded for 2014-15: Havasu Landing Pavement Rehabilitation (\$120,000); Twin Peaks Building Pavement Rehabilitation or Repair/Slurry and Stripe (\$120,000); and Gilbert Street Complex Roadways (\$100,000).
 - Rancho Courthouse Pavement Rehabilitation – This project will rehabilitate the pavement at FLJC. The funding sources are Discretionary General Funding of \$191,600 and the AOC (\$608,400) for the Court's share of capital costs.
 - Victorville Courthouse Parking Lot Rehabilitation - This project will rehabilitate the parking lot at the Victorville Courthouse. The funding sources are Discretionary General Funding of \$90,860 and the AOC (\$109,140) for the Court's share of capital costs.
- **Building System Improvements** **\$0.6 million**
 - Boiler Replacement Program – One project in the total amount of \$565,000 will replace domestic water/heating hot water storage tanks at West Valley Detention Center.
- **Roofing** **\$0.3 million**
 - Roofing Repairs/Replacement Program – Three projects in the total amount of \$250,000 are funded for 2014-15: Coroner Roof Repairs (\$100,000); Preschool Services-1499 Tippecanoe Roofing Repair (\$80,000); and Barstow Public Health Roof Leak (\$70,000).
- **Health/Safety/Americans with Disabilities Act (ADA)** **\$0.3 million**
 - Americans with Disabilities Act (ADA) Program – This program will make ADA improvements to County facilities in the total amount of \$160,000. Two projects are planned: Lake Gregory Regional Park South Shore Entry ADA Improvements (\$50,000); and Public Works Buildings ADA Path of Travel (\$50,000). The balance of the funding will be for projects identified and implemented as they occur during the year.
 - Fire/Life Safety Program – This program will address fire/life safety projects for County facilities in the amount of \$125,000. Projects are identified and implemented as they occur during the year.

The 2014-15 new projects will extend the useful life of facilities, remove potential hazards and reduce liability, and decrease operating expenses in some cases.

In addition to the base budget of \$12.0 million funded from ongoing Discretionary General Funding, additional ongoing Discretionary General Funding of \$20.0 million for the 800 Megahertz (MHz) Upgrade Project and additional one-time Discretionary General Funding of \$3.7 million was allocated for the following projects:

• **Construction/Land Acquisition**

\$23.7 million

- 800 MHz Upgrade Project – This project will address the upgrade of the aging 800 MHz digital radio system. The Board previously approved redirecting an annual allocation for Future Space Needs to fund this project. The total estimated project cost has been adjusted from \$175.0 million to \$158.2 million with a project duration of seven years. \$24.0 million was funded in 2010-11, \$20.0 million in 2011-12, \$20.0 million in 2013-14; and \$20.0 million is included in the 2014-15 CIP.
- Acquisition of Land in Colton – This project is to acquire 6.64 acres of land adjacent to the Arrowhead Regional Medical Center (ARMC) from the Colton Joint Unified School District in the amount of \$2,170,000 plus \$30,000 for escrow, title, and staff time related to the purchase for a total of \$2.2 million. The property may be available to meet future parking and facility expansion requirements for ARMC. Until such time as future projects are identified, annual ongoing maintenance costs, consisting primarily of weed control, will be minimal to maintain the land.
- 210 Lena Road Complex Repaving Project – This project in the total amount of \$2.85 million will rehabilitate the concrete and asphalt for the Fleet Management/County Fire/Public Works Complex at Third Street and Lena Road in San Bernardino. The project is funded by Discretionary General Funding in the amount of \$1,398,564 and Fleet Management's Internal Service Fund Retained Earnings (\$1,451,436). Rehabilitation of the parking lots and roads will reduce ongoing maintenance costs for the facilities.
- ARMC Detainee Monitoring Facilities Design Project – This project in the amount of \$100,000 will provide the design to remodel detainee facilities at the ARMC. The funding source is Discretionary General Funding.

In addition to the Discretionary General Funding projects identified above in the total amount of **\$35.7 million**, other new projects will be funded from other sources in the total amount of **\$16.9 million** including department funded projects for a grand total of **\$52.6 million** in new projects administered by A&E. The Department of Public Works (DPW) will administer various new Transportation projects in the amount of **\$23.2 million** funded with \$5.6 million in Discretionary General Funding and \$17.6 million funded by various other sources. DPW will also administer Solid Waste Management new projects in the amount of **\$12.0 million** funded by Solid Waste department sources. In addition, various departments will manage smaller CIP projects with total departmental funding of **\$1.7 million** with oversight and inspection provided by A&E as needed. In 2014-15, the total budget for new CIP projects is **\$89.5 million**.

The following chart demonstrates the allocation of funding sources for all new projects funded in CIP for 2014-15:

Table 1 provides a summary of all new CIP projects for 2014-15.

REVIEW OF CARRYOVER PROJECTS

Large capital projects often span more than one fiscal year and project balances are carried over annually until project completion. Carryover projects administered by A&E have projected carryover balances of approximately \$156.5 million. Carryover projects administered by the Department of Public Works have carryover balances of \$36.4 million. Table 2 provides a summary of all Carryover Projects.

Following is a status of the large carryover construction projects administered by A&E:

Project	Total Project Cost	Carryover Balance
<p>800 MHz Upgrade Project</p> <p>In 2011-12, the Board approved an annual set aside to fund an 800 MHz digital radio system upgrade for public safety. \$64.0 million had been allocated to this project through 2013-14. Approximately \$5.0 million had been expended for infrastructure to support the upgrade at the High Desert Government Center Public Safety Operations Center (\$4.8 million) and for a consultant agreement with Motorola for pre-project planning (\$220,000), leaving approximately \$59.0 million available as of December 17, 2013 when the Board approved a project budget of \$158.2 million (Item No. 107); approved Motorola and Aviat Networks' recommended project plans; amended Motorola's agreement to a not-to-exceed amount of \$95.6 million; approved an agreement with Aviat Networks in an amount not to exceed \$27.7 million for equipment and services; and approved purchase orders in the amount of \$1.5 million annually for maintenance and support. Approximately \$15.0 million was expended January through June 2014 for digital radios and various equipment (\$13.8 million) and for antenna site upgrades at seven locations (\$1.4 million) leaving a carryover balance of \$44.0 million. An additional \$20.0 million is funded in 2014-15 bringing the total allocated to this project to \$84.0 million with a total of \$20.0 million expended to date.</p> <p>The upgrade project will be implemented in five phases over a seven-year period. Aviat Networks is in the process of completing microwave path surveys to ensure the Motorola upgraded radio system will be successfully interconnected. Phase I to acquire/lease new sites and modify leases for existing sites for tower construction and upgrades, and the procurement of digital radios and various equipment from Motorola with features and capabilities that improve law enforcement safety are already underway.</p> <p>Operational Impact: There are no additional staffing costs associated with this project. Ongoing lease and operations and maintenance costs for additional radio communication sites will be determined as the project progresses. Information Services Department Telecommunications budget (IAM ISD) costs are based on annual Board approved Internal Service Fund rates and reimbursed by numerous internal and external public safety radio system users.</p>	<p>\$158.2 million</p>	<p>\$44.0 million</p>
<p>High Desert Detention Center (formerly Adelanto Detention Center) Expansion Project</p> <p>In December 2010, the Board approved the project budget of \$120.0 million and awarded a construction contract for the 1,368 bed expansion of the High Desert Detention Center located in Adelanto. In 2012-13, the Board approved three increases bringing the total construction budget to \$144.0 million. In addition, the Sheriff anticipates transition planning costs of \$1.5 million bringing the total project cost to \$145.5 million. The project is funded with a combination of a grant from the State of California under the Public Safety and Offender Rehabilitation Services Act of 2007 (AB900) and by the County from the Future Space Needs Reserve. The current estimate of the State's share of the project cost is \$100.0 million. The County's total share of the one-time projected cost is \$45.5 million. Construction commenced in January 2011 and completed January 2014, although there are project close-out items still pending.</p>	<p>\$145.5 million</p>	<p>\$3.2 million</p>

Project	Total Project Cost	Carryover Balance
<p>High Desert Detention Center (formerly Adelanto Detention Center) Expansion Project (Continued)</p> <p>Operational Impact: Estimated annual staffing costs and operating costs are \$39.1 million. It is anticipated the full operation of this facility will be phased in over a period of time depending on availability of funding and will be included within the Sheriff Department's budget allocation. In the 2014-15 budget, \$11.5 million in ongoing Discretionary General Funding is allocated for phase one staffing of the facility.</p>		
<p>County Buildings Acquisition and Retrofit Project</p> <p>In 2011-12, the Board allocated one-time Discretionary General Funding of \$30.0 million to acquire and complete tenant improvements to existing buildings and to complete the seismic retrofit and modernization of certain existing buildings in San Bernardino. Since that time, additional funding of \$18.2 million has been added from Discretionary General Funding (\$14.5 million, including \$4.5 million for acquisition of office space in Victorville) and funding from existing CIP projects and Program budgets (\$3.7 million), bringing the total funding to \$48.2 million. The 2014-15 budget allocates an additional \$1.6 million from the annual ongoing base allocation for the CIP to this project for a total of \$49.8 million funded to date.</p> <p>Activities during 2013-14 included completion of parking studies, acquisition of a 14,167 square foot existing office building in Victorville for the District Attorney, planning for County Government Center (CGC) campus improvements, and selection of design-build contractors for the remodel of the 303 W. 3rd Street and 268 Hospitality Lane buildings in San Bernardino. In 2014-15, improvements will be completed for the 303 and 268 Buildings; design will be completed for the 222 Hospitality, 316 Mtn. View Avenue buildings, and for the CGC campus street and parking lot improvements.</p> <p>The project is estimated to take four years to complete. The current estimated total cost of the project is \$85.0 million for San Bernardino and \$4.5 million for Victorville for a total of \$89.5 million. Approximately \$39.7 million is not currently funded. It is anticipated that \$10.0 million will be funded from the annual base allocation for the CIP over the next four years (the project duration in San Bernardino and included in the five-year capital plan) and \$4.0 million has been set-aside in County Reserves. The sale of general fund surplus properties in the amount of \$25.7 million is expected to make additional funding available to complete this project.</p> <p>Operational Impact: The acquisition of approximately 120,000 square feet of additional office space resulted in increased annual operating costs of approximately \$850,000 primarily for facilities maintenance and utilities, offset by annual lease savings of \$323,000 and annual lease revenue of \$485,000. There are no other operational or staffing costs associated with this project.</p> <p><small>*Budgets of \$48.2 million were distributed to individual building remodel projects. Current carryover balances for those building projects are \$31,315,000.</small></p>	\$89.5 million	\$3.0 million*

Project	Total Project Cost	Carryover Balance
<p>Sheriff's Crime Lab Expansion</p> <p>The Board approved \$1.3 million for design in 2012-13 and \$15.7 million for construction in 2013-14 funded from Discretionary General Funding for a total project cost of \$17.0 million to expand the existing Sheriff's Crime Lab located at 200 S. Lena Road in San Bernardino. On May 7, 2013 (Item No. 15), the Board approved a contract for design to expand the building approximately 20,000 square feet. Design completed July 2014 and construction is expected to commence October 2014 and be completed in September 2015.</p> <p>Operational Impact: Estimated operations and maintenance and utility costs are \$120,000 annually and will be funded from the Sheriff Department budget. There are no additional staffing costs associated with this project.</p>	\$17.0 million	\$15.9 million
<p>Sheriff's Aviation Relocation from Rialto Airport to San Bernardino International Airport</p> <p>This project relocates the Sheriff's Aviation Division from Rialto Airport located at 1776 Miro Way to San Bernardino International Airport (SBIA) and consolidates space currently leased at SBIA into a new facility. The San Bernardino International Airport Authority (SBIAA) will construct approximately 50,000 square feet of maintenance and hangar space and approximately 11,640 square feet of office space on 8 acres of land at SBIA with oversight and inspection by the County's Architecture and Engineering Department. On February 25, 2014 (Item No.45), the Board approved a 25-year lease with SBIAA for a total lease cost of \$9.6 million for hangar rent funded with \$4.1 million from the City of Rialto for relocation costs, \$1.0 million from the Sheriff's Asset Seizure Fund, and \$4.5 million from one-time Discretionary General Funding approved by the Board in the 2013-14 budget. The hangar rent will be paid in full upon completion of the aviation facility improvements. Other one-time costs associated with this new aviation facility include A&E project management oversight, Information Services Department charges to establish telephone and data communications, moving expense, and the purchase of furniture, fixtures and equipment estimated at approximately \$1.0 million that will be paid from the Sheriff's 2015-16 budget.</p> <p>Operational Impact: The agreement also provides for ground rent over the 25-year term in the total amount of approximately \$2.7 million to be paid from the Sheriff's budget. Annual ground lease payments (\$82,196) and operating costs and utility expense (\$390,800) for the new space are partially offset by lease and operating cost savings from the termination of the existing Sheriff aviation hangar and office space leases at SBIA and Rialto estimated at \$171,500 annually. There are no additional staffing costs associated with this project.</p>	\$9.6 million	\$9.6 million

FIVE-YEAR CAPITAL IMPROVEMENT PROGRAM PLAN

The Five-Year CIP is reviewed annually and revised based on current circumstances and opportunities and considers historic requirements and expenditures for capital projects. While the Five-Year CIP does not appropriate funds, it does serve as a budgeting tool to set priorities, identify needed capital projects, estimate capital requirements, and coordinate financing and timing. It identifies projects for annual funding, focuses resources in program areas, and supports the County Goals and Objectives. It also identifies project impacts on future operating budgets, including additional staffing, maintenance, and other recurring operational expenditures that require ongoing funding that must be considered in the planning and approval of new projects.

The current general fund annual allocation for CIP projects is \$12.0 million and the focus is on maintenance. That funding has been programmed over the next five years and is summarized on Exhibit E – 2014-15 through 2018-19 Five-Year Capital Improvement Program and includes capital expenditures of \$60.0 million.

THE LAST FIVE YEARS

Over the past five years, the Board of Supervisors has allocated \$240.5 million in general fund contributions for the CIP. The following chart indicates how those resources have been allocated by project type:

CIP NEEDS ADDRESSED IN THIS PROGRAM

The Five-Year CIP addresses the following needs:

- **Departmental Requirements**
 - Carpet/paint
 - Minor remodels
 - Restroom upgrades/ADA improvements
- **Building Systems**
 - Backlog of deferred maintenance
 - Moving towards emphasis on Preventative Maintenance
 - Emphasis on energy efficiency projects
- **Building Exterior/Interior Renovations**
- **Site Infrastructure**
 - Landscaping, irrigation and lighting
 - Increases parking and provides pavement management
- **County Buildings Acquisition and Retrofit Project**
 - Allocates from \$1.3 to \$2.9 million per year to the County Buildings Acquisition and Retrofit Project

General Fund

For the General Fund, budgetary fund balance is expected to decrease by \$55.9 million. This is due primarily to a net change in Reserves of \$42.6 million. This increase primarily includes contributions of \$15.1 to the labor reserve, \$7.9 million to the earned leave reserve, \$9.0 million for Transportation projects, and \$12.2 million for various capital improvement projects.

Restricted General Fund

The restricted General Fund includes the 1991 and 2011 Realignment funds, the Proposition 172 Fund and the Automated Systems Development fund. Fund balance in the Restricted General Fund is expected to decrease slightly by \$3.5 million.

For the Realignment funds, anticipated revenue exceeds departmental usage by \$8.3 million. Realignment expenditure levels, budgeted based on requirements with adjustments for recent program changes, continue to be monitored closely as revenues to pay these expenses are directly dependent on the health of the economy.

For the Automated Systems Development Fund, the budget appropriates the entire fund balance of \$11.9 million. However, this is a large project which will likely span many fiscal years.

Special Revenue Funds

In accordance with Section 29009 of the California Government Code, the entire unreserved fund balance in special revenue funds must be appropriated each year. Budgeted contingencies are appropriated for future or unplanned expenditures that are not anticipated for the current budget year. The projected 2014-15 ending fund balance of \$293.7 million is the contingency appropriation. Therefore, overall fund balances in the special revenue funds are anticipated to decrease by \$154.8 million from a beginning budgetary fund balance of \$448.5 million. Fund balance at the end of this fiscal year will be carried over to the 2015-16 budget.

Significant details regarding projected reductions in fund balances for Special Revenue Funds:

- **Flood Control District** anticipates a \$38.2 million reduction in fund balance due to expenditures related to large construction contracts.
- **Public Works Transportation** anticipates a \$36.6 million reduction in fund balance to fund a variety of road related projects for 2014-15.
- **Community Development and Housing** anticipates a decrease in fund balance of \$23.0 million to fund Community Development programs.
- **Sheriff/Coroner/Public Administrator** anticipates a \$17.2 million reduction in fund balance due to planned operating, fixed asset, and capital expenditures.
- **Fire Protection District** budgets a \$12.1 million reduction related to the appropriation of fund balance in the Capital Replacement set-asides to make funds available for planned and future capital needs.
- **Behavioral Health – Mental Health Services Act (MHSA)** budget unit projects a \$5.8 million decrease in fund balance primarily due to an increase in staffing expenses for programs proposed through the Mental Health Services Act Community Program Planning Process for 2014-15.

Capital Project Funds

Capital project funds normally appropriate the entire fund balance each year by project; therefore, the projected ending fund balance is a nominal \$1.1 million. Historically, amounts budgeted in capital projects funds each year are greater than the amounts actually expended because large capital projects often span many fiscal years and project balances are carried over annually until project completion. Hence, the actual ending fund balance is typically much greater than budgeted.

Permanent Fund

Permanent funds account for legally restricted resources provided in trust in which the earnings but not the principal can be used to support the primary governments programs.

Special Districts Department permanent fund accounts for an endowment for the North Etiwanda Preserve. Fund balance is anticipated to increase slightly as planned needs are less than anticipated interest revenue.

1991 Realignment: In 1991-92, the state approved the Health and Welfare Realignment Program that involves a shift of program responsibilities from the state to the counties. This shift is funded through a corresponding shift of dedicated Sales Tax and Vehicle License Fee revenue.

2011 Realignment: In 2011-12, the state approved AB 109, the Public Safety Realignment Act, which shifted custodial responsibility of non-violent, non-sex, and non-sex-against-children ('Triple-Nons') offenders to local jails. In addition, the parole function of the state was delegated to County Probation departments. In conjunction with Public Safety Realignment, the state also shifted full financial burden of many social service and mental health programs to the County. While the state no longer shares in the cost, it has dedicated a portion of the state sales tax (1.0625%) revenue along with a portion of vehicle license fees for these realigned programs.

AB 74: In 2013-2014, the state approved AB 74 which made several statutory changes to the CalWORKS and CalFRESH program. Those changes include the establishment of a family stabilization component effective January 1, 2014 to assist CalWORKS recipients who are experiencing an identified situation or crisis that is destabilizing their family and interferes with their participation in the welfare-to-work activities and services.

AB 109: Assembly Bill 109, the Public Safety Realignment Act, signed April 4, 2011, transfers responsibility for housing/supervising inmate and parolee populations classified as "low-level" offenders from the California Department of Corrections and Rehabilitation (CDCR) to counties effective October 1, 2011.

AB 233: The Lockyer – Isenberg Trial Court Funding Act of 1997 went into effect January 1, 1998 and fundamentally changed how the trial courts are funded by transferring primary responsibility for funding the courts to the state, including sole responsibility for funding future growth in court operations costs.

AB 900: Assembly Bill 900, Public Safety and Offender Rehabilitation Services Act, signed May 3, 2007, provides that the State Public Works Board (SPWB) and the California Department of Corrections and Rehabilitation (CDCR) are authorized to enter into agreements with participating counties for the acquisition, design and construction of local jail facilities for projects approved by the State Corrections Standards Authority (CSA). Up to \$1.2 billion is authorized by the legislation for county jail construction. Funds are being distributed in two phases.

AB 1805: Effective July 1, 2007, Assembly Bill 1805 preserved county authority to charge booking fees under Government Code Section 29550 et seq; and created a new statutory structure whereby counties - subject to an appropriation by the state – receive funding directly in local detention facility revenue accounts. Under this alternative to booking fees, revenues received are to be used exclusively for the purpose of operation, renovation, remodeling or constructing local detention facilities and related equipment.

AB 3000: Effective September 2002, Assembly Bill 3000 Court Surcharge Guideline, prioritized the distribution of criminal case installment payments of fines and penalties.

ABx1 26: Assembly Bill x1 26, the Dissolution Act, signed June 29, 2011, mandates the elimination of every redevelopment agency in California effective February 1, 2012, and mandates all unobligated funds be distributed to the appropriate taxing entities.

Accrual: An accrual is an accounting entry that recognizes revenue when earned and expenses when incurred. An accrual is made at the end of the fiscal year to ensure revenue and expenses are recorded in the appropriate fiscal year.

Activity: A component within a fund; usually a specific line of work performed to accomplish a function for which a governmental unit is responsible.

Adopted Budget: The original spending plan at the beginning of the fiscal year, typically adopted by the Board of Supervisors in June for the upcoming fiscal year. It may vary from the Recommended Budget.

Affordable Care Act (ACA): In March 2010, President Obama signed comprehensive health reform, the Patient Protection and Affordable Care Act into law. The legislation includes a long list of health-related provisions that began taking effect in 2010 and will continue to be rolled out over the next four years. Key provisions are

intended to extend coverage to millions of uninsured Americans, to implement measures that will lower health care costs and improve system efficiency, and to eliminate industry practices that include rescission and denial of coverage due to pre-existing conditions. The most significant part of this Federal Healthcare Reform legislation will extend coverage to an expanded population effective January 1, 2014 through new eligibility processes for Medi-cal and the implementation of insurance exchanges.

Amortization: The process of gradually extinguishing an asset on the books.

Appropriation: An appropriation is the amount of authority to spend less reimbursements. It represents the authorization for the County to make expenditures/incur obligations for a specified purpose and period of time.

ARRA: ARRA is an acronym used for American Recovery and Reinvestment Act of 2009, also known as Economic Stimulus Funds. The three immediate goals of ARRA are to create new jobs and save existing ones, spur economic activity and invest in long-term growth, and foster unprecedented levels of accountability and transparency in government spending.

Balanced Budget: Total sources, including carry-over fund balances, equals the total requirements and reserves.

Budgeted Staffing: The number of positions (headcount) funded in a budget unit.

Budget Unit: An organizational component which is represented by the combination of a fund and department into one unit for purposes of budgeting.

CalFresh: The CalFresh Program, federally known as the Supplemental Nutritional Assistance Program, is a Federally funded program that helps low-income people buy the food they need for good health. The CalFresh program helps to improve the health and well-being of qualified households and individuals by providing them a means to meet their nutritional needs.

Capital Expenditures: An asset of a long-term character such as land, buildings, furniture, and other equipment costing \$5,000 or more and having a useful life of one year or more. Additionally, computer software is capitalized if the value is \$100,000 or greater.

Capital Project Funds: Capital Project Funds are used to account for financial resources designated for the acquisition or construction of major capital facilities other than those financed by Enterprise and Internal Service Funds.

Central Services: The Central Services expense category, replaces Central Computer and was set up beginning fiscal year 2010-11 to allocate both the Information Services and Facilities Management Departments' associated charges.

- Information Services Department computer charges are Countywide costs for computer infrastructure such as email, wide area network, payroll processing, and software/hardware staff support. Each department's Central Computer budget amount is estimated at the beginning of the fiscal year by the Information Services Department and is billed based on that estimate.
- Facilities Management Department charges are for basic services provided to departments including grounds, custodial, and maintenance. Each department's budget amount for grounds, custodial, and maintenance is based on an annual average cost per square foot.

Contingencies: An amount set aside within a budget for unforeseen expenditure requirements. Board action must be taken to spend contingency funds and a 4/5 vote is required for approval.

County Fire: San Bernardino County Fire Protection District

COWCAP: COWCAP is an acronym for County Wide Cost Allocation Plan. It is the method by which indirect support costs for services such as Human Resources, Payroll, Purchasing, etc. are allocated to departments. It is prepared annually by the County Auditor-Controller/Treasurer/Tax Collector in accordance with Code of

Federal Regulations (2 CFR Part 225), which is the guideline for state and federal reimbursements for indirect costs.

Department: An organizational unit used by County management to group programs of a like nature. In terms of financial structure, departments may have multiple funding sources, i.e. general fund, special revenue fund, etc. that are based on specified uses. The combinations of the various funds are consolidated at the department level.

Depreciation: The recording of expiration in the service life of fixed assets attributable to wear and tear, deterioration, action of the physical elements, inadequacy, and obsolescence.

Deficit: Insufficient sources to fully fund expenditures and other disbursements during a fiscal year.

Discretionary General Funding: Describes the overall process of administering net county cost, which is the amount contributed by the County general fund from its discretionary revenue sources to fund the activities of a department.

Discretionary Revenue: Revenue not legally designated for a specific purpose or program that can be appropriated at the discretion of the Board of Supervisors.

Dispute Resolution Programs Act of 1986: Authorizes the local establishment and funding of dispute resolution programs as an alternative to more formal court proceedings.

Employee Health and Productivity Program (EHaP): A modified duty/return to work program that utilizes specialized nurses to obtain effective and timely treatment for injured or ill employees. Overall goals are to return the employee to the workplace as soon as possible and to increase the health and productivity of employees through health promotion and risk reduction programs.

Encumbrance: An encumbrance is not an expenditure or a liability but merely a reserve of appropriation in a given fiscal year for a specific expenditure.

Enterprise Funds: Enterprise Funds are established to account for operations that are funded and operated in a manner similar to private business enterprises where the intent of the governing body is that the costs of providing goods or services to the general public on a continuing basis be funded or recovered primarily through operational revenues.

Expenditure: Decreases in net financial resources. An expenditure includes current operating expenses that require the present or future use of resources.

Final Budget: A budget unit's adopted spending plan and financing, including all mid-year adjustments through the fourth quarter.

Fiscal Year: The County's twelve-month accounting period (July 1 through the following June 30), which varies from the calendar year and the federal fiscal year.

Function: A group of related activities aimed at accomplishing a major service for which a governmental unit is responsible. This designation is specified by the State Controller. For example: "Public Protection" is the function of the Sheriff/Coroner/Public Administrator Department.

Fund: A legal unit that provides for the segregation of moneys or other resources in the County treasury for specific activities or obligations in accordance with specific restrictions or limitations. A separate set of accounts must be maintained for each fund to show its assets, liabilities, reserves, and fund balance, as well as its income and expenditures. The assets of a fund may also be placed into separate accounts to provide for limitations on specific fund income or expenditures.

Fund Balance: An amount comprised of accumulated excess or deficiency of revenues less expenditures of a fund, including the cancellation of prior year encumbrances. This is measured at the end of each fiscal year.

Fund balance may be used in the budget unit for the upcoming year as a funding source for one-time projects or services.

Fund Balance Classifications: Beginning in 2010-11, GASB 54 requires that financial statements for governmental funds classify fund balance in one of the following five components:

- Nonspendable fund balance – assets that will never convert to cash, or will not convert soon enough to affect the current period, or resources that must be maintained intact pursuant to legal or contractual requirements;
- Restricted fund balance – resources that are subject to externally enforceable limitations imposed by creditors, grantors, contributors, or laws and regulations of other governments, constitutional provision, or enabling legislation;
- Committed fund balance – resources that are constrained by self-imposed limitations set in place prior to the end of the period by the highest level of decision making, and remain binding unless removed in the same manner;
- Assigned fund balance – resources that are limited resulting from an intended use established by either the highest level of decision making, or the official or body designated for that purpose;
- Unassigned fund balance – residual net resources that cannot be classified in one of the other four categories.

GASB 34: Governmental Accounting Standards Board (GASB), Statement 34 establishes requirements for the annual financial reports of state and local governments. The goal is to make annual reports easier to understand and more useful to people who use governmental financial information to make decisions. There are many components of GASB 34, but as it relates to the budget, it is primarily composed of how services provided between County budget units are accounted for. GASB 34 specifies how payments for services should be accounted for (either as reimbursements or as departmental revenues). All transactions between departments within the same fund (i.e. general fund) are budgeted as reimbursements. While the net impact is zero, reclassifications between these two categories cause inconsistencies when comparing year-to-year budgets by specific expense or revenue categories.

GASB 51: Governmental Accounting Standards Board (GASB), Statement 51 establishes requirements for the annual financial reports of state and local governments. The objective of this statement is to enhance the comparability of the accounting and financial reporting of intangible assets among state and local governments, and requires that all intangible assets not specifically excluded by its scope provisions be classified as capital assets.

GASB 54: Governmental Accounting Standards Board (GASB), Statement 54 establishes requirements for the annual financial reports of state and local governments to be implemented for periods beginning after June 15, 2010. The objective of this statement is to enhance the usefulness of fund balance information by providing clearer fund balance classifications that can be more consistently applied and by clarifying the existing governmental fund type definitions. The main components of GASB 54 and how they relate to budget primarily consists of replacing existing fund balance classifications (reserved and unreserved) with new classifications (nonspendable, restricted, committed, assigned, and unassigned) that observe the constraints imposed upon the use of the resources reported in governmental funds. In addition, special revenue fund type was clarified and affects the activities required to be reported in that fund type.

General Fund: The General Fund is the predominate fund for funding County programs.

Geographic Information System (GIS): A geographic information system integrates hardware, software, and data for capturing, managing, analyzing, and displaying all forms of geographically referenced information.

Governmental Funds: Governmental funds consist of the general fund, special revenue funds, capital projects funds and debt service funds.

Grants: A contribution by a government or other organization to support a particular function. Grants may be classified as either operational or capital, depending upon the grantee.

Headcount: Actual number of individuals carried in a budget unit's payroll, as opposed to the equivalent number computed from wages budgeted.

Housing Successor: ABx1 26, the Dissolution Act, mandates the elimination of every redevelopment agency in California effective February 1, 2012. The Housing Successor retained the housing functions of the former Redevelopment Agency (RDA) and has all rights, power, duties, and obligations related to building, preserving, and rehabilitating affordable housing for low to moderate income households.

Internal Service Funds (ISF): Internal Service Funds are used to account for the financing of goods or services provided by one department or agency to other departments or agencies of the governmental unit on a cost reimbursement basis.

Limited Term: A position designation for non-regular positions, consisting of contract, extra-help, or recurrent position types.

Mandate: A program that meets constitutional, statutory or court-ordered requirements from either federal or state entities.

Memorandum of Understanding (MOU): For budget purposes, the MOU refers to a negotiated and approved labor agreement between the County and an employee labor organization or group that details the salary, benefits, and other conditions of employment.

Mid-Year Adjustments: Board approved budget changes subsequent to adoption.

Mission: A clear, concise statement of purpose for the entire department. The mission focuses on the broad, yet distinct, results the department will achieve for its customers.

Modified Budget: A budget unit's adopted requirements and sources, including any mid-year adjustments.

Net Budget: Total Sources less Total Requirements in a proprietary fund.

Net County Cost: Net county cost (or discretionary general funding) is the amount contributed to County general fund departments from discretionary revenue sources to fund the activities of a department.

Operating Expenses: A category of expenditures within a budget unit for all standard costs of daily operations, including such items as office supplies, training, contractual services, and travel.

Operating Transfers In/Out: A method of providing financing from one budget unit to another for the implementation of a project or program.

Performance Measure: An ongoing, quantitative indicator of resources consumed, workload, productivity, efficiency, and effectiveness. Performance measures should relate to objectives and allow for measurement of the same thing over time.

Position: A specific employment, whether occupied or vacant, involving duties requiring the services of one person. A position whether full or part-time is reflected as 1 in budgeted staffing amounts.

Proposition 1B: As approved by the voters in the November 2006 general elections, Proposition 1B enacts the Highway Safety, Traffic Reduction, Air Quality, and Port Security Bond Act of 2006 to authorize \$19.925 billion of state general obligation bonds for transportation infrastructure improvements.

Proposition 30 (Prop 30): A ballot measure approved by California voters on November 6, 2012, that increased taxes on earnings over \$250,000 for seven years (2012-2018) and increased sales taxes by ¼ cent for four years (2013-2016) to fund schools. The measure is expected to generate an average of \$6 billion annually, and also guarantees Public Safety Realignment funding.

Proposition 63: On November 2, 2004, voters passed Proposition 63, which established a state personal income tax surcharge of one percent on the portion of taxpayers' annual taxable income that exceeds \$1 million. The proposition was enacted into law as the Mental Health Services Act (MHSA) effective January 1, 2005. The overall purpose and intent is "to reduce the long term adverse impact on individuals, families, and state and local budgets resulting from untreated serious mental illness to insure that all funds are expended in the most cost effective manner and to ensure accountability to taxpayers and to the public".

Proposition 172 (Prop 172): A permanent extension of a half-cent Local Public Safety Sales Tax approved by California voters on November 2, 1993. Proceeds of this sales tax must be dedicated to public safety.

Proprietary Funds: Classification used to account for a government's ongoing organizations and activities that are similar to those often found in the private sector (i.e., enterprise and internal service funds).

Public Service Employee (PSE): PSEs are employees assigned to entry-level positions in a variety of fields and occupations for a limited duration. They are not full-time, regular County employees. PSEs are subject to an expedited recruiting process to accommodate additional workload or to manage one-time special projects. They do not receive the full range of benefits or have the civil service status of regular County employees.

Recommended Budget: A recommended budget is the working document of the fiscal year under discussion.

Redevelopment Agency: In 1951 the California Redevelopment Law (CRL) was enacted, which gave California cities and counties the authority to create redevelopment agencies. The CRL provided the local redevelopment agencies powerful local tools to eliminate urban decay, apply for grants, create jobs, build community facilities and infrastructure and attract economic reinvestment. Eventually, the CRL was expanded to assist in the creation of low and moderate income housing. A redevelopment agency, a separate legal entity, was responsible for the implementation of the CRL for the local communities. A redevelopment agency had the ability to create project areas, to purchase and assemble development sites, build infrastructure, construct deed-restricted affordable housing, and issue debt. An agency paid for these improvements through the utilization of tax increment financing. Redevelopment agencies and tax increment financing were eliminated by the state effective February 1, 2012.

Reimbursements: Amount received as payment of the cost of work, or service performed, or of other expenditures made, for or on behalf of another governmental unit or department. Reimbursements represent the recovery of expenditures and are considered a source.

Requirements: A department's appropriation or authority to spend plus department's budgeted operating transfers out.

Restricted Funds: Restricted funds consist of limited use budgets – Prop 172, 1991 Realignment, 2011 Realignment and Automated Systems Development. Prop 172 revenue assists in funding the Sheriff/Coroner/Public Administrator, District Attorney, and Probation departments. 1991 Realignment assists in funding mental health, social services, and health programs within the County. 2011 Realignment assists in funding public safety, mental health, social services, and health programs within the County. Automated Systems Development is funding that is set aside for the purpose of developing, upgrading, and/or replacing the County's Financial Accounting System (FAS), a core information technology system; and for other future developments.

Revenue: The addition of cash or other current assets to governmental funds (receipts) which do not increase any liability or reserve and do not represent the recovery of an expenditure, i.e., reimbursements. Generally, revenue is derived from taxes, licenses and fees, or investment earnings. Revenues are deposited in a budget unit for future appropriation.

Retirement Incentive Program (RIP): A program offered to County employees in 2008-09 to obtain personnel cost savings in a manner that minimized the financial impact to the County. County employees retiring by June 30, 2009 were made eligible to receive \$250 for each completed quarter of continuous County service, payable annually over five years. As part of the RIP, it was expected that the resulting vacated positions would not be filled for a period of five years (although some exceptions applied) and that payment would be suspended if the participating employee returned to work for the County in any capacity.

SB 90 State-Mandated Local Program: State reimbursements to local governments for the cost of activities required by State legislative and executive acts.

SB 163: Wraparound Services Program is an intensive, community-based and family centered process designed to allow children with serious behavior and/or emotional difficulties to remain in their community at the lowest level of care possible instead of being placed in a group home setting. This bill allows counties to accumulate savings realized from a wraparound program and requires that the savings be reinvested in a Child Welfare Services program.

SB 676: Effective July 1, 2010 this California Senate Bill increased the maximum fee collected from indigent defendants from \$25 to \$50.

SB 920: Medi-Cal Program – which is administered by the State Department of Health Care Services for qualified low-income persons to receive health care services. The program is, in part, governed and funded by federal Medicaid Program provisions.

SB 1246: Implemented in 1980, is a fee on issued marriage licenses targeted “for the purpose of aiding victims of domestic violence by providing them a place to escape from the destructive environment in an undisclosed and secured location.” To qualify for these funds, an agency must provide services to victims of domestic violence and their children that include shelter on a 24-hour, seven days a week basis, a 24-hour crisis line, temporary housing and food facilities, psychological support and peer counseling, referrals to existing services in the community, a drop-in center to assist victims who have not yet made the decision to leave their homes, arrangements for school age children to continue their education during their stay at the shelter, emergency transportation to the shelter, and arrangements for assistance from local law enforcement where appropriate.

SB 1732: Trial Court Facilities Act of 2002, requires the transfer of responsibility for funding and operation of trial court facilities from the counties to the State of California.

Set-Aside Contingency: A contingency made up from available balances materializing throughout one or more fiscal years which are not required to support disbursements of a legal or emergency nature and are held (set-aside) for future funding requirements.

Sources: Amount of funding available to departments such as revenue, reimbursements, operating transfers in, fund balance and reserves.

Special Revenue Funds: Special Revenue Funds are used to account for the proceeds of specific sources of revenue whereby the use of such revenue is restricted by law for particular functions or activities of government. State Government Code Section 29009 requires that the entire unreserved fund balance must be appropriated each year. The amount not expended is carried over to the subsequent year's budget.

Staffing Expenses: A category of expenditures within a budget unit for all costs related to employees including salary, retirement, employee benefits and workers compensation insurance.

Step Increases: An employee, based upon the completion of the required service hours in their classification, satisfactory work performance, and appointing authority recommendation, may receive step advancements. Step advancements within the base salary range shall be based on one (1) or two (2) step increments depending on hire date and bargaining unit. Each increment is 2.5%.

Structurally Balanced Budget: The annual operating budget will be structurally balanced upon adoption of the Board of Supervisors. One-time sources will not be spent on ongoing expenditures.

Successor Agency: A separate public entity from the public agency that had formed the former redevelopment agency. Its purpose is to expeditiously wind down the affairs of the former redevelopment agency pursuant to ABx1 26 and AB 1484 and in accordance with the direction of the oversight board. The primary task of the Agency is to continue to make payments due from its enforceable obligations.

Three Strikes Reform Act: Passed by the California voters in November 2012, this initiative redefined the parameters leading to mandatory 25-year to life sentences for previously twice convicted felons.

Total Expenditure Authority: The authorized expenditure limit for a budget unit for the current fiscal year.

Transfers: The movement of resources from one budget unit to another usually for payment of services received.

Trend: A documented recurrence of a measurable event or circumstance over time that is increasing, decreasing or even staying the same.

Unrestricted Net Assets: That portion of net assets that is neither restricted nor invested in capital assets (net of related debt).
